Item 1.01. Entry into a Material Definitive Agreement.

Purchase and Sale Agreement

On March 29, 2018, Midstates Petroleum Company LLC (the Seller), a wholly owned subsidiary of Midstates Petroleum Company, Inc. (the Company), entered into a purchase and sale agreement (the PSA) with an undisclosed buyer (the Buyer), pursuant to which the Seller agreed to sell substantially all of its wells and the leases related thereto located in the Anadarko Basin in Texas and Oklahoma (the Anadarko Divestiture) to the Buyer for a contract price of \$58.0 million, subject to customary closing adjustments. The Anadarko Divestiture is expected to close on or before May 30, 2018, with an effective date of January 1, 2018.

The PSA contains various representations, warranties, covenants and indemnification obligations of the Seller and the Buyer that are customary in transactions of this type. The closing is subject to satisfaction or waiver of specified closing conditions, including the material accuracy of the representations and warranties of the Seller and the Buyer. There can be no assurance that these closing conditions will be satisfied.

The PSA may be terminated, subject to certain exceptions, (i) by mutual written consent of the Seller and the Buyer, (ii) as a result of certain material breaches of the PSA that remain uncured and cause the failure of certain closing conditions, (iii) if the closing has not occurred on or before June 28, 2018, (iv) in the event that certain title, environmental and casualty defect conditions are not satisfied and (v) upon the occurrence of certain other events specified in the PSA.

The foregoing description of the PSA and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the PSA, which will be filed as an exhibit to the Company's Quarterly Report on Form 10-Q for the three months ending March 31, 2018.
