The above described purchases and sales were done for investment purposes. Since our original 13-D filing on August 4, 2003, the company has been successful in its patent infringement claim lawsuits for certain of its patents. Since our initial involvement, the company paid 50cts/sh 4/8/2007 and paid 75cts/sh on 8/12/2010. It is anticipated that there will be future dividends from settlements already arrived at but not paid yet and from other claims that are either being contested, arbitrated, or presently in the courts. This is in addition to possible settlements from suits that are taken to court when OPTi is aware of patent infringements that are brought to light in the future.

The Whitakers will of course re-evaluate their options which may include the purchase of additional securities of OPTi or disposal of some or all of the securities they presently own acquire in the future depending on market conditions in general and of OPTi specifically, availability of funds and other considerations.
