ABOUT THE MEETING

Why am I receiving this Proxy Statement and proxy card?

You have received these proxy materials because our board of directors is soliciting your proxy to vote your common stock at the annual meeting of stockholders to be held on May 17, 2018. This Proxy Statement describes matters on which we would like you to vote at our annual meeting. It also provides you with information on these matters so that you may make an informed decision.

What is the purpose of the annual meeting?

At our annual meeting, stockholders will vote on the following four items of business:

- (1) To elect seven (7) directors to hold office until the 2019 annual meeting of stockholders;
-

Table of Contents

(2) To ratify the appointment of EKS&H LLLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2018;

(3) To approve, on an advisory basis, the compensation of our named executive officers; and

(4) To approve, on an advisory basis, the frequency of the advisory stockholder vote on the compensation of our named executive officers.

Stockholders will also vote on such other matters as may properly come before the meeting or any postponement or adjournment thereof.

What are the board's recommendations?

Our board of directors recommends that you vote:

- **FOR** the election of each of the seven (7) nominated directors (see Proposal No. 1)

- **FOR** the ratification of the appointment of EKS&H LLLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2017 (see Proposal No. 2)

- **FOR** the approval, on an advisory basis, of the compensation of our named executive officers (see Proposal No. 3)

- **3 YEARS** for the frequency of the advisory stockholder vote on the compensation of our named executive officers (see Proposal No. 4)

With respect to any other matter that properly comes before the meeting, any of the officers named as proxy holder will vote as recommended by the board of directors or, if no recommendation is given, in their own discretion.

What shares are entitled to vote?

As of March 21, 2018, the record date for the meeting, we had 91,929,709 shares of common stock outstanding. This amount includes 203,334 shares of unvested restricted common stock issued pursuant to our Amended and Restated 2009 Equity Incentive Plan, which are not entitled to vote at the meeting. Therefore, as of March 21, 2018, 91,726,375 shares of common stock were outstanding and are entitled to vote at the annual meeting. You can vote all of the shares that you owned on the record date. These shares include: (1) shares held directly in your name as the stockholder of record, and (2) shares held for you as the beneficial owner through a stockbroker, bank or other nominee.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Most stockholders hold their shares through a broker or other holder of record rather than directly in their own names. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered, with respect to those shares, the stockholder of record, and we have sent the Notice directly to you. As the stockholder of record, you have the right to grant your voting proxy directly to the named proxy holder or to vote in person at the meeting. You may vote by proxy via the Internet or telephone by following the instructions provided in the Notice.

Table of Contents

If you request printed copies of the proxy materials by mail, you may also vote by filling out the proxy card included with the materials or by calling the toll free number found on the proxy card.

Beneficial Owner. If your shares are held in a brokerage account, or by a bank or other holder of record, you are considered the beneficial owner of shares held in street name, and the proxy materials are being forwarded to you by that holder together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, bank or other holder of record how to vote and are also invited to attend the annual meeting.

Who may attend the meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend the meeting. If you are not a stockholder of record but hold shares through a broker, bank or other holder of record (i.e., in street name) and wish to attend the meeting, you will need to provide proof of beneficial ownership on the record date, such as your most recent account statement as of March 21, 2018, a copy of the voting instruction card provided by your broker, bank or other holder of record, or other similar evidence of ownership. Registration and seating will begin at 8:30 a.m., Denver time. Cameras, recording devices and other electronic devices will not be permitted at the meeting.

How may I vote my shares in person at the annual meeting?

Shares held in your name as the stockholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted by you in person only if you obtain a legal proxy from the broker, bank or other holder of record that holds your shares giving you the right to vote the shares. Even if you plan to attend the annual meeting, we recommend that you submit your proxy or voting instructions prior to the meeting as described below so that your vote will be counted if you later decide not to attend the meeting.

How may I vote my shares without attending the annual meeting?

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. If you are a stockholder of record, you may vote by submitting a proxy card or via the Internet or telephone by following the instructions provided in the Notice. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, bank or other holder of record. For directions on how to vote, please refer to the instructions included in the Notice or, for shares held beneficially in street name, the voting instruction card provided by your broker, bank or other holder of record.

Proxies submitted properly by one of the methods described above will be voted in accordance with the instructions contained therein. If you submit a proxy but do not provide voting directions, the proxy will be voted FOR each of the seven (7) director nominees, FOR the ratification of the appointment of EKS&H LLLP as our independent registered public accounting firm, FOR the approval, on an advisory basis, of the compensation of our named executive officers, and 3 YEARS as the frequency of the advisory stockholder vote on the compensation of our named executive officers, and in such manner as the proxy holders named on the proxy determine, in their discretion, upon such other business

as may properly come before the annual meeting or any adjournment or postponement thereof.

If your shares are held through a broker, bank or other nominee (collectively referred to as "brokers"), under applicable rules of the NYSE American ("NYSE American") (the exchange on which our common stock is primarily traded), the broker will vote your shares according to the specific instructions it receives from you. If the broker does not receive voting instructions from you, the broker may vote only on proposals that are considered "routine" matters under the NYSE American rules. Under

Table of Contents

the NYSE American rules and guidance, at this year's annual meeting, your broker may vote without your instructions only on the ratification of the appointment of EKS&H LLLP as our independent registered public accounting firm for 2018. The broker's failure to vote on (i) the election of directors, (ii) the approval, on an advisory basis, of the compensation of our named executive officers or (iii) the approval, on an advisory basis, of the frequency of the advisory stockholder vote on the compensation of our named executive officers, because the broker lacks discretionary authority to do so, commonly referred to as a broker non-vote, will not affect the outcome of the vote on these matters.

