FURTHER INFORMATION ABOUT THE TRUSTEES AND OFFICERS

What are the Trustees paid for their services?

Each Trustee is reimbursed for reasonable expenses incurred in connection with each meeting of the Board or any of its Committee meetings attended. Each Independent Trustee is compensated for his or her services, on a quarterly basis, according to a fee schedule adopted by the Board. The current fee schedule consists of an annual retainer, compensation for Board and Committee Chairpersons, and additional compensation for attendance at regularly scheduled meetings. The Board may from time to time designate other meetings as subject to compensation.

The Fund pays each Independent Trustee a *pro rata* share, as described above, of: (i) an annual retainer of \$200,000; (ii) Mr. Vincent, as Chairperson of the Board, receives an additional annual retainer of \$80,000; (iii) Mses. Baldwin, Chadwick and Pressler and Messrs. Earley, Boyer and Kenny as Chairpersons of Committees of the Board, each receives an additional annual retainer of \$25,000, \$30,000, \$65,000, \$25,000, \$30,000 and \$25,000, respectively; (iv) \$10,000 per attendance at any of the regularly scheduled meetings (four (4) quarterly meetings, two (2) auxiliary meetings, and two (2) annual contract review meetings; and (v) out-of-pocket expenses. The Board at its discretion may from time to time designate other special meetings as subject to an attendance fee in the amount of \$5,000 for in person meetings and \$2,500 for special telephonic meetings. The *pro rata* share paid by the Fund is based on the Fund's average net assets as a percentage of the average net assets of all the funds managed by the Adviser or its affiliates, for which the Trustee serve in common as Trustees.

Future Compensation Payment

Each Independent Trustee who was a Trustee on or before May 9, 2007, and who will have served as an Independent Trustee for five or more years for one or more ING Fund is entitled to a future payment (Future Payment), if such Trustee: (i) retires in accordance with the Board's Retirement Policy; (ii) dies; or (iii) becomes disabled. The Future Payment shall be made promptly to, as applicable, the Trustee or the Trustee's estate, in an amount equal to two times the annual compensation payable to such Trustee, as in effect at the time of his or her retirement, death, or disability if the Trustee had served as Trustee for at least five years as of May 9, 2007, or in a lesser amount calculated based on the proportion of time served by such Trustee (as compared to five years) as of May 9, 2007. The annual compensation determination shall be based upon the annual Board membership retainer fee in effect

at the time of that Trustee's retirement, death, or disability (but not any separate annual retainer fees for chairpersons of committees and of the Board), provided that the annual compensation used for this purpose shall not exceed the annual retainer fees as of May 9, 2007. This amount shall be paid by the ING Fund or ING Funds on whose Board the Trustee was serving at the time of his or her retirement, death, or disability. Each applicable Trustee may elect to receive payment of his or her benefit in a lump sum or in three substantially equal payments.

Appendix B details the compensation paid to the Trustees by the Fund and by all ING Funds.

Do the Independent Trustees own shares of the Fund or certain affiliate entities?

As of April 9, 2012, none of the Independent Trustees or their immediate family members owned any shares of the adviser or principal underwriter or of any entity controlling, controlled by or under common control with the investment adviser or principal underwriter of the Fund (not including registered investment companies).

Appendix C provides the dollar value of all shares of the Fund and of all ING Funds held directly or indirectly by each Independent Trustee as of a recent date.

How is the Board Structured?

The Fund is governed by a Board, which oversees the Fund's business and affairs. The Board delegates the day-to-day management of the Fund and its portfolio to the Fund's officers and to various service providers that have been contractually retained to provide such day-to-day services. The ING entities that render services to the Fund do so pursuant to contracts that have been approved by the Board. The Trustees are experienced executives who, among other duties, oversee the Fund's activities, review contractual arrangements with companies that provide services to the Fund, and review the Fund's investment performance.

