The Independent Accounting Firm shall issue a detailed written report that sets forth the resolution of all items in dispute and that contains a final Post-Closing Statement. Such report shall be final and binding upon the Disputing Parties. The fees and expenses of the Independent Accounting Firm shall initially be borne equally between the Seller, on the one hand, and the Buyer, on the other hand; provided, that such fees and expenses shall ultimately be allocated in accordance with Section 2.5(e). The Disputing Parties shall cooperate fully with the Independent Accounting Firm and respond on a timely basis to all requests for information or access to documents or personnel made by the Independent Accounting Firm or by the Disputing Parties, all with the intent to fairly and in good faith resolve all disputes relating to the Post-Closing Statement as promptly as reasonably practicable.

Unless the Seller timely objects, such Allocation Schedule shall be binding on the parties without further adjustment, absent manifest error.

(iii) If the Seller shall raise any objections within the Response Period, the Buyer and the Seller shall negotiate in good faith and use their reasonable best efforts to resolve such dispute. If the parties fail to agree within fifteen

days after the delivery of the Objections Notice, then the disputed items shall be resolved by the Independent Accounting Firm, in accordance with the procedural principles of Section 2.5(c).

(iv) For all Tax purposes, the Buyer and the Seller shall report the transactions contemplated by this Agreement in a manner consistent with the terms of this Agreement, and none of them will take any position inconsistent therewith in any Tax Return, unless otherwise required by applicable Law.

3.13 Compliance with Legal Requirements. Except as set forth on Schedule 3.13 of the Company Disclosure Letter, the Business and the Assets are, and have been, in full compliance with all Legal Requirements in all material respects, in each case, applicable to the Assets and/or the Business. To the Seller's Knowledge, no event has occurred or circumstance exists that (with or without notice or lapse of time) may constitute or result in a violation by the Seller or the Business of, or a failure on the part of the Seller or the Business to comply with, any Legal Requirement. The Seller has not received any notice or other communication (whether oral or written), relating to or associated with the Business or the Assets, from any Governmental Authority or any other Person regarding any actual or alleged material violation of, or failure to comply with, any Legal Requirement.

3.14 Conduct of Business in Ordinary Course. Except as set forth on Schedule 3.14 of the Company Disclosure Letter, since December 31, 2012, (a) the Seller has conducted the Business only in the Ordinary Course and, without limiting the

generality of the foregoing, has not taken or suffered to exist any action of the type described in Section 5.1(a) that, if taken between the date hereof and the Closing without the approval of the Buyer, would be in violation of such Section 5.1(a) and (b) there has not occurred any material damage, destruction or casualty loss (whether or not covered by insurance) affecting the Business or Assets.

3.15 No Material Adverse Effect. Except as set forth on Schedule 3.15 of the Company Disclosure Letter, since December 31, 2012, there has not been any event, circumstance, fact, change, development or effect which has had, or could result in, individually or in the aggregate, a Material Adverse Effect on the Business.

3.16 Condition and Suitability of Assets. The Assets: (a) constitute, together with the rights and services provided under the Transaction Documents, all the assets used or held for use in connection with or otherwise related to the Business, other than the Excluded Assets (except to the extent any Excluded Assets are used in providing the services under the Transition Services Agreements); (b) are suitable for the uses for which they are intended; (c) will permit the Buyer, together with the rights and services provided under the Transaction Documents, to comply in all material respects with the Legal Requirements applicable, on the date hereof, to the Business as currently conducted by the Seller; and (d) will, together with the rights and services provided under the Transaction Documents, permit the Buyer to conduct the Business substantially as it is being conducted on the date of this Agreement.

3.17 Intellectual Property.

(a) Other than the Intellectual Property provided under the Transaction Documents and any Excluded Asset, the Intellectual Property primarily used or held for use in the Business is either (i) owned by the Seller or its Affiliate and will be included as an Intellectual Property Asset (**Owned Intellectual Property**), or (ii) is used by the Seller or its Affiliates pursuant to an IP License (**Licensed Intellectual Property**) or the Seller or its Affiliate otherwise has a valid and legal right to use such Intellectual Property. Schedule 3.17(a) of the Company Disclosure Letter sets forth a true, correct and complete list of all Owned Intellectual Property that is registered, issued or the subject of a pending application, and the applicable owners thereof.

(b) Schedule 3.17(b) of the Company Disclosure Letter sets forth a true, correct and complete list of all Contracts pursuant to which the Seller (i) uses any Licensed Intellectual Property (excluding any Content Agreements and off the shelf software licenses available on commercially reasonable terms) (collectively, the **Inbound License Agreements**), or (ii) has granted to any Person any covenant not to sue or license to use any Owned Intellectual Property Asset or any sublicense to any Licensed Intellectual Property (collectively, the **Outbound License Agreements**), and together with the Inbound License Agreements, the **IP Licenses**). The Seller has performed all obligations imposed on it pursuant to the IP Licenses in all material respects, and has made all payments required to date under the IP Licenses. Each IP License is a legal, valid and binding obligation of the Seller, is in full force and effect and is enforceable against the Seller and, to the Knowledge of the Seller, the other parties

thereto, except, in each case, to the extent such enforceability may be limited by the Enforceability Exceptions. The Seller is not in material breach or other default under any IP License, and no event has occurred that, with notice or lapse of time or both, would constitute such a material breach or other default by the Seller, or, to the Knowledge of the Seller, the other parties thereto. No additional royalties, license fees or other amounts will be due or payable by the Buyer under any Inbound License Agreement solely as the result of entering into this Agreement, the Transaction Documents or the transactions contemplated hereby and thereby.

(c) Upon the Closing and subject to the terms of the Transaction Documents, the Buyer will have the right to use all Intellectual Property Assets on substantially the same terms and conditions as the Seller and its Affiliates enjoyed prior to the Closing.

(d) The operation of the Business as conducted by the Seller and its Affiliates as of the date hereof is not infringing, misappropriating or otherwise violating the Intellectual Property rights of any Person. There are no claims pending, or to the Knowledge of the Seller, threatened in writing, against the Seller or any of its Affiliates, that (i) allege that the operation of the Business infringes, misappropriates or otherwise violates any Intellectual Property of any Person, or (ii) challenge the validity, enforceability or ownership of any Intellectual Property Assets to be conveyed to the Buyer hereunder. To the Knowledge of the Seller, no rights in any material Intellectual Property Assets to be conveyed to the Buyer hereunder are being infringed, misappropriated or otherwise violated by any Person; and to the Knowledge of the Seller, there is no existing fact or circumstance which would be reasonably expected to give rise to any such claim.

