PART 1 FINANCIAL INFORMATION

Item 1. Financial Statements

The accompanying unaudited financial statements have been prepared in accordance with the instructions to Form 10-QSB and Item 310 (b) of Regulation S-B, and, therefore, do not include all information and footnotes necessary for a complete presentation of financial position, results of operations, cash flows, and stockholders' equity in conformity with generally accepted accounting principles. In the opinion of management, all adjustments considered necessary for a fair presentation of the results of operations and financial position have been included and all such adjustments are of a normal recurring nature. Operating results for the nine months ended September 30, 2003 are not necessarily indicative of the results that can be expected for the year ending December 31, 2003.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

SEPTEMBER 30, 2003

(Unaudited)

(Stated in U.S. Dollars)

1. BASIS OF PRESENTATION

The unaudited consolidated financial statements as of September 30, 2003 included herein have been prepared without audit pursuant to the rules and regulations of the Securities and Exchange Commission. Certain information and footnote disclosures normally included in financial statements prepared in accordance with United States of America generally accepted accounting principles have been condensed or omitted pursuant to such rules and regulations. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. It is suggested that these consolidated financial statements be read in conjunction with the December 31, 2002 audited consolidated financial statements and notes thereto.

2. NATURE OF OPERATIONS

a) Organization

The Company was incorporated in the State of Nevada, U.S.A., on October 12, 2000. On June 23, 2003, the Company changed its name from RRUN Ventures Network Inc. to Livestar Entertainment Group Inc.

b) Development Stage Activities

The Company was organized as a holding company to develop or acquire innovative ventures with an emphasis on serving the lifestyle needs of the 18 - 34 year Digital Generation through the production and marketing of lifestyle products and services. The Company's initial venture is RAHX, a business concept previously focused on

delivering, for its customers, a consolidated Entertainment Experience Network comprised of many services ranging from digital media peer to peer file exchange to live entertainment and online video games. At this time, the Company's focus is the developing of a live entertainment business, specifically nightclubs and live events.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

SEPTEMBER 30, 2003

(Unaudited)

2. NATURE OF OPERATIONS (Continued)

c) **Going Concern**

Since inception, the Company has suffered recurring losses, net cash outflows from operations and, at September 30, 2003, has a working capital deficiency of \$1,963,382. The Company expects to continue to incur substantial losses to complete the development and testing of its technology. Since its inception, the Company has funded operations through common stock issuances and related party loans in order to meet its strategic objectives. Management believes that sufficient funding will be available to meet its business objectives, including anticipated cash needs for working capital, and is currently evaluating several financing options. However, there can be no assurance that the Company will be able to obtain sufficient funds to continue the development of and, if successful, to commence the sale of its products under development. As a result of the foregoing, there exists substantial doubt about the Company's ability to continue as a going concern. These consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty.

3. SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements of the Company have been prepared in accordance with generally accepted accounting principles in the United States of America. Because a precise determination of many assets and liabilities is dependent upon future events, the preparation of consolidated financial statements for a period necessarily involves the use of estimates which have been made using careful judgement.

The consolidated financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the significant accounting policies summarized below:

a) **Consolidation**

3. SIGNIFICANT ACCOUNTING POLICIES

These consolidated financial statements include the accounts of the Company, its 100% owned subsidiaries, RRUN Labs Inc. and RVNI Management Ltd., and its 67% owned subsidiary, RAHX, Inc.

3. SIGNIFICANT ACCOUNTING POLICIES (Continued)

b) Development Stage Company

The Company is a development stage company as defined in the Statements of Financial Accounting Standards No. 7. The Company is devoting substantially all of its present efforts to establish a new business and none of its planned principal operations have commenced. All losses accumulated since inception have been considered as part of the Company's development stage activities.

c) Investments

Investments in companies owned less than 20% are recorded at the lower of cost or fair market value.

d) Software Development Costs

The costs to develop new software products and enhancements to existing software products will be expensed as incurred until technological feasibility has been established. Once technological feasibility has been established, any additional costs will be capitalized.

e) Income Taxes

The Company has adopted Statement of Financial Accounting Standards No. 109 Accounting for Income Taxes (SFAS 109). This standard requires the use of an asset and liability approach for financial accounting and reporting on income taxes. If it is more likely than not that some portion or all of a deferred tax asset will not be realized, a valuation allowance is recognized.

f) Amortization

Capital assets are being amortized on the declining balance basis at the following rates:

