Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

(a) On July 12, 2012, Christopher & Banks Corporation (the Company) and its two subsidiaries, Christopher & Banks, Inc. and Christopher & Banks Company (collectively with the Company, the Borrowers), entered into a Credit Agreement (the New Credit Facility) with Wells Fargo Bank, National Association (Wells Fargo) as Lender. The New Credit Facility consists of revolving loans of up to \$50.0 million (subject to the limitations described below) available in U.S. Dollars and up to \$10.0 million of which may be drawn in the form of standby and documentary letters of credit. (Capitalized terms not defined herein shall have the meaning provided for in the New Credit Facility.)

Borrowings under the New Credit Facility will generally accrue interest at a margin ranging from 2.0% to 2.5% over the London Interbank Offered Rate (LIBOR) or 1.0% to 1.5% over Wells Fargo's prime rate, based on the amount of Excess Availability as such term is defined in the New Credit Facility. Letters of credit fees range from 1.5% to 2.5% depending upon Excess Availability.

The Maximum amount of Availability under the New Credit Facility is \$50.0 million, provided that the amount of revolving loans and letters of credit under the New Credit Facility may not exceed the Borrowing Base. The Borrowing Base is defined as: (a) the face amount of Eligible Credit Card Receivables multiplied by the Credit Card Advance Rate; plus (b) the Cost of Eligible Inventory, net of Inventory Reserves, multiplied by the product of the Appraisal Percentage multiplied by the Appraised Value of Eligible Inventory (expressed as a percentage of Cost of Eligible Inventory) (provided that in no event shall Eligible In-Transit Inventory included in Eligible Inventory exceed \$5 million); plus (c) the lesser of (i) the Real Estate Advance Rate multiplied by the Appraised Value of Eligible Real Estate, if any, and (ii) \$5 million; minus (d) the then amount of all Availability Reserves, all as more fully described in the New Credit Facility.

The New Credit Facility contains certain affirmative and negative covenants. The affirmative covenants include certain reporting requirements, maintenance of properties, payment of taxes and insurance, compliance with laws, environmental compliance and other provisions customary in such agreements. Negative covenants limit or restrict, among other things, secured and unsecured indebtedness, fundamental changes in the business, investments, liens and encumbrances, transactions with affiliates and other matters customarily restricted in such agreements.

The financial covenant contained in the New Credit Facility requires the Borrowers to maintain Availability at least equal to the greater of (a) ten percent (10%) of the Loan Cap and (b) \$3,000,000.

The New Credit Facility contains events of default that include failure to pay principal or interest when due, failure to comply with the covenants set forth in the New Credit Facility, bankruptcy events, cross-defaults and the occurrence of a change of control, subject to the grace periods, qualifications and thresholds as specified in the New Credit Facility. If an event of default under the New Credit Facility occurs and is continuing, the loan commitments may be terminated and the principal amount outstanding, together with all accrued unpaid interest and other amounts owing in respect thereof, may be declared immediately due and payable.

The obligations of the Borrowers under the New Credit Facility are secured by the assets of the Company and its subsidiaries pursuant to a Security Agreement, dated July 12, 2012 (the Security Agreement). Pursuant to the Security Agreement, the Borrowers pledged substantially all of their respective assets as collateral security for the loans to be made pursuant to the New Credit Facility, including accounts owed to the Borrowers, bank accounts, inventory, other tangible and intangible personal property, intellectual property (including patents and trademarks), and stock or other evidences of ownership of 100% of all of the Company s subsidiaries. The Company will also grant a mortgage on its corporate headquarters building after satisfaction of related conditions.

The New Credit Facility will expire in July 2017.

The foregoing description of the New Credit Facility and the Security Agreement do not purport to be complete and are qualified in their entirety by reference to the New Credit Facility and the Security Agreement, respectively, copies of which are filed as exhibits to this report and incorporated herein by reference.

Item 8.01 Other Events.

On July 12, 2012, the Company issued a press release announcing its entry into the New Credit Facility. A copy of the press release is filed as an exhibit to this report and incorporated herein by reference.