(e) To the Knowledge of the Seller, all of the Seller's rights in and to any Owned Intellectual Property that is registered, issued or the subject of a pending application are valid and enforceable. The Seller has taken commercially reasonable actions to maintain and protect the registered and pending Intellectual Property Assets owned by the Seller, including making payments of maintenance, renewal or similar fees for registered, issued or pending Intellectual Property Assets, and has taken commercially reasonable security measures to protect the confidentiality of all Trade Secrets within the Intellectual Property Assets that are material to the operation of the Business. The Seller holds all rights, title and interest to the Intellectual Property Assets free and clear of any and all Liens (other than Permitted Liens).

(f) Each present or past employee, consultant or other Person employed or engaged by the Seller who developed any Owned Intellectual Property has executed a valid and enforceable (except to the extent such enforceability may be limited by Enforceability Exceptions) contract with the Seller that conveys to the Seller any and all right, title and interest in and to all intellectual property developed by such Person in connection with, and within the scope of, such Person's employment or engagement by the Seller (unless otherwise provided in Schedule 3.17(f) of the Company Disclosure Letter) and/or such intellectual property vested with Seller under applicable Legal Requirements.

(g) The Seller is in material compliance with all applicable Legal Requirements regarding the collection, use, transmission, storage and protection of Personal Data collected or used in connection with the Business (if any), and, to the Knowledge of the Seller, no Person has gained unauthorized access to or made any unauthorized use of any such Personal Data. No actions are pending or, to the Knowledge of the Seller, threatened in writing against the Seller relating to (i) the breach of any Legal Requirement regarding the collection, use or storage of Personal Data, or (ii) the loss, or unauthorized access or use of any Personal Data.

3.18 Audits. Schedule 3.18 of the Company Disclosure Letter sets forth a true, complete and correct list of all royalty, affiliate fee, or other contingent compensation audits completed since January 1, 2009 related to the Business and all royalty, affiliate fee, or other contingent compensation audits that may be pending, requested or threatened in writing related to the Business. There are no demands or claims for royalties, affiliate fees, or contingent compensation by any Person against the Seller related to the Business in progress, pending, or to the Knowledge of the Seller, threatened, except as may be set forth on Schedule 3.18 of the Company Disclosure Letter.

3.19 Commercial Relationships. Schedule 3.19(a) of the Company Disclosure Letter lists the advertisement firms of each Channel (each, a **Significant Advertisement Firm**) and Schedule 3.19(b) of the Company Disclosure Letter lists the ten (10) largest content suppliers (measured by dollar volume of sales) of each Channel (each, a **Significant Supplier**). Other than as set forth on Schedule 3.19(c) of the Company Disclosure Letter, in the twelve (12) months prior to the date hereof, no Significant Advertisement Firm or Significant Supplier has canceled or otherwise terminated, or delivered any written notice indicating its intention of terminating its relationship with the Seller regarding the Business.

3.20 Insurance. Schedule 3.20 of the Company Disclosure Letter sets forth a true, correct and complete list of all insurance policies of the Seller that insure the Business or any of the Assets, and a true, correct and complete list of all letters of credit, surety bonds and performance bonds required to be obtained by the Seller in connection with the Business. All such insurance policies are in full force and effect, and no notice of cancellation or termination has been received with respect to any such insurance policy.

3.21 Affiliate Transactions. Except as set forth on Schedule 3.21 of the Company Disclosure Letter or the transactions contemplated by this Agreement or as set forth in the Transaction Documents, no director, manager or officer nor current or former employee of the Seller (nor, to the Knowledge of the Seller, any Affiliate of any such director, manager, officer or employee) (a) owns, directly or indirectly, in whole or in part, or has any personal or private right to use any of the Assets or (b) receives or is entitled to receive any payment or other benefit from the Business, except for Ordinary Course compensation in respect of the duties performed by such Person.

3.22 Certain Payments.

(a) None of the Seller nor, to Seller's Knowledge, any of the Seller's Affiliates, current or former members, directors, managers, officers, agents, employees or other Persons, in each case, associated with or acting on behalf of the Business have (i) made any unlawful contributions, gifts, entertainment, or other unlawful expenses or payments on behalf of Seller with respect to the Business, (ii) established or maintained any unlawful or unrecorded fund of monies or other assets belonging to the Business, or (iii) made any unlawful bribe, rebate, payoff, influence payment, kickback or other unlawful payment of any nature on behalf of the Business.

3.23 No Broker. Neither the Seller nor any of its Affiliates has any liability or obligation to pay any fees or commissions to any broker, finder or agent with respect to the transactions contemplated hereby for which the Buyer could become liable or obligated.

3.24 EXCLUSIVITY OF REPRESENTATIONS AND WARRANTIES. THE REPRESENTATIONS AND WARRANTIES MADE BY THE SELLER IN THIS AGREEMENT ARE IN LIEU OF AND ARE EXCLUSIVE OF ALL OTHER REPRESENTATIONS AND WARRANTIES, INCLUDING ANY IMPLIED WARRANTIES. THE SELLER HEREBY DISCLAIMS ANY SUCH OTHER OR IMPLIED REPRESENTATIONS OR WARRANTIES, NOTWITHSTANDING THE DELIVERY OR DISCLOSURE TO THE BUYER OR ITS OFFICERS, DIRECTORS, EMPLOYEES, AGENTS OR REPRESENTATIVES OF ANY DOCUMENTATION OR OTHER INFORMATION (INCLUDING ANY PRO FORMA FINANCIAL INFORMATION, SUPPLEMENTAL DATA OR FINANCIAL PROJECTIONS OR OTHER FORWARD-LOOKING STATEMENTS).

SECTION 4 REPRESENTATIONS AND WARRANTIES OF THE BUYER

The Buyer represents and warrants to the Seller as follows:

4.1 Organization, Standing and Authority. The Buyer is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Delaware. The Buyer has all requisite power and authority to execute, deliver and perform this Agreement in accordance with its terms.

4.2 Authorization and Binding Obligation. This Agreement and the other Transaction Documents to which the Buyer is a party and the performance by the Buyer of the transactions contemplated hereby and thereby have been duly authorized by all necessary actions on the part of the Buyer. This Agreement and the other Transaction Documents to which the Buyer is a party have been duly executed and delivered by the Buyer and shall constitute the legal, valid and binding obligation of the Buyer, enforceable against the Buyer in accordance with their terms, except to the extent such enforceability may be limited by the Enforceability Exceptions.

4.3 Absence of Conflicting Agreements. Subject to obtaining the Consents, and assuming the accuracy of the Seller's representations and warranties in

Section 3, the execution and delivery of this Agreement and the other Transaction Documents to which the Buyer is a party by the Buyer (with or without the giving of notice, the lapse of time, or both) and the performance by the Buyer of the transactions contemplated hereby and thereby: (a) do not require the consent of any other Person; (b) will not conflict with the Buyer's organizational documents; or (c) will not conflict with, result in a breach of, or constitute a default under, any Legal Requirements applicable to the Buyer, except in the case of clauses (a) and (c) above, for violations which would not prevent or materially delay the consummation of the transaction provided herein.

