PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To Be Held on the 19th day of April, 2011

The accompanying proxy is solicited by and on behalf of the Board of Directors of First Farmers and Merchants Corporation (the Corporation) for use at the Twenty-Ninth Annual Meeting of Shareholders to be held on April 19, 2011 and any adjournment thereof (the Annual Meeting). The time and place of the Annual Meeting are set forth in the accompanying Notice of Annual Meeting of Shareholders. All expenses of preparing, printing and mailing the proxy and all materials used in the solicitation thereof will be borne by the Corporation. In addition to the use of the mail, proxies may be solicited in person or by telephone by directors, officers and other personnel of the Corporation or its subsidiary, First Farmers and Merchants Bank (the Bank), none of whom will receive additional compensation for such services. The Corporation will also request custodians and nominees to forward soliciting materials to the beneficial owners of common stock of the Corporation, \$10.00 par value per share (Common Stock), held of record by them and will pay reasonable expenses of such persons for forwarding such material. The date on which this Proxy Statement and the accompanying proxy card are first being mailed to shareholders of the Corporation is March 25, 2011.

PURPOSES OF THE MEETING

The Annual Meeting will be held for the purposes of (i) electing directors, (ii) conducting an advisory vote on the compensation of the Named Executive Officers (as identified in the section below entitled EXECUTIVE COMPENSATION Summary Compensation Table), (iii) conducting an advisory vote on the frequency of the advisory vote on the compensation of the Named Executive Officers and (iv) transacting whatever other business may properly be brought before the meeting or any adjournment thereof.

QUORUM AND VOTING

At the close of business on March 1, 2011, the Corporation had 5,430,000 shares of Common Stock issued and outstanding. Only holders of record of Common Stock at the close of business on March 1, 2011 are entitled to notice of and to vote on matters that properly come before the Annual Meeting or any adjournment thereof. A shareholder is entitled to one vote in person or by proxy at the Annual Meeting for each share of Common Stock held of record in his or her name.

Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form DEF 14A

The presence in person or by proxy of the holders of a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting or any adjournment thereof. Abstentions and broker non-votes are included for purposes of determining if a quorum exists. Abstentions will not constitute a vote for or against any of the matters presented for shareholder approval at the annual meeting and will be disregarded in the calculation of a plurality or of votes cast for each of the matters presented. Broker non-votes occur when a broker or nominee returns a proxy but does not have discretionary authority to vote on a particular proposal because the proposal does not concern a routine matter and the broker has not received voting instructions from the beneficial holder. For purposes of determining the outcome of any matter as to which a broker or nominee has physically indicated on the proxy that it does not have discretionary authority to vote, those

shares will be treated as not entitled to vote with respect to that matter. Currently, there are no proposals for routine matters to be considered at the Annual Meeting.

If a quorum is not present at the time of the Annual Meeting, the Chairman of the meeting or a majority of shares entitled to vote, represented in person or by proxy, have the power to adjourn the Annual Meeting until a quorum shall be present or represented by proxy.

If the enclosed proxy is properly executed, returned and not revoked, it will be voted in accordance with the instructions, if any, given by the shareholder. Unless shares are held by a broker, if a proxy is executed and returned but no specification is made, the proxy will be voted **FOR** the election of all nominees as directors of the Corporation, **FOR** the compensation of the Named Executive Officers as presented in this Proxy Statement and **FOR** a frequency of every **THREE YEARS** for future advisory votes on the compensation of the Named Executive Officers. If any other business is properly presented at the meeting, the proxy holders will vote your proxy in accordance with their discretion.

Any shareholder has the power to revoke his or her proxy at any time, prior to the vote being taken at the Annual Meeting, by written notice or subsequently dated proxy received by the Corporation, or by revocation by the shareholder in person at the Annual Meeting or any adjournment thereof. If you wish to attend the Annual Meeting and need directions to the Cherry Theatre in the Waymon L. Hickman Building at Columbia State Community College, Columbia, Tennessee, please contact Martha McKennon, Secretary of the Corporation, at (931) 388-3145.

PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors has nominated the 15 individuals below for election as directors to serve until the annual meeting of shareholders in 2012 or until their successors are qualified and elected. Article III, Section 2 of the Corporation's Amended and Restated By-laws (the Bylaws) provide that there shall be no fewer than five directors. The Board of Directors believes it is in the best interest of the Corporation that there be 15 directors of the Corporation at this time. Proxies cannot be voted for a greater number of persons than the nominees named.

Directors are elected by a plurality of the votes cast by the shares of Common Stock entitled to vote at the Annual Meeting, if a quorum is present. Neither abstentions nor broker non-votes will have the effect of voting for or in opposition to a director. The Corporation's charter does not provide for cumulative voting and, accordingly, shareholders do not have cumulative voting rights with respect to the election of directors. Consequently, each shareholder of record may only cast one vote per share of Common Stock for each nominee.

Unless a proxy specifies otherwise or there is a broker non-vote, the persons named in the proxy will vote the shares covered thereby **FOR** the nominees listed below. Should any nominee become unavailable for election, shares covered by a proxy will be voted for a substitute nominee selected by the current Board of Directors.

