-

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On March 19, 2014, the Compensation Committee (the Committee) of the Board of Directors of Comfort Systems USA, Inc. (the Company) authorized certain equity grants under the Company's Long-term Incentive Plan to executive officers and other key employees for the 2014 fiscal year. The awards under the Long-term Incentive Plan were distributed so that 30% of the awards are in the form of time vesting stock options, 30% in the form of time vesting restricted stock units, and 40% in the form of dollar-denominated performance vesting restricted stock units. The Company's named executive officers received the following equity grants effective March 19, 2014:

Executive	Time Vesting RSUs	Time Vesting Stock Options	Dollar-Denominated Performance Vesting RSUs (Target)
Brian E. Lane <i>President and Chief Executive Officer</i>	14,350	39,861	\$ 309,000
William George, III <i>Executive Vice President and Chief Financial Officer</i>	9,643	29,786	\$ 207,648
James Mylett <i>Senior Vice President - Service</i>	5,573	15,480	\$ 120,000
Trent McKenna <i>Senior Vice President and General Counsel</i>	5,453	15,147	\$ 117,420
Julie Shaeff <i>Senior Vice President and Chief Accounting Officer</i>	3,444	9,567	\$ 74,160

Time vesting restricted stock units. The time vesting restricted stock units listed above vest in three equal installments over a three-year vesting schedule.

Time vesting stock options. The time vesting stock options listed above are exercisable at \$16.15 per share, the closing price of the Company's common stock on the date of the grant. They will expire at the earlier of ten years from the date of grant or three months following the executive's termination from employment with the Company, and vest in three equal installments over a three-year vesting schedule.

Dollar-denominated performance vesting restricted stock units. The dollar-denominated performance vesting restricted stock units (PSUs) are subject to two performance measures: 50% of the PSUs have an EPS measure, and 50% of the PSUs have a measure based on total shareholder return relative to the designated performance peer group. The PSUs have a three-year performance period and will be eligible to vest at the end of the three-year performance period. Depending on the Company's performance in relation to the established performance measures, the awards may vest at 0-200% of the targeted amount. In the event the Company achieves the necessary performance metrics, the value of the grant will be determined in dollars and settled in stock, so that the actual number of shares awarded will be based on the market price of the Company's common stock at the end of the performance period.

The foregoing description of the 2014 award agreements does not purport to be complete, is intended only as a summary, and is qualified in its entirety by reference to the complete text of the agreements filed herewith and incorporated herein by reference.

Item 9.01 Financial Statement and Exhibits.

(d) *Exhibits.*

10.1 Form of 2014 Restricted Stock Unit Agreement

10.2 Form of 2014 Dollar-denominated Performance Vesting Restricted Stock Unit Agreement