Computer equipment	30%
Computer software	100%
Office furniture and equipment	20%

3. SIGNIFICANT ACCOUNTING POLICIES (Continued)

g) Stock Based Compensation

The Company accounts for stock based employee compensation arrangements in accordance with the provisions of Accounting Principles Board Opinion No. 25 Accounting for Stock Issued to Employees (APB No. 25) and complies with the disclosure provisions of Statement of Financial Accounting Standards No. 123 Accounting for Stock Based Compensation (SFAS No. 123). Under APB No. 25, compensation expense is recognized based on the difference, if any, on the date of grant between the estimated fair value of the Company's stock and the amount an employee must pay to acquire the stock. Compensation expense is recognized immediately for past services and rateably for future services over the option vesting period.

h) Financial Instruments

The Company's financial instruments consist of cash, GST recoverable and accounts payable.

Unless otherwise noted, it is management's opinion that this Company is not exposed to significant interest or credit risks arising from these financial instruments. The fair value of these financial instruments approximate their carrying values, unless otherwise noted.

i) Net Loss Per Share

In February 1997, the Financial Accounting Standards Board issued Statement of Financial Accounting Standards No. 128, Earnings Per Share (SFAS 128). Under SFAS 128, basic and diluted earnings per share are to be presented. Basic earnings per share is computed by dividing income available to common shareholders by the weighted average number of common shares outstanding in the period. Diluted earnings per share takes into consideration common shares outstanding (computed under basic earnings per share) and potentially dilutive common shares.

4. SUBSEQUENT EVENTS

- a) Subsequent to September 30, 2003, the Company granted 21,000,000 stock options to employees pursuant to the provisions of various employee incentive stock award agreements.

4. SUBSEQUENT EVENTS (Continued)

- b) Subsequent to September 30, 2003, the Company issued 21,000,000 common shares with a fair value of \$162,232 on the exercise of shares issued pursuant to the provisions of various employee incentive stock award agreements, 1,000,000 common shares with a fair value of \$10,000 on the settlement of debt, 1,177,846 common shares with fair value of \$3,892 on conversion of loans, and 1,916,667 common shares with a fair value of \$7,000 for cash, of which proceeds of \$7,000 had been received at September 30, 2003.
- c) Subsequent to September 30, 2003, the Company entered into an Amended and Restated Agreement and Plan of Acquisition to acquire all the issued and outstanding shares, and the minimum of US\$200,000 of certain shareholder loans, of The Sequel Nightclub (Sequel) in Toronto, Canada. Consideration for the acquisition will consist of nominal consideration of \$10, an advance to Sequel of US\$35,609, and the issuance of 1,000,000 shares of preferred stock to the sole shareholder of Sequel.

Liquidity and Financial Condition As Of September 30, 2003

We had cash-on hand of totaling \$95,598 as of September 30, 2003.

As reported in the Company's Annual Report for the period ended December 31, 2002 the Company has shifted its strategy from being focused solely on technology oriented to one of focused on live entertainment, particularly entertainment establishments (i.e. nightclubs and lounges) and live events (i.e. concerts and special events).

Our business strategy is currently aimed at focusing our immediate efforts on building a network of licensed entertainment establishments, as the base for our urban lifestyle businesses. These establishments will still utilize a branding approach so that we can sell other urban lifestyle products and services and eventually employ a comprehensive internet strategy.

Edgar Filing: LIVESTAR ENTERTAINMENT GROUP INC - Form 10QSB/A

Subsequent to the three month period ending September 30, 2003 the Company has acquired its first establishment. Our immediate aim is to use this first establishment as a flagship for the network and demonstrate our unique and proprietary entertainment concepts for use in our other establishments. We intend that the later establishments will be developed in new and existing locations in major cities throughout the United States and Canada.

In order to finance working capital for the first acquisition, capital for future acquisitions, and our phases of implementation we plan to raise investment capital through different types of securities offerings. We plan to fund new establishment locations, and possibly future acquisitions, through direct investments into the individual establishments and providing the investors with cash dividends from their direct investments and possibly some capital stock in the Company to the investors. This is hoped to reduce the potential dilution to our existing shareholders. We possibly plan to raise investment capital by sale of stock in our subsidiaries, or other planned subsidiaries, which again is hoped to reduce dilution to our existing shareholders. We plan to invite direct investments into the Company to provide funds for general corporate purposes. We believe that this plan will enable us to achieve our development goals with acceptable dilution to our existing shareholders.

