PROXY STATEMENT

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of the ABERDEEN JAPAN EQUITY FUND, INC., a Maryland corporation (the "Fund"), for use at the Annual Meeting of Stockholders (the "Meeting"), to be held at the offices of Aberdeen Asset Management Inc., 1735 Market Street, 32nd Floor Philadelphia, Pennsylvania 19103, on Wednesday, June 21, 2017, at 11:00 a.m., Philadelphia time and at any adjournments thereof. A Notice of Annual Meeting of Stockholders and a proxy card accompany this Proxy Statement. This Proxy Statement and proxy card are first being made available to stockholders on or about May 8, 2017.

All properly executed proxy cards received in time for the Meeting will be voted as specified in the proxy card or, if no specification is made, FOR the proposed election of Directors (the "Proposal"). The persons named as proxy holders on the Proxy will vote in their discretion on any other matters that may properly come before the Meeting or any adjournments or postponements thereof. Any stockholder giving a proxy in advance of the Meeting has the power to revoke it by mail (addressed to the Secretary of the Fund, c/o Aberdeen Asset Management Inc., 1735 Market Street, 32nd Floor, Philadelphia, Pennsylvania 19103), by executing a superseding proxy or by attending the Meeting in person and voting at the Meeting. Shares owned by any stockholder who attends the Meeting but does not cast a vote are included in the determination of the number of shares present at the Meeting. Stockholders do not have dissenter's rights of appraisal in connection with any of the matters to be voted on by the stockholders at the Meeting.

The presence at the Meeting, in person or by proxy, of the stockholders entitled to cast a majority of all the votes entitled to be cast at the Meeting on any matter shall be necessary and sufficient to constitute a quorum for the transaction of business. For purposes of determining the presence of a quorum at the Meeting, withheld votes and broker 'non-votes' (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular proposal with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present at the Meeting.

With regard to approval of the Proposal, the affirmative vote of a majority of the votes cast at the Meeting at which a quorum is present is necessary for the election of a Director. For purposes of the election of Directors for the Fund, any abstentions or broker 'non-votes' will not be counted as votes cast and will have no effect on the result of the vote.

On September 16, 2015, the Fund announced that the Board of Directors adopted certain corporate governance guidelines for the Fund which became effective September 30, 2015. The corporate governance guidelines include (i) a resignation policy which generally provides that an Independent Director, in an uncontested election, who does not receive a majority of votes "FOR" his or her election at a meeting of stockholders shall be deemed to have tendered his or her resignation, subject to the Board's acceptance or rejection of such resignation, which Board determination will be disclosed publicly to Fund stockholders; and (ii) a policy requiring that after an Independent Director has served on the Board for three consecutive terms of three years following the engagement of the existing investment manager of the Fund that Independent Director will be put forth for consideration by stockholders annually. The failure to obtain a majority of votes cast will trigger the resignation policy described above.

If a quorum is not present in person or by proxy at the time a Meeting is called to order, the chairman of the Meeting or the holders of a majority of the stock present in person or by proxy may adjourn the Meeting without notice other than announcement at the Meeting until the requisite amount of stock entitled to vote at the Meeting shall be present. If a quorum is present but there are not sufficient votes to approve the Proposal, the chairman of the Meeting may adjourn the Meeting, or may permit the persons named as proxy holders to propose one or more adjournments of the Meeting, to permit further solicitation of proxies on the Proposal. If the persons named as proxy holders propose to adjourn the Meeting, the vote required for shareholders to adjourn the Meeting is the affirmative vote of a majority of all the votes cast on the matter. In such a case, the persons named as proxy holders will vote those proxies which they are entitled to vote in favor of the Proposal "FOR" the adjournment, and will vote those proxies required to be voted against, or withholding authority to vote for, the Proposal "AGAINST" the adjournment. For purposes of votes with respect to adjournment, broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. If a quorum is present and the motion for adjournment is not approved, the voting on the Proposal will be completed at the Meeting. Absent the establishment of a subsequent record date and the giving of notice to the holders of record thereon, the adjourned Meeting must take place not more than 120 days after the record date. At such adjourned Meeting, any business may be transacted which might have been transacted at the original Meeting.

The Board has fixed the close of business on April 28, 2017 as the record date (the "Record Date") for the determination of stockholders entitled to notice of and to vote at the Meeting and at any adjournments thereof. Stockholders on the Record Date will be entitled to one vote for each share held, with no shares having cumulative voting rights. As of the Record Date, the Fund had outstanding 13,377,692 shares of common stock.

