Item 1.01. Entry Into a Material Definitive Agreement

The Company has completed and executed a settlement agreement (the “Settlement Agreement”) with Department of Justice and has received the final approval of the Office of Inspector General-HHS and the United States District Court for the Central District of California. The settlement agreement fully and finally resolves the previously disclosed DOJ investigation and any ancillary claims which have been pending since 2006. Pursuant to the settlement agreement, Ensign will make a single lump-sum remittance to the government in the amount of \$48 million in October 2013. Ensign has denied engaging in any illegal conduct, and has agreed to the settlement amount without any admission of wrongdoing in order to resolve the allegations and to avoid the uncertainty and expense of protracted litigation.

In connection with the settlement and effective as of October 1, 2013, Ensign entered into a five-year corporate integrity agreement with the Office of Inspector General-HHS (the “CIA”). The CIA acknowledges the existence of the Company’s current compliance program, and requires that the Company continue during the term of the CIA to maintain a compliance program designed to promote compliance with the statutes, regulations, and written directives of Medicare, Medicaid, and all other Federal health care programs. The Company is also required to maintain several elements of its existing program during the term of the CIA, including maintaining a compliance officer, a compliance committee of the board of directors, and a code of conduct. The CIA requires that the Company conduct certain additional compliance-related activities during the term of the CIA, including various training and monitoring procedures, and maintaining a disciplinary process for compliance obligations. Pursuant to the CIA, the Company is required to notify OIG in writing, among other things, of: (i) any ongoing government investigation or legal proceeding involving an allegation that the Company has committed a crime or has engaged in fraudulent activities; (ii) any other matter that a reasonable person would consider a probable violation of applicable criminal, civil, or administrative laws related to compliance with Federal healthcare programs; and (iii) any change in location, sale, closing, purchase, or establishment of a new business unit or location related to items or services that may be reimbursed by Federal health care programs. The Company is also subject to periodic reporting and certification requirements attesting that the provisions of the CIA are being implemented and followed, as well as certain document and record retention mandates.

Participation in Federal healthcare programs by the Company is not affected by the Settlement Agreement or the CIA. In the event of an uncured material breach of the CIA, the Company could be excluded from participation in Federal healthcare programs and/or subject to prosecution.

On October 1, 2013, the Company issued a press release regarding the settlement agreement and the CIA described in Item 1.01 above. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
