ITEM 9.01. REGULATION FD DISCLOSURE

In accordance with SEC Release No. 33-8216, the information contained herein and in the accompanying exhibit is being furnished under Item 12, "Results of Operations and Financial Condition." This information shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

On January 7, 2005, The Great Atlantic & Pacific Tea Company, Inc. issued a press release announcing its financial results for the fiscal 2004 third quarter and year to date results for the 12 and 40 weeks ended December 4, 2004. A copy of the press release is attached as Exhibit 99.1 to this Current Report.

To supplement the consolidated financial results as determined in accordance with generally accepted accounting principles ("GAAP"), the press release presents non-GAAP financial measures for "EBITDA." We use the non-GAAP measure "EBITDA" to evaluate the Company's liquidity and it is among the primary measures used by management for planning and forecasting of future periods. The Company believes the presentation of this measure is relevant and useful for investors because it allows investors to review results in a manner similar to the method used by the Company's management and makes it easier to compare the Company's results with other companies that have different financing and capital structures or tax rates. In addition, this measure is also among the primary measures used externally by the Company's investors, analysts and peers in its industry for purposes of valuation and comparing the results of the Company to other companies in its industry. As required by the Securities and Exchange Commission, EBITDA is reconciled to Net Cash provided by Operating Activities on Schedule 1 of the release.
