Item 2.02 Regulation FD Disclosure

On January 9, 2007, The Great Atlantic & Pacific Tea Company, Inc. issued a press release announcing its unaudited fiscal 2006 third quarter and year to date results for the 12 and 40 weeks ended December 2, 2006. A copy of the press release is attached as Exhibit 99.1 to this Current Report.

In accordance with General Instruction B.2 of Form 8-K, the information furnished in this Item 2.02 shall not be deemed $\[\]$ for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.

To supplement the consolidated financial results as determined in accordance with generally accepted accounting principles ([GAAP]), the press release presents non-GAAP financial measures for [EBITDA.] EBITDA is defined as earnings before interest, taxes, depreciation, amortization, minority interest, equity in earnings of Metro, Inc., discontinued operations and the gain on the sale of A&P Canada. Ongoing, operating EBITDA is defined as EBITDA adjusted for items the Company considers non-operating in nature that management excludes when evaluating the results of the U.S. ongoing business. The Company believes the presentation of these measures is relevant and useful for investors because it allows investors to view results in a manner similar to the method used by the Company[s management and makes it easier to compare the Company[s results with other companies that have different financing and capital structures or tax rates. In addition, these measures are also among the primary measures used externally by the Company[s investors, analysts and peers in its industry for purposes of valuation and comparing the results of the Company to other companies in its industry. Ongoing, operating EBITDA is reconciled to Net Cash provided by Operating Activities on Schedule 4 of this release.