Board Leadership Structure and Related Matters

The Board is currently comprised of ten members, eight of whom are Independent Trustees. The Fund is one of 19 registered investment companies (with a total of approximately 138 separate series) and all of the Trustees serve as members of, as applicable, each investment company's Board of Trustees. The Board employs substantially the same leadership structure with respect to each of these investment companies.

One of the Independent Trustees, currently Roger B. Vincent, serves as the Chairman of the Board of the Fund. The responsibilities of the Board Chairman include: (i) coordinating with management in the preparation of agendas for Board meetings; (ii) presiding at Board meetings; (iii) between Board meetings, serving as a primary liaison with other Trustees, officers of the Fund, management personnel, and legal counsel to the Independent Trustees; and (iv) such other duties as the Board periodically may determine. Mr. Vincent holds no position with any firm that is a sponsor of a Fund.

The Board performs many of its oversight and other activities through the committee structure described below in the Board Committees section. Each Committee operates pursuant to a written Charter approved by the Board. The Board believes that its leadership structure is an effective means of empowering the Trustees to perform their fiduciary and other duties. For example, the Board's committee structure facilitates, as appropriate, the ability of individual Board members to receive detailed presentations on topics under their review and to develop increased familiarity with respect to such topics and with key personnel at relevant service providers. At least annually, with guidance from its Nominating and Governance Committee, the Board analyzes whether there are potential means to enhance the efficiency and effectiveness of the Board's operations.

Board Committees

Audit Committee. The Board has established an Audit Committee whose functions include, among other things: (i) meeting with the independent registered public accounting firm of the Fund to review the scope of the Fund's audit, the Fund's financial statements and accounting controls, and meeting with management concerning these matters; (ii) internal audit activities; and (iii) other matters. The Audit Committee operates pursuant to a charter approved by the Board, a copy of which is available on the ING Funds' website: www.ingfunds.com. The Audit Committee currently consists of four (4) Independent Trustees. The following Trustees currently serve as members of the Audit Committee: Messrs. Boyer, Drotch, and Earley and Ms. Baldwin. The Compliance Committee currently consists of four (4) Independent Trustees: Messrs. Kenny and Vincent, and Meses. Chadwick and Pressler. Mr. Kenny currently serves as Chairperson of the Compliance Committee, which currently meets regularly four (4) times per year, held five (5) meetings during the fiscal year ended February 29, 2012.

Contracts Committee. The Board has established a Contracts Committee for the purpose of overseeing the annual renewal process relating to investment advisory and sub-advisory agreements and, at the discretion of the Board, other agreements or plans involving the Fund. The responsibilities of the Contracts Committee, among other things, include: (i) identifying the scope and format of information to be provided by service providers in connection with applicable contract approvals or renewals; (ii) providing guidance to independent legal counsel regarding specific information requests to be made by such counsel on behalf of the Trustees; (iii) evaluating regulatory and other developments that might have an impact on applicable approval and renewal processes; (iv) reporting to the Trustee its recommendations and decisions regarding the foregoing matters; (v) assisting in the preparation of a written record of the factors considered by Trustee relating to the approval and renewal of advisory and sub-advisory agreements; (vi) recommending to the Board specific steps to be taken by it regarding the contracts approval and renewal process, including, for example, proposed schedules of meetings by the Trustees; and (vii) otherwise providing assistance in connection with Board decisions to renew, reject or modify agreements or plans. The Executive Committee, which meets on an as needed basis, held one (1) meeting during the fiscal year ended February 29, 2012.

Investment Review Committees. The Board has established two Investment Review Committees to, among other things: (i) monitor the investment performance of the Fund and make recommendations to the Board with respect to investment management activities performed by the ING Investments and sub-adviser on behalf of the Fund, and (ii) to review and make recommendations regarding proposals by management to retain new or additional sub-advisers for a Fund. The Fund is monitored by the following Investment Review Committees:

Each committee is described below:

DE IRC. The DE IRC currently consists of four (4) Independent Trustees and one (1) Trustee who is an interested person. The following Trustees serve as members of the DE IRC: Ms. Chadwick, and Messrs. Crispin, Earley, Kenny, and Vincent. Ms. Chadwick currently serves as Chairperson of the DE IRC. The DE IRC, which currently meets regularly six (6) times per year, held seven (7) meetings during the fiscal year ended February 29, 2012.