4.4 Litigation. There are no Legal Actions in progress, pending, or to the knowledge of the Buyer, threatened, against the Buyer which would give any third party the right to enjoin, rescind or condition the transactions contemplated hereby.

4.5 No Broker. The Buyer has no liability or obligation to pay any fees or commissions to any broker, finder or agent with respect to the transactions contemplated hereby for which the Seller could become liable or obligated.

4.6 Sufficiency of Funds. The Buyer has access to sufficient funds to pay the Purchase Price and any other payments contemplated by this Agreement. Buyer does not know of any circumstance or condition that could reasonably be expected to prevent or substantially delay the availability of such funds at Closing. Without limiting the generality of the foregoing, the ability of Buyer to consummate the transactions contemplated herein is not contingent on Buyer's ability to complete any public offering or private placement of debt or equity securities or to obtain any other type of financing prior to the Closing.

4.7 Acknowledgment and Representations by Buyer. In entering into this Agreement, Buyer has relied solely upon its own investigation and analysis and the representations and warranties of the Seller expressly contained in Section 3 (qualified by the Schedules to the Company Disclosure Letter), or certificates delivered pursuant hereto. Without limiting the generality of the foregoing, except as set forth in Section 3 and in the Schedules to the Company Disclosure Letter, or certificates delivered pursuant hereto, none of Seller, the Channel Operators or any of their respective directors, officers, employees, Affiliates, stockholders, agents or representatives has made, and shall not be deemed to have made, any representations or warranties in the materials relating to the business, assets or liabilities of the Business made available to Buyer, including due diligence materials, memorandum or similar materials, or in any presentation of the Business and Assets or others in connection with the transactions contemplated hereby, and no statement contained in any such materials or made in any such presentation shall be deemed a representation or warranty hereunder or otherwise or deemed to be relied upon by Buyer in executing, delivering and performing this Agreement and the transactions contemplated hereby.

SECTION 5 COVENANTS AND AGREEMENTS

5.1 Pre-Closing Covenants of the Seller. Except to the extent specifically required by this Agreement or with the prior written consent of the Buyer (which consent shall not be unreasonably withheld, conditioned or delayed), between the date hereof and the earlier of the Closing or the termination of this Agreement pursuant to its terms, the Seller shall operate, and shall cause to be operated, the Business in such a manner as to abide by the following negative and affirmative covenants, and otherwise in the Ordinary Course:

(a) Negative Covenants. Between the date hereof and the earlier of the Closing or the termination of this Agreement, the Seller shall not do any of the following:

(i) Contracts. (A) terminate any Assumed Contract; (B) modify or amend any Assumed Contract or otherwise assume any additional liability or obligations thereunder in excess of \$50,000 individually or \$100,000 in the aggregate other than pursuant to the terms of such Assumed Contract; (C) enter into any new Contract primarily relating to the Business involving an annual liability or expenditure in excess of \$50,000 individually or \$100,000 in the aggregate; or (D) enter into any new Affiliation Agreement or Content Agreement;

(ii) Disposition of Assets. sell, convey, assign, lease or otherwise transfer or dispose of any of the Assets (other than Excluded Assets);

(iii) Intellectual Property. (A) encumber, sell, pledge, transfer, assign, convey title (in whole or in part), exclusively license, dispose of or grant any right in any Intellectual Property Assets, or (B) do any act or knowingly omit to do any act whereby any Intellectual Property Asset may have become invalidated, abandoned, lost, impaired, unmaintained, unenforceable or dedicated to the public domain, in each case, other than in the Ordinary Course;

(iv) Encumbrances. create, assume or permit to exist any new Lien upon any of the Assets or the Business;

(v) No Inconsistent Action. take any action which could hinder or delay the consummation of the transactions contemplated hereby;

(vi) Payables. permit any Accounts Payable to remain unpaid and outstanding for more than 60 days;

(vii) Waivers. waive any material right, or pay, discharge or settle any claim relating to the Business or the Assets; or

(viii) No Agreement. agree to do any of the foregoing.

- (b) Affirmative Covenants. Between the date hereof and the earlier of the Closing or the termination of this Agreement, the Seller shall do the following:
- (i) Access to Information. subject to the terms of the Confidentiality Agreement, allow the Buyer and its counsel, accountants and other representatives reasonable access to the Business and the Assets, during normal business hours for the purpose of audit and inspection, and make available or cause to be made available to the Buyer or its authorized representatives all information with respect to the Business and the Assets as the Buyer may reasonably request to the extent such access would not result in a waiver or breach of any attorney/client privilege and would not unreasonably interfere with Seller's business or operations;
- (ii) Compliance with Legal Requirements. comply in all material respects with all Legal Requirements applicable to the Business and the Assets;
- (iii) Maintenance of Assets. maintain all of the Assets in good condition (ordinary wear and tear excepted), and use all of the Assets in a reasonable manner;
- (iv) Insurance. maintain the existing insurance policies covering the Business and the Assets;
- (v) Books and Records. maintain the Books and Records in the Ordinary Course;
- (vi) Notification. promptly notify the Buyer of (A) any material change in the Seller's representations and warranties contained in Section 3 or of any material failure to perform any covenant or agreement of the Seller contained in this Agreement, or (B) any material breach of any representation, warranty, covenant or agreement of the Seller contained in this Agreement;
- (vii) Maintenance of Intellectual Property. use commercially reasonable efforts (A) to maintain all of the Owned Intellectual Property, and (B) not to do any act or fail to do any act that would allow such Owned Intellectual Property to lapse, become abandoned, become dedicated to the public or become unenforceable, in each case, other than in the Ordinary Course; and
- (viii) Marketing Commitments. use its commercially reasonable efforts to (A) fulfill and discharge, prior to the Closing, all accrued and outstanding obligations of the Seller and its Affiliates, including the Channel Operators, to provide certain marketing support of the Channels pursuant to the Affiliation Agreements for the period through the Closing (the **Marketing Commitments**) and (B) cause the applicable marketing departments of the distributors to provide evidence, prior to the Closing, of the satisfaction of such corresponding Marketing Commitments (which such evidence the Seller shall provide to the Buyer promptly upon receipt).

5.2 Consents.

(a) Nothing in this Agreement nor the consummation of the transactions contemplated hereby shall be construed as an attempt or agreement to assign or transfer any Asset (including any Assumed Contract) to the Buyer which by its terms or by Legal Requirements is not assignable or transferable without a Consent (a **Nonassignable Asset**), unless and until such Consent shall have been obtained or Legal Requirement satisfied.