The Fund's management knows of no business other than that mentioned in the Notice of Meeting, which will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named in the proxy card to vote in accordance with their discretion.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to Be Held on Wednesday, June 21, 2017 at 1735 Market Street, 32nd Floor, Philadelphia, PA 19103: The Proxy Materials and the Fund's most recent annual report are available on the Internet at <http://www.aberdeen-asset.us/cef>. The Fund will furnish, without charge, a copy of its Annual Report for its most recent fiscal year to any stockholder requesting such report. Requests for the Annual Report should be made by writing to the Fund's investor relations program at Aberdeen Asset Management Inc. ("AAMI") at AAMI's principal executive offices, c/o Aberdeen Asset Management Inc., 1735 Market Street, 32nd Floor, Philadelphia, Pennsylvania 19103, attention: Aberdeen Japan Equity Fund, Inc.: Investor Relations, or by calling collect at 1-800-522-5465.

THE FUND'S BOARD UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE PROPOSAL DESCRIBED IN THE NOTICE OF MEETING.

Proposal: ELECTION OF DIRECTORS

Persons named in the proxy card intend, in the absence of contrary instructions, to vote all proxies FOR the election of the nominees listed below as Directors of the Fund.

(i) Richard Herring, as a Class III Director, to serve until the 2020 Annual Meeting of Stockholders and until his successor is duly elected and qualifies; and

(ii) Anthony Clark, as a Class III Director, to serve until the 2020 Annual Meeting of Stockholders and until his successor is duly elected and qualifies.

The terms of all nominees for Director will expire on the date on which Directors are elected at the Annual Meeting of Stockholders of the Fund in the year stated above or the date that his successor is elected and qualified. If any such nominee should be unable to serve due to an event that is not now anticipated, the proxies will be voted for such person, if any, as shall be designated by the Board to replace any such nominee. The election of each nominee as a Director of the Fund will require the affirmative vote of a majority of the votes cast at the Meeting at which a quorum is present. A majority of the Fund's outstanding shares as of the Record Date, represented in person or represented by proxy, will constitute a quorum of stockholders at the Meeting. For purposes of the Proposal, withholding of authority to vote for a nominee will be counted in determining whether a quorum is present at the Meeting, and will be treated as votes cast against the nominee at the Meeting.

Each nominee for Director of the Fund has consented to be named in this Proxy Statement and to serve as a Director of the Fund if elected. The Board has no reason to believe that either of the nominees named above will become unavailable for election as Directors, but if that should occur before the meeting for the Fund, the persons named as proxies in the proxy cards will vote for such person(s) as the Board of the Fund may recommend.

Information Concerning Directors and Nominees

The following table sets forth information concerning the nominees for Director of the Fund, as well as the other current Directors of the Fund. Neither the Director nominees nor any other current Director of the Fund is considered to be an "interested person" (as defined in the U.S. Investment Company Act of 1940, as amended (the "1940 Act")) of the Fund ("Independent Director").

Additional Information about the Board of Directors

The Board believes that each Director's experience, qualifications, attributes and/or skills on an individual basis and in combination with those of the other Directors on the Board lead to the conclusion that each Director should serve on the Board. The Board believes that each Director's ability to review critically, evaluate, question and discuss information provided to them; to interact effectively with Aberdeen Asset Management Asia Limited ("AAMAL"), the Fund's investment manager, other services providers, counsel, and independent auditors; and to exercise effective business judgment in the performance of their duties, support this conclusion. The Board has also considered the contributions that each Director can make to the Board and Fund.

A Director's ability to contribute effectively may have been attained through the Director's executive, business, consulting, and/or academic positions; experience from service as a Director of the Fund and other funds/portfolios in the Aberdeen fund complex, other investment funds, public companies, non-profit entities or other organizations; educational background or professional training or practice; and/or other life experiences. In this regard, the following specific experience, qualifications, attributes and/or skills apply as to each Director. Ms. Ajmera financial background in fund management; Mr. Clark financial background in investment management for public pension plans and a private foundation; Mr. Gruber financial background as Professor Emeritus and Scholar in Residence and previously a professor of finance at the Leonard N. Stern School of Business, as well as board experience with other investment companies; Mr. Harmer business background, accounting expertise and executive management experience as a president, chairman chief financial officer, corporate controller and a director of various private and governmental entities and director of another fund within the Aberdeen complex; Mr. Herring financial background as professor of finance and board experience with other closed-end investment companies and public companies and director of another fund within the Aberdeen complex; and Mr. Porter business background and executive management and financial expertise as vice president and chief financial officer of public and private entities and director of another fund within the Aberdeen complex.

