PROXY STATEMENT

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of the ABERDEEN JAPAN EQUITY FUND, INC., a Maryland corporation (the "Fund"), for use at the Annual Meeting of Stockholders (the "Meeting"), to be held at the offices of Aberdeen Asset Management Inc., 712 Fifth Avenue, 49th Floor, New York, New York 10019, on Monday, June 9, 2014, at 12:30 p.m., New York time and at any adjournments thereof. A Notice of Annual Meeting of Stockholders and a proxy card accompany this Proxy Statement. This Proxy Statement and proxy card are first being made available to stockholders on or about May 1, 2014. Any stockholder giving a proxy in advance of the Meeting has the power to revoke it by mail (addressed to the Secretary of the Fund, c/o Aberdeen Asset Management Inc., 1735 Market Street, 32nd Floor, Philadelphia, Pennsylvania 19103), by executing a superseding proxy, by attending the Meeting in person and voting at the Meeting or by submitting a notice of revocation to the Fund. All properly executed proxy cards received in time for the Meeting will be voted as specified in the proxy card or, if no specification is made, FOR Proposal 1. Shares owned by any stockholder who attends the Meeting but does not cast a vote are included in the determination of the number of shares present at the Meeting. Stockholders do not have dissenter's rights of appraisal in connection with any of the matters to be voted on by the stockholders at the Meeting.

Under rules and regulations of the U.S. Securities and Exchange Commission (the "Commission"), instead of mailing a printed copy of the proxy materials to each stockholder of record, the Fund is furnishing proxy materials, which include the Proxy Statement, over the Internet and providing a Notice of Internet Availability of Proxy Materials by mail. You will not receive a printed copy of the proxy materials unless you request to receive these materials in hard copy by following the instructions provided in the Notice of Internet Availability of Proxy Materials. Instead, the Notice of Internet Availability of Proxy Materials will instruct how you may access and review the important information contained in the proxy materials. The Notice of Internet Availability of Proxy Materials also instructs how you may submit your proxy card via the Internet. You may also authorize your proxy to vote your shares via touchtone telephone by dialing 1-800-PROXIES (please call 1-718-921-8500 for calls from outside the United States). If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of the proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials. It is expected that the Notice of Internet Availability of Proxy Materials will first be mailed to stockholders on or about May 1, 2014.

The Fund will furnish, without charge, a copy of its Annual Report for its most recent fiscal year to any stockholder requesting such report. Requests for the Annual Report should be made by writing to the Fund's investor relations program at Aberdeen Asset Management Inc. ("AAMI") at AAMI's principal executive offices, c/o Aberdeen Asset Management Inc., 1735 Market Street, 32nd Floor, Philadelphia, Pennsylvania 19103, attention: Aberdeen Japan Equity Fund, Inc.: Stockholder Relations, or by calling collect at 1-866-839-5205.

The Board has fixed the close of business on March 24, 2014 as the record date (the "Record Date") for the determination of stockholders entitled to notice of and to vote at the Meeting and at any adjournments thereof. Stockholders on the Record Date will be entitled to one vote for each share held, with no shares having cumulative voting rights. As of the Record Date, the Fund had outstanding 14,130,716 shares of common stock.

The Fund's management knows of no business other than that mentioned in the Notice of Meeting, which will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named in the proxy card to vote in accordance with their discretion.

It is essential that stockholders authorize their proxies to vote their shares over the Internet, by telephone or by completing, dating, signing and returning each requested paper proxy card as indicated in the Fund's proxy card. Stockholders are able to authorize their proxies to vote their shares over the Internet at **www.voteproxy.com**. The Internet procedures are designed to authenticate a stockholder's identity to allow stockholders to vote their shares and confirm that their instructions have been properly recorded. Stockholders will also be able to obtain a toll free number to authorize their proxies to vote their shares via touchtone telephone after viewing the proxy materials over the Internet at **<https://secure.amstock.com/voteproxy/login2.asp>**. The Notice of Internet Availability of Proxy Materials includes instructions on how to request paper copies of proxy materials. If you received printed proxy materials, you may submit your proxy by mail by signing your proxy card and mailing it in the enclosed envelope.

THE FUND'S BOARD UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE IN FAVOR OF THE MATTER MENTIONED IN THE NOTICE OF MEETING.

Proposal 1: ELECTION OF DIRECTOR

Persons named in the proxy card intend, in the absence of contrary instructions, to vote all proxies FOR the election of the nominee listed below as a Director of the Fund.

