Xyratex Ltd Declares Quarterly Cash Dividend

Havant, UK August 1, 2011 Xyratex Ltd (Nasdaq: ~~XRTX~~) leading provider of enterprise class data storage subsystems and hard disk drive capital equipment, today announced that its Board of Directors (the Board) has approved a quarterly cash dividend of \$0.05 per share. The first dividend will be payable on August 26, 2011 to shareholders of record as of the close of business on August 12, 2011. This dividend represents a quarterly payout of approximately \$1.5 million in aggregate, or \$6 million on an annualized basis. The payment of any future quarterly dividends will be at the discretion of the Board and will be dependent upon Xyratex's financial position, results of operations, available cash, cash flow, capital requirements and other factors deemed relevant by the Board.

The establishment of a quarterly dividend reflects the strength of our balance sheet and the cash generation ability of our business, as well as the confidence that the Board and the management team have in the Company's ability to generate free cash flow on a sustained basis, said Steve Barber, CEO. We will continue to evaluate a wide range of strategic uses for cash going forward to enable growth and return to our shareholders.

Xyratex expects to maintain a prudent cash balance that will enable the company to respond quickly to changes in market dynamics, take advantage of unexpected opportunities and provide flexibility for future investments to grow the business.