Fourteen of the 15 nominees are currently serving as directors and have served as a director since the 2010 annual meeting of shareholders. Directors are chosen based on their business skills, knowledge, experience, leadership skills and understanding of the Bank's business. H. Terry Cook, Jr. and O. Rebecca Hawkins, who are presently members of the Board of Directors, have reached retirement age and, therefore, will not stand for re-election.

Required Vote

If a quorum is present, the election of directors requires a plurality of the votes cast in person or by proxy by the shares of Common Stock entitled to vote at the meeting.

The Board of Directors recommends that the shareholders vote FOR each of the nominees.

PROPOSAL 2: ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables the Corporation's shareholders to vote to approve, on an advisory basis, the compensation of the Named Executive Officers as described in this Proxy Statement. Because your vote is advisory, it will not be binding on the Board of Directors or the Compensation Committee, override any decision made by the Board of Directors or the Compensation Committee, or create any additional fiduciary duty of the Board of Directors or the Compensation Committee. The Compensation Committee will, however, review the voting results and may take them into consideration when making future decisions regarding executive compensation.

During 2010, despite a sluggish economy, increased compliance costs, increased bank owned real estate cost, and escalating premiums on FDIC insurance, the Bank's experienced executive team has led us in developing strength in the Bank's core income streams and implementing strict cost controls, placing us in a position to manage through the current economic downturn and continue the Corporation's history of long-term growth and increased shareholder value.

The Bank's executive compensation program has played a significant role in its ability to attract, motivate and retain a highly experienced team of executives. The Compensation Committee believes that this program is structured in the best manner possible to support the Bank and its business objectives, as well as to support the culture and the traditions that have allowed the Bank to meet the needs of its shareholders, customers and employees and to support the markets in which the Bank operates.

As described in detail below in the section entitled "COMPENSATION DISCUSSION AND ANALYSIS," the Bank's executive compensation program is designed to attract, retain and motivate the executive officers, who are critical to the Bank's success. Under this program, certain of the Named Executive Officers are rewarded for the achievement of specific corporate and individual performance goals established each year by the Compensation Committee. The Compensation Committee reviews the executive compensation program to ensure it promotes efficient and effective individual job performance, provides accountability for specific job responsibilities and is directly aligned with the Bank's strategic plan.

The Corporation is asking its shareholders to indicate their support for the compensation of the Named Executive Officers disclosed in this Proxy Statement. This proposal, commonly known as a "say-on-pay" proposal, gives the Corporation's shareholders the opportunity to express their views on the Named Executive Officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Named Executive Officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, the Corporation will ask its shareholders to vote "FOR" the following resolution at the 2011 annual meeting of shareholders:

RESOLVED, that the shareholders of First Farmers and Merchants Corporation (the "Corporation") hereby approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in the Corporation's Proxy Statement for the 2011 annual meeting of shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the sections therein entitled "COMPENSATION DISCUSSION AND ANALYSIS" and "EXECUTIVE COMPENSATION."

Required Vote

Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form DEF 14A

If a quorum is present, the resolution to approve, on an advisory basis, the compensation of the Named Executive Officers will be approved if the votes cast (in person or by proxy by the shares of Common Stock entitled to vote at the meeting) for the resolution exceed the votes cast (in person or by proxy by the shares of Common Stock entitled to vote at the meeting) against the resolution.

**The Board of Directors recommends a vote FOR the resolution to approve,
on an advisory basis, the compensation of the Named Executive Officers.**

**PROPOSAL 3: ADVISORY VOTE ON THE FREQUENCY OF AN ADVISORY VOTE
ON EXECUTIVE COMPENSATION**

The Dodd-Frank Act enables the Corporation's shareholders to indicate how frequently it should seek an advisory vote on the compensation of the Named Executive Officers, as disclosed pursuant to the compensation disclosure rules adopted by the Securities and Exchange Commission. By voting on this Proposal 3, shareholders may indicate whether they would prefer an advisory vote on executive compensation once every three years, every two years or every year.

After careful consideration, the Board of Directors has determined that an advisory vote on executive compensation that occurs every three years is the most appropriate alternative for the Corporation's shareholders. Setting a three-year period will enhance shareholder communication by providing a clear, simple means for us to obtain information on investor sentiment about the Corporation's executive compensation philosophy. An advisory vote every three years will be the most effective timeframe for us to respond to shareholders' feedback and provide us with sufficient time to engage with shareholders to understand and respond to the vote results.

You may cast your vote on your preferred voting frequency by choosing the option of three years, two years, one year or abstaining when you vote in response to the following resolution:

RESOLVED, that the option of once every three years, two years or one year that receives the highest number of votes cast for this resolution will be determined to be the preferred frequency with which First Farmers and Merchants Corporation is to hold a shareholder vote to approve the compensation of the Named Executive Officers, as disclosed pursuant to the Securities and Exchange Commission's compensation disclosure rules.

Required Vote

If a quorum is present, the frequency of the advisory vote on compensation of the Named Executive Officers that receives the greatest number of votes cast by shareholders every three years, two years or one year will be the frequency approved by shareholders.

Because your vote is advisory, it will not be binding on the Board of Directors or the Compensation Committee, override any decision made by the Board of Directors or the Compensation Committee or create any additional fiduciary duty of the Board of Directors or the Compensation Committee. The Compensation Committee may, however, take into account the outcome of the vote when considering the frequency of the advisory vote on executive compensation.

