To be Held June 25, 2007

PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement and the enclosed form of proxy card are being sent or given to shareholders of Aspyra, Inc., a California corporation (the Company or ASPYRA), in connection with the solicitation of proxies by Management on behalf of the Board of Directors of the Company for use at the 2007 Annual Meeting of Shareholders (the Meeting) to be held on Monday, June 25, 2007, at 10:00 a.m. Pacific Time at the Company's offices at 26115-A Mureau Road, Calabasas, California 91302. The Annual Report on Form 10-KSB to the shareholders of the Company for the fiscal year ended December 31, 2006, including its financial statements and information concerning the Company, is enclosed with this mailing. This Proxy Statement and the accompanying proxy card are first being mailed to our shareholders on or about May 15, 2007.

Method of Voting

Shareholders can vote by proxy or by attending the Annual Meeting and voting in person. A proxy card is enclosed. If you vote by means of the proxy card, the proxy card must be completed, signed and dated by you or your authorized representative. The completed proxy card may be returned in the postage-paid envelope provided or by facsimile to attention Corporate Secretary at (818) 880-4398. Steven M. Besbeck and Anahita Villafane, the designated proxy holders, are members of the Company's management. If you hold Common Stock in street name, you must instruct your broker or nominee as to how to vote such shares.

If a proxy card is properly signed, dated and returned and is not revoked, the shares represented by the proxy card will be voted at the Annual Meeting in accordance with the shareholder's instructions indicated on the proxy card. If no instructions are indicated on the proxy card, the shares will be voted FOR the nominees named herein for election as directors, FOR ratification of the appointment of BDO Seidman, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2007, and in accordance with the recommendations of the Board of Directors upon such other business as may properly come before such meeting or any and all continuations, postponements or adjournments thereof.

Revocation of Proxy

A shareholder giving a proxy has the power to revoke it at any time before it is exercised by giving written notice of revocation to the Secretary of the Company, by executing a subsequent proxy card, or by attending the Annual Meeting and voting in person. If you have instructed your broker to vote your shares, you must follow directions received from your broker to change those instructions. Subject to any such revocation, all shares represented by properly executed proxy cards will be voted in accordance with the specifications on the enclosed proxy card.

Record Date

Edgar Filing: ASPYRA INC - Form DEF 14A

May 10, 2007 has been fixed as the record date (the Record Date) for the determination of shareholders entitled to notice of and to vote at the Annual Meeting and any postponements or adjournments thereof. As of the Record Date, we estimate that there will be 10,787,150 shares of the Company s common stock outstanding and entitled to vote and 345 shareholders of record. There are no outstanding securities of the Company other than the common stock entitled to vote at the Annual Meeting.

Voting Rights

Vote Required; Cumulative Voting. In order to conduct business at the Annual Meeting, a quorum must be present. A majority of the shares of Common Stock entitled to vote, present in person or represented by proxy, will constitute a quorum at the Annual Meeting. We will treat shares of Common Stock represented by a properly signed and returned proxy card, including abstentions and broker non-votes, as present at the Annual Meeting for the purposes of determining the existence of a quorum. Each share of Common Stock issued and outstanding on the Record Date is entitled to one vote on any matter presented for consideration and action by the shareholders at the Annual Meeting, subject, in the case of election of directors, to the cumulative voting provisions described below. Pursuant to the requirements of the California Corporations Code and ASPYRA's Bylaws, the holders of our common stock may cumulate their votes for the election of directors if any shareholder gives notice, at the annual meeting prior to voting, of his or her intention to cumulate his or her votes. Cumulative voting means that each shareholder entitled to vote may cast that number of votes equal to the product of the number of his or her common stock multiplied by the number of directors being elected. Since six directors are being elected at the Annual Meeting, each shareholder may cast a total of six votes per share of common stock for all nominees for director. A shareholder may cast all of his or her votes for a single nominee or may allocate them among two or more nominees. Instructions for allocation may be marked on the proxy card in the space provided opposite each nominee's name and, if the proxy card is properly marked, the persons acting under the proxy will give notice of the shareholder's intent to vote cumulatively. Unless a contrary instruction is properly marked on the proxy card, the persons acting under the proxy will cumulatively vote so as to maximize the probability that each nominee will be elected. Election of the director nominees named in this Proxy Statement, requires that the candidates receiving the highest number of votes, up to the number of directors to be elected, be elected. Approval of the ratification of the appointment of BDO Seidman, LLP as ASPYRA's independent registered public accounting firm for the fiscal year ending December 31, 2007 requires the affirmative vote of holders of a majority of the shares present in person or represented by proxy at the annual meeting and entitled to vote, so long as a quorum is present.

