Additional clarifications regarding treasury applications

Following the press release disclosed by Portugal Telecom, SGPS, S.A. (PT) on 30 June 2014 in relation to the media reports relating to the treasury application in commercial paper of Rio Forte Investments SA (Rioforte), a company of Grupo Espírito Santo (GES), PT informs that, having always provided all information requested by Oi S.A. (Oi), is completely focused on the resolution of this question.

In this context, PT is providing all support to Oi regarding the necessary actions to ensure to Oi the maximum protection of the treasury application in Rioforte s commercial paper.

PT strongly believes that the various parties, PT, Oi and GES, will be able to find the adequate solutions to protect the interests of both PT and Oi shareholders.

FORWARD-LOOKING STATEMENTS

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
