Arizona Public Service Company (APS) Facility

On April 9, 2013, APS entered into a five-year unsecured revolving credit facility with Barclays Bank PLC, as Agent and Issuing Bank, The Royal Bank of Scotland plc, as Syndication Agent and Issuing Bank, Bank of America, N.A., JPMorgan Chase Bank, N.A. and Wells Fargo Bank, National Association, as Co-Documentation Agents and Issuing Banks, and the lender parties thereto, allowing APS to borrow, repay and reborrow, from time to time, up to \$500 million through April 9, 2018. On April 9, 2013, APS terminated its prior \$500 million unsecured revolving credit facility with Barclays Bank PLC, as Agent and Issuing Bank, Credit Suisse Securities (USA) LLC, as Syndication Agent, Credit Suisse AG, Cayman Islands Branch, as Issuing Bank, Bank of America, N.A. and Wells Fargo Bank, National Association, as Co-Documentation Agents, and the lender parties thereto, which was replaced by the new facility. The prior revolving credit facility would have expired on February 13, 2015. APS will use the new facility for general corporate purposes and for the issuance of letters of credit.

Borrowings under the facility will bear interest based on APS' s then-current senior unsecured debt ratings.

Borrowings under the facility are conditioned on APS' s ability to make certain representations at the time each borrowing is made, except for representations concerning no material adverse effect and certain litigation matters, which were made only at the time the facility was entered into. The facility includes customary covenants, including that APS maintain a consolidated debt-to-capitalization ratio no greater than a prescribed level and comply with certain lien restrictions. The facility also includes customary events of default, including a cross default provision related to APS or its subsidiaries' indebtedness and a change of control provision relating to Pinnacle West Capital Corporation, the parent company of APS. If an event of default occurs, lenders holding a specified percentage of the commitments, or the Agent with such lenders' consent, may terminate the obligations of the lenders to make loans under the facility and the obligations of the issuing banks to issue letters of credit and may declare the obligations outstanding under the facility to be due and payable.

APS and its affiliates maintain normal banking and other relationships with the agents and various other lenders and/or their affiliates in both the new facility and in the prior \$500 million revolving credit facility that has been terminated.
