**PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS**

**FIBERSTARS, INC.  
32000 AURORA ROAD  
SOLON, OHIO 44139**

**INFORMATION CONCERNING SOLICITATION AND VOTING OF PROXIES**

**General**

The enclosed proxy is solicited on behalf of the Board of Directors of Fiberstars, Inc., a California corporation ( Fiberstars or the Company ), for use at the Annual Meeting of Shareholders (the Annual Meeting ) to be held on June 15, 2006 at 1:00 P.M., local time, or at any adjournments or postponements thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at the principal executive offices of Fiberstars, Inc., 32000 Aurora Road, Solon, Ohio.

This Proxy Statement and the accompanying form of proxy are first being mailed to shareholders on or about May 11, 2006. The cost of soliciting these proxies will be borne by the Company. Regular employees and directors of the Company may solicit proxies in person, by telephone, or by mail. No additional compensation will be given to employees or directors for such solicitation. The Company will request brokers and nominees who hold stock in their names to furnish proxy material to beneficial owners of the shares and will reimburse such brokers and nominees for their reasonable expenses incurred in forwarding solicitation material to such beneficial owners.

**Revocability of Proxies**

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use either by delivering to the Company (32000 Aurora Road, Solon, Ohio, Attention: John M. Davenport) a written notice of revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. If a proxy is properly signed and not revoked, the shares it represents will be voted in accordance with the instructions of the shareholder.

**Record Date and Share Ownership**

Only shareholders of record at the close of business on May 11, 2006 (the Record Date ), will be entitled to notice of and to vote at the Annual Meeting and any adjournments or postponements thereof. The Company has 11,316,110 shares of Common Stock, par value \$.0001 per share ( Common Stock ), issued and outstanding.

**Voting**

Generally, each share of Common Stock held as of the Record Date entitles its holder to one vote on matters to be acted upon at the Annual Meeting, including the election of directors. However, if, prior to the voting to elect directors, any shareholder gives notice at the Annual Meeting of his or her intention to cumulate his or her votes, and if the names of the candidate or candidates for whom that shareholder intends to vote have been placed in nomination prior to the voting, then all shareholders may cumulate their votes for candidates in nomination. This means that each shareholder may give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of shares he or she holds, or such shareholder may distribute that total number of votes among as many candidates as he or she thinks fit. The person authorized to vote shares represented by executed proxies in the enclosed form (if authority to vote for the election of directors is not withheld) will have full discretion and authority to vote cumulatively and to allocate votes among any or all of the nominees as he may determine or, if authority to vote for a specified candidate or candidates has been withheld, among those candidates for whom authority to vote has not been withheld. On all matters except the election of directors, each share carries one vote.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Company's transfer agent, which will act as Inspector of Elections. The Inspector of Elections will also determine whether or not a quorum is present. Except with respect to the election of directors and except in certain other specific circumstances including reincorporation in Delaware, the affirmative vote of a majority of shares represented and voting at a duly held meeting at which a quorum is present (which shares voting affirmatively also constitute at least a majority of the required

quorum) is required under California law for approval of proposals presented to shareholders. In general, California law also provides that a quorum consists of a majority of the shares entitled to vote, represented either in person or by proxy. The reincorporation from California to Delaware must be approved by the affirmative votes of a majority of the outstanding shares entitled to vote. The Inspector of Elections will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum but as not voting for purposes of determining the approval of any matter submitted to the shareholders for a vote.

The shares represented by the proxies received, properly marked, dated, signed and not revoked will be voted at the Annual Meeting. Where such proxies specify a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specifications made. Any proxy in the enclosed form which is returned but is not marked will be voted **FOR** the election of the eight nominees for director listed in this Proxy Statement, **FOR** the approval of the amendment to 2004 Stock Incentive Plan, **FOR** the approval of the amendment to 1994 Employee Stock Purchase Plan, **FOR** the approval of the reincorporation of the Company to Delaware, **FOR** the ratification of the appointment of Grant Thornton, LLP as the Company's independent auditors and as the proxy holders deem advisable on other matters that may properly come before the meeting. If a broker indicates on the enclosed proxy or its substitute that it does not have discretionary authority as to certain shares to vote on a particular matter ( broker non-votes ), those shares will not be considered as voting with respect to that matter. While there is no definitive statutory or case law authority in California concerning the proper treatment of abstentions and broker non-votes, the Company believes that the tabulation procedures to be followed by the Inspector of Elections are consistent with the general statutory requirements in California concerning voting of shares and determination of a quorum.

**PROPOSAL NO.1: ELECTION OF DIRECTORS****Nominees**

Unless otherwise instructed, the proxy holders will vote the proxies received by them for the nominees named below, regardless of whether any other names are placed in nomination by anyone other than one of the proxy holders. If the candidacy of any one or more of such nominees should, for any reason, be withdrawn, the proxy holders will vote in favor of the remainder of those nominated and for such substituted nominees, if any, as shall be designated by the Board of Directors, taking into account any recommendations of the Nominating and Corporate Governance Committee, or the number of directors to be elected at this time may be reduced by the Board of Directors. The Board of Directors has no reason to believe that any of the persons named will be unable or unwilling to serve as a nominee or as a director if elected.

If a quorum is present and voting, the nominees receiving the highest number of votes will be elected as directors at the Annual Meeting to serve until the next annual meeting or until their respective successors are duly elected or appointed.

The Company's Bylaws provide that the number of directors of the Company shall be no less than five and no more than nine, with the exact number within such range to be fixed by amendment of the Bylaws adopted by the shareholders or by the Board of Directors. The number of directors is currently fixed at eight. The Nominating and Corporate Governance Committee has recommended, and the Board of Directors has designated, the eight nominees listed below. The Board has determined that each director who serves on these committees is independent, as that term is defined by applicable listing standards of The NASDAQ Stock Market and SEC rules. The Board has approved a charter for each of these committees which can be obtained by writing the Company at Fiberstars, Inc., 32000 Aurora Road, Solon, Ohio 44139.

The Compensation Committee of the Board of Directors, which currently consists of Messrs. Wolfson (Chairman), Cassentini and Kasper, held two meetings in 2005. The Compensation Committee's primary functions are to discharge the responsibilities of the Board of Directors relating to compensation of the Company's executive officers and to produce an annual report on executive compensation for inclusion in the Company's annual proxy statement. Other specific duties and responsibilities of the Compensation Committee are to: review and recommend to the Board corporate goals and objectives relevant to compensation of the chief executive officer, evaluate his performance in light of such goals and objectives and set his compensation level based on this evaluation; develop and monitor compensation arrangements for executive officers of the Company, including review and approval of individual compensation; recommend to the Board guidelines for the review of the performance and establishment of compensation and benefit policies for all other employees; make recommendations regarding compensation plans and policies; administer the Company's stock option plans and other compensation plans; and make recommendations to the Board regarding compensation of the Board of Directors.

## **Director Nominations**

The Board of Directors nominates directors for election at each annual meeting of shareholders and elects new directors to fill vacancies when they arise. The Nominating and Corporate Governance Committee has the responsibility to identify, evaluate, recruit and recommend qualified candidates to the Board of Directors for nomination or election.

The Board of Directors has as an objective that its membership be composed of experienced and dedicated individuals with diversity of backgrounds, perspectives and skills. The Nominating and Corporate Governance

Committee will select candidates for director based on their character, judgment, diversity of experience, business acumen, and ability to act on behalf of all shareholders. The Nominating and Corporate Governance Committee believes that nominees for director should have experience, such as experience in management or accounting and finance, or industry and technology knowledge, that may be useful to the Company and the Board, high personal and professional ethics, and the willingness and ability to devote sufficient time to effectively carry out his or her duties as a director. The Nominating and Corporate Governance Committee believes it appropriate for at least one, and, preferably, multiple, members of the Board to meet the criteria for an audit committee financial expert as defined by SEC rules, and for a majority of the members of the Board to meet the definition of independent director under the rules of The NASDAQ Stock Market. The Nominating and Corporate Governance Committee also believes it appropriate for certain key members of the Company's management to participate as members of the Board.

Prior to each annual meeting of shareholders, the Nominating and Corporate Governance Committee identifies nominees first by evaluating the current directors whose term will expire at the annual meeting and who are willing to continue in service. These candidates are evaluated based on the criteria described above, including as demonstrated by the candidate's prior service as a director, and the needs of the Board with respect to the particular talents and experience of its directors. In the event that a director does not wish to continue in service, the Nominating and Corporate Governance Committee determines not to re-nominate the Director, or a vacancy is created on the Board as a result of a resignation, an increase in the size of the board or other event, the Committee will consider various candidates for Board membership, including those suggested by the Committee members, by other Board members, by any executive search firm engaged by the Committee and by shareholders. A shareholder who wishes to suggest a prospective nominee for the Board should notify the Secretary of the Company or any member of the Committee in writing, with any supporting material the shareholder considers appropriate, at the following address: Fiberstars, Inc., 32000 Aurora Road, Solon, Ohio 44139.

#### **Shareholder Communications with the Board of Directors**

If you wish to communicate with the Board of Directors, you may send your communication in writing to: Secretary, Fiberstars, Inc., 32000 Aurora Road, Solon, Ohio 44139. You must include your name and address in the written communication and indicate whether you are a shareholder of the Company. The Secretary will review any communication received from a shareholder, and all material communications from shareholders will be forwarded to the appropriate director or directors or committee of the Board based on the subject matter.

#### **Compensation Committee Interlocks and Insider Participation**

## **Employment Agreements and Change in Control Agreements**

The Company has entered into agreements with Barry R. Greenwald, John Davenport and Robert A. Connors. Under these agreements, Messrs. Greenwald, Davenport and Connors are each entitled to receive severance payments in the event their employment with the Company is terminated without cause at any time within six months after a change in control in the Company as that term is defined their agreements. The Company has issued offers of employment to Messrs. Greenwald, Davenport and Connors. These offer letters described the initial conditions of their employment including salary, car allowance, benefits, incentives and option grants as appropriate to each at the time of their employment.

## **REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION**

The Compensation Committee is responsible for setting and monitoring policies governing the compensation of Fiberstars' executive officers. The Compensation Committee reviews the performance and compensation levels for executive officers, sets salary and incentive levels and grants options under Fiberstars' option plan. The Compensation Committee is currently comprised of three non-employee directors who meet the independence standards established by The Nasdaq Stock Market.

### **Compensation Philosophy and Objectives**

The objectives of the Compensation Committee are to correlate executive compensation with Fiberstars' business objectives and performance and to enable Fiberstars to attract, retain and reward executive officers who contribute to the long-term success of Fiberstars. The Compensation Committee also seeks to establish compensation policies that allow Fiberstars flexibility to respond to changes in its business environment.

### **Executive Compensation Components**

Fiberstars' executive compensation policies are recommended and administered by the Compensation Committee of your Board of Directors. The Compensation Committee has established an executive compensation program consisting of base salary, annual cash bonuses and stock options. Each component is discussed in greater detail below.

**Base Salary.** Base salaries for executive officers are based on a review of salaries for similar positions requiring similar qualifications in similar industries. In determining executive officer salaries, the Compensation Committee has approved the use by management of information from salary surveys.

The President and Chief Executive Officer annually assesses the performance of all other executive officers and recommends salary increases to the Compensation Committee based on a number of factors such as performance evaluations, comparative data and other relevant factors. The Compensation Committee then reviews and approves the increases for any person with total annual compensation over \$100,000.

In addition to reviewing performance evaluations, the Compensation Committee also reviews the financial condition of Fiberstars in setting salaries.

**Bonus Incentive Plan.** The Compensation Committee administers an incentive plan to provide additional compensation to executives who meet established performance goals. In consultation with the President and Chief Executive Officer, the Compensation Committee annually determines the total amount of cash bonuses available for executive officers and certain other management employees. For fiscal 2005, awards under this bonus plan were contingent upon Fiberstars' attainment of operating profit targets set by the Compensation Committee in consultation

with the President and Chief Executive Officer. The target amount of bonuses for senior executive officers was set by the Compensation Committee. Awards are weighted so that higher awards are received when Fiberstars performance reaches maximum targets, smaller awards are received when Fiberstars performance reaches mini-mum targets and no awards are made when Fiberstars does not meet minimum performance targets. After the total eligible bonus pool is determined, annual incentives are paid to executive officers, based on their individual performance as determined by Fiberstars President and Chief Executive Officer. Fiberstars performance

in fiscal 2005 was not on target, and no bonuses were paid under this bonus incentive plan. Consistent with Fiberstars objective of aligning compensation with performance, the Compensation Committee anticipates that future bonus payments will be based on specific targets and performance.

**Stock Options.** The Compensation Committee believes that employee equity ownership provides significant motivation to executive officers to maximize value for Fiberstars shareholders and, therefore, periodically grants stock options under Fiberstars 2004 Stock Incentive Plan at the then current market price. The Compensation Committee administers the Company's 2004 Stock Incentive Plan. Stock options will only have value if Fiberstars stock price increases over the exercise price.

The Compensation Committee grants options to executive officers after consideration of recommendations from the President and Chief Executive Officer. Recommendations for options are based upon the relative position, responsibilities of each executive officer, previous and expected contributions of each officer to Fiberstars, previous option grants to such executive officers and customary levels of option grants for the respective position in other comparable companies. Options generally vest over a four-year period at a rate of 25% per year. In 2001, executive officers were granted options under a Time Accelerated Restricted Stock Award Plan ( TARSAP ) within the 1994 Stock Option Plan with a seven year vesting period. The vesting of these options can be accelerated upon achievement of Fiberstars and individual objectives during the fiscal year 2005. As a result of not achieving these objectives in 2005, the TARSAP options have not qualified for accelerated vesting, but roll forward to a future year whereupon the vesting may be accelerated if the objectives for that future year are met. Consistent with the Company's objective of aligning compensation with performance, the Company anticipates that future grants to incumbent executive officers will be based on specific targets and performance.

**Section 162(m).** Section 162(m) of the Internal Revenue Code and related Treasury Department regulations limits Fiberstars ability to deduct certain compensation in excess of \$1,000,000 paid to Fiberstars chief executive officer and each of the four other most highly compensated executive officers. Fiberstars 1994 Stock Option Plan and 2004 Stock Incentive Plan are structured to permit awards under the plan to qualify as performance-based compensation and to maximize the tax deductibility of the awards so long as the options are granted by a committee whose members are non-employee directors. Fiberstars expects that the Compensation Committee will be comprised of non-employee directors, and that, to the extent the Compensation Committee is not so constituted for any period of time, the options granted during such period will not be likely to result in compensation exceeding \$1,000,000 in any year. The Compensation Committee does not believe that other components of Fiberstars compensation will be likely to exceed \$1,000,000 for any executive officer in the foreseeable future and therefore concluded that no further action with respect to qualifying such compensation for deductibility was necessary at this time. In the future, the Compensation Committee will continue to evaluate the advisability of qualifying its executive compensation for deductibility of such compensation. The Compensation Committee's policy is to qualify its executive compensation for deductibility under applicable tax laws as practicable.