I/B/F/ IRC. The I/B/F/ IRC currently consists of four (4) Independent Trustees and one (1) Trustee who is an interested person. The following Trustees serve as members of the I/B/F IRC: Mses. Baldwin and Pressler, and Messrs. Boyer, Drotch, and Mathews. Mr. Boyer currently serves as Chairperson of the I/B/F IRC. The I/B/F IRC, which currently meets regularly six (6) times per year, held six (6) meetings during the fiscal year ended February 29, 2012.

Nominating and Governance Committee. The Board has established a Nominating and Governance Committee for the purpose of, among other things: (i) identifying and recommending to the Board candidates it proposes for nomination to fill Independent Trustee vacancies on the Board; (ii) reviewing workload and capabilities of Independent Trustees and recommending changes to the size or composition of the Board, as necessary; (iii) monitoring regulatory developments and recommending modifications to the Committee s

responsibilities; (iv) considering and, if appropriate, recommending the creation of additional committees or changes to Trustee policies and procedures based on rule changes and best practices in corporate governance; (v) conducting an annual review of the membership and chairpersons of all Board committees and of practices relating to such membership and chairpersons; (vi) undertaking a periodic study of compensation paid to independent board members of investment companies and making recommendations for any compensation changes for the Independent Trustee; (vii) overseeing the Board's annual self evaluation process; (viii) developing (with assistance from management) an annual meeting calendar for the Board and its committees; and (ix) overseeing actions to facilitate attendance by Independent Trustee at relevant educational seminars and similar programs.

In evaluating potential candidates to fill Independent Trustee vacancies on the Board, the Nominating and Governance Committee will consider a variety of factors, but it has not at this time set any specific minimum qualifications that must be met. Specific qualifications of candidates for Board membership will be based on the needs of the Board at the time of nomination. The Nominating and Governance Committee will consider nominations received from shareholders and shall assess shareholder nominees in the same manner as it reviews nominees that it identifies initially as potential candidates. A shareholder nominee for Trustee should be submitted in writing to the Trustee's Secretary. Any such shareholder nomination should include at least the following information as to each individual proposed for nominations as Trustee: (i) such person's written consent to be named in a proxy statement as a nominee (if nominated) and to serve as a Trustee (if elected); and (ii) all information relating to such individual that is required to be disclosed in the solicitation of proxies for election of Trustees, or is otherwise required, in each case under applicable federal securities laws, rules and regulations, including such information as the Board may reasonably deem necessary to satisfy its oversight and due diligence duties.

The Secretary shall submit all nominations received in a timely manner to the Nominating and Governance Committee. To be timely in connection with a shareholder meeting to elect a Trustee, any such submission must be delivered to the Fund's Secretary not earlier than the 90th day prior to such meeting and not later than the close of business on the later of the 60th day prior to such meeting or the 10th day following the day on which public announcement of the date of the meeting is first made, by either the disclosure in a press release or in a document publicly filed by the Fund with the U.S. Securities and Exchange Commission (the "SEC").

The Nominating and Governance Committee consists of four (4) Independent Trustees: Mses. Baldwin and Chadwick, and Messrs. Kenny and Vincent. Ms. Baldwin currently serves as Chairperson of the Nominating and Governance Committee. The Nominating and Governance Committee, which currently meets regularly four (4) times per year, held two (2) meetings during the fiscal year ended February 29, 2012.