May I change my vote or revoke my proxy after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change the votes you cast or revoke your proxy at any time before the votes are cast at the meeting by (1) delivering a written notice of your revocation to our Corporate Secretary at our principal executive office located at 350 Indiana Street, Suite 800, Golden, Colorado 80401; (2) executing and delivering a later dated proxy card; or (3) by the Internet or telephone by following the voting instructions provided in the Notice. In addition, the powers of the proxy holders to vote your stock will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority (over 50%) of the shares of our common stock outstanding and entitled to vote as of the record date will constitute a quorum. There must be a quorum for any action to be taken at the meeting (other than an adjournment or postponement of the meeting). If you properly submit a proxy, even if you abstain from voting or cast a withhold vote, then your shares will be counted for purposes of determining the presence of a quorum. If a broker or bank indicates on a proxy that it lacks discretionary authority as to certain shares to vote on a particular matter, commonly referred to as broker non-votes, those shares will still be counted for purposes of determining the presence of a quorum at the meeting.

How may I vote on each of the proposals?

In the election of directors, you may vote **FOR** any one or all of the nominees, or your vote may be **WITHHELD** with respect to any one or all of the nominees. For the ratification of EKS&H LLLP, you may vote **FOR** or **AGAINST** the proposal, or you may indicate that you wish to **ABSTAIN** from voting on the proposal. For the approval, on an advisory basis, of the compensation of our named executive officers, you may vote **FOR** or **AGAINST**, or you may indicate that you wish to **ABSTAIN** from voting. For the approval, on an advisory basis, of the frequency of the advisory stockholder vote on the compensation of our named executive officers, you may vote for **1 YEAR**, **2 YEARS**, or **3 YEARS** or you may **ABSTAIN** from voting.

What vote is required to approve each item?

Election of Directors. In the election of directors, seven (7) candidates will be elected by a plurality of affirmative votes of the outstanding shares of common stock present at the meeting (either in person or by proxy). That is, the seven

(7) candidates that receive the highest number of affirmative votes will be elected to serve on our board of directors. A withhold vote with respect to any nominee will not effect the election of that nominee.

Ratification of EKS&H LLLP. The affirmative vote of a majority of the outstanding shares of common stock present at the meeting (either in person or represented by proxy) and entitled to vote on

Table of Contents

this matter will be required for ratification. For this proposal, an abstention will count as a vote cast and will therefore have the effect of a vote against the proposal.

Advisory vote on the compensation of our named executive officers. The affirmative vote of a majority of the outstanding shares of common stock present at the meeting (either in person or represented by proxy) and entitled to vote on this matter will be required to approve the advisory vote on the compensation of our named executive officers. Because your vote on this proposal is advisory, it will not be binding on the board of directors or the Company. However, the board of directors will review the voting results and take them into consideration when making future decisions regarding executive compensation. For this proposal, an abstention will count as a vote cast and will therefore have the effect of a vote against the proposal. Broker non-votes will have no effect on the vote for this proposal.

Advisory vote on the frequency of the stockholder vote on the compensation of our named executive officers. The option (one year, two years, or three years) that receives the highest number of votes cast by stockholders will be considered by the board of directors when determining the frequency of future advisory votes on compensation of our named executive officers. Because your vote on this proposal is advisory, it will not be binding on the board of directors or the Company. Although nonbinding, the board of directors will review and consider the voting results when making future decisions regarding the frequency of the advisory vote on executive compensation. For this proposal, an abstention will not be counted in determining which of the three alternatives are favored by our stockholders. Broker non-votes will have no effect on the vote for this proposal.

Who will count the proxy votes?

Votes will be tabulated by Alliance Advisors.

How will voting on any other business be conducted?

We do not expect any matters to be presented for a vote at the meeting other than the matters described in this Proxy Statement. If you grant a proxy, any of the officers named as proxy holder, Warren M. Rehn, Robert P. Vogels, or their nominee(s) or substitute(s), will have the discretion to vote your shares on any additional matters that are properly presented for a vote at the meeting. If a nominee is not available as a candidate for director, any of the officers named as proxy holder will vote your proxy for another candidate nominated by our board of directors.

What rights of appraisal or similar rights of dissenters do I have with respect to any matter to be acted upon at the meeting?

Edgar Filing: Golden Minerals Co - Form DEF 14A

No action is proposed at this meeting for which the laws of the state of Delaware or our Bylaws provide a right of our stockholders to dissent and obtain appraisal of or payment for such stockholders' common stock.

Who will bear the cost of this proxy solicitation?

The accompanying proxy is solicited on behalf of the Company by its board of directors, and the cost of solicitation will be borne by Golden Minerals. Following the original mailing of the proxies and soliciting materials, directors, officers, and employees of the Company may solicit proxies by mail, telephone, facsimile, email or personal interviews. We will also request banks and brokers to solicit their customers who have a beneficial interest in our common stock registered in the names of nominees, and we will reimburse banks and brokers for their reasonable out-of-pocket expenses in so doing.

David H. Watkins. Mr. Watkins has served as a director of our Company since March 2009. He has over 45 years of experience in the mining industry, working as a senior executive with major mining companies and junior exploration and development companies. PROPOSAL NO. 2 RATIFICATION OF APPOINTMENT OF AUDITORS

The board of directors, pursuant to the recommendation of the Audit Committee of the board of directors, unanimously recommends ratification of the appointment of EKS&H LLLP (EKS&H) to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2018.

Table of Contents

The affirmative vote of the holders of a majority of the common stock entitled to vote and represented in person or by proxy at the annual meeting is required to ratify the selection of our independent registered public accounting firm for the fiscal year 2018. In the event the ratification is not approved by the required number of holders, the Audit Committee may reconsider, but will not necessarily change, its selection of EKS&H to serve as our independent registered public accounting firm. A representative of EKS&H is expected to attend the meeting and will have an opportunity to make a statement if he or she so desires, and will be available to respond to appropriate questions.

