Release | Lisbon | 14 August 2013

Review of shareholder remuneration policy for 2013-2014

Portugal Telecom, SGPS SA (PT) announces that its Board of Directors approved the modification of its shareholder remuneration policy for fiscal years 2013 and 2014, which will be exclusively comprised of a cash dividend of Euro 0.10 per share to be paid annually.

The Board of Directors remains confident on the cash flow generation of the Company. Simultaneously, in light of current macroeconomic environment, of the financial market conditions and of the need to continue to invest in the development of its businesses, the Board of Directors has decided reinforce the prudence of its financial strategy.

This decision, coupled with the sale of PT 's equity interest in CTM recently executed and the recent bond issuances lead to a reinforcement of the Company 's balance sheet and to a stronger financial flexibility.

Disclaimer

The shareholder remuneration policy is subject to market conditions, PT 's financial condition, legal limits regarding the distribution of assets to shareholders, including the necessary shareholder approvals and other factors considered relevant by the Board at the time. Therefore, the necessary authorisations and social deliberations will be proposed in due time as these conditions are verified.

This release contains forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Such forward-looking statements are not statements of historical facts, and reflect goals of the company 's management.

The words anticipates, believes, estimates, expects, forecasts, intends, plans, predicts, projects and targets and similar words identify these forward-looking statements, which necessarily involve known and unknown risks and uncertainties. Accordingly, the results of operations of the company to be achieved may be different from the company 's current goals and the reader should not place undue reliance on these forward-looking statements.

Forward-looking statements speak only as of the date they are made, and the company does not undertake any obligation to update them in light of new information or future developments.

FORWARD-LOOKING STATEMENTS

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