Abstentions. We will count a properly executed proxy card marked ABSTAIN with respect to a particular proposal as present for purposes of determining whether a quorum is present, but the shares represented by that proxy card will not be voted at the Annual Meeting with respect to such proposal. Abstentions will have no effect on the outcome of any proposal, but will reduce the number of votes required to approve the proposals.

Broker Non-Votes. If your shares are held by your broker, your broker will vote your shares for you if you provide instructions to your broker on how to vote. You should follow the directions provided by your broker regarding how to instruct your broker to vote your shares. Broker non-votes are shares held by a broker or other nominee that are represented at the Annual Meeting, but with respect to which the broker or nominee is not instructed by the beneficial owner of the shares to vote on the particular proposal and the broker does not have discretionary voting power on the proposal. Broker non-votes will be counted for purposes of determining the presence or absence of a quorum but will not be counted for purposes of determining the number of shares represented and voting with respect to a proposal. Failure to instruct your broker on how to vote your shares on any proposal will have no effect on the outcome of such proposals, assuming that a quorum is present at the Annual Meeting, but will reduce the number of votes required to approve those proposals.

Voting Shares in Person that are Held Through Brokers. If your shares are held of record by your broker, bank or another nominee and you wish to vote those shares in person at the annual meeting, you must obtain from the nominee holding your shares a properly executed legal proxy identifying you as an ASPYRA shareholder, authorizing you to act on behalf of the nominee at the Annual Meeting and identifying the number of shares with respect to which the authorization is granted.

Procedures for Shareholder Nominations

Edgar Filing: ASPYRA INC - Form DEF 14A

The Company's Bylaws provide that a shareholder may nominate candidates for the Board of Directors at an Annual Meeting. Shareholders seeking to nominate a candidate for election as director at an Annual Meeting must provide timely advance written notice to our Corporate Secretary. To be timely for the 2008 Annual Meeting, a shareholder's notice must be delivered to or mailed and received by the Corporate Secretary of ASPYRA at our principal executive offices (at 26115-A Mureau Road, Calabasas, California 91302) within a reasonable amount of time prior to the first mailing of the proxy statement. The requesting shareholder should provide sufficient biographical information about the proposed candidate to satisfy the requirements of the Securities and Exchange Commission for inclusion in the proxy statement and to permit the Board of Directors to evaluate the proposed candidate in light of the criteria described under the caption "Nominating Procedures and Criteria." The request should also provide the full name, address and telephone number of the requesting shareholder and sufficient information to verify that the requesting shareholder is eligible to vote at the Annual Meeting. Additional information and certifications by the requesting shareholder and the proposed candidate may be required before the Board of Directors can make its evaluation.

2

Other Business

If any other matters are promptly presented for consideration at the Annual Meeting including, among other things, the persons named as proxy holders and acting thereunder will have discretion to vote on these matters according to their best judgment to the same extent as the person delivering the proxy card would be entitled to vote. At the date this Proxy Statement went to press, we did not anticipate any other matter would be raised at the Annual Meeting.

CORPORATE GOVERNANCE

Corporate Governance Principles

Pursuant to California law and the Company's Bylaws, the Company's business, property and affairs are managed under the direction of the Board of Directors. Thus, the Board of Directors is the ultimate decision-making body of the Company except with respect to those matters reserved to the stockholders.

The Board of Directors selects the senior management team, which is charged with the day-to-day operations of the Company's business. Members of the Board of Directors are kept informed of the Company's business through discussions with the Chief Executive Officer and other senior officers, by reviewing materials requested by them or otherwise provided to them and by participating in meetings of the Board of Directors and its committees. Having selected the senior management team, the Board of Directors acts as an advisor and counselor to senior management, monitors its performance and proposes or makes changes to the senior management team when it deems necessary or appropriate.

Director Independence

The Board affirmatively determines the independence of each Director and nominee for election as a Director in accordance with guidelines it has adopted, which include all elements of independence set forth in Rule 10A-3 under the Securities Exchange Act of 1934 and by the listing standards of the American Stock Exchange for small business filers under the Securities and Exchange Commission Regulation S-B.. These guidelines help ensure that the Board and its committees are independent from management and that the interests of the Board and management align with the interests of the stockholders. Based on these standards, the Board has determined that each of the Company's directors, other than Mr. Besbeck, is independent under the standards described above.

Board Meetings and Committees

Edgar Filing: ASPYRA INC - Form DEF 14A

During the fiscal year ended December 31, 2006, the Board of Directors held a total of four meetings. Each of the current Directors participated in all such meetings.

