NEWS RELEASE

SHAW TO PURCHASE ASSETS OF MONARCH CABLESYSTEMS

Calgary, Alberta, September 8, 2003 Shaw Communications Inc. (Shaw) announced today that it has reached an agreement with Monarch Cablesystems Ltd. (Monarch) to acquire certain of Monarch 's cable systems in Alberta and southern British Columbia for a base purchase price of \$90 million. The transaction is subject to approval by the C.R.T.C. and the Toronto Stock Exchange.

The cable systems to be acquired by Shaw serve approximately 35,000 basic subscribers in the Medicine Hat (Medicine Hat, Taber, Brooks), Canmore (Canmore, Banff, Lake Louise) and southern B.C. (Hope, Fernie, Kimberley) regions. The systems generate approximately \$10.5 million of annual operating income.

Shaw intends to pay for the assets with \$25 million in cash or through the assumption of Monarch debt in such amount, and the balance through the issuance of Class B Non-Voting Shares of Shaw at \$17.39 per share.

The cable systems that we will be purchasing from Monarch dovetail nicely with Shaw 's existing systems and network in Alberta and B.C. , explained Jim Shaw, Chief Executive Officer of Shaw. This transaction allows Shaw to further consolidate its position as the dominant cable television and Internet provider in Western Canada .

Willard Yuill, Chairman and Chief Executive Officer of Monarch, said It has been Monarch 's great pleasure to serve these communities in Alberta and B.C. for so many years, and I wish to thank all of our subscribers for their loyalty and support.

Shaw Communications Inc. is a diversified Canadian communications company whose core business is providing broadband cable television, Internet and satellite direct-to-home (DTH) services to approximately 2.9 million customers. Shaw is traded on the Toronto and New York stock exchanges (Symbol: TSX SJR.B, NYSE SJR).