The Board's Risk Oversight Role

The day-to-day management of various risks relating to the administration and operation of the Fund is the responsibility of management and other service providers retained by the Board or by management, most of whom employ professional personnel who have risk management responsibilities. The Board oversees this risk management function consistent with and as part of its oversight duties. The Board performs this risk management oversight function directly and, with respect to various matters, through its committees. The following description provides an overview of many, but not all, aspects of the Board's oversight of risk management for the Fund. In this connection, the Board has been advised that it is not practicable to identify all of the risks that may impact the Fund or to develop procedures or controls that are designed to eliminate all such risk exposures, and that applicable securities law regulations do not contemplate that all such risks be identified and addressed.

The Board, working with management personnel and other service providers, has endeavored to identify the primary risks that confront the Fund. In general, these risks include, among others, investment risks, credit risks, liquidity risks, valuation risks, operational risks, reputational risks, regulatory risks, risks related to potential legislative changes, and the risk of conflicts of interest affecting ING affiliates in managing the Fund. The Board has adopted and periodically reviews various policies and procedures that are designed to address these and other risks confronting the Fund. In addition, many service providers to the Fund have adopted their own policies, procedures and controls designed to address particular risks to the Fund. The Board and persons retained to render advice and service to the Board periodically review and/or monitor changes to and developments relating to the effectiveness of these policies and procedures.

The Board oversees risk management activities in part through receipt and review by the Board or its committees of regular and special reports, presentations and other information from officers of the Fund, including the CCOs for a Fund and its investment adviser, a Fund's Chief Investment Risk Officer (CIRO), and from other service providers. For

example, management personnel and the other persons make regular reports and presentations to: (i) the Compliance Committee regarding compliance with regulatory requirements; (ii) the Investment Review Committees regarding investment activities and strategies that may pose particular risks; (iii) the Audit Committee with respect to financial reporting controls and internal audit activities; (iv) the Nominating and Governance Committee regarding corporate governance and best practice developments; and (v) the Contracts Committee regarding regulatory and related developments that might impact the retention of service providers to the Fund. The CIRO oversees an Investment Risk Department (IRD) that provides an independent source of analysis and research for Board members in connection with their oversight of the investment process and performance of portfolio managers. Among its other duties, the IRD seeks to identify and, where practicable, measure the investment risks being taken by the Fund's portfolio managers. Although the IRD works closely with management of the Fund in performing its duties, the CIRO is directly accountable to and maintains an ongoing dialogue with the Independent Trustees.

How often does the Board meet?

The Board currently conducts regular meetings eight (8) times a year. Six of these regular meetings consist of sessions held over a two-day period and two of these meetings consist of a one-day session. In addition, during the course of a year, the Board and many of its Committees typically hold special meetings by telephone or in person to discuss specific matters that require action prior to their next regular meeting. For fiscal year ended February 29, 2012, no Trustee attended fewer than 75% of the total meetings held by the Board or any Committees of which he or she is a member, with the exception of Mr. Crispin who attended 72% of such meetings.

Who are the officers of the Fund?

The Fund's officers are elected by the Board and hold office until they resign, are removed, or are otherwise disqualified to serve. The officers of the Fund, together with such person's position with the Fund and principal occupation for the last five years, are listed in **Appendix D**.

What are the officers paid for their services?

The Fund does not pay its officers for the services they provide to the Fund. Instead, the officers, who are also officers or employees of ING Investments, LLC (ING Investments or Adviser) or its affiliates, are compensated by ING Investments or its affiliates.

GENERAL INFORMATION ABOUT THE PROXY STATEMENT

Who is asking for my vote?

The Board is soliciting your vote for the Annual Meeting of the Fund's shareholders.

How is my proxy being solicited?

Solicitation of proxies is being made primarily by the mailing of the Notice of Annual Meeting, the Proxy Statement, and the Proxy Ballot on or about May 15, 2012. In addition to the solicitation of proxies by mail, employees of ING Investments and its affiliates, without additional compensation, may solicit proxies in person or by telephone, telegraph, facsimile, or oral communications.

If a shareholder wishes to participate in the Annual Meeting, the shareholder may submit the Proxy Card originally sent with the Proxy Statement, attend in person, or vote online by logging on to www.proxyvote.com/ing and following the on-line directions. Should shareholders require additional information regarding the proxy or require replacement of the proxy, they may contact Shareholder Services toll-free at (800) 922-0180.