### **Compensation of President and Chief Executive Officer**

The Compensation Committee annually assesses the performance and recommends to the Board of Directors the salary and overall compensation for Fiberstars President and Chief Executive Officer, Mr. John N. Davenport. The compensation for Mr. Davenport is based on a package of salary, bonus and options which is established by the Compensation Committee each year, prior to the start of the year.

Pursuant to the recommendation of the Compensation Committee, Mr. Davenport's annual base salary was set at \$250,000 when he became Chief Executive Officer in July 2005. Mr. Davenport was also eligible to receive a bonus under Fiberstars bonus incentive plan described above. During fiscal 2005, Mr. Davenport was eligible and this bonus incentive plan to receive a bonus of 25% to 50% of his then current base salary dependent upon achievement of between 90% and 125% of plan. Fiberstars performance in fiscal 2005 was not on target, and as a result Mr. Davenport did not receive a bonus under the incentive bonus plan. On July 1, 2005, Mr. Davenport received an

option to purchase 200,000 shares of Fiberstars; Common stock at an exercise price of \$. This option vests as to 25% of the shares on each anniversary of the grant date, becoming fully vested on the fourth anniversary.

Pursuant to the recommendation of the Compensation Committee, Mr. Ruckert received base salary at an annualized rate of \$21,384 for fiscal 2005. Mr. Ruckert was also eligible to receive a bonus under Fiberstars' bonus incentive plan described above. The target amount of bonuses for Mr. Ruckert was set by the Compensation Committee. During fiscal 2005, Mr. Ruckert was eligible under this bonus incentive plan to receive a bonus of

between 25% and 50% of his base salary dependent upon achievement of between 90% and 125% of plan. As discussed above, Fiberstars performance in fiscal 2005 was not on target, and as a result Mr. Ruckert did not receive a bonus under the bonus incentive plan.

During fiscal 2005, no additional option awards issued to Mr. Ruckert, other than the 25,000 share grant he received under a consulting arrangement (See Certain Transactions ).

Such officers, directors and 10% stockholders are also required by SEC rules to furnish the Company with copies of all Section 16(a) forms that they file.

Based solely on its review of such forms furnished to the Company and written representations from certain reporting persons, the Company believes that, except as provided below, all filing requirements applicable to the Company's executive officers, directors and more than 10% stockholders were complied with for 2005. ## **PROPOSAL NO. 2: APPROVAL OF AMENDMENT TO 2004 STOCK INCENTIVE PLAN**

### **General**

In anticipation of the August 2004 expiration of the Company's 1994 Stock Option Plan (the 1994 Plan) and 1994 Directors' Stock Option Plan, the Board of Directors approved the adoption of the 2004 Stock Incentive Plan (the 2004 Plan) on February 26, 2004, and the 2004 Plan was approved by the shareholders on May 19, 2004. The 2004 Plan became effective on February 26, 2004.

The purpose of the 2004 Plan is to enable Fiberstars to attract and retain top quality employees, officers, directors and consultants and to provide employees, officers, directors and consultants with an incentive to enhance shareholder returns. The Board of Directors believes that options and other equity-based incentives are an important part of the compensation package Fiberstars offers to its employees and directors. There are no shares initially reserved for grants under the 1994 Plan and the Directors' Plan are available for grant under the 2004 Plan.

The shareholders are being asked to approve an amendment to increase the number of shares of Common Stock reserved for issuance under the 2004 Plan by 500,000 shares from 500,000 to 1,000,000. The Board of Directors believes that the availability of an adequate stock option program is an important factor in attracting and retaining qualified officers, employees and consultants essential to the success of the Company and in aligning their long-term interests with those of the shareholders.

Set forth below is a summary of the 2004 Plan, which is qualified in its entirety by the specific language of the 2004 Plan, a copy of which is available to any shareholder upon request.

### **Description of the 2004 Plan**

The 2004 Plan provides for the grant of restricted share awards, options, stock units and stock appreciation rights with respect to shares of Fiberstars' Common Stock to directors, officers, employees and consultants of Fiberstars and its subsidiaries. The 2004 Plan is administered by the Compensation Committee. In addition, the composition of the committee shall satisfy the requirement set forth in Section 3 of the 2004 Plan (referred to in this Proposal as the Committee), which has complete discretion to select the participants and to establish the terms and conditions of each restricted share award and option, subject to the provisions of the 2004 Plan and to required grants to Outside Directors. Options granted under the 2004 Plan may be incentive stock options as defined in Section 422 of the Internal Revenue Code of 1986, as amended (the Code), or nonqualified options. As of March 31, 2006, 95 employees were eligible to be considered for the grant of options under the 1994 Plan, and are also eligible under the 2004 Plan.

The Board of Directors believes that the granting of equity compensation awards is necessary to attract the highest quality personnel as well as to reward and thereby retain existing key personnel. Moreover, the attraction and retention of such personnel is essential to Fiberstars' continued progress, which ultimately is in the interests of its shareholders.

### **Shares Subject to the 2004 Plan**

The shareholders have previously authorized the reservation of an aggregate of 500,000 shares of Common Stock for issuance under the 2004 Plan. If any option granted under the 2004 Plan expires or terminates for any reason without having been exercised in full, then the unpurchased shares subject to that option will once again be available for additional awards. Since the 2004 Plan was approved, no additional option grants have been made under either the 1994 Plan or the Directors' Plan, and the shares remaining available for future grant under both the 1994 Plan and the Directors' Plan were added to the share reserve available for issuance under the 2004 Plan. Options outstanding under the 1994 Plan and the Directors' Plan will remain outstanding until exercised or until they terminate or expire by their terms. If any outstanding option under either the 1994 Plan or the Directors' Plan expires or terminates for any reason

without having been exercised in full, then the unpurchased shares subject to that option will be available for additional awards under the 2004 Plan. In addition, 13,785 shares originally reserved for issuers under the 1994 Plan and the Director s Plan are currently available for grants under the 2004 Plan.

## **Administration**

The 2004 Plan is administered by the Compensation Committee. Subject to the provisions of the 2004 Plan, the Committee determines the persons to whom options are to be granted, the number of shares to be covered by each option, whether an option is to be an incentive stock option or a nonstatutory stock option, the timing and terms of exercisability of each option or the vesting of shares acquired upon the exercise of an option, including the effect thereon of an optionee's termination of service, the exercise price of and the type of consideration to be paid to the Company upon the exercise of each option, the duration of each option, and all other terms and conditions of the options. The Committee will interpret the 2004 Plan and options granted thereunder, and all determinations of the Committee will be final and binding on all persons having an interest in the 2004 Plan or any option.

## **Eligibility**

Options may only be granted under the 2004 Plan to employees, consultants and Outside Directors (terms not otherwise defined herein shall have the meaning as defined in the 2004 Plan) of the Company, a parent, or a subsidiary of the Company. As of March 31, 2006, the Company had approximately 95 total employees, including five (5) executive officers. While any person eligible under the 2004 Plan may be granted a nonstatutory option, only employees may be granted incentive stock options.

## **Non-Employee Director Options**

Under the 2004 Plan, each non-employee director who first serves on the Board of Directors automatically receive an option to purchase 10,000 shares of Common Stock. The 2004 Plan also provides for the annual automatic grant of an additional option to purchase 7,000 shares of Common Stock on the first business day following each regular annual shareholders' meeting to each non-employee director who will continue serving on the Board of Directors, provided that he or she has served as a director for at least three months. These options become exercisable in 12 equal monthly installments. In addition to the option to purchase 7,000 shares of Common Stock, the Chairman of the Board and the Chairperson of Audit and Finance Committee of the Board of Directors will receive an additional option to purchase 3,000 shares of Common Stock on the first business day following each regular annual shareholders' meeting, provided that he or she has served as a director for at least three months. These options become exercisable in 12 equal monthly installments.

## **Restricted Share Awards**

The terms of any restricted share award under the 2004 Plan will be set forth in a restricted share agreement to be entered into between Fiberstars and each grantee. The Committee will determine the terms and conditions of any restricted share agreements, which need not be identical. Shares may be awarded under the 2004 Plan in consideration of services rendered prior to the award, without a cash payment by the grantee.

## **Terms and Conditions of Options**

Options granted under the 2004 Plan may not be exercised more than 10 years after the date of grant (five years after the date of grant if the grant is an incentive stock option to an employee who owns more than 10% of the total combined voting power of all classes of Fiberstars' capital stock). Under the 2004 Plan, shares subject to cancelled or terminated options are reserved for subsequently granted options. The number of options outstanding and the exercise price thereof are subject to adjustment in the case of certain transactions such as mergers, recapitalizations, stock splits or stock dividends. The 2004 Plan is effective for 10 years, unless sooner terminated or suspended.

Each option granted under the 2004 Plan is evidenced by a written agreement between the Company and the optionee specifying the number of shares subject to the option and the other terms and conditions of the option, consistent with the requirements of the plan. The exercise price of each incentive stock option granted under the 2004 Plan must equal

at least the fair market value of a Share on the date of grant, except as otherwise provided in Section 4(c) of the 2004 Plan, and the exercise price of any nonstatutory option must equal at least 85% of the fair market value of a Share on the date of grant. The exercise price of any incentive stock option granted to a person who at the time of grant owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any parent or subsidiary of the Company (a "Ten Percent Shareholder") must be at least 110% of the fair market value of a share of the Company's Common Stock on the date of grant. On April 17, 2006, the closing price of a share of the Company's Common Stock was \$7.33 as reported on the Nasdaq National Market.

### **Amendments to the 2004 Plan**

The Board of Directors may at any time amend, alter, suspend or terminate the 2004 Plan. No amendment, alteration, suspension or termination of the Plan will impair the rights of any optionee, unless mutually agreed otherwise between the optionee and the Committee, which agreement must be in writing and signed by Fiberstars and the optionee. Termination of the 2004 Plan will not affect the Committee's ability to exercise the powers granted to it under the 2004 Plan with respect to options granted under the 2004 Plan prior to the date of such termination.

### **Certain Federal Income Tax Consequences**

Incentive stock options granted under the 2004 Plan will be afforded favorable federal income tax treatment under the Code. If an option is treated as an incentive stock option, the optionee will recognize no income upon grant or exercise of the option unless the alternative minimum tax rules apply. Upon an optionee's sale of the shares (assuming that the sale occurs more than two years after grant of the option and more than one year after exercise of the option), any gain will be taxed to the optionee as long-term capital gain. If the optionee disposes of the shares prior to the expiration of either of the above holding periods, then the optionee will recognize ordinary income in an amount generally measured as the difference between the exercise price and the lower of the fair market value of the shares at the exercise date or the sale price of the shares. Any gain recognized on such a premature sale of the shares in excess of the amount treated as ordinary income will be characterized as capital gain.

All other options granted under the 2004 Plan will be nonstatutory stock options and will not qualify for any special tax benefits to the optionee. An optionee will not recognize any taxable income at the time he or she is granted a nonstatutory stock option. However, upon exercise of the nonstatutory stock option, the optionee will recognize ordinary income for federal income tax purposes in an amount generally measured as the excess of the then fair market value of each share over its exercise price. Upon an optionee's resale of such shares, any difference between the sale price and the fair market value of such shares on the date of exercise will be treated as capital gain or loss and will generally qualify for long term capital gain or loss treatment if the shares have been held for more than one year. The Code provides for reduced tax rates for long term capital gains based on the taxpayer's income and the length of the taxpayer's holding period.

The recipient of a restricted share award will generally recognize ordinary compensation income when such shares are no longer subject to a substantial risk of forfeiture, based on the excess of the value of the shares at that time over the price, if any, paid for such shares. However, if the recipient makes a timely election under the Code to be subject to tax upon the receipt of the shares, the recipient will recognize ordinary compensation income at that time equal to the fair market value of the shares over the price paid, if any, and no further ordinary compensation income will be recognized when the shares vest.

In the case of an exercise of a stock appreciation right or an award of stock units, the recipient will generally recognize ordinary income in an amount equal to any cash received and the fair market value of any shares received on the date of payment or delivery.

Fiberstars is generally entitled to a deduction for Federal income tax purposes equal to the amount of ordinary compensation income recognized by the recipient of an award at the time such income is recognized.

The foregoing does not purport to be a complete summary of the federal income tax considerations that may be relevant to holders of options or restricted shares, or to Fiberstars. It also does not reflect provisions of the income tax laws of any municipality, state or foreign country in which an optionee may reside, nor does it reflect the tax consequences of an optionee's death.

### **Transfer of Control, Reorganizations, Dissolution or Liquidation**

The Committee may determine, at the time of granting an Option or thereafter, that such Option shall become exercisable as to all or part of the Shares subject to such Option in the event that a Change in Control occurs with respect to the Company.

In the event that the Company is a party to a merger or other reorganization, outstanding Awards shall be subject to the agreement of merger or reorganization. Such agreement shall provide for: (i) the continuation of the outstanding Awards by the Company, if the Company is a surviving corporation; (ii) the assumption of the

outstanding Awards by the surviving corporation or its parent or subsidiary; (iii) the substitution by the surviving corporation or its parent or subsidiary of its own awards for the outstanding Awards; (iv) full exercisability or vesting and accelerated expiration of the outstanding Awards; or (v) settlement of the full value of the outstanding Awards in cash or cash equivalents followed by cancellation of such Awards.

The 2004 Plan provides that in the event of the proposed dissolution or liquidation of the Company, to the extent not previously exercised or settled, options granted pursuant to the 2004 Plan will terminate immediately prior to the consummation of the proposed action.

#### **Vote Required and Board of Directors Recommendation**

The affirmative vote of a majority of the votes cast at the Annual Meeting of Shareholders, at which a quorum representing a majority of all outstanding shares of Common Stock of the Company is present and voting, either in person or by proxy, is required for approval of this proposal. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum. Abstentions will have the same effect as a negative vote. Broker non-votes, on the other hand, will have no effect on the outcome of the vote.

The Board of Directors believes that the increase in the share reserve of the 2004 Plan is in the best interests of the Company and the shareholders. THEREFORE, THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF THE INCREASE IN THE SHARE RESERVE OF THE 2004 PLAN.

### PROPOSAL NO. 3: APPROVAL OF AMENDMENT TO 1994 EMPLOYEE STOCK PURCHASE PLAN

#### General

The Company's 1994 Employee Stock Purchase Plan was adopted by the Board in April 1994, approved by the Company's shareholders in May 1994 (the Purchase Plan). The Purchase Plan provides a means by which employees may purchase Common Stock of the Company through payroll deductions. In 1999, the shareholders approved an amendment to the Purchase Plan to increase the number of shares authorized for issuance under the Purchase Plan from 50,000 to 100,000, and the Purchase Plan was amended to reflect such increase on December 7, 2000. As of April 17, 2006 approximately 9,694 shares remained available for future issuance under the Purchase Plan. On March 9, 2006, subject to shareholder approval, the Board increased the number of shares authorized for issuance under the Purchase Plan by 50,000, to a total of 150,000 shares.

