Proxy Statement

2007 Annual Meeting of Stockholders

The proxy that accompanies this statement is being solicited by the board of directors of Ares Capital Corporation, a Maryland corporation (the Company, we, us or our), for use at the 2007 Annual Meeting of Stockholders (the Annual Meeting) to be held on May 30, 2007 at 11:00 a.m. Pacific Coast Time, at The Hyatt Regency Century Plaza, 2025 Avenue of the Stars, Los Angeles, California 90067, or at any adjournment or postponement thereof. This proxy statement, the accompanying proxy card and the Company's Annual Report on Form 10-K, which includes audited financial statements for the year ended December 31, 2006, are first being sent to the Company's stockholders on or about May 1, 2007.

Any stockholder of record (i.e., you hold shares directly in your name) giving a valid proxy for the Annual Meeting may revoke it before it is exercised by giving a later dated properly executed proxy, by giving notice of revocation to the Company in writing before or at the Annual Meeting or by attending the Annual Meeting and voting in person. However, the mere presence at the Annual Meeting of the stockholder does not revoke the proxy. If your shares are held for your account by a broker, bank or other institution or nominee, you may vote such shares at the meeting only if you obtain proper written authority from your institution or nominee and present it at the meeting. Unless revoked as stated above, the shares of common stock represented by valid proxies will be voted on all matters to be acted upon at the Annual Meeting. With respect to the election of directors, proxies cannot be voted for a greater number of persons than the number of nominees named.

On any matter or matters with respect to which the proxy contains instructions for voting, the votes entitled to be cast by such shares will be cast in accordance with such instructions. **If no specification is made, the votes entitled to be cast by such shares will be cast FOR the election of the two director nominees and FOR the ratification of KPMG LLP as the Company's independent registered public accounting firm for the year ending December 31, 2007.**

The board of directors is not aware of any matter to be presented for action at the Annual Meeting other than the matters set forth herein. Should any other matter requiring a vote of stockholders arise, it is the intention of the persons named in the proxies to vote in accordance with their discretion on such matters. The stockholders of the Company have no dissenter's or appraisal rights in connection with any of the proposals described herein.

The record date for determination of stockholders entitled to vote at the Annual Meeting is the close of business on April 30, 2007. As of April 29, 2007, there were 69,486,220 shares of common stock outstanding. Each share of common stock has one vote. The presence, in person or by proxy, of the holders of shares of stock of the Company entitled to cast a majority of the votes entitled to be cast shall constitute a quorum for the purposes of the Annual Meeting. If a quorum is not present at the Annual Meeting, the chairman of the meeting or the stockholders who are represented may adjourn the Annual Meeting until a quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless such proxies are marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Abstentions and broker non-votes, where a broker proxy indicates that the nominee has not received instructions on a particular proposal and does not have discretionary authority to vote the shares on such proposal, will be deemed to be present for the purpose of determining a quorum for the Annual Meeting. However, abstentions and broker non-votes are counted as votes not cast. As a result, the effect of an abstention or broker non-vote will be the same as a vote against Proposal 1 because the affirmative vote of the holders of more than 50% of the outstanding shares of the Company's common stock is required under the Company's Bylaws to approve Proposal 1 (to elect two directors to serve for a term of three years, and until their successors are duly elected and qualify), but will have no effect on Proposal 2 because the affirmative vote of a majority of the votes cast at the Annual Meeting is required under the Company's Bylaws to approve Proposal 2 (to ratify the selection of KPMG LLP as the Company's independent registered public accounting firm).

We will bear the cost of solicitation of proxies in the form accompanying this statement. Proxies will be solicited by mail or by requesting brokers and other custodians, nominees and fiduciaries to forward proxy soliciting material to the beneficial owners of shares of common stock held of record by such brokers, custodians, nominees or fiduciaries, each of whom we will reimburse for its expenses in so doing. In addition to the use of mail, directors, officers and regular employees of the Company, who receive no compensation for their services other than their regular salaries, may solicit proxies personally, by telephone and by electronic mail from stockholders. The Company has engaged the services of Computershare Investor Services, LLC (Computershare) for the purpose of assisting in the solicitation of proxies (including broker search and delivery services) at a cost of approximately \$1,500 plus reimbursement of certain expenses. Please note that Computershare may be used to solicit stockholder proxies by telephone on behalf of the Company.