(b) The Seller shall promptly (i) notify any third parties who are required by Contract to be notified of the transactions contemplated hereby and (ii) request the Consent of any third parties whose Consents are required for the consummation of the transactions contemplated hereby, and shall thereafter use its commercially reasonable efforts to obtain the Consents and satisfy any Legal Requirement necessary for the assignment or transfer of a Nonassignable Asset to the Buyer as expeditiously as possible. Each such Consent shall be in form and substance attached hereto as Exhibit K. The Buyer shall cooperate and use all commercially reasonable efforts to assist the Seller in obtaining such Consents. In connection with any efforts to obtain the Consents pursuant to this Section 5.2, in no event shall commercially reasonable efforts of any party include (x) the payment of any fee to any third party whose Consent is required for the consummation of the transactions contemplated hereby or (y) any modification, amendment or waiver of the terms of any agreement between such party and any third party, whether or not related to the Business.

(c) If any such Consent is not obtained as of the Closing, then unless and until any such Consent that may be required is obtained or Legal Requirement satisfied, the Seller shall use commercially reasonable efforts to establish an arrangement reasonably satisfactory to the Buyer under which the Buyer would obtain, as of the Closing, the claims, rights and benefits and assume the corresponding liabilities and obligations under such Nonassignable Asset (including by means of any subcontracting, sublicensing or subleasing arrangement) or under which the Seller would enforce for the benefit of the Buyer (at Buyer's cost and expense) any and all claims, rights and benefits of the Seller against a third party thereto; provided, that in no event shall the Buyer be required to enter into any such arrangement with respect to any Nonassignable Asset for which a Required Consent, as set forth in Schedule 6.1(c) of the Company Disclosure Letter, is necessary.

5.3 Confidentiality: Press Releases.

(a) The Seller and the Buyer shall hold, and shall cause their respective officers, employees, accountants, counsel, financial advisors and other representatives and Affiliates to hold, any non-public information in accordance with the terms of the Confidentiality Agreement, dated as of July 19, 2013, by and between the Buyer and US Imagina, LLC (the **Confidentiality Agreement**).

(b) No press release or public disclosure, either written or oral, of the existence or terms of this Agreement shall be made by either the Buyer or the Seller

without the consent of the other (such consent not to be unreasonably withheld or delayed), and the Buyer and the Seller shall each furnish to the other advance copies of any press release or public disclosure which it proposes to make public concerning this Agreement or the transactions contemplated hereby and the date upon which the Buyer or the Seller, as the case may be, proposes to make such press release or public disclosure.

(c) Notwithstanding anything herein to the contrary, this Section 5.3 shall not be construed to prohibit any party from (i) making any disclosures to any Governmental Authority which it is required to make under any applicable Legal Requirements or the rules and regulations of any applicable stock exchange (including The NASDAQ Stock Market), (ii) making any disclosures to any lenders to such party or potential investors in such party (subject to the provisions of Section 5.3(a)), or (iii) disclosing such information to their respective employees, equity owners, partners, and professional advisors who have a need to know the information. The Seller understands and agrees that the Buyer plans to and may file a Current Report on Form 8-K, to disclose this Agreement and the transactions contemplated hereby and to file a copy of this Agreement with the SEC.

(d) Each of the Buyer and the Seller agrees that it shall not (and shall cause its respective Affiliates, employees, officers, directors, managers, members, representatives and agents not to), except to the extent done in good faith in any Legal Action against the other party, (i) make any negative statement or communication regarding the other party or any of their respective Affiliates, representatives or employees with the intent to harm any such Person or (ii) make any derogatory or disparaging statement or communication regarding the other party or any of their respective Affiliates, representatives or employees; provided, that the foregoing shall not prevent any party or any of its Affiliates, employees, officers, directors, managers, members, representatives and agents from (i) making any truthful statement or comment in good faith that is required by any Legal Requirement or Order or (ii) making factual statements regarding a breach or purported breach of (A) this Agreement or (B) any other Transaction Document, in each case to the extent reasonably necessary for enforcing or protecting rights or interests in connection with such breach.

(e) From and after the Closing, except as required pursuant to Section 5.2 and Section 5.9(c), the Seller agrees that it shall not (and shall cause its Affiliates, employees, officers, directors, managers, members, representatives and agents not to) discuss or communicate in any way with any Television Distributor regarding the operation of the Business or any of the Affiliation Agreements that are Assumed Contracts hereunder; provided, that the foregoing shall not prevent Seller or any of its Affiliates, employees, officers, directors, managers, members, representatives and agents from (i) informing any Television Distributor of the fact that the rights and liabilities under any such Assumed Contract were assigned and assumed by the Buyer, (ii) engaging or communicating with Television Distributors in order to comply with the terms and conditions under the Transaction Documents, in each case, at the direction, or with the participation of, the Buyer, or (iii) engaging with Television Distributors, after consultation and direction from the Buyer, with respect to any Legal Requirement or Order.

5.4 Antitrust Filings; Reasonable Best Efforts.

(a) Each of the Seller and the Buyer agrees to use its reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other parties to this Agreement in doing, all things necessary, proper or advisable to consummate and make effective, in the most expeditious manner practicable, the transactions contemplated by this Agreement and to cause the conditions set forth in Section 6 to be satisfied as promptly as practicable. In furtherance and not in limitation of the foregoing, as promptly as practicable after the date hereof, the Seller and the Buyer shall (or shall cause their applicable Affiliates to) (i) make all necessary filings, forms, declarations, notifications, registrations and notices with other Governmental Authorities under Competition Laws relating to the transactions contemplated by this Agreement, (ii) use their reasonable best efforts to obtain all other necessary actions, waivers, consents, licenses, authorizations, Orders and approvals from Governmental Authorities and the making of all other necessary registrations and filings (including filings with Governmental Authorities, if any), (iii) execute, deliver and perform any such additional instruments reasonably necessary to consummate the transactions contemplated by this Agreement and to fully carry out the purposes of this Agreement and (iv) use their reasonable best efforts to provide all such information concerning such party, its subsidiaries, its Affiliates and its subsidiaries' and Affiliates' officers, directors, employees and partners as may be reasonably requested in connection with any of the matters set forth in this Section 5.4(a).

(b) Each of the Seller and the Buyer shall use its reasonable best efforts to respond at the earliest practicable date to any requests for additional information, including documentary materials, made by the Federal Trade Commission, the United States Department of Justice or any other Governmental Authorities relating to the transactions contemplated by this Agreement, and act in good faith and reasonably cooperate with the other parties in connection with any investigation of any Governmental Authority relating to the transactions contemplated by this Agreement. Each party shall use its reasonable best efforts to furnish to each other all information required for any filing, form, declaration, notification, registration and notice relating to the transactions contemplated by this Agreement. The parties will consult and cooperate with one another in connection with any information or proposals submitted in connection with proceedings under or relating to any Competition Law.