The following table sets out the aggregate fees billed by our principal accountant EKS&H related to the fiscal years ended December 31, 2017 and 2016 for the categories of fees described.

| | Fiscal Year Ended December 31, | |
|----------------------|-----------------------------------|------------|

| Audit Related Fees | \$ | \$ |
| Tax Fees | \$ | \$ |
| All Other Fees(2)(3) | \$ 40,444 | \$ 10,517 |
| Total Fees | \$ 295,491 | \$ 276,433 |

(2) For 2016, all other fees included fees related to consents and comfort letters received in connection with our May 2016 equity offering and private placement and our December 2016 at the market offering program.

(3) For 2017, all other fees included fees related to our September 2017 registration statement filing and an amendment and comfort letters relating to the December 2016 at the market offering program.

The Audit Committee charter includes certain policies and procedures regarding the pre-approval of audit and non-audit services performed by an outside accountant. The Audit Committee is required to pre-approve all engagement letters and fees for all auditing services (including providing comfort letters in connection with securities underwritings) and non-audit services performed by the outside auditors, subject to any exception under Section 10A of the Securities Exchange Act of 1934 and any rules promulgated thereunder. Pre-approval authority may be delegated to a committee member or a subcommittee, and any such member or subcommittee must report any decisions to the full committee at its next scheduled meeting. All of the fees and services provided by EKS&H during 2017 and 2016 were approved by the Audit Committee pursuant to its pre-approval policy as provided in the Audit Committee charter.

PROPOSAL NO. 3 ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION (THE SAY ON PAY VOTE)

Edgar Filing: Golden Minerals Co - Form DEF 14A

Pursuant to the requirements of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act), the Company seeks a non-binding advisory vote from the holders of a majority of the common stock entitled to vote and represented in person or by proxy at the annual meeting approving the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the compensation disclosure rules of the SEC. This proposal is also referred to as the say on pay vote. At our 2012 annual meeting of stockholders, the stockholders approved the frequency of submitting the say-on-pay vote to shareholders every three years. As the last advisory vote on

Table of Contents

executive compensation was held in 2015, we are submitting the compensation of our named executive officers to an advisory vote at the upcoming annual meeting.

At our 2015 annual meeting of stockholders, approximately 95.6% of votes cast were in favor of the proposal to approve an advisory resolution regarding the 2014 compensation program for our named executive officers. The Compensation Committee believes this result is an indication that a vast majority of our stockholders are satisfied with our executive compensation policies and decisions, and that our executive compensation program effectively aligns the interests of our named executive officers with the interests of our stockholders.

Our executive compensation programs are designed to attract and retain top quality executive talent who can contribute to our long-term success and thereby build value for our stockholders, to tie annual and long-term cash and equity incentive compensation to the achievement of measurable company and individual performance objectives, and to align compensation incentives available to our executives with the goal of creating stockholder value. We urge stockholders to read the Executive Compensation section of this Proxy Statement, beginning on page 17, which contains tabular information and narrative discussion about the compensation of our named executive officers. The Compensation Committee and the board of directors believe that these policies are effective in implementing our compensation philosophy and in achieving our goals.

We are asking our stockholders to indicate their support for our executive compensation as described in this Proxy Statement. This proposal gives our stockholders the opportunity to express their views on our named executive officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, we are asking our stockholders to approve, on an advisory basis, the following resolution:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Executive Compensation section, compensation tables, and narrative disclosure in the Proxy Statement for the Company's 2018 Annual Meeting of Stockholders, is hereby APPROVED.

Because your vote is advisory, it will not be binding upon the board of directors. However, the board of directors values our stockholders' opinions, and the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

PROPOSAL NO. 4 ADVISORY VOTE ON THE FREQUENCY OF HOLDING THE SAY ON PAY VOTE

In addition to the advisory vote on executive compensation set forth in Proposal No. 3 above, the Dodd-Frank Act requires that stockholders have the opportunity to vote on how often they believe the advisory vote on executive compensation should be held in the future.

In 2012, the last time our stockholders cast a vote on frequency, approximately 65.9% of votes cast were in favor of a three-year frequency. The board of directors believes that holding an advisory vote on executive compensation every three years continues to be the most appropriate

Edgar Filing: Golden Minerals Co - Form DEF 14A

policy for our stockholders and the Company at this time. Our executive compensation program is designed to incentivize performance over not just the short term but also the long term. As such, we believe that stockholder input on executive compensation will be most useful if the effectiveness of our compensation program is evaluated over a multi-year period. A three-year cycle will also provide us with sufficient time

Table of Contents

to thoughtfully respond to stockholders' input and to implement any changes to our compensation program.

We intend to continue to consider communications from our stockholders during the period between stockholder votes. We seek and are open to communications from our stockholders regarding corporate governance matters, as well as our executive compensation program, and have made attempts to ensure there are avenues for our stockholders to submit comments to the Company. We believe our stockholders' ability to contact us to express specific views on executive compensation holds us accountable to stockholders and reduces the need for and value of more frequent advisory votes on executive compensation.

While the board of directors recommends that stockholders vote for **3 YEARS** as the frequency of the advisory stockholder vote on the compensation of our named executive officers, stockholders may vote for **1 YEAR**, **2 YEARS**, or **3 YEARS**. Stockholders may also **ABSTAIN** from voting on this proposal.