What happens to my proxy once I submit it?

The Board has named Huey P. Falgout, Jr., Secretary, Theresa K. Kelety, Assistant Secretary, and Todd Modic, Assistant Secretary, or one or more substitutes designated by them, as proxies who are authorized to vote Fund shares as directed by shareholders. Please complete and execute your Proxy Ballot. If you follow the voting instructions, your proxies will vote your shares as you have directed. If you submitted your Proxy Ballot but did not vote on the proposals, your proxies will vote on the proposals as recommended by the Board, except as described under "What are the voting rights and the quorum requirements?"

Can I revoke my proxy after I submit it?

A shareholder may revoke the accompanying proxy at any time prior to its use by filing with the Fund a written revocation or a duly executed proxy bearing a later date. In addition, any shareholder who attends the Annual Meeting in person may vote by ballot at the Annual Meeting, thereby canceling any proxy previously given. The persons named in the accompanying proxy will vote as directed by the shareholder under the proxy. In the absence of voting directions under any proxy that is signed and returned, they intend to vote **FOR** the

proposals and may vote in their discretion with respect to other matters not now known to the Board that may be presented at the Annual Meeting.

What are the voting rights and quorum requirements

Each shareholder of the Fund is entitled to one vote for each share held as to any matter on which such shareholder is entitled to vote and for each fractional share that is owned, the shareholder shall be entitled to a proportionate fractional vote. A majority of shares entitled to vote shall constitute a quorum. Shares have no preemptive or subscription rights.

Only shareholders of the Fund at the close of business on the Record Date will be entitled to be present and give voting instructions for the Fund at the Annual Meeting with respect to their shares owned as of that Record Date. To be counted, the properly executed Proxy Ballot must be received no later than 5:00 p.m. on July 4, 2012. **Appendix E** sets forth the number of shares of the Fund issued and outstanding as of the Record Date.

If there are insufficient votes to approve the Proposal, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit additional time for the solicitation of proxies, in accordance with applicable law. Solicitation of votes may continue to be made without any obligation to provide any additional notice of the adjournment. The persons named as proxies will vote in favor of such adjournments in their discretion.

If a shareholder abstains from voting as to any matter, or if a broker returns a non-vote proxy, indicating a lack of authority to vote on a matter, then the shares represented by such abstention or non-vote will be treated as shares that are present at the Annual Meeting for purposes of determining the existence of a quorum. However, abstentions and broker non-votes will be disregarded in determining the votes cast on an issue. For this reason, with respect to matters requiring the affirmative vote of a majority of the total shares outstanding, an abstention or broker non-vote will have the effect of a vote against such matters.

[To the knowledge of ING Investments, as of the Record Date, no current Trustee owns 1% or more of the outstanding shares of the Fund, and the officers and Trustees own, as a group, less than 1% of the shares of the Fund.]

Appendix F hereto lists the persons that, as of the Record Date owned beneficially or of record 5% or more of the outstanding shares of the Fund.

Who are the adviser, sub-adviser, and administrator to the Fund?

ING Investments, LLC serves as the investment adviser to the Funds and ING Funds Services LLC (the Administrator) serves as the administrator to the Fund. The principal offices of the Adviser and Administrator are located at 7337 E. Doubletree Ranch Road, Suite 100, Scottsdale, Arizona 85258-2034.

ING Investment Management Co. LLC (ING IM) serves as the sub-adviser to the Fund. The principal office of ING IM is located at 230 Park Avenue, New York, NY 10169.

The Adviser, the Administrator, and, ING IM are all indirect, wholly-owned subsidiaries of ING Groep N.V. (ING Groep) and are affiliated with one another.