(c) Notwithstanding the foregoing, in connection with efforts to obtain the termination or expiration of any waiting period under any applicable Competition Laws, (i) in no event shall reasonable best efforts of any party include entering into a consent decree or other commitment containing such party's agreement to hold separate or divest its or its subsidiaries' plants, assets or businesses, or agreeing to any limitations on its or its subsidiaries' conduct or actions, and in no event shall any party be required to take any of the foregoing actions and (ii) nothing herein shall require the Seller or the Buyer to take any action with respect to compliance with Competition Law or the obtaining of any consent, clearance or the expiration of any applicable waiting period under Competition Law which would bind such Person or its subsidiaries irrespective of whether the Closing occurs.

(d) The Seller and the Buyer shall each bear fifty percent (50%) of all filing fees under the HSR Act and under any other applicable antitrust or Competition Laws.

5.5 Delivery of Required Information. Prior to the Closing, to the extent requested by the Buyer, the Seller shall, and shall cause each of its Affiliates to, use commercially reasonable efforts to provide the Buyer as soon as practicable following such request, all financial statements and financial and other information required to be included in, or required to facilitate the preparation of, pro forma or other financial statements (including applicable pro forma adjustments) or financial information required to be included in (i) the Buyer's and/or its Affiliates' filings with the SEC on Form 8-K pursuant to Item 2.01 and 9.01 thereof and any financial statements required thereunder, in each case, in connection with the Closing (the **Form 8-K Information**), (ii) the Buyer's other reports prepared pursuant to the Exchange Act and any financial statements required thereunder (the **Exchange Act Information**), and (iii) any registration statement under the Securities Act prepared by the Buyer or any of its Affiliates, including financial statements prepared in accordance with Rule 3-05 of Regulation S-X for all fiscal periods completed prior to the Closing and all financial information through the Closing reasonably necessary to reflect the transactions contemplated by this Agreement in the Buyer's financial statements or to prepare pro forma financial statements reflecting the transactions contemplated by this Agreement (together with the Form 8-K Information and the Exchange Act Information, the **Required Closing Information**). The Seller will cooperate with the Buyer and its Affiliates' preparation of all such pro forma or other financial statements or other information described above, and will use its reasonable best efforts to obtain (including by providing requested representations to such accountants), if so required under the Securities Act or the Exchange Act, an unqualified audit opinion from (x) Morrison, Brown, Argiz & Farra, LLC, the Seller's independent public accounting firm or (y) to the extent Morrison, Brown, Argiz & Farra, LLC is not subject to and in compliance with the requirements of the Public Company Accounting Oversight Board (the **PCAOB**), another independent public accounting firm mutually agreeable to the Buyer and the Seller, which firm shall be subject to and in compliance with the requirements of the PCAOB, with respect to such financial statements (which audit opinion shall comply with the requirements of the SEC) and the consent of such firm to the inclusion or incorporation by reference of their audit opinion in any registration statement filed by the Buyer or any of its Affiliates pursuant to the Securities Act (which audit opinion and consent shall also constitute Required Closing Information). From and after the Closing, the Seller shall, at the Buyer's written request, use its reasonable best efforts (including by providing requested representations to such accountants) to obtain (A) consents from such accountants to the inclusion of their audit opinion in registration statements filed by the Buyer or any of its Affiliates for so long as audited financial statements relating to the Assets are required to be included or incorporated by reference in such registration statements and (B) such customary comfort letters from such accountants as the underwriters of any offering under such registration statements may reasonably request. For the avoidance of doubt, it is understood and agreed that the Required Closing Information shall include (i) combined audited financial statements of the Channel Operators on a consolidated basis

as at and for the fiscal year ended December 31, 2013, containing balance sheets, statements of income, changes in equity, statements of cash flows and notes to such financial statements (including a reconciliation of GAAP measure Net Income to non-GAAP measure EBITDA for such period) and (ii) unaudited quarterly and year-to-date income statements for each quarter of the fiscal year ended December 31, 2013 (including a reconciliation of GAAP measure Net Income to non-GAAP measure EBITDA for such periods).

5.6 Further Assurances. After the Closing, the Seller shall take (or cause to be taken) such actions and execute and deliver to the Buyer such further deeds, bills of sale, assignments, legal instruments or other transfer documents as the Buyer may reasonably request to evidence the transfer of the Assets to the Buyer pursuant to this Agreement. In the event that the Buyer or the Seller becomes aware after the Closing that the Buyer or any of its designated Affiliates does not possess all rights, title and interest to any Assets, then within five (5) Business Days of (a) the Buyer's written notice to the Seller of the Seller's failure to transfer such Assets or (B) the date on which the Seller becomes aware of the Seller's failure to transfer such Assets to the Buyer (any such Assets, the **Residual Assets**), the Seller, without any additional consideration, shall, and shall cause its Affiliates to, execute and deliver all such further legal instruments and perform all such further acts and deeds as may, in each case, be or become necessary to transfer and assign such Residual Assets to the Buyer or any assignee designated in writing by the Buyer.

5.7 Non-Competition.

(a) In order for the Buyer to have and enjoy the full benefit of the Business, and as a material inducement to the Buyer to enter into this Agreement (without such inducement the Buyer would not have entered into this Agreement), for a period of five (5) years commencing on the Closing Date, neither the Seller, the Non-Compete Parties nor any of their Affiliates (each, a **Restricted Party**) shall, directly or indirectly (whether by itself, through an Affiliate, in partnership or conjunction with, or as an employee, officer, director, manager, member, owner, consultant or agent of, any other Person) own, operate, control, manage, finance, undertake, participate or carry on or be engaged or have any financial or other interest in, or in any other manner advise or assist any other Person in connection with a Spanish language video programming service (i.e., a linear television channel or any form of non-linear content compilation in any media now known or hereafter developed (including Free TV, Pay TV, Video On Demand, Subscription Video On Demand, Electronic Sell Through and Videogram)): (i) that includes telenovelas; provided, however, that the foregoing shall not prohibit Distribution of not more than two (2) hours of telenovelas in any twenty-four hour period so long as such telenovelas are not broadcast between the hours of 7 p.m. and 11 p.m. in any time zone; (ii) consisting in whole or in part of content from the Dominican Republic for Distribution in the United States, its territories and possessions or targeting Dominican audiences in the United States, its territories and possessions; (iii) consisting in whole or in part of content from Central America for Distribution in the United States, its territories and possessions or targeting Central American audiences in the United States, its territories and possessions; or (iv) consisting in whole or in part of Restricted