Because your vote is advisory, it will not be binding upon the board of directors. However, the board of directors values our stockholders' opinions and will consider the outcome of the vote when determining the frequency of the say on pay vote. While the board of directors is making a recommendation with respect to this proposal, stockholders are being asked to vote on the choices specified above, and not whether they agree or disagree with the board of directors' recommendation.

THE BOARD AND ITS COMMITTEES

Meetings and Committees of the Board of Directors

During 2017, our board of directors held five (5) meetings. Each incumbent director attended 75% or more of the aggregate of all meetings of the board of directors and committees of the board of directors on which he served.

Audit Committee. We have a standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The Audit Committee met four (4) times during 2017. Our Audit Committee is currently comprised of Messrs. Palmer, Eppler and Watkins. Each of the members of the Audit Committee is independent and financially sophisticated, as defined by the NYSE American listing standards. Our board of directors has determined that Mr. Palmer, the Audit Committee Chairman, qualifies as an Audit Committee Financial Expert as that term is defined in rules promulgated by the SEC. The Audit Committee is responsible for the selection, compensation, retention and oversight of the independent auditor, which reports directly to the Audit Committee. The Audit Committee also assists the board of directors in reviewing and oversight of the quality and integrity of the Company's accounting, auditing and financial reporting practices. The Audit Committee regularly reviews the Company's financial statements and reports, earnings press releases, financial reporting process, system of internal controls, and compliance with applicable law.

Edgar Filing: Golden Minerals Co - Form DEF 14A

The board of directors has adopted a written charter for the Audit Committee. The charter may be viewed on Golden Minerals' website at www.goldenminerals.com/corp_gov.php.

Compensation Committee. The Compensation Committee met one (1) time during 2017 and is currently comprised of Messrs. Masterton-Hume (who is not standing for re-election at the 2018 annual meeting), Morano and Watkins. Each member of the Compensation Committee is independent as defined by the NYSE American listing standards. The principal responsibilities of the Compensation Committee are to establish policies and periodically determine matters involving executive compensation, recommend changes in employee benefit programs, grant or recommend the grant of stock options and

stock awards under our Amended and Restated 2009 Equity Incentive Plan, and provide counsel regarding key personnel selection. The Compensation Committee has authority to retain such compensation consultants, outside counsel and other advisors as the Committee in its sole discretion deems appropriate. The Compensation Committee has not engaged the services of or paid a fee to any compensation consultant or other third party to evaluate or assist with the evaluation of the Company's compensation arrangements.

The board of directors has adopted a charter for the Compensation Committee, a copy of which is available on Golden Minerals' website at www.goldenminerals.com/corp_gov_compcomm.php.

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee, which met two (2) times during 2017, is currently comprised of Messrs. Eppler, Morano and Palmer. Each member of the Corporate Governance and Nominating Committee is independent as defined by the NYSE American listing standards. The Corporate Governance and Nominating Committee is responsible for overseeing and evaluating the board's performance, selecting and evaluating prospective director nominees and reviewing board and board committee compensation. The Corporate Governance and Nominating Committee also oversees and provides advice to the board of directors regarding our corporate governance policies, practices and procedures.

The board of directors has adopted a charter for the Corporate Governance and Nominating Committee, a copy of which is available on Golden Minerals' website at www.goldenminerals.com/corp_gov_corpnom.php.

The Role of the Corporate Governance and Nominating Committee in the Nomination Process

In identifying and recommending nominees for positions on our board of directors, our Corporate Governance and Nominating Committee places emphasis on the following criteria, among others:

- Judgment, character, expertise, skills and knowledge useful to the oversight of our business;
- Business or other relevant experience; and
- The extent to which the interplay of the nominee's expertise, skills, knowledge and experience with that of other members of our board of directors will contribute to a board that is effective, collegial and responsive to the needs of the Company.

Edgar Filing: Golden Minerals Co - Form DEF 14A

Our Corporate Governance and Nominating Committee does not set specific, minimum qualifications that nominees must meet in order for the Corporate Governance and Nominating Committee to recommend them to our board of directors, but rather believes that each nominee should be evaluated based on his or her individual merits, taking into account the needs of the Company and the composition of our board of directors. In considering diversity, we consider diversity of viewpoints, backgrounds and experience. We do not, however, have any formal policy regarding diversity in identifying nominees for a directorship, but rather consider it among the various factors relevant to any particular nominee. Our Corporate Governance and Nominating Committee evaluates possible candidates in detail and suggests individuals to explore in more depth. In the event that we decide to fill a vacancy that exists or we decide to increase the size of the board of directors, our Corporate Governance and Nominating Committee will identify, interview and examine, and make recommendations to the board of directors regarding appropriate candidates. We identify potential candidates principally through suggestions from the Company's directors and senior management. Our President and Chief Executive Officer and board members may also seek candidates through informal discussions with third parties. We also consider candidates recommended or suggested by stockholders.

Board Independence and Leadership Structure

Our board of directors has determined that each of our directors, other than Mr. Rehn, our President and Chief Executive Officer, Mr. Clevenger, the Company's former President and Chief Executive Officer, and Mr. Pullar, is independent as defined by the NYSE American listing standards.

Mr. Rehn serves as our President and Chief Executive Officer. Mr. Rehn succeeded Mr. Clevenger, who served as our President to May 2015 and as our Chief Executive Officer to September 2015. Mr. Clevenger has served as our Chairman of the board of directors since the Company's inception in March 2009. The board believes that the Company is best served by a Chairman who has been actively involved with the Company and is therefore able to bring a significant depth of knowledge about the Company to the role of Chairman. While we do not have a lead independent director, the independent members of the board meet from time to time as they deem necessary.