4

Compensation Committee. The Board of Directors of the Company has established a Compensation Committee for the purpose of reviewing and making recommendations concerning compensation plans and salaries of officers and other key personnel. The Compensation Committee, as an ongoing responsibility, periodically reviews industry related surveys of other companies similar in size and complexity to the Company to determine reasonable salary ranges and incentive compensation for its managers and key employees. The members of the Compensation Committee are Lawrence S. Schmid, Robert S. Fogerson, Jr., and C. Ian Sym-Smith. All members of the Compensation Committee are independent. The Compensation Committee met twice during the fiscal year ended December 31, 2006.

Audit Committee. The Board of Directors of the Company has also established an Audit Committee for the purpose of meeting with the Company's independent registered public accounting firm and to review the scope of the audit, internal accounting controls, any change in accounting principles, significant audit adjustments, audit disclosures and related matters. The members of the Audit Committee are Lawrence S. Schmid, Norman R. Cohen, and Bradford G. Peters. The Board has determined that Mr. Schmid qualifies as an audit committee financial expert as defined under the rules of the SEC. The Board has determined that all three members of the Audit Committee are independent as that term is defined by Rule 10A-3 under the Securities Exchange Act of 1934 and by the listing standards of the American Stock Exchange for small business filers under the Securities and Exchange Commission Regulation S-B.

The Audit Committee met four times during the fiscal year ended December 31, 2006. The Board initially adopted a charter for the Audit Committee in March 2000, and later amended the charter in June 2000. The Audit Committee recommends engagement of BDO Seidman, LLP as the Company's independent registered public accounting firm.

Nominating Committee. In April 2007, the Company established a Nominating Committee which consists of Bradford G. Peters, chairman and Norman R. Cohen. The Nominating Committee is responsible for the nomination of the slate of the directors which are then approved by the entire board of independent directors.

Nominating Procedures and Criteria

The entire Board of independent Directors considers and approves nominees for election to the Board of Directors once the Nominating Committee makes its recommendation. In addition to the candidates proposed by the Board of Directors, the Board of Directors considers candidates for director suggested by shareholders, provided such recommendations are made in accordance with the procedures set forth in the Bylaws and described under Shareholder Proposals. Shareholder nominations that meet the criteria outlined below will receive the same consideration that the Board of Director's nominees receive.

Essential criteria for all candidates considered by the Board of Directors include the following: integrity and ethical behavior, maturity, management experience and expertise, independence and diversity of thought and broad business or professional experience, with an understanding of business and financial affairs, and the complexities of business organizations.

In evaluating candidates for certain Board positions, the Board of Directors evaluates additional criteria, including the following: financial or accounting expertise; industry expertise; marketing, business and other experience relevant to public companies of a size comparable to the Company; and experience in investment banking, commercial lending or other financing activities.

In selecting nominees for the Board of Directors, the Board of Directors evaluates the general and specialized criteria set forth above, identifying the relevant specialized criteria prior to commencement of the recruitment process, considers previous performance if the candidate is a candidate for re-election, and generally considers the candidate's ability to contribute to the success of the Company.

The Board of Directors' nominees for the Annual Meeting have been recommended by the independent members of the Board of Directors.

Shareholders did not propose any candidates for election at the Annual Meeting.

All members of the Board of Directors attended the Company's 2006 annual meeting of shareholders.

Certain of our executive officers also have additional benefits regarding severance or a change of control of the Company. The Compensation Committee of the Board of Directors (i) reviews and approves corporate goals and objectives relevant to compensation of the executive officers, (ii) evaluates the performance of the executive officers in light of those goals and objectives, (iii) determines and approves the compensation level of the executive officers based on this evaluation, and (iv) makes recommendations to the Board with respect to cash incentive compensation plans and equity incentive plans. The Committee also reviews and recommends to the Board any new compensation or retirement plans and administers the Company's 2005 Equity Incentive Plan and our 1997 Stock Option Plan.

The Compensation Committee is responsible for administering a management incentive bonus plan that is predicated on the pre-tax profitability of the overall company. Bonus pool funds will be allocated according to two criteria. 50% of the pool should be awarded to the participants according to salary percentage. The remaining 50% will be allocated according to the accomplishment of individual goals set for each plan participant. The Compensation Committee of ASPYRA also is responsible for administering the company's 2005 Equity Incentive Plan and 1997 Stock Option Plan and such grants under these plans are at the discretion of the committee, as described in more detail below.