#### Description of Plan

The following summary of the Purchase Plan is qualified in its entirety by the specific language of the Purchase Plan, a copy of which is available to any shareholder upon request.

**General.** The Purchase Plan is intended to qualify as an employee stock purchase plan under section 423 of the Code. Each participant in the Purchase Plan is granted at the beginning of each offering under the plan (an Offering) the right to purchase through accumulated payroll deductions up to a number of shares of the Common Stock of the Company (a Purchase Right) determined on the last day of the Offering. The Purchase Right is automatically exercised on the last day of the Offering unless the participant has withdrawn from participation in the Offering or in the Purchase Plan prior to such date.

**Shares Subject to Plan.** Currently, a maximum of 100,000 shares of the Company's Common Stock may be issued under the Purchase Plan, subject to appropriate adjustment in the event of a stock dividend, stock split, reverse stock split, combination, reclassification or similar change in the Company's capital structure or in the event of any merger, sale of assets or other reorganization of the Company. On March 9, 2006, the Board, subject to shareholder approval, amended the Purchase Plan to increase its share reserve by 50,000 to an aggregate of 150,000 shares. The shareholders are now being requested to approve the increase in the Purchase Plan reserve at the Annual Meeting.

**Administration.** The Purchase Plan is administered by the Board or a duly appointed committee of the Board. Subject to the provisions of the Purchase Plan, the Board determines the terms and conditions of Purchase Rights granted under the plan. The Board will interpret the Purchase Plan and Purchase Rights granted thereunder, and all determinations of the Board will be final and binding on all persons having an interest in the Purchase Plan or any Purchase Rights.

**Eligibility.** Any employee of the Company or of any present or future subsidiary corporation of the Company designated by the Board for inclusion in the Purchase Plan as of the first day of the Offering is eligible to participate in an Offering under the plan, so long as the employee is employed for more than 20 hours per week and more than five (5) months in a calendar year. However, no employee shall be granted an option who owns or holds options to purchase, or as a result of participation in the Purchase Plan would own or hold options to purchase, five percent or more of the total combined voting power or value of all classes of stock of the Company or of any parent or subsidiary corporation of the Company is entitled to participate in the Purchase Plan. As of March 31, 2006, the Company had 95 employees that would be eligible to participate in the Purchase Plan.

**Offerings.** Generally, each Offering of Common Stock under the Purchase Plan is for a period of six months (an Offering Period) commencing on or about January 1 and July 1 of each year (an Offering Date). The Board may establish a different term for one or more Offerings or different commencement or ending dates for any Offering Period, so long as such change is announced at least fifteen (15) days prior to the scheduled beginning of the first

Offering to be affected. Generally, shares are purchased on the last day of the Offering Period (a Purchase Date ). The Board may establish Offering Periods of different lengths and commencement dates.

***Participation and Purchase of Shares.*** Participation in an Offering under the Purchase Plan is limited to eligible employees who authorize payroll deductions prior to the Offering Date. Payroll deductions may not exceed 5% (or such other rate as the Board determines) of an employee's compensation on any payday during the Offering Period. Once an employee becomes a participant in the Purchase Plan, that employee will automatically participate

in each successive Offering Period until such time as the employee withdraws from the Purchase Plan, becomes ineligible to participate, or terminates employment. Subject to certain limitations, each participant in an Offering has a Purchase Right equal to the number of whole shares determined by dividing \$12,500 by the fair market value of a share of Common Stock on the Offering Date. However, no participant may purchase under the Purchase Plan shares of Common Stock having a fair market value exceeding \$25,000 in any calendar year (measured by the fair market value of the Company's Common Stock on the first day of the Offering Period in which the shares are purchased).

On each Purchase Date, the Company issues to each participant in the Offering the number of shares of the Company's Common Stock determined by dividing the amount of payroll deductions accumulated for the participant during the Offering Period by the purchase price, limited in any case by the number of shares subject to the participant's Purchase Right for that Offering. The price at which shares are sold under the Purchase Plan is equal to 85% of the lesser of the fair market value per share of the Company's Common Stock on the Offering Date or on the Purchase Date. The fair market value of the Common Stock on any relevant date is established by the Board based on the closing price per share on such date as reported on the Nasdaq National Market. Any payroll deductions under the Purchase Plan not applied to the purchase of shares will be returned to the participant, unless the amount remaining is less than the amount necessary to purchase a whole share of Common Stock, in which case the remaining amount may be applied to the next Offering Period.

A participant may withdraw from an Offering at any time without affecting his or her eligibility to participate in future Offerings. However, once a participant withdraws from an Offering, that participant may not again participate in the same Offering.

***Transfer of Control.*** The Purchase Plan provides that, in the event of (i) a proposed sale of all or substantially all of the assets of the Company, or (ii) a merger of the Company with or into another corporation (a "Transfer of Control"), the acquiring or successor corporation will assume the Company's rights and obligations under the Purchase Plan or substitute equivalent Purchase Rights for such corporation's stock, unless the Board in its sole discretion adjusts the next Purchase Date to a date on or before the date of the Transfer of Control. In the event of a proposed dissolution or liquidation of the Company, the Offering Period will terminate unless otherwise provided by the Board.

***Termination or Amendment.*** The Purchase Plan will continue in effect for a term of 20 years unless it is terminated by the Board prior to such date. The Board may at any time amend or terminate the Purchase Plan, except that the approval of the Company's shareholders is required within twelve months of the adoption of any amendment increasing the number of shares authorized for issuance under the Purchase Plan, or changing the definition of the corporations which may be designated by the Board as corporations the employees of which may participate in the Purchase Plan.

### **Summary of United States Federal Income Tax Consequences**

The following summary is intended only as a general guide as to the United States federal income tax consequences under current law of participation in the Purchase Plan and does not attempt to describe all possible federal or other tax consequences of such participation or tax consequences based on particular circumstances.

Generally, there are no tax consequences to an employee of either becoming a participant in the Purchase Plan or purchasing shares under the Purchase Plan. The tax consequences of a disposition of shares vary depending on the period such stock is held before its disposition. If a participant disposes of shares within two years after the Offering Date or within one year after the Purchase Date on which the shares are acquired (a "disqualifying disposition"), the participant recognizes ordinary income in the year of disposition in an amount equal to the difference between the fair market value of the shares on the Purchase Date and the purchase price. Such income may be subject to withholding of tax. Any additional gain or resulting loss recognized by the participant from the disposition of the shares is a capital gain or loss. If the participant disposes of shares at least two years after the Offering Date and at least one year after the Purchase Date on which the shares are acquired, the participant recognizes ordinary income in the year of

disposition in an amount equal to the lesser of (i) the difference between the fair market value of the shares on the date of disposition and the purchase price or (ii) 15% of the fair market value of the shares on the Offering Date. Any additional gain recognized by the participant on the disposition of the shares is a capital gain. If the fair market value of the shares on the date of disposition is less than the purchase price, there is no ordinary income, and the loss recognized is a capital loss. If the participant owns the shares at the time of the participant s

death, the lesser of (i) the difference between the fair market value of the shares on the date of death and the purchase price or (ii) 15% of the fair market value of the shares on the Offering Date is recognized as ordinary income in the year of the participant's death.

If the exercise of a Purchase Right does not constitute an exercise pursuant to an employee stock purchase plan under section 423 of the Code, the exercise of the Purchase Right will be treated as the exercise of a nonstatutory stock option. The participant would therefore recognize ordinary income on the Purchase Date equal to the excess of the fair market value of the shares acquired over the purchase price. Such income is subject to withholding of income and employment taxes. Any gain or loss recognized on a subsequent sale of the shares, as measured by the difference between the sale proceeds and the sum of (i) the purchase price for such shares and (ii) the amount of ordinary income recognized on the exercise of the Purchase Right, will be treated as a capital gain or loss, as the case may be.

A capital gain or loss will be long-term if the participant holds the shares for more than 12 months and short-term if the participant holds the shares for 12 months or less. Long-term capital gains are currently subject to a maximum tax rate of 20%. Short-term capital gains are generally subject to the same tax rates as ordinary income.

If the participant disposes of the shares in a disqualifying disposition the Company should be entitled to a deduction equal to the amount of ordinary income recognized by the participant as a result of the disposition, except to the extent such deduction is limited by applicable provisions of the Code or the regulations thereunder. In all other cases, no deduction is allowed the Company.

### **Changed Plan Benefits**

Because benefits under the Purchase Plan will depend on employees' elections to participate and the fair market value of the Company's Common Stock at various future dates, it is not possible to determine the benefits that will be received by executive officers and other employees if the Purchase Plan is approved by the stockholders. Nonemployee directors are not eligible to participate in the Purchase Plan. As a point of reference, the numbers of shares of Common Stock purchased under the Purchase Plan by certain persons in the last fiscal year are as follows: Mr. Greenwald purchased 612 shares. All current employees, including officers who are not executive officers, as a group purchased 3,924 shares. No shares were purchased under the 1994 Purchase Plan by any directors who are not executive officers, any other nominees for election as directors or any associates of such directors or nominees or of any executive officers, and no person has purchased five percent or more of the total number of shares issued under the Purchase Plan.

### **Vote Required and Board's Recommendation**

The affirmative vote of a majority of the votes present or represented by proxy and entitled to a vote at the Annual Meeting, at which a quorum representing a majority of all outstanding shares of Common Stock of the Company is present and voting, is required for approval of this proposal. Abstentions and broker nonvotes will each be counted present for purposes of determining the presence of a quorum, but will have no effect on the outcome of the vote.

The Board believes that the availability of an opportunity to purchase shares under the Purchase Plan at a discount from market price is important to attracting and retaining qualified officers and employees essential to the success of the Company, and that stock ownership is important to providing such persons with incentive to perform in the best interest of the Company.

THEREFORE, THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE PROPOSAL TO APPROVE THE INCREASE IN THE NUMBER OF SHARES RESERVED FOR ISSUANCE UNDER THE 1994 EMPLOYEE STOCK PURCHASE PLAN TO 150,000 SHARES.

## **PROPOSAL NO. 4: APPROVAL OF REINCORPORATION IN DELAWARE**

For the reasons set forth below, the Board of Directors believes that the best interests of Fiberstars and its shareholders will be served by changing the state of incorporation of Fiberstars from California to Delaware, referred to in this proxy statement as the Reincorporation Proposal. In proposing the reincorporation, the Board has purposefully set the proposed certificate of incorporation and bylaws to include provisions commonly maintained by companies incorporated in Delaware and friendly to shareholders to maximize management efficiency, maximize value for Fiberstars and preserve shareholder rights.

Shareholders are urged to read carefully the following sections of this Proxy Statement, including the related appendices, before voting on the Reincorporation Proposal. Throughout this Proxy Statement, the term Fiberstars California refers to the existing California corporation and the term Fiberstars Delaware refers to a wholly-owned Delaware subsidiary of Fiberstars California and the proposed successor to Fiberstars California.

### **Principal Reasons for Reincorporation**

The Board of Directors believes that any direct benefit that Delaware law provides to a corporation indirectly benefits the shareholders, who are the owners of the corporation. The Board believes that there are several reasons why a reincorporation to Delaware is in the best interests of Fiberstars and its shareholders. As explained in more detail below, these reasons can be summarized as follows:

***Prominence, Predictability, and Flexibility of Delaware Law.*** For many years Delaware has followed a policy of encouraging incorporation in its state and, in furtherance of that policy, has been a leader in adopting, construing, and implementing comprehensive, flexible corporate laws responsive to the legal and business needs of corporations organized under its laws. Many corporations have chosen Delaware initially as a state of incorporation or have subsequently changed corporate domicile to Delaware in a manner similar to that proposed by the Company. Because of Delaware's prominence as the state of incorporation for many major corporations, both the legislature and courts in Delaware have demonstrated the ability and a willingness to act quickly and effectively to meet changing business needs. The Delaware courts have developed considerable expertise in dealing with corporate issues, and a substantial body of case law has developed construing Delaware law and establishing public policies with respect to corporate legal affairs.

***Well Established Principles of Corporate Governance.*** There is substantial judicial precedent in the Delaware courts as to the legal principles applicable to measures that may be taken by a corporation and to the conduct of a corporation's board of directors, such as under the business judgment rule and other standards. The Company believes that its shareholders will benefit from the well established principles of corporate governance that Delaware law affords.

***Increased Ability to Attract and Retain Qualified Directors.*** Both California and Delaware law permit a corporation to include a provision in the charter to reduce or eliminate the monetary liability of directors for breaches of fiduciary duty in certain circumstances. The frequency of claims and litigation pursued against directors and officers has greatly expanded the risks facing directors and officers of corporations in carrying out their respective duties. The amount of time and money required to respond to such claims and to defend such litigation can be substantial. We believe that, in general, Delaware law regarding a corporation's ability to limit director liability is more developed and provides more guidance than California law. As a result, we believe that the more favorable corporate environment afforded by Delaware will enable it to compete more effectively with other public companies in attracting and retaining new directors.

### **Prominence, Predictability, and Flexibility of Delaware Law**

In June of 2005, Fiberstars announced the 2005 reorganization and restructuring of Fiberstars and the plan to relocate Fiberstars headquarters to its existing facility in Solon, Ohio. The Board of Directors continued focus on enhanced corporate governance prompted Fiberstars to explore reincorporating in the state of Delaware due to Delaware's reputation for progressive principles of corporate governance. In comparing the corporate laws of California and Delaware, Fiberstars noted that Delaware offers more comprehensive, flexible corporate laws that are responsive to the legal and business needs of corporations. Additionally, while Fiberstars is currently unaware of any hostile attempts to acquire control of Fiberstars, it believes that Delaware law is better suited than California law to protect shareholders' interests in the event of an unsolicited takeover attempt. As Fiberstars plans for the future,

the Board and management believe that it is essential to be able to draw upon comprehensive, flexible corporate laws responsive to the current and future legal and business needs of Fiberstars.

The Board of Directors and management also considered the following benefits of Delaware's corporate legal framework in deciding to propose reincorporating in Delaware:

- the Delaware General Corporation Law, which is generally acknowledged to be the most advanced and flexible corporate statute in the country;
- the Delaware General Assembly, which annually considers and adopts statutory amendments that the Corporation Law Section of the Delaware State Bar Association proposes in an effort to ensure that the corporate statute continues to be responsive to the changing needs of businesses;
- the Delaware Court of Chancery, which handles complex corporate issues with a level of experience and a degree of sophistication and understanding unmatched by any other court in the country, and the highly regarded Delaware Supreme Court;
- the well-established body of case law construing Delaware law, which has developed over the last century and which provides businesses with a greater predictability than most, if not all, other jurisdictions provide; and
- the responsiveness and efficiency of the Division of Corporations of the Secretary of State of Delaware.