The Board believes that the significance to the Fund of each Director's experience, qualifications, attributes and/or skills is an individual matter (meaning that it may vary by individual) and that these factors are best evaluated at the Board level, with no particular factor being indicative of effectiveness. In addition, in its periodic self-assessment of its effectiveness, the Board considers the complementary individual skills and experience to oversee the business of the Fund. References to the experience, qualifications, attributes and/or skills of Directors are presented pursuant to disclosure requirements of the Securities and Exchange Commission (the "Commission"), do not constitute holding out the Board or any Director as having any special expertise or experience, and should not be considered to impose any greater responsibility or liability on any such person or on the Board by reason thereof.

Based on the information furnished by each of the Directors as of March 31, 2017, neither any of the Directors nor any immediate family member of the Directors owned any securities of the investment manager, or any of its affiliates, of the Fund as of such date.

The Fund's Board held four regular meetings and one special meeting during its fiscal year ended October 31, 2016. Each current Director attended at least seventy-five percent of the aggregate number of meetings of the Board and any Committee of which he was a member. For annual or special stockholder meetings, Directors may but are not required to attend the meetings; and for the Fund's last annual stockholder meeting, no Directors attended the meeting.

The Board has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), which is responsible for reviewing financial and accounting matters. The members of the Fund's Audit Committee are independent as defined in Sections 303A.02 and 303A.07(a) of the New York Stock Exchange's (the "NYSE") Listed Company Manual, as may be modified or supplemented. The Fund has adopted a formal, written Audit Committee Charter, a copy of which is available at www.aberdeenjeq.com. The current members of the Fund's Audit Committee are Messrs. Clark, Gruber, Harmer, Herring and Porter and Ms. Ajmera. Mr. Porter has been designated as the Fund's "audit committee financial expert," as defined in Item 3 of Form N-CSR, and is presumed to be financially sophisticated for purposes of Section 802B(2) of the NYSE US LLC Company Guide.

The Fund's Audit Committee met two times during its fiscal year. The report of the Fund's Audit Committee, along with certain disclosures regarding fees paid to the Fund's independent registered public accounting firm, are set forth on pages 14 to 16 of this Proxy Statement.

The Board has a Nominating and Compensation Committee, which is responsible for recommending individuals to the Board for nomination as members of the Board and its committees. The Fund's Nominating and Compensation Committee is composed of Directors who are not interested persons of the Fund and comply with the independence requirements of the NYSE listing standards for Nominating and Compensation Committee members. The Fund's Nominating and Compensation Committee's actions are governed by the Fund's Nominating and Compensation Committee Charter, a copy of which is available at www.aberdeenjeq.com. The current members of the Fund's Nominating and Compensation Committee are Messrs. Clark, Gruber, Harmer, Herring and Porter and Ms. Ajmera. The Fund's Nominating and Compensation Committee met once during its last fiscal year.

Process of Evaluation of Independent Director Candidates

The Fund's Nominating and Compensation Committee identifies individuals qualified to serve as Independent Directors on the Board and on committees of the Board and recommends such qualified individuals for nomination by the Fund's Independent Directors as candidates for election as Independent Directors, advises the Board with respect to Board composition, procedures and committees, monitors and makes recommendations on corporate governance matters and policies and procedures of the Board and any Board committees and oversees periodic evaluations of the Board and its committees. Persons recommended by the Fund's Nominating and Compensation Committee as candidates for nomination as Independent Directors are required to possess such knowledge, experience, skills, expertise and diversity so as to enhance the Board's ability to manage and direct the affairs and business of the Fund, including, when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or any listing requirements of the NYSE. While the Independent Directors of the Fund expect to be able to continue to identify from their own resources an ample number of qualified candidates for the Board as they deem appropriate, they will consider nominations from stockholders to the Board. Nominations from stockholders should be in writing and sent to the Independent Directors as described herein. Assuming that appropriate biographical and background material is provided for Independent Director candidates recommended by stockholders, the Board will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates identified by the Independent Directors of the Fund.

Diversity Policy

The Fund's policy on Board diversity provides that while diversity and variety of experiences and viewpoints represented on the Board should always be considered, a nominee for Director should not be chosen nor excluded solely or largely because of race, color, gender, national origin or sexual orientation or identity. In selecting a nominee for Director, the Fund's Nominating and Compensation Committee focuses on skills, expertise or background that would complement the existing Board, recognizing that the Fund's business and operations are diverse and global in nature.