ING Groep has adopted a formal restructuring plan that was approved by the European Commission in November 2009 under which the ING life insurance businesses, including the retirement services and investment management businesses, which include the adviser, sub-advisers and certain affiliates, would be separated from ING Groep by the end of 2013. To achieve this goal, in a series of announcements beginning in November 2010, ING Groep announced its plans to pursue transactions to restructure certain businesses, including an initial public offering for its U.S. based insurance, retirement services, and investment management operations and other transactions which could include an initial public offering or other type of transaction, for its European based insurance and investment management operations and Asian based insurance and investment management operations. There can be no assurance that all or part of the restructuring plan will be carried out.

The restructuring plan and the uncertainty about its implementation, whether implemented through the planned public offerings or through other means, in whole or in part, may be disruptive to the businesses of ING entities, including the ING entities that service the Fund, and may cause, among other things, interruption or reduction of business and services, diversion of management's attention from day-to-day operations, and loss of key employees or customers. A failure to complete the offerings or other means of implementation on favorable terms could have a material adverse impact on the operations of the businesses subject to the restructuring plan. The restructuring plan may result in the Adviser's loss of access to services and resources of ING

Groep, which could adversely affect its businesses and profitability. In addition, the divestment of ING businesses, including the Adviser, may potentially be deemed a change of control of the entity. A change of control would result in the termination of the Fund's advisory and sub-advisory agreements, which would trigger the necessity for new agreements that would require approval of the Fund's Board, and may trigger the need for shareholder approval. Currently, the Adviser does not anticipate that the restructuring will have a material adverse impact on the Fund or its operations and administration.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, and Section 30(h) of the 1940 Act, as applied to the Fund, require the Fund's officers, Trustees, investment adviser, affiliates of the investment adviser, and persons who beneficially own more than 10% of a registered class of the Fund's outstanding securities (Reporting Persons), to file reports of ownership of the Fund's securities and changes in such ownership with the SEC and the New York Stock Exchange. Such persons are required by the SEC regulations to furnish the Fund with copies of all such filings.

Based solely on its review of the copies of such forms received by it and written representations from certain Reporting Persons, the Fund believes that during the fiscal year ended February 29, 2012, its Reporting Persons complied with all applicable filing requirements.

Shareholder Communications with the Board of Trustees

Shareholders may send other communications to the Board, a Committee thereof, or an individual Trustee. Such communications should be sent to the Fund's Secretary at the address on the front of this Proxy Statement.

What is the deadline for submitting a shareholder proposal for the Fund's 2013 Annual Meeting?

It is anticipated that the next annual meeting of the Fund will be held in June 2013, but the exact date, time, and location of such meeting have yet to be determined. Any proposals of shareholders that are intended to be presented at the Fund's next annual meeting must be in writing and received at the Fund's principal executive offices no later than January 15, 2013, in order for the proposal to be considered for inclusion in the Fund's proxy statement for that meeting. The submission of a proposal does not guarantee its inclusion in the Fund's proxy statement or presentation at the meeting.

In addition, pursuant to relevant SEC proxy rules, a company may use discretionary voting authority to vote on matters coming before an annual meeting of shareholders if the company does not have notice of the matter at least 45 days before the date corresponding to the date on which the company first mailed its proxy materials for the prior year's annual meeting of stockholders or the date specified by an overriding advance notice provision in the company's bylaws. As the Fund's bylaws do not contain such an advance notice provision, for the Fund's 2013 Annual Meeting of shareholders, shareholders must submit to the Fund written notice of a shareholder proposal on or before March 31, 2013.

What if a proposal that is not in the Proxy Statement comes up at the Annual Meeting?

If any other matter is properly presented, your proxies will vote in their discretion in accordance with their best judgment, including on any proposal to adjourn the meeting. At the time this Proxy Statement was printed, the Board knew of no matter that needed to be acted upon at the Annual Meeting other than the Proposals discussed in this Proxy Statement.

Who are the Fund's independent public accountants?

The accounting firm of KPMG LLP (KPMG) currently serves as the independent auditor for the Fund. The Board has selected KPMG as the independent auditor to examine and report on the financial statements of the Fund for the fiscal year ending February 29, 2012.