(a) Notwithstanding the provisions of this Section 9, it is specifically acknowledged and agreed that (i) the aggregate liability of the Seller pursuant to Section 9.2(a) shall not exceed Twelve Million Seven Hundred Fifty Thousand United States Dollars (\$12,750,000.00) (the **Cap**); (ii) the Seller shall not have any liability pursuant to Section 9.2(a) unless and until the aggregate Buyer Indemnified Parties' Losses pursuant to Section 9.2(a) exceed One Million Twenty Thousand United States Dollars (\$1,020,000.00) (the **Basket**); provided, that once such Buyer Indemnified Parties' Losses exceed the Basket, the Seller shall be responsible and liable, subject to the limitations of sub-clause (i) hereof, for the entirety of all such Buyer Indemnified Parties

Losses; and (iii) the Buyer Indemnified Parties shall not be entitled to recover for any particular Loss pursuant to Section 9.2(a) to the extent it constitutes an Assumed Liability;

(b) Notwithstanding the provisions of this Section 9, it is specifically acknowledged and agreed that (i) the aggregate liability of the Buyer pursuant to Section 9.3(a) shall not exceed the Cap; (ii) the Buyer shall not have any liability pursuant to Section 9.3(a) unless and until the aggregate Seller Indemnified Parties Losses pursuant to Section 9.3(a) exceed the Basket; provided, that once such Seller Indemnified Parties Losses exceed the Basket, the Buyer shall be responsible and liable, subject to the limitations of sub-clause (i) hereof, for the entirety of all such Seller Indemnified Parties Losses; and (iii) the Seller Indemnified Parties shall not be entitled to recover for any particular Loss pursuant to Section 9.3(a) to the extent it constitutes a Retained Liability.

(c) Notwithstanding anything to the contrary set forth herein, the maximum aggregate liability of the Seller under Section 9 shall be limited to the amount of the final Purchase Price.

(d) The right to indemnification, payment of Losses or other remedies based on any representations, warranties, covenants or agreements set forth in this Agreement will not be affected by any investigation conducted with respect to or any knowledge or information acquired at any time, whether before or after the execution and delivery of this Agreement or the Closing Date, with respect to the accuracy or inaccuracy of or compliance with, any such representation, warranty, covenant or agreement (other than disclosures made in the Schedules to the Company Disclosure Letter hereto).

(e) The waiver of any condition based on the accuracy of any representation or warranty or on the performance of or compliance with any covenant or agreement, will not affect the right to indemnification, payment of Losses or other remedy based on such representations, warranties, covenants or agreements.

(f) Notwithstanding anything to the contrary elsewhere in this Agreement, with respect to determining whether (i) a breach of any of the representations and warranties of the Seller has occurred for purposes of this Section 9 to the extent it is not a Qualified Representation, or (ii) the amount of Losses incurred or suffered, for such purposes, as a result of any such breach, any Material Adverse Effect or materiality qualification limiting the scope of such representations or warranties shall be disregarded to the extent such representations or warranties are not Qualified Representations.

(g) Each indemnified party shall use commercially reasonable efforts to mitigate any Losses in respect of which a claim could be made under this Section 9, including seeking to obtain recovery in respect of any Losses from any third party insurance or third party indemnity which is available in respect of Losses. The amount of any Losses in respect of which a claim could be made under this Section 9 shall be reduced to take account of any Tax benefit actually realized by the indemnified

party arising from the incurrence or payment of the applicable indemnified amount (after taking into account any Tax detriment arising from indemnification hereunder and treating the applicable Tax item as the last item to be used by the indemnified party). The parties hereto acknowledge that it is not expected that Losses will give rise to US federal income Tax benefits that will be subject to this Section 9.4(g).

9.5 Procedure for Indemnification. The procedure for indemnification shall be as follows:

(a) The Buyer Indemnified Party or the Seller Indemnified Party claiming indemnification (the **Claimant**) shall give written notice to the party from whom indemnification is sought (the **Indemnifier**) of any claim, whether between the parties or brought by a third party, promptly after receiving notice or becoming aware thereof, and such notice shall specify in reasonable detail (i) the factual basis for such claim and (ii) the amount of the claim; provided, however, that any delay by the Claimant in giving such notice shall not relieve the Indemnifier of its obligations under this Agreement except and only to the extent that the Indemnifier is actually and materially damaged by such delay.

(b) If such notice from the Claimant pertains to a claim or demand by a third party (a **Third Party Claim**) then the Indemnifier shall have thirty (30) days following receipt of the Claimant's notice to (i) make such investigation of the claim or demand as the Indemnifier deems necessary or desirable and (ii) notify the Claimant of whether or not the Indemnifier desires to defend the Claimant against such claim or demand. During such thirty (30) day period, the Claimant shall make such filings, including motions for continuance (and answers if a motion for continuance has not been granted), as may be necessary to preserve the parties' positions and rights with respect to such claim or demand; provided, however, that any failure by the Claimant to do so shall not relieve the Indemnifier of its obligations under this Agreement except and only to the extent that the Indemnifier is actually and materially damaged by such delay.

(c) The Indemnifier may elect to defend the Claimant against such Third Party Claim or demand, and then the Indemnifier shall have the sole power to direct and control such defense so long as the Indemnifier agrees that it will be responsible for the full payment of such claim or demand. Notwithstanding the foregoing, the Indemnifier shall not be entitled to direct or control the defense of any Third Party Claim if (i) the Third Party Claim relates to or arises in connection with any criminal Legal Action, (ii) the Third Party Claim seeks an injunction or equitable relief against any Buyer Indemnified Party or any Seller Indemnified Party (as applicable), (iii) the Third Party Claim has or would reasonably be expected to result in Losses in excess of the amounts available for indemnification pursuant to this Section 9, or (iv) the Indemnifier has failed or is failing to defend in good faith the Third Party Claim. Upon confirmation by the Indemnifier of its obligation to provide indemnification and its desire to assume the defense to such claim or demand on the terms set forth above, the Indemnifier shall not be liable to the Claimant for any legal fees and expenses subsequently incurred by the Claimant, subject to reimbursement for actual out-of-pocket expenses incurred by the Claimant as the result of a request for cooperation or assistance

by the Indemnifier; provided, however, that if, in the reasonable opinion of counsel to the Claimant, there exists a conflict of interest between the Indemnifier and the Claimant, the Indemnifier shall be liable for the legal fees and expenses of separate counsel to the Claimant. If the Claimant desires to participate in, but not control, any such defense, it may do so at its sole cost and expense; provided, that in any action seeking an injunction or decree, the effect of which would be to limit in any respect the future activity of the Claimant, the Claimant shall be entitled to participate in the defense of such action at the Indemnifier's expense. The Claimant shall not settle, compromise, discharge or otherwise admit to any liability for any claim or demand without the prior written consent of the Indemnifier (which consent shall not be unreasonably withheld or delayed). The Indemnifier shall not settle, compromise, discharge or otherwise admit to any liability for any claim or demand without the prior written consent of the Claimant (which consent shall not be unreasonably withheld or delayed). The Indemnifier shall notify the Claimant promptly following any determination by the Indemnifier that the tendered claim or demand is not subject to indemnification pursuant to this Section 9; provided, however, that Indemnifier agrees that up through the time of any such notification, it shall use its good faith and commercially reasonable efforts to protect and preserve any rights of the Claimant with respect to such claim or demand.

