#### **ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.**

#### **ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.**

Section 317 of the California Corporations Code provides that a corporation has the power to indemnify any person who was or is a party or is threatened to be made a party to any proceeding (other than an action by or in the right of the corporation to procure a judgment in its favor) by reason of the fact that the person is or was a director, officer, employee or other agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or other enterprise, against expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with the proceeding if that person acted in good faith and in a manner the person reasonably believed to be in the best interests of the corporation and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of the person was unlawful.

Section 317 also provides that a corporation has the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or other agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or other enterprise, against expenses actually and reasonably incurred by that person in

connection with the defense or settlement of the action if the person acted in good faith, in a manner the person believed to be in the best interests of the corporation and its shareholders.

Section 317 grants authority to a corporation to include in its articles of incorporation indemnification provisions in excess of that permitted in Section 317, subject to certain limitations. Article V of the Company's Amended and Restated Articles of Incorporation authorizes the Company to provide indemnification of directors, officers, employees and other agents of the Company through bylaw provisions, agreements with agents, votes of shareholders or disinterested directors, or otherwise, in excess of the indemnification otherwise permitted by Section 317, subject only to the limitations set forth in Section 204 of the California Corporations Code.

Article VI of the Company's Bylaws contains provisions implementing the authority granted in Article V of the Company's Amended and Restated Articles of Incorporation. The Company's Bylaws provide for the indemnification of any director or officer of the Company, or any person acting at the request of the Company as a director, officer, employee or agent of another corporation or other enterprise, including a Company-sponsored employee benefit plan, for any threatened, pending or completed action or proceeding to the fullest extent permitted by California law and the Company's Amended and Restated Articles of Incorporation; provided that the Company is not liable to indemnify any director or officer or make any advances with respect to any proceeding against a director or officer: (i) as to which the Company is prohibited by applicable law from paying as an indemnity; (ii) with respect to expenses of defense or investigation, if such expenses were or are incurred without the Company's consent (which consent may not be unreasonably withheld); (iii) for which payment is actually made to the director or officer under a valid and collectible insurance policy maintained by the Company, except in respect of any excess beyond the amount of payment under such insurance; (iv) for which payment is actually made to the director or officer under an indemnity by the Company otherwise than pursuant to the Company's Bylaws, except in respect of any excess beyond the amount of payment under such indemnity; (v) based upon or attributable to the director or officer gaining in fact any personal profit or advantage to which he or she was not legally entitled; (vi) for an accounting of profits made from the purchase or sale by the director or officer of securities of the Company pursuant to the provisions of Section 16(b) of the Exchange Act and amendments thereto or similar provisions of any federal, state or local statutory law; or (vii) based upon acts or omissions involving intentional misconduct or a knowing and culpable violation of law. Indemnification covers all expenses, liabilities and losses (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid in settlement) actually and reasonably incurred or suffered by the indemnified person in connection with the action or proceeding.

The Company has purchased directors and officers insurance policies to provide protection against certain liabilities of the directors and officers. The Company has also entered into written agreements with each of its directors and certain officers incorporating the indemnification provisions of its Bylaws.

**ITEM 7. EXEMPTION FROM REGISTRATION CLAIMED.**

Not applicable.

**ITEM 8. EXHIBITS.**

The exhibits to this registration statement are listed on the attached Exhibit Index, which is incorporated herein by reference.

**ITEM 9. UNDERTAKINGS.**

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933, as amended, or the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however*, that clauses (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those clauses is contained in reports filed with or furnished to the SEC by registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

**SIGNATURES**

Pursuant to the requirements of the Securities Act, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of San Dimas, State of California, on June 21, 2013.
