This proxy statement and form of proxy, or a Notice of Internet Availability of Proxy Materials, are first being mailed to stockholders on or about December 18, 2013.

GENERAL INFORMATION

Follow the instructions on your proxy card or electronic delivery notice to cast your vote via the Internet or telephone. If you received a proxy card, you may vote your shares by completing the card with your vote, signature and date, and returning it by mail in the envelope provided.

If you submit a proxy without giving specific voting instructions, your shares will be voted in accordance with the Board of Directors recommendations as follows:

FOR:

- Election to the Board of the 11 director nominees named in this proxy statement;
- Ratification of the appointment of Ernst & Young LLP as independent registered public accounting firm for the fiscal year ending October 26, 2014; and

•	Reapproval of the material terms of the performance goals under the Hormel Foods Corporation 2009 Long-Term Incentive Plan to
enable cer	tain compensation paid under the Plan to continue to qualify as deductible performance-based compensation under Section 162(m) of
the Interna	al Revenue Code.

The persons appointed as proxies will vote in their discretion on other matters as may properly come before the meeting.

Your cooperation in promptly granting a proxy to vote your shares will help to avoid additional expense.

Quorum - A majority of the outstanding shares will constitute a quorum at the meeting.

Impact of Abstentions and Broker Non-Votes - If a stockholder holds shares in street name and does not provide voting instructions to the holder of the account regarding non-discretionary matters, such shares are considered broker nonvotes. Street name means the shares are held in a stock brokerage account or by a bank, trust or other institution. Broker nonvotes and abstentions are counted for purposes of determining the presence of a quorum for the transaction of business. Shares represented by abstentions are counted as shares represented at the meeting and therefore will have no effect on the election of directors (Item #1), but will have the effect of a vote against the ratification of Ernst & Young LLP as independent registered public accounting firm (Item #2) and reapproval of the material terms of the performance goals

ITEM 1 ELECTION OF DIRECTORS

Identifying and Evaluating Nominees for Director - The Governance Committee is responsible for establishing procedures to identify and review the qualifications of all nominees for Board membership. The Committee considers recommendations of director candidates made by directors, senior management, and the Company s stockholders. The Committee applies the same criteria for consideration of stockholder nominees as it does to nominees proposed by other sources. The Committee may engage an independent search firm to assist the Committee in identifying and evaluating potential director nominees to fill vacancies on the Board.

Stockholders wishing to make a recommendation may do so by contacting the Governance Committee, c/o Brian D. Johnson, Vice President and Corporate Secretary, 1 Hormel Place, Austin, Minnesota 55912. Stockholders should send:

- 1. Name of the candidate and the candidate s business and residence addresses;
- 2. A resume or biographical sketch of the candidate, which includes the candidate s principal occupation or employment;
- 3. A document(s) evidencing the number of shares of Company stock currently held by the candidate and the candidate s willingness to serve as a director if elected; and
- 4. A signed statement as to the submitting stockholder s current status as a stockholder, which includes the stockholder s address and the number of shares of Company stock currently held.

Table of Contents

The Committee s procedures include making a preliminary assessment of each proposed nominee. Such assessment is based upon the resume and biographical information, an indication of the individual s willingness to serve, and business experience and leadership skills. This information is evaluated against the criteria set forth below and the Company s specific needs at that time. Based upon a preliminary assessment of the candidates, those who appear best suited to meet the Company s needs may be invited to participate in interviews, which are used to further evaluate candidates. On the basis of information learned during this process, the Committee determines which nominees to recommend to the Board.

Director Qualifications The Governance Committee determines the selection criteria of director nominees based upon the Company s needs at the time nominees are considered. In evaluating director candidates, the Committee will consider a candidate s:

- Intellect:
- Integrity;
- Broad-based experience at the policy-making level in business, government, education or the public interest;
- Analytical ability;
- Ability to qualify as an independent director;
- Ability and willingness to devote time and energy to effectively carry out all Board responsibilities; and
- Unique qualifications, skills and experience.

The Committee reviews past performance on the Board for directors seeking reelection. The Board s annual self-evaluation process assists the Committee in this review.

The Committee considers the diversity of director candidates and seeks to enhance the overall diversity of the Board. Each candidate s diversity in terms of race, gender, national origin and other personal characteristics is considered. The Committee also assesses each candidate s contribution to the diversity of the Board in a broader sense, including age, education, experience, skills and other qualifications. While the Committee carefully considers diversity when evaluating director candidates, it has not adopted a formal diversity policy.

The Committee recommends director nominees to the Board to submit for election at the next Annual Meeting of Stockholders. The Board selects director nominees based on its assessment and consideration of various factors. These factors include the current Board profile, the long-term interests of stockholders, the needs of the Company, and the goal of creating an appropriate balance of knowledge, experience and diversity on the Board.

Our Nominees for Director Each of our director nominees is well qualified under the criteria described above. As employees of the Company, Mr. Ettinger and Ms. Feragen do not qualify as independent directors. Each director nominee brings a variety of qualifications, skills, attributes and experience to the Board of Directors.