ASPYRA has adopted a profit sharing plan pursuant to which income tax is deferred on amounts contributed by employees under Section 401(k) of the Internal Revenue Code of 1986, as amended, which we refer to as the Code. All employees, over the age of 21, are eligible to participate in the plan after the completion of six months of service. ASPYRA contributes, on a matching basis, 25% of the employee's contribution up to 4%. ASPYRA's contribution becomes vested at the rate of 20% for each full year of employment. Both the employee and ASPYRA contributions are subject to aggregate annual limits under the Code.

Employment Agreements

Messrs Steven M. Besbeck and Bruce Miller are employed by ASPYRA on a month-to-month basis pursuant to the terms of their employment agreements. Each agreement provides for a base salary at an annual rate of \$196,902 for Mr. Besbeck and \$191,757 for Mr. Miller, and authorizes the payment of other fringe benefits and bonuses made available by ASPYRA to its senior executives. The persons referred to above also received insurance benefits which were paid for by ASPYRA and employer contributions to their 401(k) plan accounts as provided for in ASPYRA's 401(k) profit sharing plan. These amounts, including amounts accrued and unconditionally vested under the 401(k) plan, are reflected in the table above.

Samuel G. Elliott, ASPYRA's Chief International Officer, entered into a new employment agreement with ASPYRA that became effective upon the closing of the merger with StorCOMM, Inc. on November 22, 2005. The employment agreement is for a term of 24 months. Either ASPYRA or the executive may terminate the employment agreements at any time for any reason. Under the agreement, Mr. Elliott will serve as our Chief International Officer and will receive an annual base salary of £120,000 per year plus an auto allowance of £8,400 per year and other benefits accorded to employees of the UK subsidiary. Mr. Elliott is also eligible to participate in ASPYRA's other employee benefits plans and programs.

Change of Control Agreements

On February 7, 2005, ASPYRA entered into Change in Control Agreements with Mr. Besbeck, Mr. Miller, and James R. Helms, chief operations officer of ASPYRA. Each agreement provides that upon a change in control of ASPYRA, if the employee is not offered full-time employment in a similar capacity as he had before the change in control, or if the employee is terminated without cause or resigns for good reason within one year of the change in control, then the employee will be entitled to 24 months of salary, bonus incentives for the year of termination, all accrued and unpaid salary, vacation pay and expense reimbursements, a pro rata share of any accrued incentive bonus based upon actual performance for the year of termination. In addition, for 24 months after termination, the employee may participate in any health and welfare benefit plans, with ASPYRA continuing to pay its share of the premiums. Each agreement supersedes any other severance pay in any agreement between the employee and ASPYRA or in any policy of ASPYRA. Each agreement will be effective as of January 28, 2003, the date upon which the agreements were authorized by ASPYRA's Compensation Committee. Each agreement will terminate upon the first to occur of (i) termination of employment prior to a change in control; (ii) 36 months from the date of a change in control, or (c) December 31, 2007.

Severance Benefits

Under the terms of his employment agreement with us, if Mr. Elliott is terminated for death or disability, for cause, or if he terminates his employment other than for good reason, ASPYRA will pay to Mr. Elliott all accrued and unpaid salary and bonus (or his beneficiaries in the case of death), as well as provide any accrued benefits and any benefits required to be provided by law. Mr. Elliott (or his beneficiaries in the case of death) will also be allowed to exercise all vested unexercised stock options and warrants outstanding at the termination date in accordance with terms of the instruments governing the options or warrants. If Mr. Elliott is terminated without cause or terminates his employment for good reason, he will receive the same benefits as he would have received for any other type of termination as described above. In addition, he will be entitled to severance pay for a period of 6 months, commencing on the 30th day following the termination date, equal to his monthly base salary in effect immediately prior to the termination. For purposes of the employment agreements, cause means any willful breach of duty by the executive in the course of his employment, continued violation of ASPYRA's policies after notice, violation of ASPYRA's insider trading policies, conviction of a felony or any crime involving fraud, theft, embezzlement, dishonesty or moral turpitude, engaging in activities which materially defame ASPYRA, engaging in conduct which is materially injurious to ASPYRA, or the executive's gross negligence or continued failure of his duties. In addition, good reason means the occurrence of ASPYRA's material and uncured breach of the employment agreement, or, in the event of a change in control of ASPYRA, a reduction of total compensation, benefits, and

perquisites, relocation greater than 50 miles, or material change in position or duties. The foregoing severance benefits are governed by the terms of Mr. Elliott's employment agreement with us and lapse upon the expiration of employment agreement in November 2007.

