**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On June 5, 2018, the Board of Directors of the Company approved the Company to enter into Change in Control Agreements with each of Darren R. Jamison, Jayme L. Brooks, James D. Crouse, Jeff Foster and Kirk Petty (covered Executives or individually referred to as Executive) that provides certain benefits following a termination of the covered Executive's employment either by the Company without Cause (other than due to the covered Executive's death, the covered Executive being disabled, or the covered Executive becoming an employee of any direct or indirect successor to the business or assets of the Company, rather than continuing as an employee of the Company) or by the covered Executive for Good Reason (a Qualifying Termination) in connection with a Change in Control (collectively, the Change in Control Agreements). Cause and Good Reason are as defined in the Change in Control Agreements.

## Edgar Filing: CAPSTONE TURBINE Corp - Form 8-K

For the purposes of each Change in Control Agreement, a Change in Control occurs when (a) any person, as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended (the Act) (other than the Company, any of its subsidiaries, or any trustee, fiduciary or other person or entity holding securities under any employee benefit plan or trust of the Company or any of its subsidiaries) together with all affiliates and associates (as such terms are defined in Rule 12b-2 under the Act) of such person, shall become the beneficial owner (as such term is defined in Rule 13d-3 under the Act), directly or indirectly, of securities of the Company representing 50 percent or more of the combined voting power of the Company's then outstanding securities having the right to vote in an election of the Board (in such case other than as a result of an acquisition of securities directly from the Company); (b) the following individuals cease for any reason to constitute a majority of the number of directors then serving on the Board: individuals who, on the date of the Change in Control Agreement, constitute the Board and any new director (other than a director whose initial assumption of office is in connection with an actual or threatened election contest, including, but not limited to, a consent solicitation relating to the election of directors of the Company) whose appointment or election by the Board or nomination for election by the Company's stockholders was approved or recommended by a vote of at least a majority of the directors then still in office who either were members of the Board on the Effective Date (as defined in the Change in Control Agreement) or whose appointment, election or nomination for election was previously so approved (the Incumbent Directors); or (c) the consummation of (i) any consolidation or merger of the Company (A) where the stockholders of the Company, immediately prior to the consolidation or merger, would not, immediately after the consolidation or merger, beneficially own (as such term is defined in Rule 13d-3 under the Act), directly or indirectly, shares representing in the aggregate more than 50 percent of the voting shares of the Company issuing cash or securities in the consolidation or merger (or of its ultimate parent corporation, if any) or (B) after which the Incumbent Directors continuing immediately thereafter do not represent at least a majority of the board of directors of the resulting or successor entity (or its ultimate parent, if applicable), or (ii) any sale or other transfer (in one transaction or a series of transactions contemplated or arranged by any party as a single plan) of all or substantially all of the assets of the Company.

In the event that any of a Qualifying Termination of the covered Executive within 6 months prior to or within 24 months from a Change in Control, subject to certain conditions, then the Executive will (a) receive a severance payment equal to 1.0 times (or 2.0 times, in the case of the Chief Executive Officer) the applicable Executive's (i) annual base salary for the calendar year in which the Qualifying Termination occurs (or such Executive's annual base salary in effect immediately prior to the Change in Control, if higher); plus (ii) target annual incentive compensation for the calendar year in which the Qualifying Termination occurs but pro-rated for the portion of such calendar year that falls prior to the Qualifying Termination; (b) health benefits for 12 months (or 18 months, in the case of the Chief Executive Officer); and (c) acceleration of any unvested equity awards outstanding on the date of the Qualifying Termination.

A covered Executive's receipt of the benefits and equity award acceleration described above is conditioned upon the covered Executive's execution and non-revocation of a separation agreement providing for, among other provisions, a general release of claims.

The description of the Change in Control Agreements contained herein is qualified in its entirety by reference to the Change in Control Agreements, a form of which is attached hereto as Exhibit 10.1.
