8.01. Other Events.

Registrant's board of directors, acting pursuant to Section 9 of its 2006 Equity Incentive Plan (the "Plan"), has amended the Plan to clarify and make express the company's authority, through action by the Compensation Committee as Plan Administrator, to grant awards in the form of Deferred Stock Units, or DSUs. In addition, the amendment changes the form of annual Award to non-employee directors, as part of his or her annual board service retainer, from shares of Restricted Stock to DSUs.

A Deferred Stock Unit represents the right to receive, at the end of the applicable deferral period and subject to any applicable performance conditions, one share of registrant's Common Stock, following which the DSU will be canceled.

The applicable deferral period will be established in each case by the Plan Administrator, except that, in the case of a non-employee director, the annual deferral period will be either the expiration of one year following the grant date (the default period) or, if timely elected by the director, at the expiration of five years following the grant date or one year following the director's termination of service as a director.

The amendments principally involve the addition of a new Section 7.6 ("Deferred Stock Units"), a new definition for Deferred Stock Units (Section 2.21), an amendment to Section 2.4 to add Deferred Stock Units to the list of authorized Awards, and other renumbering or conforming amendments.

No other amendments or changes were made to the Plan, nor was there any increase in the number of shares covered by the Plan, any change in the class of persons eligible to receive Awards under the Plan, any modification of the eligibility requirements for participation in the Plan, any increase in the benefits accruing to Plan participants, or any extension of the latest date upon which Awards may be granted.

A copy of the Plan, as amended, is attached hereto as Exhibit 10.41a.