PROPOSAL 1: ELECTION OF DIRECTORS

Under our charter (Charter) and Amended and Restated Bylaws (Bylaws) (together, our Charter Documents), our directors are divided into three classes. Directors are elected for a staggered term of three years each, with a term of office of only one of these three classes of directors expiring each year. Each director will hold office for the term to which he or she is elected and until his or her successor is duly elected and qualifies.

The terms of Frank E. O Bryan and Eric B. Siegel, the Class III directors, will expire at the 2007 Annual Meeting, and they have been nominated by the Nominating Committee of the board of directors and by the board of directors, in accordance with our Bylaws, to stand for re-election at the Annual Meeting and to hold office until the annual meeting to be held in 2010 and until their successors are elected and qualify. Our Charter Documents provide that directors shall be elected by the affirmative vote of the holders of a majority of the shares of stock outstanding and entitled to vote in such election. Therefore, the affirmative vote of a majority of the shares of common stock outstanding as of the close of business on the record date is required to elect Mr. O Bryan and Mr. Siegel as directors of the Company for the term for which they have been nominated.

A stockholder can vote for or withhold his or her vote from such nominees. **In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of the nominees named below. If either nominee should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person as is nominated by the Nominating Committee of the board of directors and by the board of directors as a replacement.** The board of directors has no reason to believe that either nominee will be unable or unwilling to serve.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF FRANK E. O BRYAN AND ERIC B. SIEGEL AS DIRECTORS OF THE COMPANY FOR THE TERM FOR WHICH THEY HAVE BEEN NOMINATED.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16(a) of the Securities Exchange Act, the Company's directors and executive officers, and any persons holding 10% or more of its common stock, are required to report their beneficial ownership and any changes therein to the Commission and the Company. Specific due dates for those reports have been established, and the Company is required to report herein any failure to file such reports by those due dates. Based solely upon a review of Forms 3, 4 and 5 filed by such persons, the Company believes that each of its officers and directors and any persons holding 10% or more of its common stock complied with all Section 16(a) filing requirements applicable to them during the fiscal year ended December 31, 2006, with the exception of a late filing of a Form 4 by Mr. Eric Siegel reporting the purchase of shares of our common stock.

CORPORATE GOVERNANCE**Director Independence**

Our board of directors has a majority of directors who are independent under the listing standards of The NASDAQ Global Select Stock Market LLC. The NASDAQ Manual provides that a director of a business development company shall be considered to be independent if he or she is not an interested person of the Company, as defined in Section 2(a)(19) of the 1940 Act. Section 2(a)(19) of the 1940 Act defines an interested person to include, among other things, any person who has, or within the last two years had, a material business or professional relationship with the Company.

Our board of directors has determined that the following directors are independent: Messrs. Coltharp, O Bryan and Siegel. Based upon information requested from each director concerning his or her background, employment and affiliations, our board of directors has affirmatively determined that none of

the independent directors has a material business or professional relationship with the Company, other than in his capacity as a member of the board of directors or any board committee.

Organization of the Board of Directors

Our board of directors has established an audit committee and a nominating committee. We do not have a compensation committee because our executive officers do not receive any direct compensation from us. During 2006, the board of directors held eight formal meetings. All directors attended at least 75% of the aggregate number of meetings of the board of directors and of the respective committees on which they served. The audit committee held seven formal meetings during 2006, and the nominating committee held two formal meetings during 2006. The Company encourages, but does not require, the directors to attend the Company's annual meeting of its stockholders.

