Long-Term Incentive Awards

In considering long-term incentives the Compensation and Human Resources Committee of the Board of Directors of Dynegy (the Committee) sought to further align long-term incentives for our Named Executive Officers with the long-term interests of our stockholders. The Committee also sought to introduce performance-based awards to the long-term incentive award mix. As such the Committee granted long-term incentive awards on March 18, 2013 comprised of 50% restricted stock units, 25% stock options and 25% performance share units. These awards were made subject to the attached form award agreements, which are attached hereto as Exhibits 10.1, 10.2 and 10.3, respectively, and incorporated herein by reference.

For the performance share units (the PSUs), the Committee determined that using Total Shareholder Return (TSR), measured over a three-year period relative to a selected group of energy industry peer companies, was best aligned with the practices within our industry and with the long-term interests of our stockholders. The PSUs will vest only if Dynegy meets pre-determined performance goals over the three-year period. The key characteristics of the PSUs are as follows:

Performance Share Unit Structure

- Three-year performance period (2013 through 2015)
- Payout opportunity of 0-200% of target, intended to be settled in shares
- Cumulative TSR percentile ranking calculated at end of performance period and applied to the payout scale to determine the number of earned/vested PSUs
- If absolute TSR is negative, PSU award payouts will be capped at 100% of the target number of PSUs granted, regardless of relative TSR positioning

The following long-term incentive awards have been granted:

Amendments to Executive Employment Agreements

On March 18, 2013, Dynegy Operating Company, an indirect subsidiary of Dynegy (DOC), entered into a First Amendment to employment Agreement with Henry D. Jones, Dynegy's Executive Vice President and Chief Commercial Officer (the First Amendment), and a Second Amendment to Employment Agreement with each of Robert C. Flexon, Dynegy's President and Chief Executive Officer; Clint C. Freeland, Dynegy's Executive Vice President and Chief Financial Officer; Catherine B. Callaway, Dynegy's Executive Vice President, General Counsel and Chief Compliance Officer; and Carolyn J. Burke, Dynegy's Executive Vice President and Chief Administrative Officer (the Second Amendments, and together with the First Amendment, the Amendments). The Amendments amend the terms and provisions of each of the Employment Agreements between DOC and Mr. Jones dated as of January 31, 2013, DOC and Mr. Flexon dated as of June 22, 2011, DOC and Mr. Freeland dated as of June 23, 2011, DOC and Ms. Callaway dated as of September 16, 2011, and DOC and Ms. Burke dated as of July 5, 2011, as amended to date (the Employment Agreements), as follows:

- Executives Incentive Compensation Awards The Employment Agreements of Mr. Flexon, Mr. Freeland, Ms. Callaway and Ms. Burke were amended to conform the executive's incentive compensation with Dynegy's Incentive

Termination of Excise Tax Reimbursement Policy and Amendment to Change in Control Plan

As part of its ongoing assessment of the Company's executive compensation programs and practices, the Committee recommended termination of Excise Tax Reimbursement Policy. Specifically, on March 18, 2013, the Committee adopted and approved a second amendment to the Dynegy Executive Change in Control Severance Pay Plan (the "Plan"), to be effective as of March 18, 2013. The Plan has been amended to implement a "Best Net" provision within the Plan for any Covered Individual (as defined therein) subject to an excise tax as a result of any payment made pursuant to the Plan. Benefits resulting from a change of control would be cut back if doing so would result in greater after-tax proceeds to an executive absent such cut back. Otherwise, the executive would receive payment of all change of control-related benefits and would be responsible for paying any excise tax imposed on such payment.

The Plan, as amended, is attached hereto as Exhibit 10.9. The foregoing description of the Plan may not contain all of the information that is important to you and is qualified in its entirety by reference to the full text of such Plan filed herewith and incorporated herein by reference.