#### **Increased Ability to Attract and Retain Qualified Directors**

Fiberstars has a relatively small market capitalization compared to many other publicly-traded companies, including companies in the industries in which Fiberstars competes. In the view of the Board and the management, this results in Fiberstars facing significant competition for qualified and experienced independent directors. The current corporate governance environment and the additional requirements under the Sarbanes-Oxley Act of 2002, SEC rules and NASDAQ rules place a premium on publicly-traded corporations having experienced independent directors. Accordingly, there is an increased demand for highly qualified independent directors. At the same time, the current environment has increased the scrutiny on director actions and the perception of increased liability of independent directors. As a result, the Board of Directors believes that fewer qualified persons are willing to serve as independent directors, particularly on boards of smaller public companies, and qualified directors are choosing to serve on fewer boards.

Although Fiberstars has not yet experienced insurmountable difficulty in attracting and retaining experienced, qualified directors, as competition for qualified independent directors increases, it is reasonable to expect that directors will choose to join or remain with boards of directors of corporations with the most favorable corporate environment. The Board of Directors believes that reincorporation in Delaware will enhance Fiberstars' ability to attract and retain directors. The vast majority of public corporations are domiciled in Delaware. Not only is Delaware law most familiar to directors, Delaware law provides, as noted above, greater flexibility, predictability, and

responsiveness to corporate needs and, as noted below, more certainty regarding indemnification and limitation of liability of directors, all of which will enable the directors to act in the best interest of Fiberstars. As a result, the Board of Directors believes that the more favorable corporate environment afforded by Delaware will enable Fiberstars to compete more effectively with other public companies, most of whom are already incorporated in Delaware, to retain Fiberstars' current directors and attract and retain new directors.

### **More Certainty Regarding Indemnification and Limitation of Liability for Directors**

In general, both California and Delaware permit a corporation to include a provision in its charter which reduces or limits the monetary liability of directors for breaches of fiduciary duties with certain exceptions further discussed in *Limitation of Liability Compare and Contrast* below. The increasing frequency of claims and litigation directed against directors and officers has greatly expanded the risks facing directors and officers of corporations in exercising their respective duties. The amount of time and money required to respond to such claims and to defend such litigation can be substantial and distracting to the directors and officers. The reduction of these risks to its directors and officers and corresponding limitation on situations in which monetary damages can be recovered against directors may be important in allowing Fiberstars to continue to attract and retain qualified directors. In addition, enhanced protection of directors is expected to reduce the extent to which directors, due to the threat of

personal liability, are inhibited from making business decisions which, though entailing some degree of risk, are in the best interests of Fiberstars and its shareholders. Fiberstars believes that, in general, Delaware law provides greater protection to directors than California law, and that Delaware case law regarding a corporation's ability to limit director liability is more developed and provides more guidance than California law. However, the shareholders should be aware that such protection and limitation of liability inure to the benefit of the directors, and the interest of the Board in recommending the reincorporation may therefore be in conflict with the interests of the shareholders. See Indemnification and Limitation of Liability.

### **Implementation of Reincorporation**

The discussion contained in this Reincorporation Proposal is qualified in its entirety by reference to the form of Certificate of Incorporation of Fiberstars Delaware, form of Bylaws of Fiberstars Delaware, form of Agreement and Plan of Merger (referred to as the Merger Agreement), and form of Shareholder Rights Plan of Fiberstars Delaware (referred to as the Rights Plan,) copies of which are attached to this proxy statement as Appendices A, B, C and D, respectively.

Fiberstars California's capital stock consists of 30,000,000 authorized shares of common stock, \$0.0001 par value, of which [11,310,910] shares were issued and outstanding as of April 15, 2006, and 2,000,000 authorized shares of preferred stock, \$0.0001 par value, none of which were outstanding as of April 15, 2006. On the effective date of the reincorporation, Fiberstars Delaware will have the same number of outstanding shares of common stock that Fiberstars California had outstanding immediately prior to the effective date of the reincorporation.

If the Reincorporation Proposal is approved and the reincorporation is completed, Fiberstars Delaware's capital stock will consist of 30,000,000 authorized shares of common stock, \$0.0001 par value per share, and 2,000,000 shares of preferred stock, \$0.0001 par value per share, which will be consistent with maintaining adequate capitalization for the current needs of Fiberstars.

The Reincorporation Proposal will be effected by merging Fiberstars California into Fiberstars Delaware (referred to as the Merger). Upon completion of the Merger, Fiberstars California will cease to exist and Fiberstars Delaware will continue the business of Fiberstars under the name Fiberstars, Inc. Pursuant to the Merger Agreement, upon the effective date of the Merger, (1) each outstanding share of Fiberstars California common stock, \$0.0001 par value, will automatically be converted into one share of Fiberstars Delaware common stock, \$0.0001 par value; (2) each Series A Participating Purchase Right will automatically be converted into a Series A Participating Preferred Purchase Right for the same number of shares of Series A Participating Preferred Stock of Fiberstars Delaware; and (3) each outstanding option to purchase Fiberstars California common stock, including options previously granted under the 1994 Stock Option Plan, as amended, and the 1994 Directors Stock Option Plan, as amended, and options previously granted and to be granted in the future under the 2004 Stock Incentive Plan, as amended (if approved by the shareholders (the "Stock Plans"), will automatically be assumed by Fiberstars Delaware and will represent an option to acquire shares of Fiberstars Delaware common stock on the basis of one share of Fiberstars Delaware common stock for each one share of Fiberstars California common stock and at an exercise price equal to the exercise price of the Fiberstars California option. Each certificate representing issued and outstanding shares of Fiberstars California common stock will represent the same number of shares of common stock of Fiberstars Delaware, respectively, into which such shares are converted by virtue of the Merger. In addition, each Series A Participating Preferred Stock Purchase Right to purchase Series A Participating Preferred Stock of Fiberstars California currently represented by such Certificate, will automatically convert to a Series A Participating Preferred Stock Purchase Right to purchase the same number of shares of Series A Participating Preferred Stock of Fiberstars Delaware represented by such certificate. IT WILL NOT BE NECESSARY FOR SHAREHOLDERS OF FIBERSTARS CALIFORNIA TO EXCHANGE THEIR EXISTING STOCK CERTIFICATES FOR STOCK CERTIFICATES OF FIBERSTARS DELAWARE. HOWEVER, SHAREHOLDERS MAY EXCHANGE THEIR CERTIFICATE IF THEY SO CHOOSE. Fiberstars Delaware common stock will be traded on NASDAQ under the same symbol used by Fiberstars California prior to the Merger, namely FBST.

Under California law, the affirmative vote of holders of a majority of the outstanding shares of Fiberstars common stock is required for approval of the terms of the Reincorporation Proposal. See Required Vote. **The Reincorporation Proposal has been approved by Fiberstars California's Board of Directors, which unanimously recommends a vote in favor of such proposal.** If approved by the shareholders, it is anticipated that the Reincorporation Proposal will become effective on a date, referred to as the Effective Date, as soon as practicable after the annual meeting. However, pursuant to the Merger Agreement, the Merger may be abandoned or

the Merger Agreement may be amended (except that the principal terms may not be amended without shareholder approval) either before or after shareholder approval has been obtained and prior to the Effective Date if, in the opinion of the Board of Directors of either Fiberstars California or Fiberstars Delaware, circumstances arise which make it inadvisable to proceed otherwise.

Shareholders of Fiberstars California will not have dissenters' appraisal rights if the Reincorporation Proposal is approved by such shareholders. For a discussion of California's appraisal rights generally, see Significant Differences between the Corporation Laws of California and Delaware Appraisal Rights.

APPROVAL BY THE SHAREHOLDERS OF THE REINCORPORATION PROPOSAL WILL CONSTITUTE APPROVAL OF THE CERTIFICATE OF INCORPORATION AND BYLAWS OF FIBERSTARS DELAWARE AND OF THE MERGER AGREEMENT IN SUBSTANTIALLY THE FORMS ATTACHED HERETO AS APPENDICES A, B, AND C, RESPECTIVELY. APPROVAL BY THE SHAREHOLDERS OF THE REINCORPORATION PROPOSAL WILL ALSO CONSTITUTE APPROVAL OF THE ASSUMPTION BY FIBERSTARS DELAWARE OF FIBERSTARS CALIFORNIA'S EMPLOYEE BENEFIT PLANS AND STOCK PLANS AND THE RIGHTS PLAN.

### **Series A Participating Preferred Purchase Rights**

The Series A Participating Preferred Purchase Rights to purchase Series A Participating Preferred shares of Fiberstars California will be automatically converted into Series A Participating Preferred Purchase Rights of Fiberstars Delaware. The terms of the Series A Participating Preferred stock of Fiberstars California and Fiberstars Delaware are essentially identical. The Purchase Rights for the Fiberstars Delaware Series A Participating Preferred stock are governed by a Rights Agreement between Fiberstars Delaware and Mellon Investor Services LLC, which is essentially identical to the Rights Agreement governing the Fiberstars California Series A Participating Preferred Purchase Rights.

The differences in the texts of the Certificate of Designation and the Rights Plan reflect:

- 

The fact that the rights under Fiberstars Delaware Rights Plan arose from the Merger, and not from a dividend to shareholders.

- 

Certain specific exceptions regarding ownership of Fiberstars California common stock by Advanced Lighting Technologies, Inc. have expired in accordance with their terms and have been omitted from the Fiberstars Delaware Rights Plan.

The following is a summary of the rights under the Fiberstars Delaware Rights Plan.

On September 12, 2001, the Board of Directors of Fiberstars a California corporation, declared a dividend distribution of one Right for each outstanding share of common stock of Fiberstars California to shareholders of record at the close of business on September 26, 2001). Upon the merger of Fiberstars California into Fiberstars Delaware each outstanding right will be automatically converted into a Right of like tenor of Fiberstars Delaware. Except as set forth below, each Right, when exercisable, entitles the registered holder to purchase from Fiberstars Delaware one one-thousandth of a share of a new series of preferred stock, designated as Series A Participating Preferred Stock (the Preferred Stock), at a price of Thirty Dollars (\$30.00) per one one-thousandth of a share (the Purchase Price), subject to adjustment. The description and terms of the Rights are set forth in a Rights Agreement (the Rights Agreement) between Fiberstars Delaware and Mellon Investor Services LLC, as Rights Agent.

Initially, the Rights will be attached to all Common Stock certificates representing shares then outstanding, and no separate Rights certificates will be distributed. The Rights will separate from the Common Stock and a Distribution Date will occur upon the earliest of the following: (i) a public announcement that a person, entity or group of affiliated or associated persons and/or entities (an Acquiring Person ) has acquired, or obtained the right to acquire, beneficial ownership of fifteen percent (15%) or more of the outstanding shares of Common Stock (other than (A) as a result of repurchases of stock by Fiberstars Delaware or certain inadvertent actions by institutional or certain other shareholders, (B) Fiberstars Delaware, any subsidiary of Fiberstars Delaware or any employee benefit plan of Fiberstars Delaware or any subsidiary, and (C) certain other instances set forth in the Rights Agreement); or (ii) ten (10) business days (unless such date is extended by the Board of Directors) following the commencement of a tender offer or exchange offer which would result in any person, entity or group of affiliated or associated persons and/or entities becoming an Acquiring Person (unless such tender offer or exchange offer is a Permitted Offer (defined below)).

Until the Distribution Date (or earlier redemption or expiration of the Rights, if applicable), (i) the Rights will be evidenced by certificates for Common Stock and will be transferred only with such Common Stock certificates, (ii) new Common Stock certificates issued after the Merger Date upon transfers or new issuances of the Common Stock will contain a notation incorporating the Rights Agreement by reference and (iii) the surrender for transfer of any certificates for outstanding Common Stock will also constitute the transfer of the Rights associated with such Common Stock. As soon as practicable following the Distribution Date, separate certificates evidencing the Rights ( Rights Certificates ) will be mailed to holders of record of the Common Stock as of the close of business on the Distribution Date, and the separate Rights Certificates alone will evidence the Rights.

The Rights are not exercisable until the Distribution Date. The Rights will expire on the earliest of (i) September 20, 2011, (ii) consummation of a merger transaction with a person, entity or group who (x) acquired Common Stock pursuant to a Permitted Offer (as defined below) and (y) is offering in the merger the same price per share and form of consideration paid in the Permitted Offer or (iii) redemption or exchange of the Rights by Fiberstars Delaware as described below.

The number of Rights associated with each share of Common Stock shall be proportionately adjusted to prevent dilution in the event of a stock dividend on, or a subdivision, combination or reclassification of, the Common Stock. The Purchase Price payable, and the number of one one-thousandths of a share of Preferred Stock or other securities or property issuable, upon exercise of the Rights are subject to adjustment from time to time to prevent dilution (i) in the event of a stock dividend on, or a subdivision, combination or reclassification of the Preferred Stock, (ii) upon the grant to holders of the Preferred Stock of certain rights, options or warrants to subscribe for Preferred Stock, certain convertible securities or securities having the same or more favorable rights, privileges and preferences as the Preferred Stock at less than the current market price of the Preferred Stock or (iii) upon the distribution to holders of the Preferred Stock of evidences of indebtedness or assets (excluding regular quarterly cash dividends out of earnings or retained earnings) or of subscription rights, options or warrants (other than those referred to above). With certain exceptions, no adjustments in the Purchase Price will be required until cumulative adjustments require an adjustment of at least one percent (1%) in such Purchase Price.

In the event that, after the first date of public announcement by Fiberstars Delaware or an Acquiring Person that an Acquiring Person has become such, Fiberstars Delaware is involved in a merger or other business combination transaction (whether or not Fiberstars Delaware is the surviving corporation) or fifty percent (50%) or more of Fiberstars Delaware's assets or earning power are sold (in one transaction or a series of transactions), proper provision shall be made so that each holder of a Right (other than an Acquiring Person) shall thereafter have the right to receive, upon the exercise thereof at the then current Purchase Price, that number of shares of common stock of either Fiberstars Delaware, in the event that it is the surviving corporation of a merger or consolidation, or the acquiring company (or, in the event there is more than one acquiring company, the acquiring company receiving the greatest portion of the assets or earning power transferred) which at the time of such transaction would have a market value of two (2) times the Purchase Price (such right being called the Merger Right ). In the event that a person, entity or group becomes an Acquiring Person (unless pursuant to a tender offer or exchange offer for all outstanding shares of Common Stock at a price and on terms determined prior to the date of the first acceptance of payment for any of such shares by at least a majority of the members of the Board of Directors who are not officers of Fiberstars Delaware and are not Acquiring Persons (or affiliated or associated persons and/or entities thereof) to be fair to and in the best interests of Fiberstars Delaware and its shareholders (a Permitted Offer )), then proper provision shall be made so that each holder of a Right will, for a sixty (60) day period (subject to extension under certain circumstances) thereafter, have the right to receive upon exercise that number of shares of Common Stock (or, at the election of Fiberstars Delaware, which election may be obligatory if sufficient authorized shares of Common Stock are not available, a combination of Common Stock, property, other securities (e.g., Preferred Stock) and/or cash (including by way of a reduction in the Purchase Price)) having a market value of two (2) times the Purchase Price (such right being called the Subscription Right ). The holder of a Right will continue to have the Merger Right whether or not such holder exercises the Subscription Right. Notwithstanding the foregoing, upon the occurrence of any of the events giving rise to the exercisability of the Merger Right or the Subscription Right, any Rights that are or were at any time after the

Distribution Date owned by an Acquiring Person (or affiliated or associated persons and/or entities thereof) shall immediately become null and void.