(d) If the Indemnifier elects not to defend the Claimant against such third party claim or demand (or fails to promptly and reasonably prosecute such defense), the Claimant shall have the right to defend the claim or demand through appropriate proceedings and shall have the sole power to direct and control such defense at the Indemnifier's sole cost and expense. The Indemnifier shall have the right, at its sole cost and expense, to participate in the defense or settlement of any third party claim for which it may be liable, but Indemnifier shall be bound by the results or compromise obtained by the Claimant with respect to such claim or demand (including any counter-claim or third party cross-claim relating thereto).

9.6 Exclusive Remedy. Except (i) in the case of fraud, and (ii) in the case where a party seeks to obtain specific performance pursuant to Section 11.13, from and after the Closing, the rights of the parties to indemnification pursuant to the provisions of this Section 9 shall be the sole and exclusive remedy for the parties hereto with respect to any matter in any way arising from or relating to this Agreement or its subject matter; provided, for the avoidance of doubt, that the foregoing shall not limit in any way the rights of the parties under any other Transaction Document (it being understood that the terms, conditions and limitations of the provisions contained in this Section 9 apply to the Transaction Documents, other than the Transition Services Agreements, the DTV Amendment, the Sports Rights Agreement and the Consulting Agreement).

9.7 Adjustments to Purchase Price. All payments made with respect to the rights of indemnity under Section 9 shall be treated as adjustments to the Purchase Price for all Tax purposes.

SECTION 10 TAX MATTERS

10.1 Proration of Taxes. All real and personal property and other ad valorem Taxes and all rents, utilities and other charges against, or payable by the owner of, any of the Assets relating to a time period beginning prior to, and ending after, the Closing shall be prorated (based on the most recent available tax statement, latest tax valuation and latest bills) as of the Closing. Amounts relating to the period on or prior to the Closing Date shall be allocated to and be the obligations of Seller, and amounts relating to the period subsequent to the Closing Date shall be allocated to and be the obligations of Buyer. If the Closing occurs before the tax rate is fixed for the then current fiscal or calendar year, whichever is applicable, the proration of the corresponding Taxes shall be estimated on the basis of the tax rate for the last preceding year applied to the latest assessed valuation. The Seller's estimated accrued liability (to the Closing) for any of the above-described Taxes and charges that are due and payable after the Closing, to the extent practicable, shall be made as a credit against the amount payable at the Closing by the Buyer. To the extent the Seller or any its Affiliates has paid or does pay any of the above-described Taxes and charges relating to the period subsequent to the Closing Date, Buyer shall promptly reimburse the Seller in full therefor (including, to the extent practicable, as an addition to the amount payable at the Closing by the Buyer). As to those prorations of Taxes and other charges which are not capable of being ascertained on or prior to the Closing Date (or which were estimated on the Closing Date), such prorations shall be payable by the Seller to the Buyer, or by the Buyer to the Seller, as applicable, as an adjustment to the Purchase Price within ninety (90) days of date on which the actual amounts become known.

10.2 Transfer Taxes. All recordation, transfer and documentary taxes and fees, stamps, and any excise, sales or use taxes, and all similar costs of transferring the Assets in accordance with this Agreement shall be borne 50% by the Seller and 50% by the Buyer.

SECTION 11 MISCELLANEOUS

11.1 Fees and Expenses. Except as otherwise provided in this Agreement, each party shall pay its own expenses incurred in connection with the authorization, preparation, negotiation, execution and performance of this Agreement, including all fees and expenses of attorneys, accountants, agents and other representatives.

11.2 Damages. Except with respect to adjudicated Losses required to be paid to a third party and notwithstanding anything else to the contrary set forth herein, no party hereto shall be liable for any punitive, special, consequential, incidental, indirect or exemplary damages or for lost profits, opportunity or revenue; provided, however, that the parties shall be entitled to consequential damages to the extent that they were reasonably foreseeable based on the facts and circumstances giving rise or underlying the applicable losses or damages.

11.3 Notices. All notices, demands, consents, referrals and requests required or permitted to be given under the provisions of this Agreement shall be (i) in writing, (ii) sent by facsimile transmission (with receipt confirmed) or by electronic mail (with electronic confirmation of receipt), delivered by personal delivery or sent by an internationally-recognized courier service, (iii) deemed to have been given on the date telecopied or mailed electronically with receipt confirmed, the date of personal delivery or the date set forth in the records of such courier service, as applicable, and (iv) addressed as follows:

or to any such other or additional persons and addresses as the parties may from time to time designate in a writing delivered in accordance with this [Section 11.3](#).

11.4 **Benefit and Binding Effect.** No party hereto may assign this Agreement without the prior written consent of the other parties hereto. Notwithstanding the foregoing, the Buyer shall have the right, upon written notice to the Seller, to (a) assign any or all of its rights and interests hereunder to one or more of its Affiliates or (b) designate one or more of its Affiliates to perform its obligations hereunder, in each case, if the Buyer nonetheless remains fully responsible for the performance of their respective obligations hereunder. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their successors and permitted assigns. A transfer or assignment by the Buyer of all or any portion of the Assets shall not affect the Buyer's rights (including its rights to indemnification pursuant to [Section 9](#)) under this Agreement or any of the other Transaction Documents.

11.5 **Governing Law.** THIS AGREEMENT SHALL BE GOVERNED, CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT GIVING EFFECT TO ANY PROVISIONS RELATING TO CONFLICTS OF LAWS.

11.6 **Venue.** The parties hereby agree that all Legal Actions (whether in contract or tort) arising out of or relating to this Agreement, or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement), shall, unless otherwise agreed, be litigated only in, and the parties hereto hereby agree and consent to be subject to the jurisdiction of, the courts of the United States located in Delaware and in the absence of such federal jurisdiction, the parties consent to be subject to the jurisdiction of the courts of the State of Delaware. The parties hereto irrevocably waive the defense of an inconvenient forum to the maintenance of any such Legal Action. Each of the parties hereto further irrevocably consents to the service of process out of any of the aforementioned courts in any such Legal Action by the mailing of copies thereof by registered mail, postage prepaid, to such party at its address set forth in this Agreement, such service of process to be effective upon acknowledgment or rejection of receipt of such registered mail. Nothing in this [Section 11.6](#) shall affect the right of any party hereto to serve legal process in any other manner permitted by law. The consents to jurisdiction set forth in this [Section 11.6](#) shall not constitute general consents to service of process in the State of Delaware and shall have no effect for any purpose except as provided in this [Section 11.6](#).