**The Board of Directors recommends a vote for a frequency of
every **THREE YEARS** for future advisory votes on
the compensation of the Named Executive Officers.**

CORPORATE GOVERNANCE

Director Qualifications

The Board of Directors has not established formal qualification guidelines for its members. The Board considers only potential nominees who have several years of relevant business experience. Non-management director nominees generally need to be independent, as defined by the listing standards of the New York Stock Exchange. Any nominee must be willing to serve for the nominal director's compensation paid by the Corporation. In addition, the Board of Directors evaluates nominees with the goal of maintaining a diversity of background and experience that

complements the other directors.

Any shareholder, by written notice submitted to the Corporate Secretary, can nominate candidates for election to the Board of Directors of the Corporation. The written notice should be provided in accordance with the process contained in the Bylaws as more fully described in the GENERAL

INFORMATION Items of Business for 2012 Annual Meeting of Shareholders section of this Proxy Statement. Candidates nominated by shareholders are evaluated in the same manner as the candidates nominated by the Board of Directors.

Director Independence

The Board has determined that 14 of its 16 existing directors are independent in accordance with the listing standards of the New York Stock Exchange. The two individuals who are not independent, Messrs. Stevens and Pettus, are both executive officers of the Corporation. In addition, the Board of Directors has determined that the new director nominee, Mr. Riley, is independent in accordance with the listing standards of the New York Stock Exchange.

During 2010, there were no relationships or transactions that the Board of Directors discussed in making its independence determinations with respect to each director identified as independent and no relationships or transactions precluded any such directors from being independent. The Corporation is not aware of any family relationships among any of its directors and executive officers.

Board Leadership Structure and Role in Risk Oversight and Management

Mr. Stevens has served as both the Chairman of the Board of Directors and the Chief Executive Officer of the Corporation since 2005. The Board believes that a unified chairman and chief executive officer position has provided clarity of leadership and operating efficiencies. Additionally, Mr. Stevens' management experience and close relationship with the other officers of the Corporation improves the Board's effectiveness in its role of monitoring the management of the Corporation. The Board does not have a lead independent director. The Board is actively involved in oversight of risks that could affect the Corporation. Although the full Board has retained responsibility for general oversight of risks, this oversight is conducted primarily through committees of the Board, as disclosed in the description of each of the committees below and in the charters of each of the committees. The Board receives full reports by each committee chair regarding the committee's considerations and actions, as well as regular reports directly from officers responsible for oversight of particular risks within the Corporation.

Committees of the Board of Directors

The Board of Directors conducts its business through its own meetings and through committees of the Bank's Board of Directors, which are described below. There are no standing committees of the Board of Directors of the Corporation because the principal business of the consolidated company is conducted by the Bank rather than the Corporation, which is a bank holding company. The Board of Directors of the Bank is identical to the Board of Directors of the Corporation.

The Corporation does not have a standing nominating committee. The entire Board of Directors of the Corporation fulfills the role of a nominating committee. Factors such as the Corporation's size and the nature of its business, the consistently high rate of participation in meetings by each director, the fact that over half of the Corporation's directors are independent (as defined by the listing standards of the New York Stock Exchange) and are individuals who come from diverse backgrounds, and the infrequent historical turnover in the membership of the Board of Directors contribute to the belief of the Board of Directors that a separate, independent nominating committee is not necessary. The entire Board of Directors serving as a nominating committee currently does not have a charter and, as noted above, not all of the directors are independent, as defined by the listing standards of the New York Stock Exchange. Furthermore, the Board of Directors has not specifically

Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form DEF 14A

adopted a policy regarding the consideration of shareholder nominees for directors, but its general policy is to welcome and consider any recommendations for future nominees. The Board of Directors will consider for nomination as director of the Corporation any director candidate recommended or nominated by shareholders in accordance with

the process outlined under the section below entitled GENERAL INFORMATION Items of Business for 2012 Annual Meeting of Shareholders.

The Bank's Board of Directors has six standing committees:

- Audit/Compliance/CRA Committee;
- Compensation Committee;
- Executive Committee;
- Oversight Committee; and
- Trust Committee;

The following table sets forth the current members of the committees of the Board of Directors of the Bank:

The Compensation Committee has determined that Mr. Abercrombie will be the Chair of the Compensation Committee, if he is elected as a director at the Annual Meeting. The Oversight Committee has determined that Mr. Stevens will be the Chair of the Oversight Committee, if he is elected as a director at the Annual Meeting.

(2) Because Dr. Hawkins has reached retirement age, she will not stand for re-election at the Annual Meeting.

Audit/Compliance/CRA Committee

Number of 2010 meetings: 9

The Bank has a separately designated standing Audit/Compliance/CRA Committee (the Audit Committee). This committee provides assistance to the Bank s Board of Directors in fulfilling its responsibilities related to internal control monitoring, accounting procedures, reporting practices, regulatory compliance and quality and integrity of the financial reports of the Bank. The charter of the Audit Committee was attached as an appendix to the Corporation s proxy statement for the 2010 annual meeting. The Audit Committee is composed solely of directors who are independent of the management of the Bank, based on the listing standards of the New York Stock Exchange, and are free of any relationship that, in the opinion of the Board of Directors, would interfere with their exercise of independent judgment as a committee member.