Audit Committee

The members of the audit committee are Messrs. Coltharp, O Bryan and Siegel, each of whom is independent for purposes of the 1940 Act and The NASDAQ Global Select Market corporate governance regulations. Mr. Coltharp serves as chairman of the audit committee. The board of directors has adopted a charter for the audit committee, which is available on the Company's website (<http://www.arescapitalcorp.com>). The audit committee is responsible for approving our independent accountants, reviewing with our independent accountants the plans and results of the audit engagement, approving professional services provided by our independent accountants, reviewing the independence of our independent accountants and reviewing the adequacy of our internal accounting controls. The audit committee is also responsible for aiding our board of directors in fair value pricing debt and equity securities that are not publicly traded or for which current market values are not readily available. The audit committee also currently receives input from independent valuation firms that have been engaged at the direction of the board to value each portfolio security at least once during a trailing 12 month period. Our board of directors has determined that Douglas E. Coltharp and Frank E. O Bryan are each an audit committee financial expert (as defined in Item 401 of Regulation S-K).

Nominating Committee

The members of the nominating committee are Messrs. Coltharp, O Bryan and Siegel, each of whom is independent for purposes of the 1940 Act and The NASDAQ Global Select Market corporate governance regulations. Mr. Siegel serves as chairman of the nominating committee. Our board of directors has adopted a charter for the nominating committee, which is available on the Company's website (<http://www.arescapitalcorp.com>). The nominating committee is responsible for selecting, researching and nominating directors for election by our stockholders, selecting nominees to fill vacancies on the board or a committee of the board, developing and recommending to the board a set of corporate governance principles and overseeing the evaluation of the board and our management.

The nominating committee's policy is to identify potential nominees based on suggestions from the President of the Company, members of the nominating committee, other members of the board of directors, other executive officers, and stockholders and by other means, and to evaluate such persons as a committee. In addition, from time to time, the board of directors may determine that it requires a director with a particular expertise or qualification and will actively recruit such a candidate.

Qualified candidates for membership on the board of directors will be considered without regard to race, color, creed, religion, national origin, age, gender, sexual orientation or disability. The nominating committee will review and evaluate each candidate's character, judgment, skills (including financial literacy), background, experience and other qualifications (without regard to whether a nominee has been recommended by the Company's stockholders), as well as the overall composition of the board of

directors, and recommend to the board of directors for its approval the slate of directors to be nominated for election at the annual meeting of the Company's stockholders.

In considering possible candidates for election as a director, the nominating committee takes into account, in addition to such other factors as it shall deem relevant, the desirability of selecting directors who:

- are of high character and integrity;
- are accomplished in their respective fields, with superior credentials and recognition;
- have relevant expertise and experience upon which to be able to offer advice and guidance to management;
- have sufficient time available to devote to the affairs of the Company;
- are able to work with the other members of the board of directors and contribute to the success of the Company;
- can represent the long-term interests of the Company's stockholders as a whole; and
- are selected such that the board of directors represents a range of backgrounds and experience.

The nominating committee also considers all applicable legal and regulatory requirements that govern the composition of the board of directors.

The nominating committee may consider recommendations for nomination of directors from our stockholders. Nominations made by stockholders must be delivered to or mailed (setting forth the information required by our Bylaws) and received at our principal executive offices not earlier than 150 days nor fewer than 120 days in advance of the first anniversary of the date on which we first mailed our proxy materials for the previous year's annual meeting of stockholders; *provided, however*, that if the date of the annual meeting has changed by more than 30 days from the prior year, the nomination must be received not earlier than the 150th day prior to the date of such annual meeting nor later than the later of (i) the 120th day prior to the date of such annual meeting or (ii) the 10th day following the day on which public announcement of such meeting date is first made.

In addition to information regarding the nominating stockholder as set forth in the Company's Bylaws, a stockholder's notice shall set forth as to each individual whom the stockholder proposes to nominate for election or reelection as a director:

- the name, age, business address and residence address of such individual;
- the class, series and number of any shares of stock of the Company that are beneficially owned by such individual;
- the date such shares were acquired and the investment intent of such acquisition;
- whether such stockholder believes any such individual is, or is not, an interested person of the Company, as defined in the 1940 Act or is, or is not, independent as set forth in the requirements established by The NASDAQ Global Select Market or any other exchange or automated quotation service on which the Company's securities are listed, and information regarding such individual that is sufficient, in the discretion of the board of directors or any committee thereof or any authorized officer of the Company, to make either such determination; and
- all other information relating to such individual that is required to be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act of 1934

(the Exchange Act) (including such individual s written consent to being named in the proxy statement as a nominee and to serving as a director if elected).