In addition, independent directors are paid fees of \$2,000 per meeting and are reimbursed for their reasonable expenses for attending such meetings. We also reimburse

the reasonable expenses of our directors, other than Mr. Besbeck, that they incur in connection with attendance at meetings of the Board of Directors and its committees. At present, there are five independent directors, Lawrence S. Schmid, Robert S. Fogerson, Jr., Norman R. Cohen, C. Ian Sym-Smith, and Bradford G. Peters, who are not officers and/or employees of the Company.

STOCK OPTION PLANS

2005 EQUITY INCENTIVE PLAN

Edgar Filing: ASPYRA INC - Form DEF 14A

The 2005 Equity Incentive Plan was adopted by the Board on August 2, 2005 and approved by shareholders at the annual meeting held on November 21, 2005. The 2005 Plan replaced the former 1997 Stock option plan and incorporated 290,875 remaining unissued options into the new plan. The 2005 plan allows for various types of equity-based awards that were not provided for under the previously existing shareholder-approved equity compensation plan. Recent changes in the accounting treatment for stock options are expected to make the use of these additional types of awards more attractive in the future.

Summary of the 2005 Equity Incentive Plan

Eligible Participants. Awards under the 2005 Plan may be granted to any of our employees, directors or consultants or those of our affiliates. As of March 31, 2007, there were approximately 98 full-time employees and 5 non-employee directors who would be eligible to participate. An incentive stock option may be granted under the 2005 Plan only to a person who, at the time of the grant, is an employee of us or a related corporation.

Number of Shares of Common Stock Available Under the 2005 Plan. Under the Plan, the Company may award to eligible participants the following kinds of equity-based compensation, collectively referred to as Awards : stock options both incentive stock options (ISO) and non-statutory stock options; stock awards both restricted stock awards and restricted stock unit awards; stock appreciation rights; and cash awards. Up to 1,290,875 shares of common stock may be available under the Plan. The maximum aggregate number of shares that may be issued under the Plan through the exercise of ISOs is also 1,290,875. The exercise price cannot be less than 100% of the fair market value of common stock on the date the option is granted.

Administration of the Plan. The 2005 Plan is administered by the Board or a committee of the Board, which we refer to as the Committee. Our Board has appointed our Compensation Committee as the Committee referred to in the 2005 Plan. In the case of awards intended to qualify as performance-based-compensation within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended, which we refer to as the Code, the Committee will consist of two or more outside directors within the meaning of Section 162(m) of the Code. The administrator has the power to determine the terms of the awards, including the exercise price, the number of shares subject to each award, the exercisability of the awards and the form of consideration payable upon exercise. The administrator also has the power to implement an award transfer program, whereby awards may be transferred to a financial institution or other person or entity selected by the administrator, and an exchange program whereby outstanding awards are surrendered or cancelled in exchange for awards of the same type (which may have lower exercise prices and different terms). Except to the extent prohibited by any applicable law, the Committee may delegate to one or more individuals the day-to-day administration of the 2005 Plan.

Award Types

Options. A stock option is the right to purchase shares of our common stock at a fixed exercise price for a fixed period of time. The exercise price of options granted under the 2005 Plan must be at least equal to the fair market value of our common stock on the date of grant. In addition, the exercise price for any incentive stock option granted to any employee owning more than 10% of our common stock may not be less than 110% of the fair market value of our common stock on the date of grant.

Unless the administrator determines to use another method, the fair market value of our common stock on the date of grant will be determined as the closing price for our common stock on the date the option is granted (or if no sales are reported that day, the last preceding day on which a sale occurred), using a reporting source selected by the administrator. The administrator determines the acceptable form of consideration for exercising an option, including the method of payment, either through the terms of the option agreement or at the time of exercise of an option.

An option granted under the 2005 Plan generally cannot be exercised until it becomes vested. The administrator establishes the vesting schedule of each option at the time of grant and the option will expire at the times established by the administrator. After termination of the service of one of our employees, directors or consultants, he or she may exercise his or

10

her option for the period of time stated in the option agreement, to the extent the option is vested on the date of termination. If termination is due to death or disability, the option generally will remain exercisable for 12 months following such termination. In all other cases, the option generally will remain exercisable for three months. However, an option may never be exercised later than the expiration of its term. The term of any stock option may not exceed ten years, except that with respect to any participant who owns 10% or more of the voting power of all classes of our outstanding capital stock, the term for incentive stock options must not exceed five years.