As part of its oversight of the Fund's financial statements, the Audit Committee reviewed and discussed with ING Investments and KPMG the Fund's financial statements for the fiscal year ended February 29, 2012. The Audit Committee also discussed with KPMG the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants. The Audit Committee received and reviewed the written disclosures from KPMG required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and discussed KPMG's independence with KPMG. The Audit Committee has reviewed the audit fees of KPMG and has also reviewed non-audit services to assure compliance with the Fund's and the Audit Committee's policies restricting KPMG from performing services that might impair their independence.

Based on the reviews and discussion referred to above, the Audit Committee recommended to the Board that the financial statements as of and for the fiscal year ended February 29, 2012, be included in the Fund's Annual Report to shareholders. The Audit Committee also recommended the selection of KPMG to serve as independent auditor for the fiscal year ending February 28, 2013.

The fees paid to KPMG for professional audit services during the Fund's most recent fiscal years ended February 29, 2012 and February 28, 2011, amounts billed for other services rendered by KPMG to the Fund, and the aggregate non-audit fees billed by KPMG for services rendered to the Fund, ING Investments, and any entity controlling, controlled by, or under common control with ING Investments that provides ongoing services to the Fund for the fiscal years ended February 29, 2012 and February 28, 2011 are described in **Appendix G**.

All of the services provided by the Fund's independent public accountants were approved by the Audit Committee pursuant to pre-approval policies and procedures adopted by the Committee. Pursuant to such policies and procedures, the Audit Committee approves: (i) all audit and non-audit services to be rendered to the Fund by KPMG; and (ii) all non-audit services impacting the operations and financial reporting of the Fund provided by KPMG to the Adviser or any affiliate thereof that provides ongoing services to the Fund (collectively, Covered Services). The Audit Committee has adopted pre-approval procedures authorizing one or more members of the Audit Committee to approve from time to time, on behalf of the Audit Committee, all Covered Services to be provided by KPMG which are not otherwise approved at a meeting of the Audit Committee, provided that such delegate reports to the full Audit Committee at its next regularly scheduled meeting. The pre-approval procedures do not include delegation of the Audit Committee's responsibilities to management. Pre-approval has not been waived with respect to any of the services described above since the date on which the Audit Committee adopted its current pre-approval procedures.

The Audit Committee of the Board has considered and will periodically consider whether KPMG's receipt of non-audit fees from the Fund, the Adviser and all entities controlling, controlled by, or under common control with the Adviser that provide services to the Fund is compatible with maintaining the independence of KPMG.

KPMG has advised the Fund that neither KPMG nor any of its partners has any direct or material indirect financial interest in the Fund. Representatives of KPMG are not expected to be at the Annual Meeting but have been given the opportunity to make a statement if they wish,

and will be available telephonically should any matter arise requiring their participation.

What is Householding ?

Only one copy of this Proxy Statement may be mailed to each household, even if more than one person in the household is a Fund shareholder of record, unless the Fund has received contrary instructions from one or more of the household's shareholders. If a shareholder needs an additional copy of this Proxy Statement, please contact Shareholder Services at (800) 992-0180. If in the future, any shareholder does not wish to combine or wishes to recombine the mailing of a proxy statement with household members, please inform the Fund in writing at 7337 East Doubletree Ranch Road, Suite 100, Scottsdale, Arizona, 85258-2034 or via telephone at (800) 922-0180.

Who pays for this proxy solicitation?

The Fund will pay the expenses incurred in connection with the Notice of Annual Meeting, Proxy Statement, and the Annual Meeting, including printing, mailing, and vote tabulation expenses as well as legal fees and out of pocket expenses.

In order that the presence of a quorum at the Annual Meeting may be assured, prompt execution and return of the enclosed Proxy Ballot is requested. A self-addressed postage paid envelope is enclosed for your convenience. You also may vote via telephone or via the internet. Please follow the voting instructions as outlined on your Proxy Ballot.