All nominees properly submitted to the Company (or which the nominating committee otherwise elects to consider) will be evaluated and considered by the members of the nominating committee using the same criteria as nominees identified by the nominating committee itself.

Compensation Committee

We do not have a compensation committee because our executive officers do not receive any direct compensation from us.

Communications Between Stockholders and Board of Directors

The board of directors welcomes communications from the Company s stockholders. Stockholders may send communications to the board of directors, or to any particular director, to the following address: c/o Ares Capital Management LLC, 1999 Avenue of the Stars, Suite 1900, Los Angeles, California 90067. Stockholders should indicate clearly the director or directors to whom the communication is being sent so that each communication may be forwarded directly to the appropriate director(s).

Code of Conduct

The Company has adopted a code of conduct which applies to, among others, its officers, including its President and its Chief Financial Officer, as well as the members of the Board. The Company s code can be accessed via the Company s website at <http://www.arescapitalcorp.com>. The Company intends to disclose any amendments to or waivers of required provisions of the code on Form 8-K.

COMPENSATION DISCUSSION AND ANALYSIS

Our executive officers do not receive any direct compensation from us. We do not currently have any employees and do not expect to have any employees. Services necessary for our business are provided by individuals who are employees of our investment adviser, Ares Capital Management LLC (Ares Capital Management), and our administrator, Ares Operations LLC (Ares Administration), pursuant to the terms of our investment advisory and management agreement and our administration agreement. Each of our executive officers is an employee of Ares Administration and/or Ares Capital Management. Our day-to-day investment operations are managed by our investment adviser. Most of the services necessary for the origination and administration of our investment portfolio are provided by investment professionals employed by Ares Capital Management. In addition, we reimburse Ares Administration for our allocable portion of expenses incurred by it in performing its obligations under the administration agreement, including our allocable portion of the cost of our officers and their respective staffs.

Under our investment advisory and management agreement, our investment adviser earned approximately \$33 million in fees for the year ended December 31, 2006. In addition, during 2006, we reimbursed Ares Administration \$953,400 in connection with our allocable portion of certain expenses under the administration agreement and our investment adviser \$853,435 in connection with the reimbursement of certain expenses under the investment advisory and management agreement.

We have entered into indemnification agreements with each of our current directors and officers and with members of our investment adviser s investment committee. The indemnification agreements attempt to provide these directors and senior officers the maximum indemnification permitted under Maryland law and the 1940 Act. The agreements provide, among other things, for the advancement of expenses and indemnification for liabilities incurred which such person may incur by reason of his status as a present or

former director or officer or member of our investment adviser's investment committee in any action or proceeding arising out of the performance.

DIRECTOR COMPENSATION TABLE

The following table shows information regarding the compensation received by the directors, none of which is an employee of the Company, for the fiscal year ended December 31, 2006. No compensation is paid by the Company to directors who are or are being treated as interested persons. No information has been provided with respect to executive officers of the Company, since our executive officers do not receive any direct compensation from us.

Name	Aggregate compensation from the Company(1)	Pension or retirement benefits accrued as part of our expenses(2)	Total compensation from Fund and Fund Complex paid to directors
Independent directors			
Douglas E. Coltharp	\$ 89,000	None	\$ 89,000
Frank E. O Bryan	\$ 84,000	None	\$ 84,000
Eric B. Siegel	\$ 86,000	None	\$ 86,000
Interested directors			
Robert L. Rosen(3)	None	None	None
Bennett Rosenthal	None	None	None

- (1) For a discussion of the independent directors' compensation, see below.
- (2) We do not have a profit sharing or retirement plan, and directors do not receive any pension or retirement benefits.
- (3) While Mr. Rosen did not receive any compensation from the Company or the Fund Complex for the fiscal year ended December 31, 2006, he did receive \$75,000 from Ares Management LLC for such period in connection with his service as a director of the Company.