The Audit Committee's primary responsibilities fall into three broad categories:

- Monitoring the preparation of quarterly and annual financial reports prepared by the management of the Corporation and the Bank, which includes discussing draft financial statements and accounting and reporting matters with management and the Corporation's independent registered public accounting firm.
- Responsibility for matters concerning the relationship between the Corporation and the Bank and the Corporation's independent auditors. This relationship includes:
 - recommending the appointment or removal of the Corporation's independent auditors;
 - reviewing the scope of their audit services and related fees, as well as any other services being provided; and
 - determining whether the Corporation's auditors are independent.
- Overseeing management's implementation of effective systems of internal controls, including the review of the activities and recommendations of the Bank's internal auditing program.

The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the committee's charter.

Compensation Committee

Number of 2010 meetings: 6

The Compensation Committee's primary duties and responsibilities include establishing and monitoring compensation and benefit plan policies of the Bank and making recommendations regarding compensation and benefits for the officers of the Bank. The Compensation Committee has the authority to conduct or authorize investigations into any matters within the scope of its responsibilities and has the authority to retain such outside counsel, experts, and other advisors as it deems appropriate to assist it in the conduct of any such investigation. This committee recommends to the Board of Directors of the Corporation and the Bank fees for board and committee meetings. The Compensation Committee reviews, evaluates and recommends to the Board of Directors of the Bank the officers' compensation program and deferred profit-sharing contributions for all eligible employees.

Executive Committee

Number of 2010 meetings: 39

Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form DEF 14A

The Executive Committee reviews and recommends to the Bank's Board of Directors for its approval selected actions with regard to the general direction and conduct of the Corporation and the Bank. This committee acts on loan applications and reviews overdrafts, cash items, loans, lines of credit and loan reviews in accordance with the Bank's policies that have been approved by the Board of Directors.

Oversight Committee

Number of 2010 meetings: 2

The Oversight Committee ensures prompt action by the Bank in response to recommendations from, and reviews the results of examinations performed by, the Bank's regulatory agencies. It also reviews management's response to reports of examination and periodically monitors the action taken by management in response to examination findings.

Trust Committee

Number of 2010 meetings: 12

The Trust Committee supervises the operations of the Trust and Financial Management Department of the Bank to ensure proper exercise of the fiduciary powers of the Bank.

Directors Attendance at Meetings

The Board of Directors of the Corporation met five times during 2010. Each member of the Board of Directors of the Bank and the Corporation attended at least 75% of the aggregate meetings of the Board of Directors and committees of which he or she was a member.

The Corporation does not have a policy regarding director attendance at annual meetings of shareholders because of the willingness of each director to be present at all annual meetings and the historical attendance of each director. All directors attended the 2010 annual meeting of shareholders.

Shareholder Communication with the Board of Directors

The Board of Directors of the Corporation has adopted a process to facilitate written communications by shareholders or other interested parties to the Board of Directors. Persons wishing to write to the Board of Directors of the Corporation or a specified director or committee of the Bank Board of Directors should send correspondence to the Corporate Secretary at First Farmers and Merchants Corporation, P.O. Box 1148, Columbia, Tennessee, 38402-1148.

All communications properly received from shareholders or other interested parties will be forwarded to the members of the Board of Directors, or to a specific director or committee if so designated by such person. Any shareholder who wishes to communicate with a specific Board member should send instructions asking that the material be forwarded to the director. Solicitations, junk mail and frivolous communications will not be forwarded but will be made available to any director who wishes to review them.

Code of Ethics

The Board of Directors of the Corporation has not adopted a Code of Ethics, as defined by the rules and regulations of the SEC, because the principal business of the consolidated company is conducted by the Bank rather than the Corporation, which is a bank holding company. The Board of Directors of the Bank, however, has adopted a Code of Ethics for all employees of the Bank. A copy of this Code of Ethics can be obtained without charge by a written request to Human Resources Director, First Farmers and Merchants Bank, P.O. Box 1148, Columbia, Tennessee, 38402-1148.

COMPENSATION DISCUSSION AND ANALYSIS

The executive officers of the Corporation do not receive compensation for service as executive officers of the Corporation but instead receive compensation from the Bank for service as executive officers of the Bank. The Compensation Committee of the Bank designs and implements compensation programs to attract, retain and motivate officers, employees and directors by offering attractive and competitive compensation elements and amounts. These goals are balanced against the need to control expenses for the benefit of the shareholders of the Corporation. The compensation programs are designed to reward production and foster loyalty to the Bank and the Corporation. To be competitive, the Bank seeks to provide salaries and benefits comparable to the median of those provided by other banking companies of similar asset size in the Bank's peer group. The Bank strives to be competitive using peer benchmark analysis of current market levels of compensation. The Compensation Committee believes that, in large part because of the Bank's compensation system, it has been able to assemble a team of effective and productive officers and employees.

General Compensation Philosophy

Decisions with respect to the compensation of the Bank's executive officers, including the Named Executive Officers, are made by the Compensation Committee. The Compensation Committee believes that the actions of each executive officer have the potential to impact the short-term and long-term profitability of the Corporation and the Bank. Consequently, the Compensation Committee places considerable importance on its task of designing and administering an executive compensation program.

The Bank has an executive compensation program that considers factors such as shareholder value and the overall performance of the Corporation and the Bank, as further described below under Cash Bonus Plan. The main components of the executive compensation program are base salary, cash bonus plan, employee benefits and perquisites. The Corporation and the Bank currently do not have an equity incentive compensation program. The Compensation Committee believes that an equity incentive program is not currently in the best interest of the Corporation or the Bank.