A common trait among our director nominees is executive leadership experience with a large company or organization. Such experience brings a variety of benefits, including an understanding of business management, various business functions and strategic planning. Other advantages of an executive leadership background include experience with policy making, risk management and corporate governance matters.

Another common characteristic of our director nominees is each has prior service on our Board. Each director nominee has a demonstrated record of regular attendance, advance preparation and active participation in Board and Board committee meetings. Through prior service on the Board committees, our director nominees have demonstrated and further developed expertise relating to the duties assigned to the Board committees.

The biographical information below identifies and highlights additional qualifications, skills, attributes and experience each director nominee brings to the Board.

The Board of Directors recommends a vote FOR each of the 11 director nominees listed below. The persons named as proxies will vote FOR the election of these 11 nominees to hold office as directors until the next Annual Meeting of Stockholders and until their successors are elected and qualify, unless stockholders specify otherwise. If any of such nominees become unavailable for any reason, it is intended that the proxies will vote for the election of such substitute persons as may be designated by the Board of Directors. Directors are elected by a plurality of the votes cast. The 11 candidates receiving the highest number of votes will be elected.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

The Board of Directors has adopted Corporate Governance Guidelines which include the following:

- At all times a substantial majority of the Board will be independent, as that term is defined in relevant law and the NYSE listing standards;
- Directors who (1) retire from or change their principal employment, (2) reach retirement age of 72, (3) resign or are removed from, or fail to be re-elected to, the board of directors of any other public company, or (4) take action that creates a conflict of interest with the Company, must submit a letter of resignation from the Board. The Board may accept or reject a letter of resignation. It is the Board s general policy that directors will not stand for reelection after reaching age 72;
- The Board and Board committees will conduct annual self-evaluations:
- Directors participate in an annual strategic planning retreat, which provides directors a detailed overview of the Company's strategic business plans and an opportunity to access senior management of the Company;

• All non-management directors will meet in executive session at least quarterly (the Board s practice is to meet in executive session after each regularly scheduled meeting);
• The Compensation Committee will evaluate the Chief Executive Officer's performance annually. This evaluation is based in part on a self-evaluation by the Chief Executive Officer (CEO) which is reviewed by all the nonemployee directors. The annual evaluation will take into account the CEO s performance measured against established goals. After the process has been completed, the Compensation Committee will set the CEO s compensation and obtain the Board's ratification of such compensation;
• Directors will have full access to officers and employees of the Company; and
• The Board and each committee have the power to hire independent legal, financial or other advisers, without consulting or obtaining the approval of any officer of the Company.
The Company s Corporate Governance Guidelines may be found on the Company s Web site at www.hormelfoods.com under Corporate Governance.
Board Leadership Structure
The Board takes a flexible approach to the issue of whether the offices of Chairman and CEO should be separate or combined. This approach allows the Board to regularly evaluate whether it is in the best interests of the Company for the CEO or another director to hold the position of Chairman.
Mr. Ettinger has served as both Chairman and CEO of the Company since November 2006. The Board continues to believe there are important advantages to Mr. Ettinger serving in both roles at this time. Mr. Ettinger is the director most familiar
6

Table of Contents

with our Company s business and industry and best situated to propose the Board s agendas and lead Board discussions on important matters. Mr. Ettinger provides a strong link between management and the Board, which promotes clear communication and enhances strategic planning and implementation of corporate strategies. Another advantage is the clarity of leadership provided by one person representing the Company to employees, stockholders and other stakeholders.

When the Chairman is not an independent director, the Board believes it may be useful and appropriate to designate a Lead Director. The Governance Committee annually reviews use of the Lead Director position and duties of a Lead Director. The Lead Director position is held by an independent director elected by the Board of Directors. The Board s policy is that a director s term as Lead Director should generally be limited to three consecutive years.

John L. Morrison was elected the Lead Director in November 2011. The duties of the Lead Director include the following:

- Serve as a liaison between the Chairman and the non-management directors;
 Serve as a liaison among the non-management directors;
 Provide input to the Chairman on the preparation of Board meeting agendas, including content, sequence, and time allocations;
 Have the authority to call meetings of the non-management directors, with advance notice of such meetings to be given to the Chairman;
 Preside at meetings of the Board in the absence of the Chairman;
 Preside at executive sessions of the non-management directors;
- In conjunction with the Governance Committee, take an active role in the Board s annual self-evaluation; and
- In conjunction with the Compensation Committee, take an active role in the annual evaluation of the CEO.

The independent directors who chair the Company s Audit, Compensation, Governance and Contingency Committees also provide leadership to the Board in their assigned areas of responsibility. The Board believes the substantial majority of independent directors on the Board, use of a Lead Director, independent Committee chairs and executive sessions of the non-management directors safeguard the independent governance of the Board.

Code of Ethical Business Conduct

The Company has adopted a Code of Ethical Business Conduct that covers its directors, officers and employees. This Code of Ethical Business Conduct may be found on the Company s Web site at www.hormelfoods.com under Investors - Corporate Governance.

