Hemisphere Media Group Announces Fourth Quarter and Full Year 2013 Financial Results

MIAMI (March 10, 2014) Hemisphere Media Group, Inc. (NASDAQ: HMTV) (Hemisphere or the Company), the only publicly traded pure-play U.S. media company targeting the high growth Hispanic TV/cable networks business, today announced financial results for the fourth quarter and full year ended December 31, 2013.

Alan Sokol, CEO of Hemisphere, stated, "We are very pleased with our full year results, our first as a public company. Our results underscore both the strength and unique position of our platform, which will be significantly bolstered following the closing of our acquisition of three major Spanish-language cable television networks from Media World, LLC. Further, we have continued to demonstrate robust growth of our retransmission and subscriber fees. WAPA-TV delivered its highest ratings of the year in the fourth quarter, and its dominant market position ensures its continued strong revenue performance, even in a challenging environment. Cinelatino continued to demonstrate ratings leadership across key demographics while simultaneously expanding its subscriber growth by 10% from the prior year. Further, the Company plans on subscribing to Nielsen ratings for WAPA America in 2014, which the Company believes will be attractive to national advertisers and will help to build on its strong performance in 2013.

On April 4, 2013, Hemisphere completed a series of mergers pursuant to which WAPA Holdings, LLC, (WAPA), which includes WAPA America and WAPA-TV, Cine Latino, Inc. (Cinelatino) and Azteca Acquisition Corporation (Azteca), a special purpose acquisition company, each became indirect, wholly owned subsidiaries of Hemisphere (the Transaction). WAPA was the accounting acquirer and predecessor, whose historical results became the historical results of Hemisphere. The operating results presented in this release reflect the operating results of all the businesses acquired in the Transaction since April 4, 2013.

Net revenues for the three months ended December 31, 2013 was \$25.9 million, an increase of 12%, compared to net revenues of \$23.1 million for the same period in 2012. Net revenues for the full year ended December 31, 2013 was \$86.0 million, an increase of 21%, compared to net revenues of \$71.4 million for the same period in 2012. This increase is primarily a result of the inclusion of the net revenues of Cinelatino since the consummation of the Transaction in 2013, offset in part by loss of political advertising revenue.

Pro forma for the Transaction occurring on January 1, 2012, and excluding political advertising revenue in the 2012 period, net revenues for the year ended December 31, 2013, increased by \$2.3 million, or 3%. This increase was driven by growth in subscriber fees, offset in part by the loss of advertising revenue resulting from the cancellation of one of WAPA-TV's television programs, SuperXclusivo.

Operating expenses were \$20.9 million for the three months ended December 31, 2013, an increase of 48% from operating expenses of \$14.1 million in the year ago quarter. Operating expenses were \$78.3 million for the full year ended December 31, 2013, an increase of 55% from operating expenses of \$50.5 million in the year ago period. This increase in operating expenses was due to the inclusion of Cinelatino's operating expenses and corporate overhead, offset in part by lower programming costs at WAPA due primarily to the cancellation of SuperXclusivo. We

also incurred in the 2013 periods, non-cash charges comprised primarily of stock compensation expense, and one-time charges comprised primarily of fees and expenses related to the Transaction and the expected acquisition of the Media World networks.

Net income was \$2.6 million for the three months ended December 31, 2013, a decrease of \$3.9 million compared to net income of \$6.6 million for the same period in 2012, and net loss was \$4.3 million for the full year ended December 31, 2013, a decrease of \$15.3 million compared to net income of \$11.0 million for the same period.

Adjusted EBITDA decreased \$0.2 million, or 2%, to \$10.3 million for the three months ended December 31, 2013, and increased \$7.7 million, or 30%, to \$33.8 million for the full year ended December 31, 2013. Pro forma for the acquisition of Cinelatino occurring on January 1, 2012 and excluding political revenue in 2012, the Company's Adjusted EBITDA increased approximately \$4 million, or 12%, to \$38.1 million.

The Company is forecasting 2014 full year Adjusted EBITDA of \$49 to \$51 million, assuming the inclusion of the operating results of the Media World networks as of April 1, 2014.

The Company believes that WAPA-TV's overall percentage share of upfront buys in 2014 will increase from the prior year. Additionally, the Company believes that WAPA-TV's strong ratings will enhance the network's ability to capture significant retransmission fee growth.

As of December 31, 2013, the Company had \$172.5 million in debt and \$176.6 million of cash. The Company's leverage ratio was approximately 4.5 times. As previously announced, the \$102.2 million purchase price, subject to adjustments, for the acquisition of the Media World networks will be funded with cash on hand and is expected to lower the Company's leverage ratio on a pro forma basis as of December 31, 2013, to approximately 3.3 times.