In determining the aggregate amount of base salary and cash bonus for the Named Executive Officers, the Compensation Committee considers compensation levels for the chief executive officer, the chief financial officer and other executive officer positions of peer financial institutions as published in annual compensation and benefits surveys conducted by the Tennessee Bankers Association. These surveys do not identify the specific banks or bank holding companies that participated in the survey, but do provide data for the participating institutions grouped according to asset size and geographic region. In its review of the aggregate amount of base salary and incentive bonus for the Named Executive Officers for 2010, the Compensation Committee primarily focused on data in these surveys for financial institutions with an asset size of \$500 million to \$1 billion. The aggregate base salaries of \$977.8 million of the Named Executive Officers in 2010 generally was within the range of the median compensation levels of the peer group.

Components of Compensation

Base Salary

Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form DEF 14A

Base salary represents a fixed labor cost and is designed so that the executive officers receive acceptable salaries, helping the Bank keep talent needed to meet the challenges in the financial service industry. Many factors are included in determining base salaries such as job responsibilities, the scope of the position, length of service with the Bank, individual performance and compensation for similar positions in the Bank's peer group. All base salaries are reviewed annually. In August 2007, the Bank adopted a new salary administration program for determining base salary. In this system, all positions are assigned a position level and each position level has a salary range that is defined by a minimum, mid-

point and maximum salary. The minimum of each salary range is typically 75% of the mid-point of the applicable salary range and the maximum of each salary range is typically 125% of the mid-point. The Bank hired Koker Goodwin and Associates (now HRN Management Group) in 2007 to produce the salary ranges for each position level and the Compensation Committee plans to update the ranges annually in October of each year with respect to the following year based on several salary surveys. The salary ranges are adjusted for the Bank according to its asset size and geographic location. The salary ranges have been and will be used only as a guide for setting base salaries and will not reflect any incentive pay, benefits or other executive perquisites. All base salaries can be expressed as a percentage of the mid-point of the salary range applicable to each position level (the Compa-Ratio). In 2010, each of the Named Executive Officers received a base salary increase compared to 2009 base salary as follows, based on a combination of the above-mentioned factors:

Name	Salary Increase
T. Randy Stevens*	%
Patricia P. Bearden	4.17%
Timothy E. Pettus*	%
John P. Tomlinson, III	2.38%
N. Houston Parks	1.18%

* Although the Compensation Committee determined that Messrs. Stevens and Pettus were eligible and deserving of an increase in base salary for 2010, Messrs. Stevens and Pettus both declined any increase in base salary.

For 2011, the base salary of each of the Named Executive Officers had the following Compa-Ratio:

Name	Compa-Ratio
T. Randy Stevens	99.9%
Patricia P. Bearden	89.8%
Timothy E. Pettus	104.6%
John P. Tomlinson, III	106.1%
N. Houston Parks	106.1%

The Compensation Committee has set the base salary for each of the Named Executive Officers for 2011 as follows:

Name	2011 Base Salary	Increase from 2010
T. Randy Stevens	\$ 300,697	4.11%
Patricia P. Bearden	130,000	4.00%
Timothy E. Pettus	230,000	4.55%
John P. Tomlinson, III	176,000	2.33%
N. Houston Parks	176,000	2.33%

Cash Bonus Plan

The second component in the executive compensation program is a cash bonus plan. The cash bonus plan is used as a short-term incentive to drive achievement of annual Bank performance goals. This plan determines the bonuses for all eligible employees including officers as a percentage of their salary and is based on an evaluation of each executive's performance as well as the Bank's performance in various categories, including the following that were used in 2010:

- Return on assets;

- Delinquencies and non-accruals;
- Gross loan growth;
- Net deposit growth; and
- Net income.

The cash bonus plan is used as a short-term incentive to drive achievement of annual Bank performance goals. During 2010, the Compensation Committee established performance goals under the cash bonus plan. The maximum performance goal multiplier under each performance goal was 20%. The sum of the performance goal multipliers (which equals 100% if the maximum target level for each performance goal is achieved) was 24% for 2010. Performance goal multipliers ranging from 4% to 20% were assigned to varying target levels for each performance goal as follows (dollars in millions):

Performance Goal	Performance Goal Multiplier Based on 2010 Target Levels					2010 Actual Performance
	4%*	8%	12%	16%	20%	
Return on assets	≥ 1.00%	≥ 1.05%	≥ 1.08%	≥ 1.10%	≥ 1.15%	0.75 %
Delinquencies and non-accruals	≤ 1.90%	≤ 1.80%	≤ 1.70%	≤ 1.60%	≤ 1.50%	1.83 %
Gross loan growth	≥ 1.00%	≥ 2.00%	≥ 3.00%	≥ 4.00%	≥ 5.00%	-2.80 %
Net deposit growth	≥ 1.00%	≥ 2.00%	≥ 3.00%	≥ 4.00%	≥ 5.00%	4.2 %
Net income	≥ \$8.00	≥ \$8.30	≥ \$8.60	≥ \$8.90	≥ \$9.10	\$7.20

* If the minimum target level was not achieved for a performance goal, then 0% was allocated to that performance goal multiplier.

