Item 1.01. Entry into a Material Definitive Agreement.

On July 25, 2014, CAI International, Inc. (the “Company”) and CAI Rail Inc. (“CAI Rail”), a wholly-owned subsidiary of the Company, entered into an Amended and Restated Revolving Credit Agreement (the “Second Credit Agreement”) by and among CAI Rail, the Company as guarantor, the lending institutions from time to time listed on Schedule 1 thereto (the “Lenders”), MUFG Union Bank, N.A., as administrative agent, acting for itself and the other Lenders, and acting as sole lead arranger and sole bookrunner, ING Bank, branch of ING-Diba AG, as syndication agent, and The Huntington National Bank, as documentation agent. The Second Credit Agreement provides for a five-year revolving credit facility of up to \$250 million for the acquisition of railcars by CAI Rail, which is secured by all of the assets of CAI Rail and guaranteed by the Company. The Second Credit Agreement amends and restates the terms of that certain Revolving Credit Agreement, dated June 7, 2012, as amended from time to time, by and among the Company, CAI Rail and the financial institutions referred to therein (the “Prior Facility”).

Among other things, the Second Credit Agreement refinances CAI Rail’s Prior Facility, and reduces CAI Rail’s borrowing rates. The interest rates under the Second Credit Agreement vary depending upon whether the loans are characterized as base rate loans or Eurodollar rate loans, with interest rates based on a leverage grid which sets the interest rates for Eurodollar rate loans at the Eurodollar rate plus 1.75% and base rate loans at the base rate plus 0.75%. In addition, the Second Credit Agreement increases the facility commitment from \$85 million to \$250 million, with the ability to increase the facility to up to \$325 million, subject to certain conditions, and revises certain of the covenants and restrictions under the Prior Facility to provide CAI Rail with additional flexibility. The Second Credit Agreement also extends the maturity date to July 25, 2019. Except as described above, the material terms of the Second Credit Agreement are substantially the same as the Prior Facility.

The foregoing summary does not purport to be complete and is subject to, and is qualified in its entirety by, the full text of the Amended and Restated Revolving Credit Agreement, dated as of July 25, 2014, which is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
