- o Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Indicate by check mark whether the registrant is an emerging growth company as defined in Rule 405 of the Securities Act of 1933 (§230.405 of this chapter) or Rule 12b-2 of the Securities Exchange Act of 1934 (§240.12b-2 of this chapter).

Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Item 1.01 Entry into a Material Definitive Agreement

On October 8, 2018, Amphenol Technologies Holding GmbH (the Company), a wholly-owned subsidiary of Amphenol Corporation (Amphenol), issued and sold 500,000,000 aggregate principal amount of its 2.000% Senior Notes due 2028 (the Notes). The Notes were sold to certain non-U.S. persons in transactions outside the United States in reliance on Regulation S under the U.S. Securities Act of 1993 pursuant to a purchase agreement, dated October 1, 2018, among the Company, Amphenol and the initial purchasers party thereto. The Notes are guaranteed (the Guarantee) on a senior unsecured basis by Amphenol.

The Notes were sold at a price of 99.498% of their face value and the Company received net proceeds of approximately 493.2 million from the offering after deducting the initial purchaser discounts and estimated offering expenses. The net proceeds of this offering are expected to be used to repay outstanding debt, which is expected to include amounts outstanding under Amphenol's U.S. and the Company's euro commercial paper programs. Any remaining proceeds will be used for general corporate purposes.

The Notes were issued pursuant to an indenture dated as of October 8, 2018 (the Indenture) among the Company, Amphenol and The Bank of New York Mellon, as trustee. The Indenture contains certain covenants and events of default and other customary provisions.

The Notes bear interest at a rate of 2.000% per year. Interest on the Notes is payable annually on October 8, beginning on October 8, 2019, to holders of Notes at the close of business on the business day immediately preceding the applicable interest payment date. The Notes will mature on October 8, 2028. Prior to July 8, 2028 (three months prior to the maturity date of the Notes), the Company may redeem, at its option, some or all of the Notes at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of redemption, plus a make-whole premium. On or after July 8, 2028, the Company may redeem, at its option, the Notes in whole or in part, at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of redemption. The Notes are the Company's unsecured and unsubordinated obligations and rank equally in right of payment with all of the Company's existing and future unsecured and unsubordinated indebtedness. The Guarantee is a senior unsecured obligation of Amphenol and ranks equally in right of payment with all of Amphenol's existing and future unsecured and unsubordinated indebtedness.

The above descriptions of the Indenture, the Notes and the Guarantee are qualified in their entirety by reference to the Indenture and the Notes, which are filed as Exhibits 4.1 and 4.2, respectively, to this Current Report on Form 8-K, and are incorporated by reference herein.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant

The foregoing terms and conditions of the Indenture, the Notes and the Guarantee described in Item 1.01 of this Current Report on Form 8-K are incorporated by reference herein.

Item 9.01 Financial Statements and Exhibits
