**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On November 15, 2007, the Board of Directors of Hewlett-Packard Company ( HP ) approved an amendment to Section 2.3 and Section 2.5 of Article II of HP 's amended and restated bylaws to permit HP stockholders to cause a special meeting of HP stockholders to be held. The amendment, which was effective immediately upon approval, permits holders of at least 25% of the outstanding HP shares entitled to vote on the matter or matters to be brought before the special meeting to cause the meeting to be held. The amendment further provides that, if HP 's Board of Directors determines in good faith that the business specified in the stockholders ' request will be included in an upcoming annual meeting of stockholders within 90 days, the special meeting will not be held. Previously, HP stockholders were not empowered to cause a special meeting of stockholders to be held, except in the event that the entire Board of Directors became vacant.

The amended and restated Bylaws of HP reflecting this amendment are filed as Exhibit 99.1 to this report.

**Item 8.01. Other Events.**

On November 19, 2007, the Board of Directors of HP authorized an additional \$8.0 billion for future repurchases of its outstanding shares of common stock. HP intends to use the additional authorization to repurchase its shares from time to time to offset the dilution created by shares issued under employee stock plans and to repurchase shares opportunistically. During its fourth fiscal quarter ended October 31, 2007, HP repurchased approximately \$2.0 billion worth of its shares in open market repurchase transactions. As of October 31, 2007, HP had \$2.7 billion of repurchase authorization remaining under the \$8.0 billion repurchase authorization approved by the Board of Directors in March 2007.

**Item 9.01. Financial Statements and Exhibits.**