At any time prior to the earlier to occur of (i) a person, entity or group becoming an Acquiring Person or (ii) the expiration of the Rights, Fiberstars Delaware may redeem the Rights in whole, but not in part, at a price of \$0.001 per Right (the Redemption Price ), which redemption shall be effective upon the action of the Board of Directors. Additionally, Fiberstars Delaware may, following a person, entity or group becoming an Acquiring Person, redeem

the then outstanding Rights in whole, but not in part, at the Redemption Price (i) if such redemption is incidental to a merger or other business combination transaction or series of transactions involving Fiberstars Delaware but not involving an Acquiring Person (or certain related persons and/or entities) or (ii) following an event giving rise to, and the expiration of the exercise period for, the Subscription Right if and for as long as the Acquiring Person triggering the Subscription Right beneficially owns securities representing less than fifteen percent (15%) of the outstanding shares of Common Stock and at the time of redemption there are no other Acquiring Persons. The redemption of Rights described in the preceding sentence shall be effective only as of such time when the Subscription Right is not exercisable. Upon the effective date of the redemption of the Rights, the right to exercise the Rights will terminate and the only right of the holders of Rights will be to receive the Redemption Price.

Subject to applicable law, the Board of Directors, at its option, may at any time after a person, group or entity becomes an Acquiring Person (but not after the acquisition by such Acquiring Person of fifty percent (50%) or more of the outstanding shares of Common Stock), exchange all or part of the then outstanding and exercisable Rights (except for Rights which have become void) for shares of Common Stock at a rate of one share of Common Stock per Right (subject to adjustment) or, alternatively, for substitute consideration consisting of cash, securities of Fiberstars Delaware or other assets (or any combination thereof).

The Preferred Stock purchasable upon exercise of the Rights will be nonredeemable and junior to any other series of preferred stock Fiberstars Delaware may issue (unless otherwise provided in the terms of such stock). Each share of Preferred Stock will have a preferential quarterly dividend in an amount equal to 1,000 times the dividend declared on each share of Common Stock, but in no event less than \$25.00. In the event of liquidation, the holders of shares of Preferred Stock will receive a preferred liquidation payment equal, per share, to the greater of \$1,000.00 or 1,000 times the payment made per share of Common Stock. Each share of Preferred Stock will have 1,000 votes, voting together with the shares of Common Stock. In the event of any merger, consolidation or other transaction in which shares of Common Stock are exchanged, each share of Preferred Stock will be entitled to receive 1,000 times the amount and type of consideration received per share of Common Stock. The rights of the Preferred Stock as to dividends, liquidation and voting, and in the event of mergers and consolidations, are protected by customary antidilution provisions. Fractional shares of Preferred Stock will be issuable; *however*, Fiberstars Delaware may elect to (i) distribute depositary receipts in lieu of such fractional shares and (ii) make an adjustment in cash, in lieu of fractional shares other than fractions that are multiples of one one-thousandth of a share, based on the market price of the Preferred Stock prior to the date of exercise.

Until a Right is exercised, the holder thereof, as such, will have no rights as a shareholder of Fiberstars Delaware, including, without limitation, the right to vote or to receive Fiberstars Delaware dividends. Holders of Rights may, depending upon the circumstances, recognize taxable income in the event (i) that the Rights become exercisable for (x) Common Stock or Preferred Stock (or other consideration) or (y) common stock of an acquiring company in the instance of the Merger Right as set forth above or (ii) of any redemption or exchange of the Rights as set forth above.

Fiberstars Delaware and the Rights Agent retain broad authority to amend the Rights Agreement; *however*, following any Distribution Date any amendment may not adversely affect the interests of holders of Rights.

A copy of the Rights Agreement and the Certificate of Designation of the Series A Participating Preferred Stock of Fiberstars Delaware are attached as appendices D and E to the Proxy Statement regarding the Merger. THIS SUMMARY DESCRIPTION OF THE RIGHTS AND SERIES A PARTICIPATING PREFERRED STOCK DOES NOT PURPORT TO BE COMPLETE AND IS QUALIFIED IN ITS ENTIRETY BY REFERENCE TO THE RIGHTS AGREEMENT CERTIFICATE OF DESIGNATION, WHICH IS INCORPORATED HEREIN BY REFERENCE.

**No Change Will Be Made in the Name, Business or Physical Location of Fiberstars**

The Reincorporation Proposal will effect only a change in the legal domicile of Fiberstars California and other changes of a legal nature, certain of which are described in this Proxy Statement. The reincorporation will NOT result in any significant change in the name, business, management, fiscal year, accounting, location of the principal executive offices, assets or liabilities of Fiberstars California. The current directors of Fiberstars California will continue as directors of Fiberstars Delaware. All employee benefit plans of Fiberstars California will be continued by Fiberstars Delaware. Shareholders should note that approval of the Reincorporation Proposal will also constitute approval of the assumption by Fiberstars Delaware of the Stock Plans and the options and other rights to purchase

Fiberstars California capital stock. Fiberstars California's other employee benefit arrangements will also be continued by Fiberstars Delaware upon the terms and subject to the conditions in effect prior to the Merger.

Prior to the Effective Date of the Merger, Fiberstars will seek to obtain any requisite consents to the Merger from parties with whom it may have material contractual arrangements. Assuming such consents are obtained, Fiberstars California's rights and obligations under such material contractual arrangements will continue and be assumed by Fiberstars Delaware.

### **Anti-Takeover Implications**

Delaware, like many other states, permits a corporation to adopt a number of measures through amendment of the corporate charter or bylaws or otherwise, which are designed to reduce a corporation's vulnerability to unsolicited takeover attempts. The Reincorporation Proposal is not being proposed to prevent an unsolicited takeover attempt, and the Board of Directors is not aware of any present hostile attempt by any person to acquire control of Fiberstars, obtain representation on the Board of Directors or take any action that would materially affect the corporate governance of Fiberstars.

Certain effects of the Reincorporation Proposal may be considered to have anti-takeover implications. Section 203 of the Delaware General Corporation Law, from which Fiberstars Delaware does NOT intend to opt out, restricts certain business combinations with interested shareholders for three years following the date that a person becomes an interested shareholder, unless the Board of Directors approves the business combination. For a detailed discussion of Section 203 of the Delaware General Corporation Law, see [Significant Differences Between the Corporation Laws of California and Delaware](#) Shareholder Approval of Certain Business Combinations.

The Certificate of Incorporation and Bylaws of Fiberstars Delaware is substantially similar to the Articles of Incorporation and Bylaws of Fiberstars California. However, Fiberstars Delaware's Certificate of Incorporation does not include a provision which allows cumulative voting. Under California law, the right to cumulative voting is automatic. Absent such provision in Fiberstars Delaware's Certificate of Incorporation, cumulative voting would not be permitted under Delaware law. Cumulative voting may allow a minority shareholder or group of shareholders to elect at least one member of the board. The elimination of cumulative voting may impede the efforts of a shareholder or group of shareholders attempting a hostile takeover to gain board representation. For a detailed discussion of cumulative voting, see [Significant Differences in the Charters and Bylaws of Fiberstars California](#) Cumulative Voting .

Shareholders should take note that there are certain provisions of the Certificate of Incorporation and Bylaws of Fiberstars Delaware that may have the effect of inhibiting hostile takeovers and that exist in substantially the same form in the Articles of Incorporation and Bylaws of Fiberstars California. For example, both the Certificate of Incorporation of Fiberstars Delaware and the Articles of Incorporation of Fiberstars California provide for blank check preferred stock, which allows the board to issue preferred stock with terms, provisions and rights that make more difficult, and therefore less likely, a hostile takeover. In addition, the Series A Participating Preferred Purchase Rights, and the Rights Plan, adopted in essentially identical form by Fiberstars California and Fiberstars Delaware, provide shareholders with certain rights that make more difficult and expensive, and therefore less likely, a hostile takeover.

After careful evaluation of Fiberstars California's anti-takeover profile, in light of the fact that Fiberstars does not have a classified board or charter provisions that allow shareholders to act by written consent, but conversely, it does have a Rights Plan and allows for 10% shareholders to call special meetings, the Board concluded that Fiberstars California has adopted moderate anti-takeover mechanisms to protect Fiberstars against undervalued unsolicited bids. Opting out of Section 203 of the Delaware General Corporation Law would further minimize the ability of Fiberstars Delaware's Board and management to negotiate takeover bids to achieve maximum value for the corporation and its shareholders. If a significant percentage of Fiberstars' outstanding common stock is held by a small number of shareholders, a small number of shareholders may be able to render the requisite level of shareholder approval with respect to a transaction

with terms acceptable to such shareholders that affects all shareholders of Fiberstars. For this reason, maintaining the ability of the Board and management to represent the interests of all shareholders in the negotiation of takeover transactions is particularly important.

The Board of Directors believes that unsolicited takeover attempts can seriously disrupt the business and management of a corporation and may be unfair or disadvantageous to the corporation and its shareholders because:

- a non-negotiated takeover bid may be timed to take advantage of temporarily depressed stock prices;
- a non-negotiated takeover bid may be designed to foreclose or minimize the possibility of more favorable competing bids; and
- a non-negotiated takeover bid may involve the acquisition of only a controlling interest in the corporation's stock, without affording all shareholders the opportunity to receive the same economic benefits.

By contrast, board-approved transactions can be carefully planned and undertaken at an opportune time to obtain maximum value for the corporation and its shareholders, with due consideration to matters such as capturing the value from longer term strategies, the recognition or postponement of gain or loss for tax purposes or possible advantages from a tax-free reorganization, the management and business of the acquiring corporation, the underlying and long-term values of assets, the possibilities for alternative transactions on more favorable terms, anticipated favorable developments in the corporation's business not yet reflected in the stock price and equality of treatment of all shareholders.

Despite the belief of the Board of Directors as to the benefits to its shareholders of the Reincorporation Proposal, it may be disadvantageous to the extent that it has the effect of discouraging a future takeover attempt which is not approved by the Board of Directors, but which a majority of the shareholders may deem to be in their best interests or in which shareholders may receive a substantial premium for their shares over the then current market value or over their cost basis in such shares. As a result of such effects of the Reincorporation Proposal, shareholders who might wish to participate in a tender offer may not have an opportunity to do so. In addition, to the extent that the Reincorporation Proposal enables the Board of Directors to resist a takeover or a change in control of Fiberstars, the proposal could make it more difficult to change the existing Board of Directors and management.

### **Possible Disadvantages**

Despite the unanimous belief of the Board of Directors that the Reincorporation Proposal is in the best interests of Fiberstars California and its shareholders, it should be noted that Delaware law has been criticized by some commentators on the grounds that it does not afford minority shareholders the same substantive rights and protections as are available in a number of other states. It should be noted that the interests of the Board of Directors, management and affiliated shareholders in voting on the Reincorporation Proposal may not be the same as those of unaffiliated shareholders. For a comparison of shareholders' rights and the powers of management under Delaware and California law, see [Significant Difference in the Charters and Bylaws of Fiberstars California and Fiberstars Delaware](#) and [Significant Differences Between the Corporation Laws of California and Delaware](#).

### **Significant Difference in the Charters and Bylaws of Fiberstars California and Fiberstars Delaware**

With certain exceptions, the provisions of the Fiberstars Delaware Certificate of Incorporation and Bylaws are similar to those of the Fiberstars California Articles of Incorporation and Bylaws. The Board of Directors has purposefully set the proposed Fiberstars Delaware Certificate of Incorporation and Bylaw provisions at a modest level, commonly maintained by companies incorporated in Delaware and friendly to shareholders. However, the Reincorporation Proposal includes the implementation of certain provisions in the Fiberstars Delaware Certificate of Incorporation and Bylaws which may alter the rights of shareholders and the powers of management and reduce shareholder participation in certain important corporate decisions. These provisions may have anti-takeover implications and are

described in detail above.

Approval by shareholders of the Reincorporation Proposal will constitute an approval of the inclusion in the Fiberstars Delaware Certificate of Incorporation and Bylaws of each of the provisions described below. In addition, certain other changes altering the rights of shareholders and powers of management could be implemented in the future by amendment of the Certificate of Incorporation following shareholder approval and certain such changes could be implemented by amendment of the Bylaws of Fiberstars Delaware without shareholder approval. For a discussion of such changes, see Significant Differences Between the Corporation Laws of California and Delaware. This discussion of the Certificate of Incorporation and Bylaws of Fiberstars Delaware is qualified by reference to Appendices A and B attached to this proxy statement, respectively.

## **Change in Number of Directors**

Delaware law permits corporations to provide in their certificate of incorporation that their boards of directors are empowered to change the authorized number of directors by amendment to the bylaws or in the manner provided in the bylaws, unless the number of directors is fixed in the certificate of incorporation, in which case a change in the number of directors may be made only by amendment to the certificate of incorporation. Under California law, the directors can change the authorized number of directors if the shareholders have adopted a provision in the articles of incorporation or bylaws permitting the directors to fix their number, but only within the bounds of stated minimum and maximum numbers which have been approved by the shareholders. The Bylaws of Fiberstars California provide for not less than five or more than nine directors and permit the exact number to be fixed within that range through a bylaw amendment duly adopted by the Board or the shareholders. Pursuant to the Certificate of Amendment of Bylaws dated September 13, 2005, the exact number of directors shall be eight until changed within the limits specified in the Bylaws, by a bylaw amending Section 3.2, duly adopted by the Board or the shareholders. Thus, without shareholder approval, the Board of Fiberstars California can increase the number of directors to nine but not to any higher number. The Bylaws of Fiberstars Delaware also provide for not less than five or more than nine directors. Unlike the Bylaws of Fiberstars California, however, the Bylaws of Fiberstars Delaware provide that the exact number of directors may be fixed from time to time exclusively by resolution of the Board (and on amendment of the Bylaws, a number outside of this range). The Board of Fiberstars Delaware would therefore have the power to increase the number of directors, by resolution, to nine and, by amendment of the Bylaws (as authorized by Fiberstars Delaware's Certificate of Incorporation), to a number greater than nine, in either case, without shareholder approval. NASDAQ corporate governance rules require that the majority of the Board to be independent. As a practical matter, it would be difficult for the Board to dramatically increase its size beyond the current range and fill it with qualified, independent directors. If the Reincorporation Proposal is approved, all of the directors of Fiberstars California will continue to serve as directors of Fiberstars Delaware following the Merger.