Stock Ownership Guidelines

The Company s officers and directors are subject to stock ownership guidelines. Officers need to hold shares of Company stock with a value equal to their five-year average base salary times a multiple of 1.5 to 5, depending on position. Directors need to hold shares of Company stock with a value equal to their five-year average annual retainer times a multiple of 4. For both officers and directors, the required stock ownership value is divided by the five-year average Company stock price, based on fiscal year end prices, to calculate the number of shares to be held.

The value of shares individually owned, held in Company benefit plans, and deferred in the Company's deferred compensation plans are counted toward the guidelines. Individual ownership of shares is determined under Section 16 of the Securities Exchange Act of 1934, as amended (**Exchange Act**). Stock options and restricted shares are not counted toward the guidelines.

Officers and directors have approximately five years from their initial election to comply with the guidelines. Officers promoted to a level requiring higher stock ownership under the guidelines have five years to achieve compliance. All officers and directors who are subject to the guidelines are in compliance with the guidelines.

The Company has adopted a pledging policy which prohibits officers and directors from holding Company stock in a margin account or pledging Company stock as collateral for a loan.

The Company has also adopted a hedging policy which prohibits employees, officers and directors from purchasing any financial instruments (including without limitation prepaid variable forward contracts, equity swaps, collars, and exchange funds) that are designed to hedge or offset any decrease in the market value of Company securities held directly or indirectly by the employee, officer or director.

Board Independence

The Company s Corporate Governance Guidelines require that a substantial majority of the Company s directors be independent. The NYSE listing standards require that a majority of the Company s directors be independent and that the Audit, Compensation and Governance Committees be comprised entirely of independent directors. The Board of Directors has adopted standards to assist it in making the annual determination of each director s independence status. These Director Independence Standards are consistent with the NYSE listing standards. The Director Independence Standards are posted on the Company s Web site at www.hormelfoods.com under Investors - Corporate Governance. A director will be considered independent if he or she meets the requirements of the Director Independence Standards and the independence criteria in the NYSE listing standards.

The Board of Directors has affirmatively determined that the following directors have no direct or indirect material relationship with the Company and satisfy the requirements to be considered independent:

Terrell K. Crews John L. Morrison Susan K. Nestegard Glenn S. Forbes Elsa A. Murano Dakota A. Pippins Stephen M. Lacy Robert C. Nakasone Christopher J. Policinski

Susan I. Marvin (not standing for re-election; term expires January 28, 2014)

The Board of Directors also has determined that each of the Company s Audit, Compensation, Governance and Contingency Committees is composed solely of independent directors. In making the independence determinations, the Board reviewed all of the directors relationships with the Company. This review is based primarily on a review of the responses of the directors to questions regarding employment, business, family, compensation and other relationships with the Company and its management. In making the independence determination for Mr. Lacy, Chairman of the Board, President & CEO of Meredith Corporation, the Board considered the relationship arising out of the transactions in the ordinary course of business between the Company, including transactions through its advertising agency, and Meredith Corporation, a supplier of the Company. The Board determined that this relationship was not material and did not impair Mr. Lacy s independence. In making the independence determination for Mr. Policinski, President & CEO of Land O Lakes, Inc., the Board considered the relationship arising out of the transactions in the ordinary course of business between the Company and Land O Lakes, Inc., a supplier of the Company. The Board determined that this relationship was not material and did not impair Mr. Policinski s independence. The dollar amount of the Company s transactions with Meredith Corporation and Land O Lakes, Inc. are below the thresholds for commercial transactions under the independence criteria in the NYSE listing standards.

Board of Director and Committee Meetings

Board of Directors and Committees - The Board of Directors conducts its business through meetings of the Board and its committees. The Lead Director presides at executive sessions of the nonmanagement directors. The Board held seven meetings during fiscal 2013. Each director attended at least 75% of the total meetings during the fiscal year of the Board and Board committees on which he or she served.

The Board of Directors has established the following Board committees: Audit, Compensation, Governance, and Contingency. The following table shows membership and meeting information for each committee for fiscal 2013.

Directors who are employees of the Company received \$100 for each Board meeting they attended prior to May 23, 2011. On that date, the Compensation Committee eliminated this meeting fee, which had been in place since 1934. Compensation of employee directors is included in the Summary Compensation Table on page 25.

The Compensation Committee reviews the compensation to be paid to the Company s nonemployee directors. The Committee uses a compensation consultant, Pearl Meyer & Partners, to provide advice regarding nonemployee director compensation. The consultant analyzes each element of director compensation and total director compensation for the same peer group of companies which is used to evaluate executive compensation. See How Annual Compensation Decisions are Made on page 22 for a list of these peer companies. The Committee reviews the consultant s report of competitive director compensation and determines whether to recommend to the Board a change in the Company s nonemployee director compensation. If such a change is recommended by the Committee, the full Board would then determine whether to ratify the change.

The Compensation Committee s current policy is to review nonemployee director compensation every other year. After this process was completed in late 2012, the Company s nonemployee director compensation policy was modified to provide the elements of compensation described above to nonemployee directors beginning in fiscal 2013.

The fiscal 2013 compensation of our nonemployee directors is shown in the following table.
