DOCUMENTS INCORPORATED BY REFERENCE

The annual information form (AIF) of Platinum Group Metals Ltd. (the Registrant or the Company) for the fiscal year ended August 31, 2010 is incorporated herein by reference.

The audited consolidated financial statements of the Company as of August 31, 2010 and August 31, 2009 and the related consolidated statements of operations and comprehensive income, shareholders equity, and cash flows for each of the three years ended August 31, 2010, including the report of the auditors with respect thereto, are incorporated herein and by reference. For a reconciliation of important differences between Canadian and United States generally accepted accounting principles, see Note 15 to the Company s audited consolidated financial statements.

The Company s management s discussion and analysis (MD&A) for the year ended August 31, 2010 is incorporated herein by reference.

EXPLANATORY NOTE

The Company is a Canadian issuer eligible to file its annual report pursuant to Section 13 of the Exchange Act on Form 40-F. The Company is a foreign private issuer as defined in Rule 3b-4 under the Exchange Act. Accordingly, the Company s equity securities are exempt from Sections 14(a), 14(b), 14(c), 14(f) and 16 of the Exchange Act pursuant to Rule 3a12-3.

The Company is permitted, under a multi-jurisdictional disclosure system adopted by the United States, to prepare this annual report on Form 40-F in accordance with Canadian disclosure requirements, which are different from those of the United States.

The Company prepares its financial statements in accordance with Canadian generally accepted accounting practices (GAAP), and they may be subject to Canadian auditing and auditor independence standards. Accordingly, the financial statements of the Company incorporated by reference in this report may not be comparable to financial statements of United States companies. Significant differences between Canadian GAAP and United States GAAP are described in Note 16 to the audited consolidated financial statements of the Company incorporated by reference in this report.

FORWARD LOOKING STATEMENTS

This report contains forward-looking statements concerning anticipated developments in the operations of the Company in future periods, planned exploration and development activities, the adequacy of the Company s financial resources and other events or conditions that may occur in the future. Forward-looking statements are frequently, but not always, identified by words such as expects, anticipates, believes, intends, estimates, potential, or similar expressions, or statements that events, conditions or results will, may, could or should occur or be achieved.

Information concerning the interpretation of drill results and mineral resource or reserve estimates also may be deemed to be forward-looking statements, as such information constitutes a prediction of what mineralization might be found to be present if and when a project is actually developed. Forward-looking statements are statements about the future and are inherently uncertain, and actual achievements of the Company or other future events or conditions may differ materially from those reflected in the forward-looking statements due to a variety of risks, uncertainties and other factors, including, without limitation, those described in the AIF incorporated by reference in this report.

The Company's forward-looking statements are based on the beliefs, expectations and opinions of management on the date the statements are made and the Company assumes no obligation to update such forward-looking statements in the future. For the reasons set forth above, investors should not place undue reliance on forward-looking statements.