The board has determined that Mr. Pullar is not an independent director, in part, because he is the Managing Partner and Director of Sentient Equity Partners (and was previously Chief Executive Officer of The Sentient Group). Sentient, through the Sentient's executive funds, is the Company's largest stockholder, holding approximately 45% of the Company's outstanding common stock. Additionally, pursuant to an agreement entered into between the Company and a fund managed by The Sentient Group in connection with its initial investment in the Company in a 2009 private placement, the Company agreed to nominate one individual designated by The Sentient Group for election to the Company's board of directors.

We believe that our current board leadership structure is appropriate as a majority of our board of directors are independent directors.

The Board's Role in Risk Oversight

It is management's responsibility to manage risk and bring to the board of directors' attention any material risks to the Company. The board of directors has oversight responsibility through its Audit Committee, which oversees the Company's risk policies and processes relating to the financial statements and financial reporting processes and the guidelines, policies and processes for mitigating those risks.

Stockholder Nominations

The Corporate Governance and Nominating Committee will receive, review and evaluate director candidate recommendations from stockholders. The Corporate Governance and Nominating Committee has adopted written procedures to be followed by stockholders in submitting such recommendations. Candidates proposed by stockholders will be evaluated by the Corporate Governance and Nominating Committee in the same manner as candidates that are not proposed by stockholders. While stockholders may propose director nominees at any time, we must receive the required notice (described below) on or before the date set forth in the prior year's annual proxy statement under the heading "Stockholder Proposals" in order for a proposed nominee to be considered by the Corporate Governance and Nominating Committee in connection with our next annual meeting of stockholders (typically held in May of each year).

Edgar Filing: Golden Minerals Co - Form DEF 14A

Stockholders wishing to recommend a director candidate to serve on the board may do so by providing advance written notice to the Chairman of the Corporate Governance and Nominating Committee that identifies the candidate and includes certain information regarding the nominating stockholder and the candidate. A description of the required notice is available on our website at www.goldenminerals.com/corp_gov_boarddir.php.

Table of Contents

A stockholder nominee for director should be a person of integrity committed to devoting the time and attention necessary to fulfill his or her duties to Golden Minerals. The Corporate Governance and Nominating Committee will evaluate the independence of directors and potential directors nominated by stockholders, as well as his or her business experience, specialized skills and other experience. Diversity of background and experience, including diversity of race, ethnicity, international background, gender and age, are also important factors in evaluating candidates for board membership. In considering diversity, we consider diversity of viewpoints, backgrounds and experience. The Corporate Governance and Nominating Committee will also consider issues involving possible conflicts of interest of directors or potential directors.

The information noted on our website is not, and shall not be deemed to be, a part of this Proxy Statement or incorporated herein or into any of our other filings with the SEC.

Compensation Committee Interlocks and Insider Participation

Edgar Filing: Golden Minerals Co - Form DEF 14A

Our Compensation Committee is currently comprised of Messrs. Masterton-Hume, Morano and Watkins. Each member of the Compensation Committee is independent as defined by NYSE American listing standards. No member of the Compensation Committee has ever been an officer or employee of Golden Minerals or any of its subsidiaries, nor did any of these individuals have any reportable transactions with Golden Minerals or any of its subsidiaries in 2017. None of our current executive officers has served as a director or member of the compensation committee (or equivalent thereof) of another entity.

Director Compensation

Our directors who are also our employees receive no fees for board service. Currently, Mr. Rehn is the only director who is also an employee. The compensation for the non-employee directors of Golden

Minerals includes the following: (i) a \$20,000 annual cash retainer, (ii) a \$1,000 cash fee for each board meeting that the director attends in person or by telephone, (iii) a \$1,000 cash fee for each committee meeting that the director attends in person or by telephone, (iv) a \$30,000 cash retainer for the Chairman of the board, and (v) a \$5,000 annual cash retainer for the Chairman of the Audit Committee. Retainer payments are made on the date of the annual stockholders meeting for service until the next annual meeting. We also reimburse our directors for all reasonable out-of-pocket costs incurred by them in connection with their services.

Non-employee directors may receive discretionary grants of restricted stock units under our Non-Employee Directors Deferred Compensation and Equity Award Plan (the "Deferred Compensation Plan"), an award program pursuant to our Amended and Restated 2009 Equity Incentive Plan. Restricted stock units typically vest on the first anniversary of the grant date, and the recipient director is entitled to receive one unrestricted share of common stock for each vested restricted stock unit upon the termination of the director's service on our board of directors. Our directors are also eligible to receive other equity awards, including stock options, stock appreciation rights, restricted stock units and other stock awards pursuant to our Amended and Restated 2009 Equity Incentive Plan. For 2018, as we did for 2017, we are still considering the value of the grants of restricted stock units to be made to our directors depending on the price of our common stock.

The table below sets forth all compensation awarded to our non-employee directors during 2017.

| Name | Fees Earned or Paid in Cash (\$) | Stock Awards (\$)(1) | Stock Options (\$) | Total (\$) |
|----------------------------|----------------------------------|----------------------|--------------------|------------|

(1) Amounts represent awards of 40,000 restricted stock units made to non-employee directors on May 23, 2017, multiplied by the NYSE American closing price of our common stock on the grant date. Typically restricted stock unit grants to non-employee directors are made on the date of the annual shareholder meeting and vest on the first anniversary of the grant date.

(2) Stock-based compensation cost for stock awards is measured based on the closing fair market value of the Company's common stock on the date of grant, in accordance with stock based compensation accounting rules (FASB ASC Topic 718). See footnote 15 of the Notes to the Consolidated Financial Statements for the year-ended December 31, 2017, included in our Annual Report to Stockholders, for a discussion of the grant date fair value. On May 23, 2017, Mr. Rehn and Mr. Vogels received 300,000 KELTIP Units and 135,000 KELTIP Units, respectively, pursuant to the Company's 2013 Key Employee Long Term Incentive Plan with a fair market value of \$144,000 and \$64,800, respectively. On May 19, 2016, Mr. Rehn and Mr. Vogels received 450,000 KELTIP Units and 135,000 KELTIP Units, respectively, with a fair market value of \$189,000 and \$56,700, respectively.

