Item 1.01 Entry into a Material Definitive Agreement.

Amendment to Second Amended and Restated Credit Agreement

On December 18, 2008, Globalstar, Inc. (Globalstar) entered into a First Amendment to Second Amended and Restated Credit Agreement with Thermo Funding Company LLC, as lender and administrative agent, to increase the amount available to Globalstar under the revolving credit facility from \$50 million to \$100 million. This amendment was approved by a special committee of Globalstar's Board of Directors consisting of Globalstar's three independent directors and does not affect the \$100 million term loan under the credit agreement.

Any revolving credit borrowings over \$50 million are subject to prior approval of the administrative agent in its sole discretion and will be used for capital expenditures and working capital. All other terms, including payment schedule, expiration date of the revolving loans, interest rates, covenants and events of default, were not changed. This information is described in Globalstar's quarterly report on Form 10-Q for the quarter ended September 30, 2008, filed with the Securities and Exchange Commission on November 10, 2008.

Amendment to Share Lending Agreement

On December 18, 2008, Globalstar, Merrill Lynch International (MLI) and Merrill Lynch, Pierce, Fenner & Smith Incorporated entered into Amendment No. 1 to Share Lending Agreement (the SLA). As amended, Globalstar has the option to request MLI to deliver cash instead of returning borrowed shares of Globalstar common stock upon any termination of loans at MLI's option, at the termination date of the SLA or when the outstanding loaned shares exceed the maximum number of shares permitted under the SLA. The consent of MLI is required for any cash settlement, which consent may not be unreasonably withheld, subject to MLI's determination of applicable legal, regulatory or self-regulatory requirements or other internal policies. Any loans settled in shares of Globalstar common stock will be subject to a return fee based on the stock price as agreed by Globalstar and MLI. The return fee will not be less than \$0.005 per share or exceed \$0.05 per share.

As a result of this amendment, Globalstar believes that, under generally accepted accounting principles in the United States as currently in effect, the 24,167,705 borrowed shares currently outstanding under the SLA will be considered outstanding for the purpose of computing and reporting Globalstar's earnings per share.

Globalstar is still evaluating the accounting impact of the change to the SLA described above.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information concerning the Amendment to Second Amended and Restated Credit Agreement in Item 1.01 is incorporated by reference into this Item 2.03.