## **Cumulative Voting**

Under California law, any shareholder may cumulate his or her votes in the election of directors upon proper notice of his or her intention to do so, except that corporations listed on the American or New York Stock Exchanges or with securities qualified for trading on the NASDAQ National Market may eliminate cumulative voting with shareholder approval. The Bylaws of Fiberstars California expressly authorize cumulative voting. Under Delaware law, cumulative voting may be authorized in the certificate of incorporation. The Certificate of Incorporation of Fiberstars Delaware does NOT provide for cumulative voting, and shareholders will not be able to call for cumulative voting for directors.

In an election of directors under cumulative voting, each share of voting stock is entitled to vote the number of votes to which such share would normally be entitled, multiplied by the number of directors to be elected. A shareholder may then cast all such votes for a single candidate or may allocate them among as many candidates as the shareholder may choose. Cumulative voting may enable a minority shareholder or group of shareholders to elect at least one representative to the board. Without cumulative voting, the holders of a majority of the shares present at an annual meeting would have the power to elect all the directors to be elected at that meeting, and no person could be elected without the support of a majority of the shareholders voting. Without cumulative voting, any director or the entire board of directors of a corporation may be removed with or without cause with the approval of a majority of the outstanding shares entitled to vote at an election of directors.

The Board of Directors believes that each director elected to the Board should represent the interests of each and every shareholder, including those in the minority. The inclusion of cumulative voting helps ensure that each shareholder's interest is adequately represented by at least one director. Shareholders should note that the continuation of cumulative voting may have anti-takeover implications. In particular, without cumulative voting, a minority shareholder or group of shareholders attempting a hostile takeover would have decreased capacity to elect a representative to the Board of Directors.

**Filling Vacancies on the Board of Directors**

Under California law, any vacancy on the board of directors other than one created by removal of a director may be filled by the board. If the number of directors is less than a quorum, a vacancy may be filled by the unanimous written consent of the directors then in office, by the affirmative vote of a majority of the directors at a meeting held pursuant to notice or waivers of notice or by a sole remaining director. A vacancy created by removal

of a director may be filled by the board only if authorized by a corporation's articles of incorporation or by a bylaw approved by the corporation's shareholders. Fiberstars California's Articles of Incorporation and Bylaws do not authorize directors to fill vacancies created by removal of a director by the shareholders or court order. Under Delaware law, vacancies and newly created directorships may be filled by a majority of the directors then in office (even though less than a quorum) or by a sole remaining director, unless otherwise provided in the Certificate of Incorporation or Bylaws. The Certificate of Incorporation and Bylaws of Fiberstars Delaware permit any such vacancies, including vacancies created by removal, to be filled by a majority of the Board of Directors, even if less than a quorum, or by a sole remaining director. On the one hand, allowing only shareholders to fill a board vacancy created by director removal limits the ability of an incumbent board to fill the vacancy with candidates who may possess qualities that shareholders find objectionable. On the other hand, the requirement for shareholder action to fill a board vacancy can be costly both in terms of time and resources in practice. The Board believes that it is in the best interest of Fiberstars and the shareholders for the Board to have the ability to fill a board vacancy as soon as possible after a vacancy is created for any reason. In filling any vacancies, the Board selects highly qualified, preferably independent, board members recommended to it by the Nominating and Corporate Governance Committee based on criteria determined by the Board. Furthermore, NASDAQ listing standards require a majority of the Board to be independent. Where shareholder approval is required, delays in shareholder action may jeopardize Fiberstars' listing qualifications. Possible delays in a shareholder meeting and the resulting prolonged board vacancy may also negatively impact the governance of Fiberstars and the operation of the Board of Directors.

### **Shareholder Proposal Notice Provisions**

There is no specific statutory requirement under California or Delaware law with regard to advance notice of director nominations and shareholder proposals. Absent a bylaw restriction, director nominations and shareholder proposals are subject to federal securities laws, which generally provide that shareholder proposals that the proponent wishes to include in Fiberstars' proxy materials must be received not less than 120 days in advance of the anniversary of the date on which the proxy statement was released in connection with the previous year's annual meeting.

Fiberstars California Bylaws are silent regarding notice requirements for director nominations and shareholder proposals. Fiberstars Delaware Bylaws provide that for director nominations or shareholder proposals to be properly brought before an annual meeting, the shareholder must have delivered timely notice to the Secretary of Fiberstars. The provisions of Fiberstars Delaware Bylaws provides for the following timeliness of such notice: To be timely, a shareholder proposal to be presented at an annual meeting shall be delivered to Fiberstars' principal executive offices not less than 90 days nor more than 120 days prior to the anniversary of the prior year's annual meeting; provided, however, that in the event that the date of the annual meeting is more than 30 days prior to or more than 30 days after such anniversary date, notice by the shareholder to be timely must be so delivered not later than the close of business on the 10th day following the day on which public announcement of the date of the meeting was first is made by Fiberstars.

The Fiberstars Delaware Bylaws also contain certain provisions respecting shareholder nominations of directors at special meetings of shareholders. Those Bylaws provide that, at any special meeting at which directors are to be elected pursuant to Fiberstars' notice of meeting, a stockholder may nominate a person or persons for election as director by timely notice delivered to the Secretary of Fiberstars. To be timely, the notice must be delivered not later than the close of business on the 10th day following the day on which public announcement is first made of the date of the meeting and of the nominees proposed by the Board for election at such meeting. Neither the Fiberstars California Bylaws nor California law contain such provisions respecting shareholder nominations of directors at special meetings.

### **Shareholder Power to Call Special Shareholders' Meeting**

Under California law and the Bylaws of Fiberstars California, a special meeting of shareholders may be called by the board of directors, the Chairman of the Board, the President, or the holders of shares entitled to cast not less than ten

percent (10%) of the votes at such meeting. California law authorizes charter or bylaw provisions identifying additional persons who may call special meetings, though no such additional persons are identified in the Articles of Incorporation or Bylaws of Fiberstars California. Under Delaware law, a special meeting of shareholders may be called by the board of directors or by any other person authorized to do so in the certificate of incorporation or the bylaws. The Bylaws of Fiberstars Delaware do not provide shareholders with a right to call a special meeting. The Fiberstars Delaware Bylaws provide that such a meeting may be called by the Board of Directors, the Chairman

of the Board or the Chief Executive Officer. This change is designed to eliminate the need to have special shareholders meetings, in addition to the annual meeting, on proposals that the Board believes do not have significant shareholders interest, and therefore protect against the expense of a shareholders meeting and the distraction to management when there is not significant interest in the matter being proposed.

### **Significant Differences Between the Corporation Laws of California and Delaware**

The General Corporation Laws of California and Delaware differ in many respects. It is not practical to summarize all of such differences in this Proxy Statement, but certain principal differences beyond those discussed in *Significant Differences in the Charters and Bylaws of Fiberstars California and Fiberstars Delaware* that could materially affect the rights of shareholders include the following:

#### **Dividends and Repurchase of Shares**

Delaware law permits a corporation, unless otherwise restricted by its certificate of incorporation, to declare and pay dividends out of surplus or, if there is no surplus, out of net profits for the fiscal year in which the dividend is declared and/or for the preceding fiscal year as long as the amount of capital of the corporation is not less than the aggregate amount of the capital represented by the issued and outstanding stock of all classes having preference upon the distribution of assets. In addition, Delaware law generally provides that a corporation may redeem or repurchase its shares only if the capital of the corporation is not impaired and such redemption or repurchase would not impair the capital of the corporation.

Under California law, a corporation may not make any distribution (including dividends, whether in cash or other property, and including repurchases of its shares) unless either (1) the corporation's retained earnings immediately prior to the proposed distribution equal or exceed the amount of the proposed distribution or, (2) immediately after giving effect to such distribution, the corporation's assets (exclusive of goodwill, capitalized research and development expenses and deferred charges) would be at least equal to 1¼ times its liabilities (not including deferred taxes, deferred income and other deferred credits), and the corporation's current assets would be at least equal to its current liabilities (or 1¼ times its current liabilities if the average pre-tax and pre-interest earnings for the preceding two fiscal years were less than the average interest expenses for such years). Such tests are applied to California corporations on a consolidated basis. Under California law, there are certain exceptions to the foregoing rules for repurchases of shares in connection with certain rescission actions and certain repurchases pursuant to employee stock plans.

While Fiberstars does not pay cash dividends and currently intends to retain all available funds and any future earnings for use in the operation of its business and currently has no intention of initiating a stock repurchase program, Fiberstars could consider, at some point in the future, to engage in a stock repurchase program, depending on market conditions, stock price and other factors. Under California law, repurchase programs are subject to certain restrictions that are not present in Delaware law. Consequently, if Fiberstars were to remain a California corporation, in the future, it may be unable to implement a stock repurchase program, which generally returns value to shareholders that would have been permissible under Delaware law.

#### **Classified Board of Directors**

Under California law, directors must generally be elected annually and, therefore, a classified board is not permitted. There is an exception, however, for corporations that are listed on the American or New York Stock Exchanges or that have securities qualified for trading on the NASDAQ National Market. A classified board is one in which the directors are subject to re-election on a rotating basis, not every year. Fiberstars California has not adopted a classified board. Delaware law permits, but does not require, the adoption of a classified board of directors, pursuant to which the directors can be divided into as many as three classes with staggered terms of office and with only one class of directors coming up for election each year. Shareholders should note that Fiberstars is NOT proposing to implement a

classified board.

## **Removal of Directors**

Under California law, any director or the entire board of directors may be removed, with or without cause, with the approval of a majority of the outstanding shares entitled to vote. No director, however, may be removed (unless the entire board is removed) if the number of votes cast against the removal would be sufficient to elect the director under cumulative voting. Under Delaware law, a director of a corporation that does not have a classified board of directors or cumulative voting similarly may be removed, with or without cause, by the holders of a majority of the outstanding shares entitled to vote. In the case of a Delaware corporation having cumulative voting, however, if less than the entire board is to be removed, a director may not be removed if the shares voted against such removal would be sufficient to elect the director under cumulative voting. A director of a Delaware corporation with a classified board of directors can be removed only for cause unless the charter documents otherwise provide.

## **Interested Director Transactions**

Under both California and Delaware law, certain contracts or transactions in which one or more of a corporation's directors has an interest are not void or voidable because of such interest provided that certain conditions, such as obtaining the required approval and fulfilling the requirements of good faith and full disclosure, are met. With certain exceptions, the conditions are similar under California and Delaware law. Under California and Delaware law, (1) either the shareholders or the Board of Directors must approve any such contract or transaction after full disclosure of the material facts, and, in the case of Board approval, the contract or transaction must also be just and reasonable (in California) or fair (in Delaware) to the corporation, or (2) the person asserting the validity of the contract or transaction can prove that such contractor agreement was just and reasonable or fair as to the corporation at the time it was approved. In the latter case, California law explicitly places the burden of proof on the interested director. Under California law, to shift the burden of proof on the validity of the contract by shareholder approval, the interested director would not be entitled to vote his or her shares at a shareholder meeting with respect to any action regarding such contract or transaction. To shift the burden of proof on the validity of the contract by Board approval, the contract or transaction must be approved by a majority vote of a quorum of the directors, without counting the vote of any interested directors (except that interested directors may be counted for purposes of establishing a quorum). Under Delaware law, if Board approval is sought to shift the burden of proof on the validity of the contract, the contract or transaction must be approved by a majority of the disinterested directors (even though less than a majority of a quorum). Therefore, certain transactions that the Board of Directors of Fiberstars California might not be able to approve because of the number of interested directors could be approved by a majority of the disinterested directors of Fiberstars Delaware, although less than a majority of a quorum. Neither Fiberstars California nor Fiberstars Delaware is aware of any plans to propose any transaction involving directors that could not be so approved under California law but could be so approved under Delaware law.

## **Shareholder Approval of Certain Business Combinations**

Under Section 203 of the Delaware General Corporation Law ( Section 203 ), any business combinations with interested shareholders of Delaware corporations are subject to a three-year moratorium unless specified conditions are met. Section 203 prohibits a Delaware corporation from engaging in a business combination with an interested shareholder for three years following the date that such person becomes an interested shareholder. With certain exceptions, an interested shareholder is a person or group who or which owns 15% or more of the corporation's outstanding voting stock (including any rights to acquire stock pursuant to an option, warrant, agreement, arrangement or understanding, or upon the exercise of conversion or exchange rights, and stock with respect to which the person has voting rights only), or is an affiliate or associate of the corporation and was the owner of 15% or more of such voting stock at any time within the previous three years.

For purposes of Section 203, the term business combination is defined broadly to include (1) mergers with or caused by the interested shareholder, (2) sales or other dispositions to the interested shareholder (except proportionately with the corporation's other shareholders) of assets of the corporation or a subsidiary equal to ten percent (10%) or more of

the aggregate market value of the corporation's consolidated assets or its outstanding stock, (3) the issuance or transfer by the corporation or a subsidiary of stock of the corporation or such subsidiary to the interested shareholder (except for transfers in a conversion or exchange or a pro rata distribution or certain other transactions, none of which increase the interested shareholder's proportionate ownership of any class or series of the corporation's or such subsidiary's stock), or (4) receipt by the interested shareholder (except proportionately as a

shareholder), directly or indirectly, of any loans, advances, guarantees, pledges or other financial benefits provided by or through the corporation or a subsidiary.

The three-year moratorium imposed on business combinations by Section 203 does not apply if (1) prior to the date on which such shareholder becomes an interested shareholder the board of directors approves either the business combination or the transaction which resulted in the person becoming an interested shareholder, (2) the interested shareholder owns 85% of the corporation's voting stock upon consummation of the transaction which made him or her a 15% shareholder (excluding from the 85% calculation shares owned by directors who are also officers of the target corporation and shares held by employee stock plans, which do not permit employees to decide confidentially whether to accept a tender or exchange offer), or (3) on or after the date such person becomes an interested shareholder, the board approves the business combination and it is also approved at a shareholder meeting by 66 2/3% of the voting stock not owned by the interested shareholder.

Section 203 only applies to certain publicly held Delaware corporations which have a class of voting stock that is (1) listed on a national securities exchange, (2) authorized for quotation on The NASDAQ Stock Market, or (3) held of record by more than 2,000 shareholders. Since the common stock of Fiberstars Delaware will be listed on the NASDAQ National Market, Section 203 will apply to Fiberstars Delaware. A Delaware corporation to which Section 203 applies may elect not to be governed by Section 203. Fiberstars Delaware does NOT intend to make such an election.

After careful evaluation of Fiberstars' anti-takeover profile, in light of the fact that Fiberstars does not have a classified board or charter provisions that allow shareholders to act by written consent, but conversely, it does have a Rights Plan and allows for 10% shareholders to call special meetings, the Board concluded that Fiberstars California has adopted moderate anti-takeover mechanisms to protect Fiberstars against undervalued unsolicited bids. Opting out of Section 203 of the Delaware General Corporation Law would further minimize the ability of the Board and the management to negotiate takeover bids to achieve maximum value for the corporation and all of its shareholders. The Board believes that an unsolicited takeover attempt may have a negative effect on Fiberstars and its shareholders. Takeover attempts that have not been negotiated or approved by the Board of a corporation can seriously disrupt the business and management of a corporation and generally present the risk of terms that are less favorable to all the shareholders than would be available in a negotiated, board-approved transaction. By contrast, board-approved transactions can be carefully planned and undertaken at an opportune time to obtain maximum value for the corporation and its shareholders.