(3) Amounts shown as All Other Compensation include contributions to the Company's 401(k) Plan, life insurance premiums paid on behalf of each of the named executive officers and other items.

In May 2014, our stockholders approved amendments to the Company's 2009 Equity Incentive Plan, adopting the Amended and Restated 2009 Equity Incentive Plan (the [Equity Plan](#)), pursuant to which awards of the Company's common stock may be made to officers, directors, employees, consultants and agents of the Company and its subsidiaries. The number of shares available under our Equity Plan is equal to 10% of our outstanding shares of common stock, plus shares issuable upon exercise of our derivative securities (other than derivative securities granted pursuant to the Equity Plan). As of March 21, 2018, the total number of authorized shares under the Equity Plan is 10,340,788 (calculated based on 91,929,709 shares of common stock outstanding plus 11,478,172 shares issuable upon exercise of outstanding warrants (the [Outstanding Float](#))), of which 4,891,102 shares (or approximately 4.73% of the Outstanding Float) currently remain available for issuance, and an aggregate of 2,937,627 shares (or approximately 2.84% of the

Outstanding Float) are issuable under outstanding awards that have been granted under the Equity Plan. The maximum number of shares of common stock that may be issued (i) to any participant pursuant to awards under the plan (other than options or stock appreciation rights) that are intended to qualify as performance based compensation under the Internal

Table of Contents

Revenue Code must not exceed 500,000 shares (or approximately .48% of the Outstanding Float), and (ii) to certain employees for the purposes of the Internal Revenue Code in respect of options or stock appreciation rights must not exceed 2,000,000 shares (or approximately 1.93% of the Outstanding Float) during any calendar year. In addition, the aggregate fair market value of common stock with respect to which incentive stock options are exercisable for the first time by an optionholder under the Equity Plan or any other option plan of the Company must not exceed \$100,000 in any calendar year. Options and other equity incentive awards under the Equity Plan may vest in periodic installments or may be fully vested at the time of grant, as determined by our board of directors. Options under the plan generally may have a term of up to 10 years, except in the case of certain participants where the term of options is limited to a term of up to 5 years. The exercise price of options is not less than 100% of the fair market value of the common stock on the date the option is granted, except in certain instances where the exercise price is set at 110% of such fair market value. Options and other equity awards granted under the Equity Plan are generally not transferable except by will or by the laws of descent and distribution, or unless otherwise specified by our board of directors. Our board of directors may amend the plan from time to time, provided that no amendment will be effective unless approved by the stockholders of the Company to the extent necessary to satisfy the requirements of applicable law or rules of any applicable securities exchange.

In accordance with the requirements of Section 613 of the TSX Company Manual, our annual burn rate under the Equity Plan as of the end of the fiscal years December 31, 2017, 2016 and 2015 was 1.0114%, 1.549% and 0.585%, respectively. The annual burn rate is calculated by dividing (1) the total number of securities granted under the Equity Plan during the applicable fiscal year by (2) the weighted-average number of outstanding shares during the applicable fiscal year.

In December 2013, the board of directors approved and the Company adopted the 2013 Key Employee Long-Term Incentive Plan (the "KELTIP"), which became effective immediately. The KELTIP provides for the grant of units ("KELTIP Units") to certain officers and key employees of the Company, which units will, once vested, entitle such officers and employees to receive, at the Company's option, an amount, in cash or in Company common stock issued pursuant to a stockholder approved plan, measured generally by the price of the Company's common stock on the settlement date. Units are not an actual equity interest in the Company and are solely unfunded and unsecured obligations of the Company that are not transferable and do not provide the holder with any stockholder rights. Payment of the settlement amount of vested KELTIP Units may be deferred until the earlier of a change of control of the Company or the date the grantee ceases to serve as an officer or employee of the Company and may be made in cash or common stock granted pursuant to the Equity Plan or another plan that may in the future be approved by the Company's stockholders.

Post-Employment Payments

Termination Not in Connection with a Change of Control

Edgar Filing: Golden Minerals Co - Form DEF 14A

All of our full-time salaried employees, including each of our executives, are covered by our Severance Compensation Plan. If an executive's employment is terminated by us other than for cause (as defined in the plan) and such termination is not in connection with or following a change of control, death, disability or retirement, the executive is entitled to receive a lump sum payment equal to the executive's then current annual salary. We will also pay to the executive an amount equal to the difference between the monthly medical and/or dental premiums the executive was paying immediately prior to termination of employment and the total COBRA premium due in order to continue such insurance coverage. Our Incentive Bonus Plan provides that in such circumstances, the executive will be entitled to receive an amount equal to the executive's target bonus percentage, multiplied by the amount of annual salary paid to the executive through the date of termination. No executive who is terminated for

Table of Contents

cause, terminates or otherwise voluntarily leaves his or her employment, or whose employment is terminated as a result of death, disability or retirement, is entitled to receive any benefits under the Severance Compensation Plan.