(i) Richard J. Herring, as a Class III Director, to serve until the 2017 Annual Meeting of Stockholders and until his successor is duly elected and qualifies.

The terms of the nominee for Director will expire on the date on which Directors are elected at the Annual Meeting of Stockholders of the Fund in the year stated above or the date that his successor is elected and qualified. If any such nominee should be unable to serve due to an event that is not now anticipated, the proxies will be voted for such person, if any, as shall be designated by the Board to replace any such nominee. The election of the nominee as a Director of the Fund will require the affirmative vote of a majority of the votes cast at the Meeting at which a quorum is present. A majority of the Fund's outstanding shares as of the Record Date, represented in person or represented by proxy, will constitute a quorum of stockholders at the Meeting. For purposes of Proposal 1, abstentions will be counted in determining whether a quorum is present at the Meeting, but will not be counted as votes cast at the Meeting.

The nominee for Director of the Fund has consented to be named in this Proxy Statement and to serve as a Director of the Fund if elected. The Board has no reason to believe that the nominee named above will become unavailable for election as a Director, but if that should occur before the meeting for the Fund, the persons named as proxies in the proxy cards will vote for such person(s) as the Board of the Fund may recommend.

Additional Information about the Board of Directors

The Board believes that each Director's experience, qualifications, attributes and/or skills on an individual basis and in combination with those of the other Directors on the Board lead to the conclusion that each Director should serve on the Board. The Board believes that each Director's ability to review critically, evaluate, question and discuss information provided to him; to interact effectively with Aberdeen Asset Management Asia Limited ("AAMAL"), the Fund's investment manager, other services providers, counsel, and independent auditors; and to exercise effective business judgment in the performance of his duties, support this conclusion. The Board has also considered the contributions that each Director can make to the Board and Fund.

A Director's ability to contribute effectively may have been attained through the Director's executive, business, consulting, and/or academic positions; experience from service as a Director of the Fund and other funds/portfolios in the Aberdeen fund complex, other investment funds, public companies, non-profit entities or other organizations; educational background or professional training or practice; and/or other life experiences. In this regards, the following specific experience, qualifications, attributes and/or skills apply as to each Director. Mr. Gruber financial background as Professor Emeritus and Scholar in Residence and previously a professor of finance at the Leonard N. Stern School of Business, fund leadership role as chairman of the board of directors for another fund within the Aberdeen complex, as well as board experience with other investment companies; Mr. Harmer business background, accounting expertise and executive management experience as a president, chairman chief financial officer, corporate controller and a director of various private and governmental entities and director of another fund within the Aberdeen complex; Mr. Herring financial background as professor of finance and board experience with other closed-end investment companies and public companies; and Mr. Porter business background and executive management and financial expertise as vice president and chief financial officer of public and private entities and director of another fund within the Aberdeen complex.

The Board believes that the significance to the Fund of each Director's experience, qualifications, attributes and/or skills is an individual matter (meaning that it may vary by individual) and that these factors are best evaluated at the Board level, with no particular factor being indicative of effectiveness. In addition, in its periodic self-assessment of its effectiveness, the Board considers the complementary individual skills and experience to oversee the business of the Fund. References to the experience, qualifications, attributes and/or skills of Directors are presented pursuant to disclosure requirements of the Commission, do not constitute holding out the Board or any Director as having any special expertise or experience, and should not be considered to impose any greater responsibility or liability on any such person or on the Board by reason thereof.

Based on the information furnished by each of the Directors as of October 31, 2013, neither any of the Directors nor any immediate family member of the Directors owned any securities of the investment manager, or any of its affiliates, of the Fund as of such date.

The Fund's Board held four regular meetings and two special meetings during its fiscal year ended October 31, 2013. Each current Director attended at least seventy-five percent of the aggregate number of meetings of the Board and any Committee of which he was a member. For annual or special stockholder meetings, Directors may but are not required to attend the meetings; and for the Fund's last annual stockholder meeting, each Director attended the meeting.

The Board has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), which is responsible for reviewing financial and accounting matters. The members of the Fund's Audit Committee are independent as defined in Sections 303A.02 and 303A.07(a) of the New York Stock Exchange's (the "NYSE") Listed Company Manual, as may be modified or supplemented. The Fund has adopted a formal, written Audit Committee Charter, a copy of which is available at www.aberdeenje.com. The current members of the Fund's Audit Committee are Messrs. Gruber, Harmer, Herring and Porter. Mr. Porter has been designated as the Fund's "audit committee financial expert," as defined in Item 3 of Form N-CSR, and is presumed to be financially sophisticated for purposes of Section 802B(2) of the NYSE US LLC Company Guide.