The Compensation Committee also established maximum bonus percentages based on the position of each Named Executive Officer in accordance with four different levels, which maximum bonus percentage was higher for positions with more responsibility: Chief Executive Officer (70%); President (50%); Senior Executive (35%); and Chief Financial Officer (25%). The sum of the performance goal multipliers (24% for 2010) was multiplied by the maximum bonus percentage resulting in the aggregate bonus multiplier. The aggregate bonus multiplier was then multiplied by the respective base salary for each Named Executive Officer and the product was the Named Executive Officer's bonus for 2010.

The following bonuses were paid to the Named Executive Officers based on achievement of the performance goals for 2010:

Name	Bonus	Actual Bonus as Percentage of Base Salary	Maximum Potential Bonus as Percentage of Base Salary
T. Randy Stevens	\$48,521	16.8%	70%
Patricia P. Bearden	7,500	6.0%	25%
Timothy E. Pettus	26,400	12.0%	50%
John P. Tomlinson, III	14,448	8.4%	35%
N. Houston Parks	14,448	8.4%	35%

Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form DEF 14A

All of these bonuses were in the same range as the bonus levels of the Bank's peer group for executives with similar positions.

Employee Benefits

The Bank provides the following benefits for all employees of the Bank, including the Named Executive Officers:

- In 1996, the Bank established an officer group term replacement/split-dollar plan to provide life insurance benefits that continue after retirement. A single premium universal life insurance policy was purchased to fund the plan and a split-dollar agreement was made with an irrevocable trust that specified the portion of the insurance proceeds that would become part of the trust. For additional information, see the section below entitled Split-Dollar Arrangements and Deferred Compensation Agreements.
- The Bank offers health insurance, life insurance and disability insurance at a minimal cost to full-time employees and makes available health insurance for each employee's family, the premiums for which are shared by the employee and the Bank. Each employee receives personal copies of these insurance plans detailing the coverage provided. Any eligible employee who becomes disabled can continue coverage under the Bank's health insurance and life insurance plans. The disabled employee must pay the same premiums as employees who have the same coverage and who are actively at work. This coverage will continue to be provided by the Bank for the entire period of time that the employee is eligible and receives compensation under the Bank's group long-term disability insurance policy.
- The Bank has adopted the Deferred Profit Sharing Plan, which is a tax-qualified profit sharing retirement plan that has been approved by the Internal Revenue Service. All employees of the Bank are eligible to participate who are at least 20 years old and who have completed one year of service with the Bank. An individual account is maintained for participants to record contributions by the Bank on their behalf and adjustments for gains and losses on investments. Participant accounts are subject to forfeiture upon termination of employment prior to vesting. Accounts become vested over a period of six years, with 25% vested after two years of service, an additional 15% after the third year of service and 20% each year thereafter until the benefit is 100% vested at the end of sixth year. The Bank's contribution to the plan is determined by the annual performance of the Bank and is subject to annual approval by the Board of Directors of the Bank. Contributions are allocated to participant accounts pro rata to their compensation each year. The aggregate amount the Bank contributed to the Deferred Profit Sharing Plan for the 296 participants during 2010 was \$763,779.
- The Bank provides dental insurance coverage for all eligible employees and makes dental insurance available for eligible dependents at the employee's expense.
- The Bank pays for one physical examination each year for all officers of the Bank, including the Named Executive Officers. The Bank pays for flu immunizations annually for all officers and employees. Payment is made upon the presentation of an itemized statement from the physician providing the services.
- The Bank provides long-term disability insurance to eligible employees at no cost to the employee.
- The Bank offers a Cafeteria Plan under Internal Revenue Code Section 125 that gives employees the opportunity to pay for certain benefits on a pre-tax basis rather than on an after-tax basis. Expenses that are eligible for the Section 125 Plan include certain insurance premiums, certain out-of-pocket medical expenses and dependent care expenses. Money spent for these items included in the Section 125 Plan is not subject to Social Security or federal income taxes.

Perquisites

In addition to salaries, bonus opportunities and employee benefits, the Bank provides to certain executive officers, including four of the Named Executive Officers, certain perquisites so that the Bank remains competitive in its ability to hire and retain talented employees. These perquisites include the use of a company vehicle or a vehicle allowance, certain club memberships and the payment of dues for those clubs. The Bank currently provides these perquisites to all of the Named Executive Officers except Ms. Bearden. The Bank's policy for providing perquisites is based on the number of years of experience within the banking industry and the executive's position with the Bank. The Compensation Committee periodically reviews perquisites that are made available to the executive officers, including the Chief Executive Officer, to ensure that they are in line with market practice.

Split-Dollar Arrangements and Deferred Compensation Agreements

The Bank provides certain split-dollar insurance and/or deferred compensation agreements to fund death benefits (the Plan) for directors and certain officers of the Bank in order to encourage their continued employment and service with the Bank and to reward them for their past service and contribution.