In addition, restrictions on unvested restricted shares will lapse and unvested KELTIP units will vest upon an executive's termination of employment without cause, or as a result of the executive's death, disability or retirement. If an executive's employment terminates for any other reason, including for cause, prior to the scheduled vesting date of restricted shares or KELTIP units, the shares and units, respectively, are forfeited upon termination unless otherwise determined by the Company. Upon an executive's retirement or termination without cause, all unvested options vest. If an executive's employment terminates for cause or in the case of disability or death, all unvested options will immediately terminate. For the purpose of our restricted share and option awards, retirement means an executive's termination of employment from the Company and a cessation of work in the executive's profession as determined at the discretion of the board of directors or designated committee (i) on or after attaining age 55 and completing at least ten years of service, or (ii) on or after attaining age 62.

If the termination of employment of one of our named executive officers had occurred as of December 31, 2017 in a manner that would have entitled him to payment pursuant to the Severance Compensation Plan, we estimate the following amounts would have been due.

| | Severance Payment (Salary)(1) | Severance Payment (Bonus)(2) | Health Insurance Premiums(3) | Stock Awards(4) | Total |
|------------------|--|---|---|------------------------|--------------|
| | (\$) | (\$) | (\$) | (\$) | (\$) |
| Warren M. Rehn | 330,000 | 231,000 | 30,258 | 322,500 | 913,758 |
| Robert P. Vogels | 270,000 | 135,000 | 35,262 | 116,100 | 556,362 |

(1) Reflects executive's annual salary for the year ended December 31, 2017.

(2) Reflects target bonus amounts for the year ended December 31, 2017, which for Mr. Rehn was 70% of his annual base salary and for Mr. Vogels was 50% of his annual base salary.

(3) We currently pay 100% of group health insurance premiums for medical and dental benefits. Amounts shown reflect 12 months of such premiums at rates in effect at December 31, 2017.

(4) Reflects the value of outstanding KELTIP awards calculated at \$0.43 per share, the closing price of our common stock on the last trading day of 2017, December 29, 2017, as reported on the NYSE American, as shown above in the Outstanding Equity Awards at Fiscal Year-End Table .

Termination in Connection with a Change of Control

Edgar Filing: Golden Minerals Co - Form DEF 14A

We have entered into a Change of Control Agreement, as amended, with each of our named executive officers. Payments under a Change of Control Agreement are in lieu of payments pursuant to our Severance Compensation Plan and are triggered only if one of the following events occurs within two years after a change of control: (1) termination of employment by us other than for cause, disability or death, or (2) termination of employment by the executive for good reason. Upon the occurrence of a change of control, all restricted stock is no longer subject to restrictions, all unvested options vest, and all unvested KELTIP units vest in full. The amounts shown in the table below assume the occurrence of a change of control and one of the triggering termination events on December 31, 2017. These amounts are estimates of the amounts that would have been paid to the named executive officers upon the occurrence of such events. Actual future amounts can only be determined at the time of the named executive officer's termination of employment. If payments made to the executive would subject the executive to the excise tax imposed by Section 4999 of the Internal Revenue Code, the executive would be entitled to receive an

Table of Contents

additional gross-up payment to cover the excise tax. Receipt of benefits upon termination is subject to the execution of a general release of claims by the named executive officer or his beneficiary.

| | Cash Severance Payment (Salary)(1) (\$) | Cash Severance Payment (Bonus)(2) (\$) | Health Insurance Premiums(3) (\$) | Other Insurance Benefits(4) (\$) | Stock Awards(5) (\$) | Total (\$) |
|------------------|--|---|--|---|-------------------------------------|-----------------------|
| Warren M. Rehn | 660,000 | 462,000 | 60,516 | 5,000 | 322,500 | 1,510,160 |
| Robert P. Vogels | 540,000 | 270,000 | 70,524 | 5,000 | 116,100 | 1,001,624 |

(1) Each of Mr. Rehn and Mr. Vogels is entitled to receive two times his highest annual base salary during the term of the Change of Control Agreement. At December 31, 2017, the highest annual base salary for Mr. Rehn was \$330,000 and for Mr. Vogels was \$270,000. This amount must be paid in a lump sum within 10 business days after the date of termination of employment.

(2) Each of Mr. Rehn and Mr. Vogels is entitled to receive two times his respective target bonus amount. At December 31, 2017, the target bonus percentage for Mr. Rehn was 70% of his annual base salary and for Mr. Vogels was 50% of his annual base salary. This amount must be paid in a lump sum within 10 business days after the date of termination of employment.

(3) We will pay, on each executive's behalf, the portion of premiums of the Company's group health insurance, including coverage for his eligible dependents, that the Company paid immediately prior to the date of termination (COBRA Payments) for the period that such executive is entitled to coverage under COBRA, but not to exceed 24 months for Mr. Rehn and Mr. Vogels. We will pay such COBRA Payments for the executive's eligible dependents only for coverage for those dependents that were enrolled immediately prior to the date of termination. The executive will continue to be required to pay that portion of the premium of his health coverage, including coverage for eligible dependents that he was required to pay as an active employee immediately prior to the date of termination. If the executive is for any reason not eligible for coverage under COBRA for the full 24 month period, as applicable, we will pay to the executive a lump sum in an amount equal to the product of (i) the amount of the COBRA payment paid on his or her behalf for the final month of the COBRA Period and (ii) the number of months by which the executive's period of COBRA coverage was less than 24 months. Amounts shown in the table above are not discounted to present value.

(4) For the 24-month period immediately following the date of termination, we have agreed to provide to the executive, at a cost not to exceed an aggregate of \$5,000, life, disability, and accident insurance benefits substantially similar to those that the executive was receiving immediately prior to the termination of employment. For the purpose of the above table, we have assumed that a benefit in the aggregate amount of \$5,000 will be provided for the named executives.

(5) Reflects the value of outstanding KELTIP awards calculated at \$0.43 per share, the closing price of our common stock on the last trading day of 2017, December 29, 2017, as reported on the NYSE American, as shown above in the Outstanding Equity Awards at Fiscal Year-End Table .