The independent directors receive an annual fee of \$50,000. They also receive \$2,500 plus reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each board meeting and will receive \$1,000 plus reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each committee meeting. In addition, the chairman of the audit committee receives an annual fee of \$5,000 and each chairman of any other committee receives an annual fee of \$2,000 for their additional services in these capacities. In addition, we have purchased directors' and officers' liability insurance on behalf of our directors and officers. Independent directors have the option to receive their directors' fees paid in shares of our common stock issued at a price per share equal to the greater of net asset value or the market price at the time of payment.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We have procedures in place for the review, approval and monitoring of transactions involving us and certain persons related to us. For example, we have a Code of Conduct that generally prohibits any employee, officer or director from engaging in any transaction where there is a conflict between such individual's personal interest and the interests of the Company. Waivers to the Code of Conduct can generally only be obtained from the Chief Compliance Officer, the Chairman of the board of directors or the Chairman of the audit committee of the board of directors and are publicly disclosed as required by applicable law and regulations. In addition, the audit committee of the board of directors is required to review and approve all related-party transactions (as defined in Item 404 of Regulation S-K).

As a business development company, the 1940 Act also imposes regulatory restrictions on our ability to engage in certain related party transactions. For example, without obtaining an exemptive order from the SEC, we would not generally be permitted to invest in any portfolio company in which Ares or any of its affiliates currently has an investment (although we may co-invest on a concurrent basis with funds managed by Ares, subject to compliance with existing regulatory guidance, applicable regulations and our allocation procedures). We have separate policies and procedures that have been adopted to ensure that we do not enter into any such prohibited transactions, without seeking necessary approvals from our Board of Directors or the SEC.

We are party to an investment advisory and management agreement with Ares Capital Management, whose sole member is Ares Management LLC, an entity in which certain members of our senior management and our chairman of the board have indirect ownership and financial interests. Certain members of our senior management also serve as principals of other investment managers affiliated with Ares Management LLC that may in the future manage investment funds with investment objectives similar to ours. In addition, certain of our executive officers and directors and the members of the investment committee of our investment adviser, Ares Capital Management, serve or may serve as officers, directors or principals of entities that operate in the same or related line of business as we do or of investment funds managed by our affiliates. Accordingly, we may not be given the opportunity to participate in certain investments made by investment funds managed by advisers affiliated with Ares Management LLC. However, our investment adviser and Ares Management LLC intend to allocate investment opportunities in a fair and equitable manner that meets our investment objectives and strategies so that we are not disadvantaged in relation to any other client. The address of Ares Capital Management LLC is 1999 Avenue of the Stars, Suite 1900, Los Angeles, California 90067.

Pursuant to the terms of the administration agreement, Ares Administration currently provides us with administrative services necessary to conduct our day-to-day operations. Ares Management LLC is the sole member of and controls Ares Administration. The address of Ares Administration is 1999 Avenue of the Stars, Suite 1900, Los Angeles, California 90067.

We lease office facilities directly (the Office Space) from a third party. In addition, we have a sublease agreement with Ares Management LLC whereby Ares Management LLC subleases approximately 25% of the Office Space for a fixed rent equal to 25% of the basic annual rent payable by us under our lease, plus certain additional costs and expenses.

We have also entered into a license agreement with Ares pursuant to which Ares has agreed to grant us a non-exclusive, royalty-free license to use the name Ares. Under this agreement, we will have a right to use the Ares name, for so long as Ares Capital Management or one of its affiliates remains our investment adviser. Other than with respect to this limited license, we will have no legal right to the Ares name. This license agreement will remain in effect for so long as the investment advisory and management agreement with our investment adviser is in effect.

In connection with our initial public offering, our investment adviser paid to underwriters, on our behalf, an additional sales load of \$2,475,000. This amount accrued interest at a variable rate that adjusted quarterly equal to the three-month LIBOR plus 2.00% per annum. We repaid this amount in full, plus accrued and unpaid interest, in February 2006.

PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee of the board of directors has selected KPMG LLP as the independent registered public accounting firm for the Company for the year ending December 31, 2007 and is submitting the selection of KPMG LLP to the stockholders for ratification.

If the stockholders fail to ratify the selection, the audit committee will reconsider whether or not to retain KPMG LLP. Even if the selection is ratified, the audit committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of a majority of the votes cast at the Annual Meeting will be required to ratify the selection of KPMG LLP as the independent registered public accounting firm for the Company for the year ending December 31, 2007.

