At the request of Amper, Politziner & Mattia, P.C., College Tonight Inc.'s independent registered accountant, below is a revised Report of Independent Public Accounting Firm executed by Amper, Politziner & Mattia, P.C. which replaces the Report previously provided on Form 10-KSB.

The changes effected by this Amendment No. 1 on Form 10-KSB/A are solely to amend the 2007 Annual Report as described above. Updated officer certifications as required by Rule 12b-15 under the Securities Exchange Act of 1934 are provided herewith.

PLEASE NOTE THAT THE INFORMATION CONTAINED IN THIS FORM 10-KSB/A DOES NOT REFLECT EVENTS OCCURRING AFTER THE DATE OF THE 2007 ANNUAL REPORT AND WE HAVE NOT UPDATED OR AMENDED ANY OTHER DISCLOSURE TO REFLECT SUBSEQUENT EVENTS SINCE THE ORIGINAL FILING DATE.

ITEM 7. FINANCIAL STATEMENTS.

Report of Independent Registered Public Accounting Firm

We have audited the accompanying consolidated balance sheets of College Tonight, Inc. (formerly Simex Technologies, Inc.) (a development stage company, the Company) as of December 31, 2007 and 2006, and the related consolidated statements of operations, changes in stockholders' equity, and cash flows for the year ended December 31, 2007 and the period from July 3, 2006 (inception) to December 31, 2006. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Edgar Filing: College Tonight, Inc. - Form 10KSB/A

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of College Tonight, Inc. as of December 31, 2007 and 2006, and the consolidated results of its operations and its cash flows for the year ended December 31, 2007 and the period from July 3, 2006 (inception) to December 31, 2006, in conformity with accounting principles generally accepted in the United States of America.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 1 to the financial statements, the Company is still a development stage company, has suffered losses from operations and has a working capital deficiency, which raise substantial doubt about its ability to continue as a going concern. Management's plans regarding those matters also are described in Note 1. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.