Stock Awards. Stock awards are awards or issuances of shares of our common stock that vest in accordance with terms and conditions established by the administrator. Stock awards include stock units, which are bookkeeping entries representing an amount equivalent to the fair market value of a share of common stock, payable in cash, property or other shares of stock. The administrator may determine the number of shares to be granted and impose whatever conditions to vesting it determines to be appropriate, including performance criteria and level of achievement versus the criteria that the administrator determines. The criteria may be based on financial performance, personal performance evaluations and completion of service by the participant. Unless the administrator determines otherwise, shares that do not vest typically will be subject to forfeiture or to our right of repurchase of the unvested portion of such shares at the original price paid by the participant, which we may exercise upon the voluntary or involuntary termination of the awardee's service with us for any reason, including death or disability.

In the case of stock awards intended to qualify as performance-based compensation within the meaning of Section 162(m) of the Code, the measures established by the administrator must be qualifying performance criteria. Qualifying performance criteria include any of the following performance criteria, individually or in combination:

cash flow

earnings (including gross margin, earnings before interest and taxes, earnings before taxes, and net earnings)

earnings per share

growth in earnings or earnings per share

stock price

return on equity or average shareholders' equity

total shareholder return

return on capital

return on assets or net assets

return on investment

revenue

income or net income

operating income or net operating income

operating profit or net operating profit

operating margin

return on operating revenue

market share

contract awards or backlog

overhead or other expense reduction

growth in shareholder value relative to the moving average of the S&P 500 Index or a peer group index

11

credit rating

strategic plan development and implementation

improvement in workforce diversity

EBITDA

any other similar criteria

Qualifying performance criteria may be applied either to us as a whole or to a business unit, affiliate or business segment, individually or in any combination. Qualifying performance criteria may be measured either annually or cumulatively over a period of years, and may be measured on an absolute basis or relative to a pre-established target, to previous years' results or to a designated comparison group, in each case as specified by the administrator in writing in the award.

Stock Appreciation Rights. A stock appreciation right is the right to receive the appreciation in the fair market value of our common stock in an amount equal to the difference between (a) the fair market value of a share of our common stock on the date of exercise, and (b) the exercise price. This amount will be paid in shares of our common stock with equivalent value. The exercise price must be at least equal to the fair market value of our common stock on the date of grant. Subject to these limitations, the administrator determines the exercise price, term, vesting schedule and other terms and conditions of stock appreciation rights; however, stock appreciation rights terminate under the same rules that apply to stock options.

Cash Awards. Cash awards are awards that confer upon the participant the opportunity to earn future cash payments tied to the level of achievement with respect to one or more performance criteria established by the administrator for a performance period. The administrator will establish the performance criteria and level of achievement versus these criteria, which will determine the target and the minimum and maximum amount payable under a cash award. The criteria may be based on financial performance and/or personal performance evaluations. In the case of cash awards intended to qualify as performance-based compensation within the meaning of Section 162(m) of the Code, the measures established by the administrator must be specified in writing.

Transferability of Awards. Unless the administrator determines otherwise, the 2005 Plan does not allow for the transfer of awards other than by beneficiary designation, will or by the laws of descent or distribution and only the participant may exercise an award during his or her lifetime.

Adjustments upon Merger or Change in Control. The 2005 Plan provides that in the event of a merger with or into another corporation or our change in control, including the sale of all or substantially all of our assets, and certain other events, our Board or the Committee may, in its discretion, provide for the assumption or substitution of, or adjustment to, each outstanding award, accelerate the vesting of options and stock appreciation rights, and terminate any restrictions on stock awards or cash awards or provide for the cancellation of awards in exchange for a cash payment to the participant.

Amendment and Termination of the 2005 Plan. The administrator has the authority to amend, alter or discontinue the 2005 Plan, subject to the approval of the shareholders to the extent required by applicable laws, and no amendment will impair the rights of any award, unless mutually agreed to between the participant and the administrator.

Amendment and Termination

Edgar Filing: ASPYRA INC - Form DEF 14A

The administrator may amend the 2005 Plan at any time or from time to time or may terminate it, but any such amendment shall be subject to the approval of the shareholders in the manner and to the extent required by applicable law, rules or regulations. However, no action by the administrator or the shareholders may alter or impair any option or other type of award under the 2005 Plan, unless mutually agreed otherwise between the holder of the award and the administrator. The 2005 Plan will continue in effect for a term of ten years, unless terminated earlier in accordance with the provisions of the 2005 Plan. As of April 30, 2007, 458,306 incentive stock options and 153,592 non-qualified option were granted and outstanding.

1997 Stock Option Plan

Edgar Filing: ASPYRA INC - Form DEF 14A

The Company's 1997 Stock Option Plan was administered by the Board of Directors of the Company or a Committee of not less than two members thereof, which had the authority to determine the persons to whom the options may be granted, the number of shares to be covered by each option, the time or times at which the options may be granted or exercised and, for the most part, the terms and provisions of the options. The Board of Directors discontinued the 1997 Plan at the time the shareholders approved the 2005 Equity Incentive Plan.