The Fund's Audit Committee met three times during its fiscal year. The report of the Fund's Audit Committee, along with certain disclosures regarding fees paid to the Fund's independent registered public accounting firm, are set forth on pages 8, 9 and 10 of this Proxy Statement.

The Board has a Nominating and Compensation Committee, which is responsible for recommending individuals to the Board for nomination as members of the Board and its committees. The Fund's Nominating and Compensation Committee is composed of Directors who are not interested persons of the Fund and comply with the independence requirements of the NYSE listing standards for Nominating and Compensation Committee members. The Fund's Nominating and Compensation Committee's actions are governed by the Fund's Nominating and Compensation Committee Charter, a copy of which is available at www.aberdeenje.com. The current members of the Fund's Nominating and Compensation Committee are Messrs. Gruber, Harmer, Herring and Porter. The Fund's Nominating and Compensation Committee did not meet during its last fiscal year.

Process of Evaluation of Independent Director Candidates

The Fund's Nominating and Compensation Committee identifies individuals qualified to serve as Independent Directors on the Board and on committees of the Board and recommends such qualified individuals for nomination by the Fund's Independent Directors as candidates for election as Independent Directors, advises the Board with respect to Board composition, procedures and committees, monitors and makes recommendations on corporate governance matters and policies and procedures of the Board and any Board committees and oversees periodic evaluations of the Board and its committees. Persons recommended by the Fund's Nominating and Compensation Committee as candidates for nomination as Independent Directors are required to possess such knowledge, experience, skills, expertise and diversity so as to enhance the Board's ability to manage and direct the affairs and business of the Fund, including, when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or any listing requirements of the NYSE. While the Independent Directors of the Fund expect to be able to continue to identify from their own resources an ample number of qualified candidates for the Board as they deem appropriate, they will consider nominations from stockholders to the Board. Nominations from stockholders should be in writing and sent to the Independent Directors as described herein. Assuming that appropriate biographical and background material is provided for Independent Director candidates recommended by stockholders, the Board will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates identified by the Independent Directors of the Fund.

Diversity Policy

The Fund's policy on Board diversity provides that while diversity and variety of experiences and viewpoints represented on the Board should always be considered, a nominee for Director should not be chosen nor excluded solely or largely because of race, color, gender, national origin or sexual orientation or identity. In selecting a nominee for Director, the Fund's Nominating and Compensation Committee focuses on skills, expertise or background that would complement the existing Board, recognizing that the Fund's business and operations are diverse and global in nature.

Board Leadership Structure and Risk Oversight

The Fund is focused on its corporate governance practices and values independent Board oversight as an essential component of strong corporate performance to enhance stockholder value. The Fund's commitment to independent oversight is demonstrated by the fact that all of its Directors are independent. In addition, all of the members of the Board's committees are independent. The Board acts independently of management and regularly holds independent director sessions of the Board without members of management present.

The Fund is subject to a number of risks, including investment, compliance, operational and valuation risks, among others. Risk oversight forms part of the Board's general oversight of the Fund and is addressed as part of various Board and committee activities. The Fund's investment manager and other service providers also employ a variety of processes, procedures and controls to identify various events or circumstances that give rise to risks, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur. In addition, the Fund's Chief Compliance Officer compiles a risk assessment for the Fund which is reviewed by the Board. The Board recognizes that it is not possible to identify all of the risks that may affect the Fund or to develop processes and controls to eliminate or mitigate their occurrence or effects. As part of its regular oversight of the Fund, the Board interacts with and reviews reports from, among others, the Fund's investment manager, the Fund's administrator, the Fund's Chief Compliance Officer, the Fund's independent registered public accounting firm and counsel, as appropriate, regarding risks faced by the Fund and applicable risk controls. The Board may, at any time and in its discretion, change the manner in which it conducts risk oversight.

Stockholder Communications

Stockholders may send communications to the Board. Stockholders should send communications intended for the Board by addressing the communication directly to the Board (or individual Board members) and/or otherwise clearly indicating in the salutation that the communication is for the Board (or individual Board members) and by sending the communication to either the Fund's office or directly to such Board member(s) at the address specified for each Director above. Other stockholder communications received by the Fund not directly addressed and sent to the Board will be reviewed and generally responded to by management, and will be forwarded to the Board only at management's discretion based on the matters contained therein.