Section 203 has been challenged in lawsuits arising out of takeover disputes, and it is not yet clear whether and to what extent its constitutionality will be upheld by the courts. Delaware courts have consistently upheld the constitutionality of Section 203. Fiberstars Delaware believes that so long as the constitutionality of Section 203 is upheld, Section 203 will encourage any potential acquiror to negotiate with the Board of Directors of Fiberstars Delaware. Section 203 also has the effect of limiting the ability of a potential acquiror to make a two-tiered bid for Fiberstars Delaware in which all shareholders would not be treated equally. Shareholders should note that the application of Section 203 to Fiberstars Delaware will confer upon the Board the power to reject a proposed business combination in certain circumstances, even though a potential acquiror may be offering a substantial premium for Fiberstars Delaware's shares over the then current market price. Section 203 should also discourage certain potential acquirors unwilling to comply with its provisions.

### **Indemnification and Limitation of Liability**

California and Delaware have similar laws respecting indemnification by a corporation of its officers, directors, employees and other agents. The laws of both states also permit corporations to adopt a provision in their charters and bylaws eliminating the liability of a director to the corporation or its shareholders for monetary damages for breach of the director's fiduciary duty of care. Nonetheless, there are certain differences between the laws of the two states respecting indemnification and limitation of liability. In general, Delaware law is somewhat broader in allowing

corporations to indemnify and limit the liability of corporate agents, which, among other things, supports Delaware corporations in attracting and retaining outside directors.

### **Limitation of Liability Compare and Contrast**

California law and Delaware law both permit a corporation to adopt a charter provision eliminating or limiting, with exceptions, the monetary liability of a director to the corporation or its shareholders for breach of the director's duty.

The Certificate of Incorporation of Fiberstars Delaware eliminates the liability of directors to the fullest extent permissible under Delaware law, as such law exists currently or as it may be amended in the future. Under Delaware law, directors' monetary liability may not be eliminated or limited for (1) any breach of the director's duty of loyalty to the corporation or its shareholders, (2) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) unlawful payment of dividend or unlawful stock purchase or redemption under Section 174 of the Delaware General Corporation Law, or (4) any transaction from which the director derived an improper personal benefit. In effect, then, a director of Fiberstars Delaware could not be held liable for monetary damages to Fiberstars for gross negligence or lack of due care in carrying out his or her fiduciary duties as a director so long as such gross negligence or lack of due care does not involve bad faith or a breach of his or her duty of loyalty to Fiberstars. Under Delaware law, a limitation of liability provision also may not limit a director's liability for violation of, or otherwise relieve Fiberstars Delaware or its directors from the necessity of complying with, federal or state securities laws, or affect the availability of non-monetary remedies such as injunctive relief or rescission.

The Fiberstars California Articles of Incorporation provide for the elimination of the liability of directors to the fullest extent permissible under California law. California law does not permit the elimination of monetary liability where such liability is based on: (1) acts or omissions that involve intentional misconduct or a knowing and culpable violation of law, (2) acts or omissions that a director believes to be contrary to the best interests of the corporation or its shareholders or that involve the absence of good faith on the part of the director, (3) any transaction from which a director derived an improper personal benefit, (4) acts or omissions that show a reckless disregard for the director's duty to the corporation or its shareholders in circumstances in which the director was aware, or should have been aware, in the ordinary course of performing a director's duties, of a risk of serious injury to the corporation or its shareholders, (5) acts or omissions that constitute an unexcused pattern of inattention that amounts to an abdication of the director's duty to the corporation or its shareholders, (6) interested transactions between the corporation and a director in which a director has a material financial interest, and (7) liability for improper distributions, loans or guarantees. Therefore, under California law, monetary liability may exist in circumstances where it would be eliminated under Delaware law.

The frequency of claims and litigation directed against directors and officers has expanded the risks facing directors and officers of corporations in exercising their duties. The amount of time and money required to respond to such claims and to defend such litigation can be substantial. Specifically, the Board has noted that plaintiff attorneys frequently sue directors and executives for personal liability as a legal tactic to pressure them to agree to settlements of lawsuits that are not always in the best interest of Fiberstars or its shareholders. Reducing these risks and limiting situations in which monetary damages can be recovered against directors would allow Fiberstars to 1) continue to attract and retain qualified directors who otherwise might be unwilling to serve and 2) enable directors and management subject to frivolous shareholder suits to make the best decisions for Fiberstars and its shareholders. Fiberstars believes that, in general, Delaware law provides greater protection to directors than California law and that Delaware case law regarding a corporation's ability to limit director liability is more developed and provides more guidance than California law. Fiberstars believes that directors are motivated to exercise due care in managing Fiberstars' affairs primarily by concern for the best interests of Fiberstars and its shareholders rather than by the fear of potential monetary damage awards. As a result, Fiberstars believes that the Reincorporation Proposal should sustain the Board of Directors' continued high standard of corporate governance without any decrease in accountability by directors and officers to Fiberstars and its shareholders.

### **Indemnification Compared and Contrasted**

Indemnification is permitted by both California and Delaware law, provided the requisite standard of conduct is met. California law requires indemnification when the individual has successfully defended the action on the merits, as opposed to Delaware law, which requires indemnification relating to a successful defense on the merits or otherwise.

Delaware law generally permits indemnification of expenses, including attorneys' fees, actually and reasonably incurred in the defense or settlement of a derivative or third-party action, provided there is a determination by (a) a majority vote of disinterested directors (even though less than a quorum), (b) a committee comprised of and established by such disinterested directors (even though less than a quorum), (c) independent legal counsel in a written opinion if there are no such directors or such directors so direct, or (d) the shareholders that the person seeking indemnification has satisfied the applicable standard of conduct. Without requisite court approval, however, no indemnification may be made in the defense of any derivative action in which the person is found to be liable in the performance of his or her duty to the corporation.

California law generally permits indemnification of expenses, actually and reasonably incurred in the defense or settlement of a derivative or third-party action, provided there is a determination by (a) majority vote of a quorum of disinterested directors, (b) independent legal counsel in a written opinion if such a quorum of directors is not obtainable, (c) shareholders, with the shares owned by the person to be indemnified, if any, not being entitled to vote thereon, or (d) the court in which the proceeding is or was pending upon application made by the corporation, agent or other person rendering services in connection with the defense, whether or not the application by such person is opposed by the corporation, that the person seeking indemnification has satisfied the applicable standard of conduct.

With respect to derivative actions, however, no indemnification may be provided under California law for amounts paid in settling or otherwise disposing of a pending action or expenses incurred in defending a pending action that is settled or otherwise disposed of, or with respect to the defense of any person adjudged to be liable to the corporation in the performance of his or her duty to the corporation and its shareholders without court approval. In addition, by contrast to Delaware law, California law requires indemnification only when the individual being indemnified was successful on the merits in defending any action, claim, issue or matter.

Expenses incurred by an officer or director in defending an action may be paid in advance, under Delaware law and California law, if such director or officer undertakes to repay such amounts if it is ultimately determined that he or she is not entitled to indemnification. In addition, the laws of both states authorize a corporation's purchase of indemnity insurance for the benefit of its officers, directors, employees and agents whether or not the corporation would have the power to indemnify against the liability covered by the policy. California law permits a California corporation to provide rights to indemnification beyond those provided therein to the extent such additional indemnification is authorized in the corporation's Articles of Incorporation. Thus, if so authorized, rights to indemnification may be provided pursuant to agreements or bylaw provisions which make mandatory the permissive indemnification provided by California law. Fiberstars California's Articles of Incorporation permit indemnification of its agents (as defined in Section 317 of the California Corporations Code) and limit director monetary liability to the fullest extent permissible under California law. Fiberstars California's Bylaws make indemnification of directors mandatory in cases where Fiberstars California is permitted by applicable law to indemnify its directors. Delaware law also permits a Delaware corporation to provide indemnification in excess of that provided by statute. By contrast to California law, Delaware law does not require authorizing provisions in the certificate of incorporation and does not contain express prohibitions on indemnification in certain circumstances. Limitations on indemnification may be imposed by a court, however, based on principles of public policy. Similar to Fiberstars California's Articles of Incorporation and Bylaws, the Bylaws and Certificate of Incorporation of Fiberstars Delaware require indemnification to the maximum extent permissible under applicable law.

Fiberstars California has entered into indemnification agreements with its directors and officers that provide indemnification to the fullest extent permitted by California law. If the Reincorporation Proposal is approved, in connection with the reincorporation, Fiberstars directors and officers would be covered by a new form of indemnification agreement with Fiberstars Delaware, which provides indemnification to the fullest extent permitted by current Delaware law and future Delaware law that expands the permissible scope of indemnification.

The indemnification and limitation of liability provisions of California law, and not Delaware law, will apply to actions of the directors and officers of Fiberstars California occurring prior to the proposed reincorporation.

Nevertheless, the Board has recognized in considering this proposal that the individual directors have a personal interest in obtaining the application of Delaware law to any indemnity and limitation of liability issues affecting them and Fiberstars that may arise from future cases. The Board has recognized further that the application of Delaware law, to the extent that any director or officer is indemnified in circumstances where indemnification would not be available under California law, would result in expense to Fiberstars which Fiberstars would not incur if Fiberstars were not reincorporated. The Board believes, however, that the overall effect of reincorporation is to

provide a corporate legal environment that enhances Fiberstars' ability to attract and retain high quality directors and thus benefits Fiberstars' interests and those of its shareholders.

California and Delaware corporate law, the Fiberstars California Articles of Incorporation and Bylaws and the Fiberstars Delaware Certificate of Incorporation and Bylaws may permit indemnification for liabilities under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934. The Board of Directors has been advised that, in the opinion of the Securities and Exchange Commission, indemnification for liabilities arising under the Securities Act of 1933 and the Securities Exchange Act of 1934 may be contrary to public policy and, therefore, may be unenforceable, absent a decision to the contrary by a court of appropriate jurisdiction.

### **Inspection of Shareholders' List and Books and Records**

California law allows any shareholder to inspect the shareholder list, the accounting books and records, and the minutes of board and shareholder proceedings for a purpose reasonably related to such person's interest as a shareholder. In addition, California law provides for an absolute right to inspect and copy the corporation's shareholder list by persons who hold an aggregate of five percent or more of a corporation's voting shares or who hold one percent or more of such shares and have filed a Schedule 14A with the Securities and Exchange Commission.

Delaware law also permits any stockholder of record, upon compliance with certain procedures, to inspect a list of stockholders and the corporation's other books and records for any proper purpose reasonably related to such person's interest as a stockholder, upon written demand under oath stating the purpose of such inspection. Delaware law, however, contains no provision comparable to the absolute right of inspection provided by California law to certain shareholders.

### **Approval of Certain Corporate Transactions**

Under both California and Delaware law, with certain exceptions, any merger, consolidation or sale of all or substantially all the assets must be approved by the board of directors and by a majority of the outstanding shares entitled to vote. Under California law, similar board and shareholder approval is also required in connection with certain additional acquisition transactions. See Appraisal Rights.

### **Class Voting in Certain Corporate Transactions**

Under California law, with certain exceptions, any merger, certain sales of all or substantially all the assets of a corporation and certain other transactions must be approved by a majority of the outstanding shares of each class of stock (without regard to limitations on voting rights). Delaware law does not generally require class voting, except in connection with certain amendments to the certificate of incorporation that, among other things, adversely affect a class of stock.

### **Appraisal Rights**

Under both California and Delaware law, a shareholder of a corporation participating in certain major corporate transactions may, under varying circumstances, be entitled to appraisal rights, pursuant to which such shareholder may receive cash in the amount of the fair market value of the shares held by such shareholder (as determined by agreement of the corporation and the shareholder or by a court) in lieu of the consideration such shareholder would otherwise receive in the transaction. Under Delaware law, such appraisal rights are not available to (1) shareholders with respect to a merger or consolidation by a corporation the shares of which are either listed on a national securities exchange or are held of record by more than 2,000 holders if such shareholders receive only shares of the surviving corporation or shares of any other corporation that are either listed on a national securities exchange or held of record by more than 2,000 holders, or (2) shareholders of a corporation surviving a merger if no vote of the shareholders of the surviving corporation is required to approve the merger because, among other things, the number of shares to be

issued in the merger does not exceed 20% of the shares of the surviving corporation outstanding immediately prior to the merger and if certain other conditions are met.

The limitations on the availability of appraisal rights under California law are somewhat different from those under Delaware law. Shareholders of a California corporation whose shares are listed on a national securities exchange or the NASDAQ National Market generally do not have such appraisal rights unless the holders of at least 5% of the class of outstanding shares claim the right or the corporation or any law restricts the transfer of such

shares. Further, California law does not provide for appraisal rights if the shareholders of the corporation or the corporation itself, or both, immediately prior to the reorganization will own immediately after the reorganization, equity securities constituting more than five-sixths of the voting power of the surviving or acquiring corporation or its parent entity (as will be the case in the Reincorporation Merger). Thus, appraisal rights are not available to shareholders of Fiberstars California under California law with respect to the Reincorporation Proposal.

Delaware law does not provide shareholders of a corporation with appraisal rights when the corporation acquires another business through the issuance of its stock (1) in exchange for the assets of the business to be acquired, (2) in exchange for the outstanding stock of the corporation to be acquired, or (3) in a merger of the corporation to be acquired with a subsidiary of the acquiring corporation. California law treats these kinds of acquisitions in the same manner as a direct merger of the acquiring corporation with the corporation to be acquired.

### **Dissolution**

Under California law, shareholders holding 50% or more of the total voting power may authorize a corporation's dissolution, with or without the approval of the corporation's board of directors, and this right may not be modified by the articles of incorporation. Under Delaware law, unless the board of directors approves the proposal to dissolve, the dissolution must be approved by shareholders holding 100% of the total voting power of the corporation. Only if the dissolution is initially approved by the board of directors may it be approved by the holders of a simple majority of the corporation's shares. In the event of such a board-initiated dissolution, Delaware law allows a Delaware corporation to include in its certificate of incorporation a supermajority-voting requirement in connection with dissolutions. Fiberstars Delaware's Certificate of Incorporation contains no such supermajority-voting requirement, however, and the vote of the holders of a majority of the outstanding shares would be sufficient to approve dissolution of Fiberstars Delaware which had previously been approved by its Board of Directors.

### **Shareholder Derivative Suits**

California law provides that a shareholder bringing a derivative action on behalf of a corporation need not have been a shareholder at the time of the transaction in question, provided that certain tests are met. Under Delaware law, a shareholder may bring a derivative action on behalf of the corporation only if the shareholder was a shareholder of the corporation at the time of the transaction in question or if his or her stock thereafter came to be owned by him or her by operation of law. California law also provides that the corporation or the defendant in a derivative suit may make a motion to the court for an order requiring the plaintiff shareholder to furnish a security bond. Delaware does not have a similar bond requirement.

