**Item 8.01. Other Events.**

Medarex, Inc. (the Company) has previously disclosed in its periodic filings with the Securities and Exchange Commission (the SEC) (most recently in the Company's Quarterly Report on Form 10-Q filed with the SEC on August 7, 2008) stockholders' derivative actions in connection with the Company's historical stock option granting practices against a number of the Company's current and former officers and directors and the Company as a nominal defendant. The actions were filed in the United States District Court for the District of New Jersey (the Federal Court), consolidated and re-styled as *In Re Medarex, Inc. Derivative Litigation*, No. 3:06-cv-05523-FLW-TJB, and in the Superior Court of New Jersey, Chancery Division, Mercer County (the State Court), consolidated and then dismissed and re-filed as *Blevins, et al v. Appelbaum, et al*, Case No. MER-C-26-08, (both such actions are referred to collectively as the Derivative Actions).

On August 28, 2008, the parties entered into a definitive agreement to settle the Derivative Actions (the Derivative Settlement), and on August 29, 2008, the parties jointly filed a motion in the State Court for approval of the settlement. On September 26, 2008, the State Court issued an order granting preliminary approval of the Derivative Settlement (the Preliminary Order) and requiring, among other things, that notice of the settlement be published as an exhibit to an 8-K filing with the SEC, which is attached hereto as Exhibit 99.1. The notice contains important information about the rights of stockholders in the proposed Court approval of the Derivative Settlement.

The settlement is subject to a final determination by the State Court as to, among other things, the fairness, reasonableness and adequacy of the Derivative Settlement. A fairness hearing is scheduled before the Honorable Maria Sypek of the Superior Court of New Jersey, Chancery Division, at the Courthouse located at 210 South Broad Street, Fifth Floor, Trenton, New Jersey 08650 on November 18, 2008 at 10:00 a.m., to determine whether the proposed settlement is in the best interest of the Company and its stockholders and should be approved and to consider the application of plaintiffs' counsel for attorneys' fees. If the State Court approves the Derivative Settlement, a Stipulation and Proposed Order of Voluntary Dismissal with Prejudice will be filed with the Federal Court.