Board Leadership Structure and Risk Oversight

The Fund is focused on its corporate governance practices and values independent Board oversight as an essential component of strong corporate performance to enhance stockholder value. The Fund's commitment to independent oversight is demonstrated by the fact that all of its Directors are independent. In addition, all of the members of the Board's committees are independent. The Board acts independently of management and regularly holds independent director sessions of the Board without members of management present.

The Fund is subject to a number of risks, including investment, compliance, operational and valuation risks, among others. Risk oversight forms part of the Board's general oversight of the Fund and is addressed as part of various Board and committee activities. The Fund's investment manager and other service providers also employ a variety of processes, procedures and controls to identify various events or circumstances that give rise to risks, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur. In addition, the Fund's Chief Compliance Officer compiles a risk assessment for the Fund which is reviewed by the Board. The Board recognizes that it is not possible to identify all of the risks that may affect the Fund or to develop processes and controls to eliminate or mitigate their occurrence or effects. As part of its regular oversight of the Fund, the Board interacts with and reviews reports from, among others, the Fund's investment manager, the Fund's administrator, the Fund's Chief Compliance Officer, the Fund's independent registered public accounting firm and counsel, as appropriate, regarding risks faced by the Fund and applicable risk controls. The Board may, at any time and in its discretion, change the manner in which it conducts risk oversight.

Stockholder Communications

Stockholders may send communications to the Board. Stockholders should send communications intended for the Board by addressing the communication directly to the Board (or individual Board members) and/or otherwise clearly indicating in the salutation that the communication is for the Board (or individual Board members) and by sending the communication to either the Fund's office or directly to such Board member(s) at the address specified for each Director above. Other stockholder communications received by the Fund not directly addressed and sent to the Board will be reviewed and generally responded to by management, and will be forwarded to the Board only at management's discretion based on the matters contained therein.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, as applied to the Fund, requires the Fund's officers and Directors, certain officers and directors of the investment manager, affiliates of the investment manager and persons who own more than ten percent of a registered class of the Fund's equity securities, to file reports of ownership and changes in ownership with the Commission and the NYSE.

Based solely upon the Fund's review of the copies of such filings received by it and written representations from the Directors and officers of the Fund and the filings by the beneficial holders greater than 10% of a Fund's shares, to the knowledge of the Fund, for the fiscal year ended October 31, 2016, the filings were filed on a timely basis.

REPORT OF THE AUDIT COMMITTEE

At a meeting held on December 13, 2016, the Board of the Fund, a Maryland corporation (the "Fund"), including a majority of the Directors who are not "interested persons," as defined under the 1940 Act, selected PricewaterhouseCoopers LLP ("PWC") to act as the independent registered public accounting firm for the Fund for the fiscal year ending October 31, 2017. Although it is not expected that a representative of PWC will attend the Meeting, a representative will be available by telephone to make a statement to the stockholders, if the representative wishes to do so, and to respond to stockholder questions, if any.

The Fund's financial statements for the fiscal year ended October 31, 2016 were audited by PWC. The Audit Committee of the Fund has reviewed and discussed the audited financial statements of the Fund with management of the Fund. The Audit Committee of the Fund has received the written disclosures and the letter from PWC required by The Public Company Accounting Oversight Board ("PCAOB") Rule 3526 (PCAOB Rule 1, Communication with Audit Committees Concerning Independence), as may be modified or supplemented, and have discussed with PWC its independence with respect to the Fund. The Fund knows of no direct financial or material indirect financial interest of PWC in the Fund. The Audit Committee has discussed with PWC the matters required to be discussed by SAS 61 and PCAOB AS 16, as may be modified or supplemented. Based on the foregoing review and discussions, the Audit Committee of the Fund has recommended to the Board that the audited financial statements of the Fund for the fiscal year ended October 31, 2016 be included in the Fund's most recent annual report filed with the Commission.

All of the audit and the tax services described above for which PWC billed the Fund fees for the fiscal years ended October 31, 2016 and 2015 were pre-approved by the Fund's Audit Committee.

The aggregate fees billed by PWC for non-audit services rendered to Aberdeen Asset Management Asia Limited, the Fund's investment manager ("AAMAL") or any entity controlling, controlled by, or under common control with AAMAL that provided ongoing services to the Fund ("Covered Service Providers") for the fiscal year
