*Purchase Agreement*

On February 9, 2017, Halcón Resources Corporation (the *Company*) and its wholly owned subsidiaries (the *Guarantors*) entered into a Purchase Agreement (the *Purchase Agreement*) with J.P. Morgan Securities LLC, as representative of the initial purchasers named therein (the *Initial Purchasers*), relating to the issuance and sale of \$850,000,000 aggregate principal amount of the *Company*'s 6.75% senior unsecured notes due 2025 (the *Notes*), in accordance with exemptions from the registration requirements of the Securities Act of 1933, as amended (the *Securities Act*) afforded by Rule 144A and Regulation S under the Securities Act. The *Company* estimates that the net proceeds from this offering will be approximately \$835.1 million after deducting the *Initial Purchasers*' discounts and commissions and estimated offering expenses and excluding accrued interest. The *Company* intends to use the net proceeds from the offering, which is expected to close on February 16, 2017, to fund the purchase and redemption of the *Company*'s outstanding 8.625% Senior Secured Notes due 2020 and for general corporate purposes.

The Purchase Agreement contains customary representations and warranties of the parties, conditions to closing, including the execution and delivery of a registration rights agreement, pursuant to which the *Company* and the *Guarantors* will agree to file a registration statement with the Securities and Exchange Commission with respect to an exchange offer for the *Notes* and the guarantees thereon and, under specified circumstances, a shelf registration with respect to the resale of the *Notes* and the guarantees thereon, on the terms and conditions set forth therein, and indemnification and contribution provisions under which the *Company* and the *Guarantors*, on one hand, and the *Initial Purchasers*, on the other, have agreed to indemnify each other against certain liabilities, including liabilities under the Securities Act.

When issued, the *Notes* will not have been registered under the Securities Act, or applicable state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state securities laws. The *Notes* may be resold by the *Initial Purchasers* pursuant to Rule 144A and Regulation S under the Securities Act.

The foregoing description of the Purchase Agreement is qualified by reference to the full text of the Purchase Agreement, a copy of which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

*Relationships*

Certain of the *Initial Purchasers* and their respective affiliates have provided, and may in the future provide, other investment banking, commercial banking and financial advisory services to the *Company* and its affiliates in the ordinary course of business with the *Company*, for which they received or will receive customary fees and commissions. Affiliates of certain of the *Initial Purchasers* are lenders and/or agents under the *Company*'s senior revolving credit facility.