We believe that the acquisition we have recently completed will require a minimum of \$300,000 for working capital and general corporate purposes, depending on development planning that is being considered by management over the next two quarters. In the upcoming two quarters, we plan to make one or two additional acquisitions. We believe that the cost of a second and third acquisition or development project will be approximately a minimum of \$1,000,000 each and that approximately another \$500,000 minimum each will be required for the legal, accounting, administrative, working capital and general corporate purposes. Thus, we anticipate needing a minimum of \$3,000,000 of investment capital during the next six months.

4

After the next one or two acquisitions, we intend to develop other entertainment establishments from initial buildout rather than from acquisitions. Our plan is to open no less than two or three additional entertainment establishments by the end of 2004 and we anticipate that additional funding (approximately \$1,000,000) will be required to accomplish this. Management anticipates that funding requirements for this plan will be less than the overall cost of opening these nightclubs, since the revenues from the first two or three nightclubs may generate enough cash flow to reduce the level of external capital required. We have developed comprehensive business and financial plans that result in our development of a network of entertainment establishments that should operate on a cash positive basis and without incurring substantial dilution to stockholders such that the Company can possibly increase its overall valuation substantially. The Company believes it will require approximately \$1,000,000 to launch its live events business unit, including the cost of acquisitions and their subsequent integration and for the venture development of other potential lines of business for the balance of 2003 and 2004. The total additional working capital financing described in this section is in addition to the \$3,000,000 described in the preceding paragraph and is planned to also include the development of other synergistic business units such as, including but not limited to, membership services, brand licensing and merchandising.

Management plans on initiating a series of securities offerings to raise the investment capital needed to meet our acquisition plans. Although we will make efforts to minimize dilution to current shareholders, we may not be able to avoid dilution due to many factors, including but not limited to, the closing of financing at lower than the desired market price of the Company's common stock.

LIVESTAR hopes to secure the financing to satisfy the capital needs for each phase of its implementation plan through the execution of various funding methods, primarily private placement investments or debt financing. LIVESTAR hopes to achieve this by securing relationships with accredited individual investors, investment bankers, venture capitalists, and/or finance advisors that have the experience and relationships to aid LIVESTAR with its capital raising efforts. The source of the private placement or debt financing may be comprised of a mix of principal shareholders, private investors and venture capital companies.

If needed capital investment for our acquisitions or developments is not available, in whole or in part, we intend to delay the implementation plan regarding our acquisition or development plans until sufficient investment capital becomes available. We cannot give any assurances that we will raise sufficient investment capital to meet the business plan. In addition to delays to the implementation plan regarding our acquisition or development plans due to insufficiency of investment capital, we may suffer other consequences, including but not limited to the following; We may have to suspend or discontinue operations of one or more of our business units or we may have to suspend or discontinue operations of the Company if we become insolvent as a result.

5

Until acquisitions (current and future) and new development establishments begin to produce significant revenues and subsequent positive cash flow, we will be reliant on capital received from private placements, loans, and the exercise of options and warrants. Due to the depressed market for our securities, we may not be able avoid significant dilution to current shareholders. In addition, we expect to continue to retain certain management, staff and consultants, such as legal counsel, and may need to compensate these individuals through the issuance of our common stock as compensation. These stock based compensations may result in significant dilution to current shareholders due to the depressed market for our securities. We also continue to reduce or prevent collection of outstanding vendor debts and accounts with creditors, such as suppliers and consultants, which could result in litigation against the Company. There can be no guarantee that all of these negotiations will be

Edgar Filing: LIVESTAR ENTERTAINMENT GROUP INC - Form 10QSB/A

successful and the outcome of these negotiations may include settlements in cash and/or issuance of common stock. These stock based settlements may result in significant dilution to current shareholders due to the depressed market for our securities. We plan on continuing to meet certain of our expenses through the issuance of our shares of common stock, which may cause additional and significant dilution to existing shareholders due to the depressed market for our securities.

In the case of the Sequel, our first acquisition, some day to day business operations of the corporation may be covered by the cash flow of the Sequel. The possibility of positive cash flow to the Company from current (the Sequel) and future acquisitions may contribute positively to LIVESTAR's liquidity position.

PART II OTHER INFORMATION

Item 1. Legal Proceedings

On July 30, 2003, PR Newswire Association, Inc. (Plaintiff) filed suit, pursuant to Docket No. DC15242-03, in the Superior Court of New Jersey against the Company. The suit alleges non-payment of \$6,005 for News dissemination services sold to the Company by the Plaintiff. Damages sought include the above stated alleged non-payment plus interest, legal and court costs.

The Company believes that, as it commences revenue-producing operations and as it raises capital, we will have the resources to reduce or prevent collection litigation by creditors or others.
