Report of Independent Registered Public Accounting Firm

The Board of Directors and Stockholders

Cyanotech Corporation:

We have audited the accompanying consolidated balance sheet of Cyanotech Corporation and subsidiaries (the Company) as of March 31, 2008 and the related consolidated statements of operations, stockholders' equity and comprehensive income (loss), and cash flows for each of the years in the two-year period ended March 31, 2008. These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Cyanotech Corporation and subsidiaries as of March 31, 2008, and the results of their operations and their cash flows for each of the years in the two-year period ended March 31, 2008, in conformity with U.S. generally accepted accounting principles.