The Bank has entered into separate agreements with each of its directors and the Named Executive Officers relating to the Plan. For the directors, each participant is entitled to designate a beneficiary to receive an amount of death benefits equal to a specified amount or the net-at-risk insurance portion of the proceeds (defined as total proceeds minus the cash surrender value of the policy). For the Named Executive Officers, each participant is entitled to designate a beneficiary to receive an amount of death benefits equal to the lesser of two and one-half times the participant's base annual salary at the effective date of the Plan or the net-at-risk insurance portion of the proceeds. A director or Named Executive Officer shall forfeit his or her right to the benefits provided by this Plan if he or she is terminated for cause, removed under certain other circumstances or violates the non-compete or confidentiality restrictive covenants contained in his or her agreement with the Bank. The non-compete provisions generally provide that the Plan participant may not, without the prior written consent of the Corporation, directly or indirectly (i) become employed by, participate in or be connected in any manner with the ownership, management, operation or control of any bank, savings and loan or similar financial institution if the participant's responsibilities will include providing banking or other financial services within a 25-mile radius of any office maintained by the Corporation as of the date of termination of service, (ii) participate in any way in hiring or otherwise engaging, or assisting any other person in hiring or otherwise engaging, any individual who was employed by the Corporation as of the date of termination of service, (iii) assist, advise or serve in any capacity any third party in any action against or transaction involving the Corporation, or (iv) sell, offer to sell, provide banking or other financial services, assist any other person in selling or providing banking or other financial services, or solicit or otherwise compete for any orders, contract or accounts for services of a kind or nature like or substantially similar to those sold by the Corporation to or from any person from whom the participant or the Corporation, to the knowledge of the participant, provided banking or other financial services or such other services during the three-year period immediately prior to the termination of the participant's service.

Because Messrs. Pettus and Stevens are directors and Mr. Tomlinson is a former director, each of them also has Director Deferred Compensation Agreements. For a description of these agreements, see the section below entitled "COMPENSATION OF DIRECTORS" Deferred Compensation Agreements and Split-Dollar Arrangements.

Group Term Carve-Out Plans

The Bank owns certain life insurance policies on the lives of participating executive officers and pays the premiums on these policies. Under the Bank's Group Term Carve-Out Plans, the Bank has agreed to pay certain death proceeds under these life insurance policies to a beneficiary designated by each participating executive. In general, if a participant dies while employed by the Bank, the participant's beneficiary will be entitled to a benefit equal to two and one-half times the deceased participant's base annual salary at the effective date of the plan. All of the Named Executive Officers participate in the Bank's 2002 Group Term Carve-Out Plan except Ms. Bearden, who participates in the Bank's 2007 Group Term Carve-Out Plan. The Named Executive Officers' beneficiaries are entitled to the following respective benefits under the Group Term Carve-Out Plans:

Name	Benefit Under Group Term Carve-Out Plan
T. Randy Stevens	\$ 450,000
Patricia P. Bearden	262,500
Timothy E. Pettus	250,000
John P. Tomlinson, III	325,000
N. Houston Parks	250,000

Risk Management Considerations

The Compensation Committee believes that the Bank's performance-based cash bonus program creates incentives to create long-term shareholder value. Several elements of the program are designed to promote the creation of long-term value and thereby discourage behavior that leads to excessive risk:

- Rather than determining cash bonus awards based on a single metric, the Compensation Committee applies a structured, principled framework that considers a balanced set of financial performance metrics that collectively best indicate successful management; and
- The performance metrics used to determine the amount of an executive's bonus are metrics that the Compensation Committee believes drive long-term shareholder value. Moreover, the Compensation Committee attempts to set goals for these metrics that encourage success without encouraging excessive risk taking to achieve short-term results.

In addition, under the Sarbanes-Oxley Act of 2002, if the Corporation is required to restate its financial results as a result of material noncompliance with financial reporting requirements under the securities laws as a result of misconduct, the chief executive officer and the chief financial officer must generally repay any bonus or other incentive-based compensation (including profits realized from the sale of Common Stock) received during the 12-month period following the filing of the erroneous financial results.

The Bank generally uses the same performance metrics for its cash bonus programs for the Named Executive Officers, other executive officers and non-executive employees.

Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form DEF 14A

Management and the Compensation Committee periodically evaluate the risks involved with all compensation programs and do not believe that any of the Bank's compensation programs create risks that are reasonably likely to pose a material adverse impact to the Corporation.

Named Executive Officer Compensation

The executive compensation program described above is applied in setting the Named Executive Officer's compensation. The Compensation Committee reviews the executive compensation program in relation to the performance of the Corporation's net income. Mr. Stevens participates in the same executive compensation program available to the other Named Executive Officers. Although Mr. Stevens is a member of the Compensation Committee, he does not participate in discussions regarding his compensation as the Chief Executive Officer of the Bank. None of the Named Executive Officers have employment, severance or change-of-control agreements. The Named Executive Officers serve at the will of the Board of Directors, which enables the Bank to terminate their employment with discretion as to the terms of any severance arrangement. This is consistent with the Bank's performance-based philosophy.

Conclusion

The Compensation Committee believes that this mix of market-based salaries, cash bonuses, employee benefits and perquisites represents a balance that will motivate the management team to continue to produce strong returns. The Compensation Committee further believes this program strikes an appropriate balance with the interests and needs of the Corporation and the Bank in operating a financial service business.

(2) Represents interest earned on deferred compensation accounts.