11.7 **Waiver of Jury Trial.** Each party hereto hereby waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect of any litigation arising out of or in connection with this Agreement. Each party hereto (a) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver and (b) acknowledges that it and the other

parties hereto have been induced to enter into this Agreement by, among other things, the mutual waivers and certifications contained in this [Section 11.7](#).

11.8 [Entire Agreement: Amendments](#). This Agreement, the other Transaction Documents, all Exhibits and Schedules to the Company Disclosure Letter hereto and thereto and all documents and certificates to be delivered by the parties pursuant hereto and thereto collectively represent the entire understanding and agreement between the Buyer and the Seller with respect to the subject matter hereof. All Exhibits and Schedules to the Company Disclosure Letter attached to this Agreement shall be deemed part of this Agreement and are incorporated herein, where applicable, as if fully set forth herein. This Agreement supersedes all prior negotiations, letters of intent or other writings between the Buyer and the Seller with respect to the subject matter hereof, and cannot be amended, supplemented or modified except by a written agreement which makes specific reference to this Agreement or an agreement delivered pursuant hereto, as the case may be, and which is signed by the party against which enforcement of any such amendment, supplement or modification is sought.

11.9 [Waiver of Compliance: Consents](#). Except as otherwise provided in this Agreement any failure of any of the parties to comply with any obligation, representation, warranty, covenant, agreement or condition herein may be waived by the party entitled to the benefits thereof only by a written instrument signed by the party granting such waiver, but such waiver or failure to insist upon strict compliance with such obligation, representation, warranty, covenant, agreement or condition shall not operate as a waiver.

11.10 [Severability](#). If any provision hereof or the application thereof to any Person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

11.11 [Counterparts](#). This Agreement may be signed by the parties in one or more counterparts, each of which when delivered to the other parties (including via facsimile or e-mail portable document format (*.pdf)) will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same Agreement.

11.12 [No Third Party Beneficiaries](#). All rights and obligations created by this Agreement are solely between the parties hereto. The parties hereto intend that there are no third party beneficiaries under this Agreement, except as specifically provided in [Section 9](#). Without limiting the foregoing, nothing in this Agreement is intended to confer upon any employee of the Seller or such employee's legal representatives, heirs or beneficiaries any rights as a third party beneficiary or otherwise or any remedies of any kind whatsoever under or by reason of this Agreement, or the transactions contemplated hereby, including any rights of employment or continued employment.

11.13 [Specific Performance](#). Each of the parties hereto agrees that irreparable damage would occur in the event that any of the provisions of this Agreement

were not performed by them in accordance with the terms hereof or were otherwise breached and that each party shall be entitled to an injunction or injunctions to prevent breaches of the provisions hereof and to specific performance of the terms hereof, in addition to any other remedy at law or equity. The taking of any such action by the parties in one or more jurisdictions shall not preclude the taking of any such action in any other jurisdiction (whether concurrently or not) if and to the extent permitted by Legal Requirement.

**Hemisphere Media to Acquire Three Leading Spanish-Language
Cable Television Networks**

MIAMI (January 23, 2014) Hemisphere Media Group, Inc. (NASDAQ: HMTV) (Hemisphere), the only publicly traded pure-play U.S. media company targeting the high growth Hispanic TV/cable networks business, today announced that Hemisphere Media Holdings, LLC, its indirect wholly-owned subsidiary, has entered into a definitive agreement to acquire three Spanish-language cable television networks from Media World, LLC, a company fully owned by Imagina US, a major content and service provider in the Hispanic market, for approximately \$102.2 million in cash, subject to certain post-closing adjustments. The acquisition is structured as an asset purchase and is expected to be funded with cash on hand. The transaction is expected to close in the first quarter of 2014.

This transaction will strengthen and expand Hemisphere's portfolio with the addition of three market-leading and highly complementary cable networks which target distinct and underserved audiences and build on the Company's commitment to provide unique programming focused on the U.S. Hispanic market. The networks acquired are:

- **Pasiones**, dedicated to showcasing the most-popular telenovelas and series, distributed to approximately 3.8 million subscribers in the U.S. and 7.2 million subscribers in Latin America;
- **Centroamerica TV**, the leading network targeting the third largest U.S. Hispanic group, featuring the most popular news, entertainment and soccer programming from Central America with over 3.3 million subscribers in the U.S.; and
- **TV Dominicana**, the leading network targeting Dominicans living in the U.S., featuring the most popular news, entertainment and baseball programming from the Dominican Republic, with over 2.2 million subscribers in the U.S.

Together, these assets present significant long-range opportunities for Hemisphere, and are expected to have generated approximately \$12.2 million of EBITDA in 2013, resulting in an effective purchase price multiple of 8.4 times.

Alan Sokol, CEO of Hemisphere, stated, "We are thrilled to be bringing Pasiones, Centroamerica TV and TV Dominicana to our world-class portfolio. These networks target valuable, growing and underserved segments of the Hispanic audience. With this acquisition, Hemisphere will own five leading U.S. Hispanic cable networks, two Latin American cable networks, and WAPA-TV, the #1 network in Puerto Rico, expanding our leadership position in Hispanic television. We believe that we can add significant value to these channels through improved programming, marketing and distribution efforts, and these networks will expand our commercial inventory and cross-selling opportunities in the U.S. and augment our Latin American offerings."

This transaction is consistent with our growth strategy to acquire unique assets with significant earnings contributions in the highly desirable Hispanic television market. The transaction valuation implies a multiple that is accretive to our existing trading multiple and will delever the Company. This transaction is key to our growth strategy and we look forward to integrating these market leading networks into our portfolio. We would like to thank Roger Huguet and his team at Imagina for the tremendous job they have done in developing these networks, Sokol continued.

Paul, Weiss, Rifkind, Wharton & Garrison LLP served as legal counsel to Hemisphere. Rothschild served as financial advisor and Kirkland & Ellis, LLP served as legal counsel to Media World.

Additional information on the transaction will be available in the Company's 8-K filing.

Non-GAAP Reconciliations

As Media World, LLC and its affiliates have not completed their fiscal 2013 year-end close procedures, including the audit, the results presented in this press release are estimated and preliminary, and, therefore, may change. Accordingly, estimates of 2013 GAAP results and reconciliation of non-GAAP measures in this release are not provided herein because they are not available.

When presenting the expected 2013 EBITDA of the acquired assets in the transaction, Hemisphere's management adds back (deducts) from net income, if any, depreciation expense, amortization of intangibles, loss (gain) on disposition of assets, non-recurring expenses, income tax expense, interest expense, loss on early extinguishment of debt and stock-based compensation. Hemisphere believes that this non-GAAP presentation is important to investors' understanding of our businesses.

Conference Call