KPMG LLP has advised us that neither the firm nor any present member or associate of it has any material financial interest, direct or indirect, in the Company or its subsidiaries.

The Company expects that a representative of KPMG LLP will be present at the Annual Meeting, will have an opportunity to make a statement if he or she so chooses and will be available to answer questions.

The Company engaged KPMG LLP to act as its independent registered public accounting firm during 2006.

FEES PAID TO KPMG LLP FOR 2006

The following are aggregate fees billed to the Company by KPMG LLP during each of the last two fiscal years:

	Fiscal Year Ended December 31	
	2006	2005
Audit Fees	\$ 345,000	\$ 201,000
Audit-Related Fees	\$ 262,900	\$ 70,000
Tax Fees	\$ 411,978	\$ 40,000
All Other Fees	\$ 148,895	\$
Total Fees	\$ 1,168,773	\$ 311,000

Audit Fees

Audit fees consist of fees billed for professional services rendered for the audit of the Company's consolidated financial statements and review of the interim consolidated financial statements included in quarterly reports and services that are normally provided by KPMG LLP in connection with statutory and regulatory filings.

Audit Related Fees

Audit-related fees are fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated financial statements and are not reported under Audit Fees.

Tax Fees

Tax fees consist of fees billed for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal, state and international tax compliance, customs and duties, mergers and acquisitions, and international tax planning.

All Other Fees

All other fees consist of fees for products and services other than the services reported above.

The Audit Committee, or the Chairman of the Audit Committee to whom such authority was delegated by the Audit Committee, must pre-approve all services provided by the independent registered public accounting firm. Any such pre-approval by the Chairman must be presented to the Audit Committee at its next scheduled meeting. The Audit Committee has also adopted policies and procedures for pre-approving certain non-prohibited work performed by our independent registered public accounting firm. Specifically, the committee has pre-approved the use of KPMG for detailed, specific types of services within the following categories: permitted audit, audit-related, tax and other. In each case, the committee has also set a specific annual limit on the amount of such services which the Company would obtain from our independent registered public accounting firm. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management. All of the audit and audit-related services provided by KPMG LLP for the fiscal years ended December 31, 2005 and 2006 were pre-approved by the audit committee.

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Report of the Audit Committee shall not be deemed to be "soliciting material" or to be "filed" with the SEC, nor shall such information be incorporated by reference into any such filings under the Securities Act of 1933 or the Securities Exchange Act of 1934.

REPORT OF THE AUDIT COMMITTEE

Our role is to assist the board of directors in fulfilling its oversight responsibilities by (i) overseeing the Company's accounting and financial reporting processes and the audits of the Company's financial statements, and (ii) reviewing the financial reports and other financial information provided by the Company to the public. However, it is not our duty to plan or conduct the audits or to determine that the Company's financial statements are complete, accurate and in accordance with generally accepted accounting principles. This is the responsibility of management and the Company's independent registered public accounting firm.

We have reviewed and discussed the Company's audited financial statements with management and with KPMG LLP, the Company's independent registered public accounting firm for 2006. We have discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T. We have received from KPMG LLP the written statements required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as amended, as adopted by the PCAOB in Rule 3600T, and have discussed with the independent registered public accounting firm its independence.

Based on the review and discussions referred to above, we have recommended to the board of directors that the audited consolidated financial statements for the year ended December 31, 2006 be included in the Company's Annual Report on Form 10-K for such year for filing with the Commission. In addition, we have engaged KPMG LLP to serve as the Company's independent registered public accounting firm for the year ending December 31, 2007, and have directed that the selection of KPMG LLP should be submitted to the Company's stockholders for ratification.

The Audit Committee

Douglas E. Coltharp (Chairman)
Frank E. O. Bryan
Eric B. Siegel

The affirmative vote of a majority of the votes cast at the Annual Meeting is required for ratification of the selection of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2007. The persons named in the accompanying proxy intend to vote proxies received by them in favor of this proposal unless a choice "Against" or "Abstain" is specified.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS VOTING FOR RATIFICATION OF THE SELECTION OF KPMG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2007.