The 1997 Plan permitted the grant of both incentive stock options (ISOs) qualifying under section 422 of the Internal Revenue Code (Code) and non-qualified stock options (NSOs), which do not so qualify. Under the 1997 Plan, the option exercise price of ISOs could not be less than 100% (or 110% if the optionee owns 10% or more of the outstanding voting securities of the Company) of the fair market value of the Common Shares on the date of grant. The option exercise price of NSOs could not be less than 85% of the fair market value of the Common Shares on the date of grant. No option under the 1997 Plan could be exercised more than ten years from the date of grant except that options granted to optionees owning 10% or more of the outstanding voting securities of the Company may not be exercised more than five years from the date of grant.

The 1997 Plan was intended to offer a proprietary interest in the Company to Key Employees and Key Contractors contributing to the Company's success and, by increasing their proprietary interest, to encourage them to remain in the employ and service of the Company, to assist the Company in competing effectively for the services of new employees and to attract and retain the best available persons as directors of the Company. Key Employees are defined as persons, including officers and directors, employed by the Company, or any parent or subsidiary of the Company, on a compensable basis who hold positions of responsibility with the Company or a parent or subsidiary. Key Contractors are defined as persons (including officers whether or not they are also directors) employed by the Company or any parent or subsidiary of the Company to render services (including services solely as a member of the Board of Directors) to or on behalf of the Company or any parent or subsidiary of the Company.

No options may be exercised within 12 months after the date of grant and must be exercisable at the rate of at least 20% per year over 5 years from the date of grant; however, options granted to directors will be exercisable at the rate of 25% per year in each of the second, third, fourth and fifth years from the date of grant on a cumulative basis.

Edgar Filing: ASPYRA INC - Form DEF 14A

The 1997 Plan provided for the granting of ISOs to purchase a maximum of 500,000 Common Shares and for the granting of NSOs to purchase a maximum of 300,000 Common Shares.

The aggregate number of shares subject to options, the maximum number of shares which may be purchased, and the number of shares and the exercise price for shares covered by outstanding options will be adjusted appropriately upon a stock split or reverse split of the issued Common Shares, the payment of a stock dividend, or the re-capitalization, combination or reclassification, or other increase or decrease in Common Shares.

Stock options granted under the 1997 Plan may not be transferred except by will or according to the laws of descent and distribution. During the lifetime of the optionee, stock options may be exercised only by the optionee or by his or her guardian or legal representative.

The 1997 Plan provides that if an optionee's employment with the Company is terminated because of disability or death, no ISOs held by the optionee shall be exercisable later than 12 months after the date of termination. Upon the death of an optionee, all options held or the unexercised portion thereof exercisable on the date of death are exercisable by the optionee's personal representative, heirs or legatees at any time prior to the expiration of 12 months from the date of death. An optionee holding ISOs, whose employment with the Company terminates other than by disability or death must exercise the ISOs within 90 days after such termination.

The 1997 Plan provided that if an optionee terminates employment with the Company because of retirement with the consent of the Company, all NSOs held by the optionee, or unexercised portions thereof, expire on the date of retirement except for NSOs or unexercised portions thereof which were otherwise exercisable on the date of retirement, which expire unless exercised within 90 days after the date of retirement. An optionee whose employment with the Company or service as a director of the Company is terminated for any reason other than those described above must exercise NSOs within 210 days after such termination of employment or service, as the case may be.

The 1997 Plan provided that no options shall be granted thereunder after April 25, 2007. If options granted under the 1997 Plan expire for any reason or are canceled or terminated prior to April 25, 2007, the Common Shares allocable to any unexercised portion of such option may again be subject to an option.

As of April 30, 2007 91,250 incentive stock options and 50,000 non-qualified option were outstanding under the 1997 plan.

Beneficial ownership of shares is determined in accordance with the rules of the SEC and generally includes any shares over which a person exercises sole or shared voting or investment power. Except in cases where community property laws apply or as indicated in the footnotes to this table, we believe that each shareholder identified in the table possesses sole voting and investment power over all shares of common stock shown as beneficially owned by the shareholder. Shares of common stock subject to options that are currently exercisable or exercisable within 60 days of April 30, 2007, are considered outstanding and beneficially owned by the person holding the options for the purpose of computing the percentage ownership of that person but are not treated as outstanding for the purpose of computing the percentage ownership of any other person. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions with Directors and Executive Officers

On November 22, 2005, the Company completed its merger with StorCOMM, Inc., pursuant to the terms of the Agreement and Plan of Reorganization, dated August 16, 2005 (referred to in this Proxy Statement as the merger agreement). Bradford G. Peters and C. Ian Sym-Smith, who were members of the StorCOMM board, now serve as members of ASPYRA's Board of Directors. Samuel G. Elliott, who was a member of the StorCOMM management, now serves as the chief international officer of ASPYRA. William W. Peterson, who was also a member of the StorCOMM management, served as chief sales and marketing officer of ASPYRA from the time of the merger until his resignation in October 2006.

