SOLICITATION AND REVOCABILITY OF PROXIES

The enclosed proxy for the Annual Meeting of Shareholders is being solicited by the directors of the Company. The proxy may be revoked by a shareholder at any time prior to the exercise thereof by filing with the Corporate Secretary of the Company a written revocation or duly executed proxy bearing a later date. The proxy may be revoked by a shareholder attending the meeting, by withdrawing such proxy and voting in person. The cost of soliciting the proxies on the enclosed form will be paid by the Company. In addition to the use of mails, proxies may be solicited by employees of the Company (who will receive no additional compensation therefor) personally or by telephone or other electronic communications, and arrangements may be made with banks, brokerage houses and other institutions, nominees and/or fiduciaries to forward the soliciting material to their principals and to obtain authorization for the execution of proxies. The Company may, upon request, reimburse banks, brokerage houses and other institutions, nominees and fiduciaries for their expenses in forwarding proxy material to their principals. VOTING INFORMATION

The record date for determining shares entitled to vote has been fixed at the close of business on May 14, 2008. On such date there were outstanding 2,281,102 shares of common stock of the Company, \$.20 par value ("Common Stock"), entitled to one vote each.

The presence, in person or by properly executed proxy, of the holders of shares of Common Stock entitled to cast a majority of the votes entitled to be cast by the holders of all outstanding shares of Common Stock is necessary to constitute a quorum. Pursuant to SEC rules, shareholder proposals must have been received by April 17, 2008, which date is 45 days before the date (June 1) on which the Company mailed its proxy materials for last year's annual meeting, to be considered at the 2008 Annual Meeting. At April 17, 2008, the Company had not received notice of any intention to submit any other matter; and, therefore, the named proxies have discretion to vote on any other matter that comes before the meeting.

Shares of Common Stock represented by a properly signed, dated and returned proxy will be treated as present at the meeting for the purposes of determining a quorum. Proxies relating to “street name” shares of Common Stock that are voted by brokers will be counted as shares of Common Stock (i) present for purposes of determining the presence of a quorum and (ii) as having voted in accordance with the directions and statements on the form of proxy.

This determination is then subsequently submitted to the full Board of Directors for approval/ratification. The Board has determined that Dr. Duerig and Mr. Hedges are independent under the AMEX listing standards.

The Board has not adopted specific minimum criteria for director nominees. Nominees are identified by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in services are considered for re-nomination. If any member of the Board does not wish to continue in service, the Board first considers the appropriateness of the size of the Board and then considers factors that it deems are in the best interests of the Company and its shareholders in identifying and evaluating a new nominee.

The Board will consider director nominees from any reasonable source, including nominees suggested by incumbent Board members and management as well as shareholder recommendations tendered in accordance with the Company's advance notice provisions. The Company does not currently employ an executive search firm, or pay a fee to any other third party, to locate qualified candidates for director positions.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely on its review of reports filed pursuant to Section 16(a) of the Securities Exchange Act or representations from directors and executive officers required to file such reports, the Company believes that all such filings required of its executive officers and directors and greater than 10% beneficial owners were timely made for 2007, except for the untimely filing of the Form 3 for Mr. San Filippo relative to his appointment as an officer.

FM&B has been selected by the Board of Directors as the independent public accountants for the Company's current fiscal year. A representative of FM&B is expected to be present at the meeting with the opportunity to make a statement if he desires to do so and will be available to respond to appropriate questions of shareholders.

The following table shows the fees paid or accrued by the Company for the audit and other services provided by FM&B and RSM McGladrey, Inc. for fiscal years 2007 and 2006.

The Audit Committee pre-approves audit and non-audit services provided by FM&B and RSM McGladrey.
