Item 7.01. Regulation FD Disclosure

On February 21, 2012, United Rentals, Inc. (the Company or United Rentals) announced that its subsidiary, UR Financing Escrow Corporation (UR Financing), is offering senior unsecured notes and senior secured notes to qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933, as amended (the Securities Act), and outside the United States in accordance with Regulation S under the Securities Act. In the offering memoranda distributed to potential investors in connection with the offerings, the Company disclosed the following information:

Recent Developments

On February 17, 2012, United Rentals (North America) (URNA) delivered a notice of requested commitment increase to Bank of America, N.A., as agent under the asset backed loan facility (the ABL Facility), to request a commitment increase in an aggregate principal amount of \$100 million under the ABL Facility. Under the terms of the ABL Facility, the commitment increase is subject to certain conditions, including the execution of an incremental assumption agreement for the lenders providing the commitment increase. We currently expect the commitment increase to become effective on March 5, 2012.

Upon consummation of the merger (the Merger) of the Company and RSC Holdings, Inc. (RSC Holdings) or soon thereafter, we currently expect to increase the commitments under our ABL Facility by an additional aggregate principal amount of between \$100 and \$150 million. In addition, upon consummation of the Merger or soon thereafter, we currently expect to increase the commitments under our accounts receivable securitization facility by an aggregate principal amount of \$100 million.

Pro Forma Financial Statements

A copy of the Company s supplemental unaudited pro forma disclosures related to the acquisition of RSC Holdings is attached hereto as Exhibit 99.2 and is incorporated by reference herein.

Fleet Age

Our fleet age at December 31, 2011 was approximately 46 months, calculated on our historic unit-weighted basis. RSC s fleet age at December 31, 2011 was approximately 42 months, calculated on a historic original equipment cost-weighted basis. Effective January 1, 2012, we began to use a new standard to calculate fleet age on an original equipment cost-weighted basis. Our combined company fleet age after giving effect to the Merger, calculated using this new standard, was approximately 48 months at December 31, 2011. At December 31, 2011, approximately 95% of our combined fleet was current on its manufacturer recommended maintenance.