As a result of the merger, every 100 shares of StorCOMM common stock outstanding at the time of the merger was converted into the right to receive 2.4728 shares of ASPYRA common stock. In exchange for their shares of StorCOMM common stock, Messrs. Peters and Sym-Smith received 1,906,075 and 1,381,164 shares of ASPYRA common stock, respectively.

Indemnification; Directors and Officers Insurance

Under the terms of the merger agreement, ASPYRA agreed that it will indemnify and hold harmless, and provide advancement of expenses to, all past and present directors, officers and employees of StorCOMM and its subsidiaries, including Messrs. Peters, Sym-Smith, Elliott and Peterson, to the same extent these directors, officers and employees were indemnified or had the right to advancement of expenses as of the date of the merger agreement by StorCOMM pursuant to StorCOMM's certificate of incorporation, bylaws and indemnification agreements, in existence on the date of the merger agreement with any of the directors, officers and employees of StorCOMM and its subsidiaries for acts or omissions occurring at or prior to the date of the merger, including for acts or omissions occurring in connection with the approval of the merger agreement and the consummation of the merger.

Sections 204(a)(10), 204(a)(11), 204.5 and 317 of the California General Corporation Law (CGCL) permit a corporation to indemnify its directors, officers, employees and other agents in terms sufficiently broad to permit indemnification (including reimbursement for expenses) under certain circumstances for liabilities arising under the Securities Act of 1933. The Company's Articles of Incorporation provide that the liability of directors for monetary damages shall be eliminated to the fullest extent permitted under California law. In addition, ASPYRA's Articles of Incorporation provide that ASPYRA is authorized to provide indemnification of agents, including directors, officers, employees and other agents (as defined in Section 317 of the CGCL) for breach of duty to ASPYRA and its shareholders through bylaw provisions or through agreements with the agents, or both, in excess of the indemnification otherwise permitted by Section 317 of the CGCL, subject only to the applicable limits set forth in Section 204 of the CGCL.

ASPYRA's Bylaws provide that, to the maximum extent permitted by the CGCL, ASPYRA may indemnify any person who was or is a party or is threatened to be made a party to any proceeding by reason of the fact that such person was an agent of ASPYRA, against expenses, judgments, fines, settlements and other amounts actually and reasonably incurred in connection with such proceeding. ASPYRA may advance expenses incurred in defending any proceeding prior to the final disposition of such proceeding to the maximum extent permitted by the CGCL.

The above discussion of the CGCL and ASPYRA's Articles of Incorporation and Bylaws is not intended to be exhaustive and is qualified in its entirety by such statutes, Articles of Incorporation and Bylaws.

Indemnification for liabilities arising under the Securities Act may be permitted to ASPYRA's directors, officers and controlling persons under the foregoing provisions, or otherwise. ASPYRA has been advised that in the opinion of the SEC this indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Section 317(i) of the CGCL further provides that a corporation may purchase and maintain insurance on behalf of any agent, including any director, officer, employee or other agent of the corporation. ASPYRA's bylaws permit ASPYRA to secure insurance on behalf of any officer, director, employee or other agent of ASPYRA. ASPYRA has obtained policies of insurance under which, subject to the limitations of such policies, coverage is provided to ASPYRA's directors and officers against loss arising from claims made by reason of breach of fiduciary duty or other wrongful acts as a director or officer.

ASPYRA has entered into agreements to indemnify its directors and executive officers in addition to the indemnification provided for in its Articles of Incorporation and Bylaws. These agreements, among other things, provide for indemnification of ASPYRA's directors and executive officers for expenses, judgments, fines and settlement amounts incurred by any of these people in any action or proceeding arising out of his or her services as a director or executive officer or at ASPYRA's request. ASPYRA believes that these provisions and agreements are necessary to attract and retain qualified people as directors and executive officers.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Officers, directors and greater than 10% shareholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the fiscal year ended December 31, 2006, all Section 16(a) filing requirements applicable to its officers, directors and greater than ten percent beneficial owners were complied with.
