Item 1.01. Entry into a Material Definitive Agreement.

On February 13, 2015, the Defense Logistics Agency Disposition Services (DLA) notified Liquidity Services, Inc. (the Company) that the Company has been awarded a second follow-on contract (Second Follow-On Contract) to its Surplus Usable Property Sales Contract (Sales Contract Number 08-0001-0001), as amended (the Surplus Contract) between the Company and the DLA. The Follow-On Contract further extends the terms of its current Surplus Contract for the disposition of usable surplus property from the U.S. Department of Defense. Previously, the Surplus Contract had been extended under a first follow-on contract which was previously filed by the Company as Exhibit 10.2 to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission (SEC) on January 21, 2014.

Under the Second Follow-On Contract, which commences February 14, 2015, the Company's performance period has been extended by a base term of six months with three 30-day additional option periods exercisable by the DLA. Under the terms of the Second Follow-On Surplus Contract extension, Liquidity Services manages the receipt, storage, marketing, and disposition of all usable non-rolling stock surplus personal property generated by U.S. Department of Defense installations throughout the United States and its territories. All other terms, including pricing, remain consistent with the prior Surplus Contract.

The DLA has delayed implementation of the Non-Rolling Stock Multiple Assets Surplus Usable Property Liquidation Sale (Sales Contract Number 14-0091-0002) awarded by the DLA to the Company on July 25, 2014 (the New Non-Rolling Stock Surplus Contract) until expiration of the Second Follow-On Contract. The New Non-Rolling Stock Surplus Contract was previously filed by the Company as Exhibit 10.1 to the Company's Current Report on Form 8-K filed with the SEC on July 25, 2014.

A copy of the associated press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