Risk Management

The board has determined that risks arising from our compensation policies and practices for our executives and employees are not reasonably likely to have a material adverse effect on the Company. The Compensation Committee and board of directors assess our compensation policies and practices from time to time to ensure that the incentives provided in our compensation arrangements do not emphasize short-term risk taking at the expense of decisions likely to enhance stockholder value over the long term.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Review of Related Person Transactions

We do not have a formal written policy for the review and approval of transactions with related parties. However, the Audit Committee Charter and our Code of Ethics and Business Conduct each provide guidelines for reviewing any related party transaction. In particular, the Audit Committee Charter requires that the Audit Committee review any transaction involving Golden Minerals and a related party at least once a year or upon any significant change in the transaction or relationship. Additionally, our Code of Ethics and Business Conduct prohibits conflicts of interest and provides non-exclusive examples of conduct that would violate the prohibition. If any of our employees are unsure as to whether a conflict of interest exists, the employee is instructed to consult with a specified compliance officer.

We annually require each of our directors and executive officers to complete a directors' or officers' questionnaire, respectively, that elicits information about related party transactions. Our board and legal counsel annually review all transactions and relationships disclosed in the directors' and officers' questionnaires, and the board makes a formal determination regarding each director's independence. If a director were determined no longer to be independent, that director, if he or she serves on any of the Audit Committee, the Corporate Governance and Nominating Committee, or the Compensation Committee, would be removed from such committee prior to (or otherwise would not participate in) any future meetings of the committee. If the transaction were to present a conflict of interest, the board would determine the appropriate response.

Sentient Relationship

Current board member Andrew Pullar was appointed to the board of directors in July 2013. Mr. Pullar is the Managing Partner and Director of Sentient Equity Partners, and prior to founding Sentient Equity Partners in 2017, Mr. Pullar was the Chief Executive Officer and a director of The Sentient Group. The board has determined that Mr. Pullar is not an independent director under NYSE American and SEC rules, in part, because of his previous officer and director role with The Sentient Group and his current officer and director role with Sentient Equity Partners. Mr. Pullar receives the same equity compensation for service as a non-employee director as is currently provided to the other non-employee directors. Through March 21, 2018, we have awarded Mr. Pullar 240,922 restricted stock units pursuant to the Company's Non-Employee Directors Deferred Compensation and Equity Award Plan. As a result of certain internal requirements of Sentient Equity Partners, Mr. Pullar does not receive cash compensation for his service on the board of directors, and Mr. Pullar will remit to Sentient Equity Partners any common stock issued to him pursuant to the restricted stock units he receives.

Pursuant to an agreement entered into between the Company and a fund managed by The Sentient Group in connection with its initial investment in the Company in a 2009 private placement, the Company agreed to nominate one individual designated by The Sentient Group for election to the Company's board of directors.

Indemnification Agreements with Officers and Directors

Edgar Filing: Golden Minerals Co - Form DEF 14A

We have entered into an indemnification agreement with each of our directors and officers. The indemnification agreements require us to indemnify our directors and officers to the fullest extent permitted under Delaware law.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report.

The Audit Committee is currently comprised of Terry M. Palmer (Chairman), W. Durand Eppler and David H. Watkins. The Audit Committee is responsible for overseeing and evaluating the Company's financial reporting process on behalf of the board of directors, selecting and retaining the independent auditors, and overseeing and reviewing the internal audit function of the Company.

Management has the primary responsibility for the Company's financial reporting process, accounting principles, and internal controls, as well as preparation of the Company's financial statements in accordance with generally accepted accounting principles in the United States (GAAP). The independent auditors are responsible for performing an audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing reports thereon. The Audit Committee is responsible for overseeing the conduct of these activities. It is not the Audit Committee's duty or responsibility to conduct auditing or accounting reviews or procedures or to independently verify the representations made by management and the independent auditors. The Audit Committee's considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with GAAP or that an audit of the annual financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States), or that the independent auditors are, in fact, independent.

The Audit Committee has met and held discussions with management and the independent auditors on a regular basis. The Audit Committee plans and schedules its meetings with a view to ensuring that it devotes appropriate attention to all of its responsibilities. The Audit Committee's meetings include, whenever appropriate, executive sessions with the independent auditors without the presence of the Company's management. The Audit Committee has reviewed and discussed with both management and the independent auditors the Company's consolidated financial statements as of and for the year ended December 31, 2017, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of the disclosures in the financial statements. Management advised the Audit Committee that the financial statements were prepared in accordance with GAAP. The Audit Committee has relied on this representation, without independent verification, and on the representations of the independent auditors included in their report on the consolidated financial statements.

The Audit Committee discussed with the independent auditors the matters required to be discussed pursuant to the Statement of Auditing Standards, as amended, the Public Company Accounting Oversight Board (PCAOB) Auditing Standards and the NYSE American listing standards. The independent auditors have provided to the Audit Committee the written disclosures and the letter required by PCAOB Rule 3526, Communication with Audit Committees Concerning Independence, and the Audit Committee has discussed with the independent auditors their independence. The Audit Committee has also considered whether the independent auditors' provision of other non-audit services to the Company is compatible with maintaining auditor independence. The Audit Committee has concluded that the provision of non-audit services by the independent auditors was compatible with the maintenance of independence in the conduct of their auditing functions.

Table of Contents

Based upon its review and discussions with management and the independent auditors and the reports of the independent auditors, and in reliance upon such information, representations, reports and opinions, the Audit Committee recommended that the board of directors approve the audited financial statements for inclusion in the Company's annual report on Form 10-K for the year ended December 31, 2017, and the board of directors accepted the Audit Committee's recommendations.