Each Bank director received \$575 for each Bank Board of Directors meeting attended and each honorary Bank director received \$400 for each Bank Board of Directors meeting attended. Each member of the Bank's Executive Committee received \$400 for each meeting attended. Each committee chair received \$575 and each committee member received \$400 for attendance at any scheduled or formally called committee meeting of any standing or specially appointed committee. No payment was received for participation in Board or committee meetings by telephone. Directors of the Corporation and the Bank may defer fees payable to them under the Corporation's and Bank's Directors Deferred Compensation Plans. During 2010, the Corporation and the Bank together paid total cash directors' fees of \$177,225 and directors' fees in the amount of \$330,850 were deferred. The method of compensating directors is the same for management and non-management directors.

Deferred Compensation Agreements and Split-Dollar Arrangements

Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form DEF 14A

Directors of the Corporation may defer fees payable to them for their service as directors by entering into a Director Deferred Compensation Agreement with the Corporation. Directors of the Bank may defer fees under similar agreements with the Bank. Under these agreements, a director may defer all or some portion of his or her director's fees. Amounts so deferred are accounted for separately on the books of the Corporation or the Bank, as the case may be, segregated from other assets owned by the applicable entity and subject to the claims of general creditors of the applicable entity. Deferred amounts generally earn interest at *The Wall Street Journal's* published prime rate on the last day of the previous calendar year plus 300 basis points. Deferred amounts are generally payable to the director on the first to occur of (i) termination of the director's Board service for reasons other than death or (ii) termination of

the corresponding Director Deferred Compensation Agreement. If, however, the director dies while serving on the Board of Directors, his beneficiary will be paid the greater of the deferred amount or the projected benefit, which is a fixed amount based on actuarial calculations. Hardship payments may be made out of the deferred amounts in the sole discretion of the Board of Directors upon request of a director. These agreements may be terminated by the Corporation or the Bank, as the case may be, at any time upon 90 days advance written notice to the effected director. In general, the agreements have similar terms but not all of the agreements have identical terms.

For a description of the split-dollar arrangements with the directors, see the section above entitled COMPENSATION DISCUSSION AND ANALYSIS Components of Composition Split-Dollar Arrangements and Deferred Compensation Agreements.

Based on the terms of the Director Deferred Compensation Agreements and the Director Split-Dollar Agreements, the directors of the Corporation have the following death benefits:

None of the other members of the Compensation Committee, however, have at any time been an officer or employee of the Corporation or the Bank, nor have any of the members had any other relationship requiring disclosure by the Corporation. These loans were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other borrowers, and did not involve more than the normal risk of collectability or present other unfavorable features.

Neither the Corporation nor the Bank has any written policies or procedures for the review, approval or ratification of any related person transaction required to be reported. Nonetheless, management of the Corporation and the Bank is responsible for reviewing and approving any transaction between the Corporation or the Bank and any director or officer of the Corporation, the Bank or members of their immediate family or entities with which they are affiliated. In addition, on an annual basis each director and executive officer of the Corporation and the Bank is obligated to complete a Director and Officer Questionnaire, which requires the director or executive officer to disclose any related person transactions or business relationships involving the Corporation or its subsidiaries that are required to be disclosed pursuant to Item 404 of SEC Regulation S-K. During 2010, there were no transactions with related persons other than the loans described above.

GENERAL INFORMATION

Other Matters

As of the date of this Proxy Statement, the management of the Corporation and the Bank knows of no other business that will be presented at the Annual Meeting.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Corporation's executive officers, directors and beneficial owners of more than 10% of the Common Stock to file reports of ownership and changes in ownership with the SEC. Such executive officers, directors and greater than 10% shareholders are also required to furnish the Corporation with copies of all Section 16(a) reports that they file. Based solely on a review of (1) the applicable filings, and any amendments thereto, made with the SEC and posted on the SEC's EDGAR website and (2) written representations from the Corporation's executive officers and directors, the Corporation believes that all reports were filed in a timely manner during 2010.

Items of Business for 2012 Annual Meeting of Shareholders

The Bylaws provide that nominations of persons for election of directors and proposals of business to be transacted by the shareholders at an annual meeting of shareholders may be made by any shareholder of record who is entitled to vote and who provides timely and proper notice. In order to be considered timely, a shareholder's notice must be received by the Secretary at the principal office of the Corporation not earlier than the close of business on the date which is 120 calendar days and not later than the close of business on the date which is 90 calendar days prior to the first anniversary of the preceding year's annual meeting of shareholders. However, if the date of the applicable year's annual meeting is more than 30 days before or more than 60 days after the first anniversary of the date of the previous year's meeting, then a shareholder's notice to be timely must be received by the Secretary not earlier than the close of business on the date which is 120 calendar days prior to the date on which the Corporation first mailed its proxy statement to shareholders in connection with the applicable year's annual meeting and not later than the date of the later to occur of (i) 90 calendar days before the date on which the Corporation first mailed its proxy statement to shareholders in connection with the applicable year's annual meeting of shareholders or (ii) ten calendar days after the Corporation's first public announcement of the date of the applicable year's annual meeting of shareholders. Further, for a shareholder's notice to be proper, it must set forth:

- the name and address of the shareholder;
- the class and number of shares of stock of the Corporation held of record and beneficially owned by such shareholder;

Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form DEF 14A

- any personal or other material interest of the shareholder in the business to be submitted;
- as to each person whom the shareholder proposes to nominate for election or reelection as a director, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); and

In addition, a shareholder seeking to submit such nominations or business at the meeting shall promptly provide any other information reasonably requested by the Corporation.