The aggregate fee remuneration for Directors of the Fund not affiliated with the Fund's investment manager was \$45,600 and \$64,500 for the fiscal years ended October 31, 2013 and 2012, respectively. Effective March 4, 2013, each such non-affiliated Director receives fees, paid by the Fund, of \$1,500 for each Directors' meeting

The officers of the Fund did not receive any compensation from the Fund. Yoshio Urata, who resigned from the Board in April 2013, was the Fund's only Director who was an interested person of the Fund and did not receive any compensation from the Fund. As of March 31, 2014, all of the Fund's Directors are independent. AAMI, which pays the compensation and certain expenses of the officers of AAMI who serve as officers of the Fund, receives administration fees from the Fund.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act, requires the Fund's officers and Directors, and persons who own more than ten percent of a registered class of the Fund's equity securities, to file reports of ownership and changes in ownership with the Commission and the NYSE. The Fund believes that its officers and Directors have complied with all applicable filing requirements.

REPORT OF THE AUDIT COMMITTEE

At a meeting held on December 10, 2013, the Board the Fund, a Maryland corporation (the "Fund"), including a majority of the Directors who are not "interested persons," as defined under the 1940 Act, selected PricewaterhouseCoopers LLP ("PWC") to act as the independent registered public accounting firm for the Fund for

the fiscal year ending October 31, 2014. Although it is not expected that a representative of PWC will attend the Meeting, a representative will be available by telephone to make a statement to the stockholders, if the representative wishes to do so, and to respond to stockholder questions, if any.

The Fund's financial statements for the fiscal year ended October 31, 2013 were audited by PWC. The Audit Committee of the Fund has reviewed and discussed the audited financial statements of the Fund with management of the Fund. The Audit Committee of the Fund has received the written disclosures and the letter from PWC required by The Public Company Accounting Oversight Board ("PCAOB") Rule 3526 (PCAOB Rule 1, Communication with Audit Committees Concerning Independence), as may be modified or supplemented, and have discussed with PWC its independence with respect to the Fund. The Fund knows of no direct financial or material indirect financial interest of PWC in the Fund. The Audit Committee has discussed with PWC the matters required to be discussed by SAS 61 and PCAOB AS 16, as may be modified or supplemented. Based on the foregoing review and discussions, the Audit Committee of the Fund has recommended to the Board that the audited financial statements of the Fund for the fiscal year ended October 31, 2013 be included in the Fund's most recent annual report filed with the Commission.

Rahn K. Porter, Chairman of the Audit Committee
Martin J. Gruber, Member of the Audit Committee
David G. Harmer, Member of the Audit Committee
Richard J. Herring, Member of the Audit Committee

Audit Fees

The aggregate fees billed by PWC for professional services rendered in connection with the annual audit and review of the Fund's financial statements for the fiscal years ended October 31, 2013 and 2012 were \$63,280 and \$67,000, respectively.

Audit-Related Fees

The aggregate fees billed by PWC for assurance and related services related to the performance of the audit or review of the financial statements for the fiscal years ended October 31, 2013 and 2012 were \$0 and \$16,000, respectively.

Tax Fees

The aggregate fees billed by PWC for professional services rendered by PWC for tax compliance, tax advice and tax planning (consisting of a review of the Fund's income tax returns and tax distribution requirements) for the fiscal years ended October 31, 2013 and 2012 were \$10,175 and \$9,800, respectively.

Other Fees

There were no other fees billed by PWC for services rendered to the Fund for the fiscal years ended October 31, 2013 and 2012.

Audit Committee Pre-approval

The Fund's Audit Committee's policy is to pre-approve all auditing and non-auditing services to be provided to the Fund by the Fund's registered public accounting firm. All of the audit and the tax services described above for which PWC billed the Fund fees for the fiscal years ended October 31, 2013 and 2012 were pre-approved by the Fund's Audit Committee.

The aggregate fees billed by PWC for non-audit services rendered to Aberdeen Asset Management Asia Limited, the Fund's investment manager ("AAMAL") or any entity controlling, controlled by, or under common control with AAMAL that provided ongoing services to the Fund ("Covered Service Providers") for the fiscal year

ended October 31, 2012 were \$2,254,869. The aggregate fees billed by PWC for non-audit services rendered to the Fund, Daiwa SB Investments (U.S.A.) Ltd., the Fund's former investment manager, and Daiwa SB Investments Ltd., the Fund's former investment adviser, and any Covered Service Providers for the fiscal year ended October 31, 2013 were \$1,009,023.

The Audit Committee of the Fund has considered whether the provision of non-audit services rendered to affiliates of the investment manager of the Fund is compatible with maintaining the independence of PWC and has concluded it is.
