

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 30, 2014, PharMerica Corporation (the "Company") amended and restated its Employment Agreement (the "Employment Agreement") with David W. Froesel, Jr. ("Froesel"), the Company's Executive Vice President, Chief Financial Officer and Treasurer, to change the vesting and exercise period of Froesel's equity compensation awards in connection with the termination of his employment and to make other limited revisions. All terms capitalized but not otherwise defined shall have the meanings set forth in the Employment Agreement.

The Employment Agreement sets forth the terms and conditions of Froesel's employment during the term of the Employment Agreement. As amended, in the event Froesel's employment is terminated other than for Cause or for Good Reason before August 1, 2016, any outstanding stock option, restricted stock or other equity incentive awards will fully vest. If such termination of Froesel's employment occurs on or after August 1, 2016, (i) any outstanding stock option, restricted stock or other equity incentive awards, other than performance-based equity awards, will continue to vest and become exercisable in accordance with the applicable existing vesting schedule as if his employment continued through each vesting date and (ii) performance-based equity awards will fully vest. In addition, if the Employment Agreement expires due to the Company's or Froesel's delivery of written notice of non-renewal or if Froesel resigns on or after August 1, 2016 without Good Reason, (a) any outstanding stock option and restricted stock award will continue to vest and become exercisable in accordance with the applicable existing vesting schedule, (b) any outstanding performance-based equity award will be deemed vested and non-forfeitable as of the end of the applicable performance period to the extent performance goals are achieved, and (c) any other equity-based award will become fully vested.

The foregoing summary of the Employment Agreement is qualified in its entirety by reference to the Employment Agreement which will be filed as an exhibit to the Company's Form 10-Q for the quarterly period ending June 30, 2014.
