In addition, all outstanding options, performance restricted stock units and service-based restricted stock units were canceled at the effective time of the Merger in exchange for a cash payment equal to the per-share merger consideration (less the exercise price in the case of options), payable without interest and less any required withholding taxes (other than certain service-based restricted stock units that were assumed by Thermo Fisher at the effective time of the Merger and converted into the right to receive a cash payment equal to the per-share merger consideration, which will vest and become payable following the effective time of the Merger in accordance with their original terms). The Merger is more fully described in the issuer's Proxy Statement filed with the SEC on July 22, 2013.
