Item 2.01 Completion of Acquisition or Disposition of Assets.

On July 29, 2011, Iteris, Inc., a Delaware corporation (the "Company"), completed the sale of substantially all of its assets used in connection with the Company's vehicle sensors business to Bendix Commercial Vehicle Systems LLC, a Delaware limited liability company ("Bendix"), pursuant to the terms of a previously announced Asset Purchase Agreement by and between the Company and Bendix dated as of July 25, 2011 (the "Agreement").

Under the terms of the Agreement, Bendix paid the Company \$14,000,000, subject to a \$2,000,000 holdback and adjustments based upon the working capital of the vehicle sensors business at closing, and assumed certain specified obligations and liabilities of the vehicle sensors business. The Company will be entitled to additional consideration in the form of certain performance and royalty-related earn-outs. Bendix will pay to the Company an amount in cash equal to (i) 85% of revenue associated with royalties received under the Company's license and distribution agreements with Audiovox Electronics Corporation and Valeo Schalter und Sensoren GmbH through December 31, 2017 and (ii) 30% of the amount, if any, by which the amount of revenue generated from the sale of the Company's lane departure warning systems exceeds Bendix's projection for such revenue for the two years following closing, each subject to certain reductions and limitations set forth in the Agreement.

The foregoing description of the Agreement is qualified in its entirety by reference to the full text of the Agreement, a copy of which is attached hereto as Exhibit 2.1. The representations, warranties and covenants of the Company contained in the Agreement have been made solely for the benefit of Bendix. In addition, such representations, warranties and covenants (i) have been made only for purposes of the Agreement, (ii) are subject to materiality qualifications contained in the Agreement which may differ from what may be viewed as material by investors, (iii) are qualified by information contained in confidential disclosure schedules that the Company provided to Bendix in connection with the execution of the Agreement, (iv) were made only as of the date of the Agreement or such other date as is specified in the Agreement and (v) have been included in the Agreement for the purpose of allocating risk between the contracting parties rather than establishing matters as facts. Accordingly, the Agreement is not intended to provide investors with any other factual information regarding the Company or its business. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures. The Agreement should not be read alone, but should instead be read in conjunction with the other information regarding the Company that is or will be contained in, or incorporated by reference into, the Forms 10-K, Forms 10-Q and other documents that the Company files with the Securities and Exchange Commission.

Item 7.01 Regulation FD Disclosure

The foregoing information is furnished pursuant to Item 7.01 and shall not be deemed "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liability of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.