### **Application of California General Corporation Law to Delaware Corporations**

Under Section 2115 of the California General Corporation Law, certain foreign corporations (i.e., corporations not organized under California law) are placed in a special category (referred to in this discussion as pseudo-California corporations) if they have characteristics of ownership and operation which indicate that they have significant contacts with California. So long as a Delaware or other foreign corporation is in this special category and it does not qualify for one of the statutory exemptions, it is subject to a number of key provisions of the California General Corporation Law applicable to corporations incorporated in California. Among the more important provisions are those relating to the election and removal of directors, cumulative voting, prohibition of classified boards of directors unless certain requirements are met, standard of liability and indemnification of directors, distributions, dividends and repurchases of shares, shareholder meetings, approval of certain corporate transactions, dissenters' appraisal rights and inspection of corporate records. See Significant Differences between the Corporation Laws of California and Delaware.

However, an exemption from Section 2115 is provided for corporations whose shares are listed on the New York Stock Exchange or the American Stock Exchange or whose shares are traded on the NASDAQ National Market. Following reincorporation, the common stock of Fiberstars Delaware would continue to be traded on the NASDAQ

National Market and, accordingly, would be exempt from Section 2115.

**Federal Income Tax Considerations**

This discussion summarizes certain federal income tax considerations with respect to the Merger that are generally applicable to holders of Fiberstars California capital stock who receive Fiberstars Delaware capital stock

in exchange for their Fiberstars California capital stock in the Merger. This summary is for general information purposes only and does not purport to address all the federal income tax considerations that may be relevant to particular Fiberstars California shareholders in light of their particular circumstances or who are subject to special treatment under the federal income tax laws (such as shareholders that are dealers in securities, foreign persons, or shareholders that acquired their shares in connection with a stock option plan or other compensatory transaction). Furthermore, no foreign, state or local tax considerations are addressed herein. This summary is based on current federal income tax law, which is subject to change at any time, possibly with retroactive effect. Accordingly, **ALL FIBERSTARS CALIFORNIA SHAREHOLDERS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS AS TO THE SPECIFIC FEDERAL, STATE, LOCAL AND FOREIGN TAX CONSEQUENCES TO THEM OF THE MERGER.**

Subject to the limitations, qualifications and exceptions described herein, and assuming the Merger qualifies as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the Code), the following tax consequences generally should result:

- (a) No gain or loss should be recognized by an Fiberstars California shareholder who exchanges all of such shareholder's Fiberstars California capital stock and purchase rights for Fiberstars Delaware capital stock in the Merger;
- (b) The aggregate tax basis of the Fiberstars Delaware capital stock and purchase rights received by a Fiberstars California shareholder in the Merger should be equal to the aggregate tax basis of Fiberstars California capital stock and purchase rights surrendered in exchange therefor; and
- (c) The holding period of the Fiberstars Delaware capital stock and purchase rights received in the Merger should include the period for which the Fiberstars California capital stock surrendered in exchange therefor was held, provided that the Fiberstars California capital stock is held as a capital asset at the time of the Merger.

State, local or foreign income tax consequences to shareholders may vary from the federal tax consequences described above.

Fiberstars should not recognize gain or loss for federal income tax purposes as a result of the Reincorporation Proposal, and Fiberstars Delaware should succeed, without adjustment, to the federal income tax attributes of Fiberstars California.

### **Vote Required**

Approval of the Reincorporation Proposal will require the affirmative vote of holders of a majority of the outstanding common stock of Fiberstars California. Approval of the Reincorporation Proposal will also constitute approval of (1) the Certificate of Incorporation of Fiberstars Delaware, the Bylaws of Fiberstars Delaware and the Merger Agreement in substantially the forms attached as Appendices A, B and C, respectively, and (2) the assumption of Fiberstars California's Stock Plans and outstanding stock options by Fiberstars Delaware.

### **General**

The Board believes that reincorporating Fiberstars from California to Delaware will enhance Fiberstars' ability to attract and retain qualified independent directors and ensure sound corporate governance. As Fiberstars plans for the future, the Board of Directors and management believe that it is essential to be able to draw upon well established principles of corporate governance, such as those offered by Delaware law, in making legal and business decisions. Further, Fiberstars believes that Delaware offers more predictable, flexible corporate laws that are responsive to the legal and business needs of corporations. In proposing the reincorporation, the Board of Directors has carefully evaluated Fiberstars' anti-takeover profile and balanced the relative rights of its shareholders and management in order

to maximize management efficiency and maximize value for Fiberstars and its shareholders. For the reasons set forth above, the Board of Directors believes that the best interests of Fiberstars and its shareholders will be served by changing the state of incorporation of Fiberstars from California to Delaware. THEREFORE, THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE ***FOR*** APPROVAL OF THE REINCORPORATION PROPOSAL.

**PROPOSAL NO. 5: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS**

The Audit and Finance Committee of the Board of Directors has appointed the firm of Grant Thornton LLP, independent public accountants, to audit the financial statements of the Company for the fiscal year ending December 31, 2006, and recommends that shareholders vote for ratification of this appointment. They will have an opportunity to make a statement if they desire to do so and will be able to respond to appropriate questions from the shareholders. Although shareholder ratification of the Company's independent auditors is not required by the Company's Bylaws or otherwise, the Company is submitting the selection of Grant Thornton LLP to the shareholders for ratification to permit shareholders to participate in this important corporate decision.

**Pre-Approval Policies and Procedures**

It is the Company's policy that all audit and non-audit services to be performed by Fiberstars' principal auditors be approved in advance by the Audit and Finance Committee.

**Required Vote**

The ratification of the appointment of Grant Thornton LLP as the Company's independent auditors requires the affirmative vote of the holders of a majority of the shares of Common Stock present at the Annual Meeting in person or by proxy and entitled to vote, together with a majority of the required quorum. In the event ratification is not obtained, the Audit and Finance Committee will review its future selection of the Company's independent auditors but will not be required to select different independent auditors.

**ARTICLE II  
MEETINGS OF STOCKHOLDERS**

Section 2.1 *Place of Meetings*. Meetings of stockholders shall be held at any place within or outside the State of Delaware determined by the Board of Directors. In the absence of such determination, stockholders meetings shall be held at the principal executive offices of the Corporation.

Section 2.2 *Annual Meeting*. The annual meeting of stockholders, for the election of directors and for the transaction of such other business as may properly come before the meeting, shall be held each year on a date and at a time determined by the Board of Directors. In the absence of such determination, the annual meeting of stockholders shall be held on the third Wednesday of June in each year at 10:00 a.m. However, if such day falls on a legal holiday, then the meeting shall be held at the same time and place on the next succeeding full business day. At the meeting, directors shall be elected and any other proper business may be transacted.

Section 2.3 *Special Meeting*.

(a) A special meeting of the stockholders may be called at any time by the Board of Directors, or by the Chairman of the Board of Directors or the Chief Executive Officer.

(b) If a special meeting is called by stockholders representing the percentage of the total votes outstanding designated in Section 2.3(a), the request shall be in writing, specifying the time of such meeting and the general nature of the business proposed to be transacted, and shall be delivered personally, or sent by registered mail or by facsimile

transmission to the Chairman of the Board of Directors, the Chief Executive Officer, the President, or the Secretary of the Corporation. The officer receiving the request shall cause notice to be promptly given to the stockholders entitled to vote, in accordance with the provisions of Section 2.4(a), that a meeting will be held at the time requested by the person or persons calling the meeting, not less than thirty-five (35) nor more than sixty (60) days after the receipt of the request. If the notice is not given within twenty (20) days after the receipt of the request, the person or persons requesting the meeting may give the notice. Nothing contained in this Section 2.3(b) shall be construed as limiting, fixing, or affecting the time when a meeting of stockholders called by action of the Board of Directors may be held.

*Section 2.4 Notice of Stockholders Meetings.*

(a) Notice of the place, if any, date, and time of all meetings of the stockholders, and the means of remote communications, if any, by which stockholders and proxyholders may be deemed to be present in person and vote at such meeting, shall be given, not less than ten (10) nor more than sixty (60) days before the date on

which the meeting is to be held, to each stockholder entitled to vote at such meeting, except as otherwise provided herein or required by law. Each such notice shall state the place, if any, date and hour of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called. Notice may be given personally, by mail or by electronic transmission in accordance with Section 232 of the General Corporation Law of the State of Delaware (the DGCL ). If mailed, such notice shall be deemed given when deposited in the United States mail, postage prepaid, directed to each stockholder at such stockholder's address appearing on the books of the Corporation or given by the stockholder for such purpose. Notice by electronic transmission shall be deemed given as provided in Section 232 of the DGCL. An affidavit of the mailing or other means of giving any notice of any stockholders' meeting, executed by the Secretary, Assistant Secretary or any transfer agent of the Corporation giving the notice, shall be prima facie evidence of the giving of such notice or report. Notice shall be deemed to have been given to all stockholders of record who share an address if notice is given in accordance with the householding rules set forth in Rule 14a-3(e) under the Securities Exchange Act of 1934, as amended ( the Exchange Act ) and Section 233 of the DGCL.

(b) When a meeting is adjourned to another time or place, notice need not be given of the adjourned meeting if the place, if any, date and time thereof, and the means of remote communications, if any, by which stockholders and proxyholders may be deemed to be present in person and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken; *provided, however*, that if the date of any adjourned meeting is more than thirty (30) days after the date for which the meeting was originally called, or if a new record date is fixed for the adjourned meeting, notice of the place, if any, date, and time of the adjourned meeting and the means of remote communications, if any, by which stockholders and proxyholders may be deemed to be present in person and vote at such adjourned meeting shall be given in conformity herewith. At any adjourned meeting, any business may be transacted which might have been transacted at the original meeting.

(c) Notice of the time, place and purpose of any meeting of stockholders may be waived in writing, either before or after the meeting, and to the extent permitted by law, will be waived by any stockholder by attendance thereat, in person or by proxy, except when the person objects at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened.

#### Section 2.5 *Organization.*

(a) Meetings of stockholders shall be presided over by the Chairman of the Board of Directors, if any, or in his or her absence, by the Chief Executive Officer, or in his or her absence, by a person designated by the Board of Directors, or in the absence of a person so designated by the Board of Directors, by a Chairman chosen at the meeting by the holders of a majority in voting power of the stock entitled to vote thereat, present in person or represented by proxy. The Secretary, or in his or her absence, an Assistant Secretary, or in the absence of the Secretary and all Assistant Secretaries, a person whom the Chairman of the meeting shall appoint, shall act as Secretary of the meeting and keep a record of the proceedings thereof.

(b) The Board of Directors shall be entitled to make such rules or regulations for the conduct of meetings of stockholders as it shall deem necessary, appropriate or convenient. Subject to such rules and regulations of the Board of Directors, if any, the Chairman of the meeting shall have the right and authority to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such Chairman, are necessary, appropriate or convenient for the proper conduct of the meeting, including, without limitation, establishing an agenda or order of business for the meeting, rules and procedures for maintaining order at the meeting and the safety of those present, limitations on participation in the meeting to stockholders of record of the Corporation, their duly authorized and constituted proxies and such other persons as the Chairman shall permit, restrictions on entry to the meeting after the time fixed for the commencement thereof, limitations on the time allotted to questions or comments by participants and regulation of the

opening and closing of the polls for balloting and matters which are to be voted on by ballot.

Section 2.6 *List of Stockholders*. A complete list of stockholders entitled to vote at any meeting of stockholders, arranged in alphabetical order for each class of stock and showing the address of each such stockholder and the number of shares registered in such stockholder's name, shall be prepared by the Secretary or other officer having charge of the stock ledger and shall be open to the examination of any stockholder for a period of at least ten (10) days prior to the meeting in the manner provided by law. The stock list shall also be open to the examination of any stockholder during the whole time of the meeting as provided by law. Such list shall presumptively determine the

identity of the stockholders entitled to vote in person or by proxy at the meeting and entitled to examine the list required by this Section 2.6.

Section 2.7 *Quorum*. At any meeting of stockholders, the holders of a majority in voting power of all issued and outstanding stock entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum for the transaction of business; provided, that where a separate vote by a class or series is required, the holders of a majority in voting power of all issued and outstanding stock of such class or series entitled to vote on such matter, present in person or represented by proxy, shall constitute a quorum entitled to take action with respect to such matter. If a quorum is not present or represented at any meeting of stockholders, then the Board of Directors, the Chief Executive Officer, the Chairman of the meeting or the holders of a majority in voting power of the stock entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting from time to time in accordance with Section 2.8, without notice other than announcement at the meeting, until a quorum is present or represented. If a quorum initially is present at any meeting of stockholders, the stockholders may continue to transact business until adjournment, notwithstanding the withdrawal of enough stockholders to leave less than a quorum, but if a quorum is not present at least initially, no business other than adjournment may be transacted.

Section 2.8 *Adjourned Meeting*. Any annual or special meeting of stockholders, whether or not a quorum is present, may be adjourned for any reason from time to time by either the Board of Directors, the Chief Executive Officer, the Chairman of the meeting or the holders of a majority in voting power of the stock entitled to vote thereat, present in person or represented by proxy. At any such adjourned meeting at which a quorum may be present, any business may be transacted that might have been transacted at the meeting as originally called.

Section 2.9 *Voting*.

(a) Except as otherwise provided by law, the Certificate of Incorporation or these Bylaws, each holder of common stock of the Corporation shall be entitled to one (1) vote for each share of such stock held of record by such holder on all matters submitted to a vote of stockholders of the Corporation. Except as otherwise provided by law, the Certificate of Incorporation or these Bylaws, each holder of preferred stock of the Corporation shall be entitled to such number of votes, if any, for each share of such stock held of record by such holder as may be fixed in the Certificate of Incorporation or in the resolution or resolutions adopted by the Board of Directors providing for the issuance of such stock.

(b) At all meetings of stockholders for the election of directors, the candidates receiving the highest number of affirmative votes, up to the number of directors to be elected, shall be elected; votes against any candidate and votes withheld shall have no legal effect.

Section 2.10 *Proxies*. Every person entitled to vote for directors, or on any other matter, shall have the right to do so either in person or by one or more agents authorized by a written proxy, which may be in the form of a telegram, cablegram or other means of electronic transmission, signed by the person and filed with the Secretary of the Corporation, but no such proxy shall be voted or acted upon after three (3) years from its date, unless the proxy provides for a longer period. A proxy shall be deemed signed if the stockholder's name is placed on the proxy (whether by manual signature, typewriting, telegraphic transmission or otherwise) by the stockholder or the stockholder's attorney-in-fact. A duly executed proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A stockholder may revoke any proxy which is not irrevocable by attending the meeting and voting in person or by filing an instrument in writing revoking the proxy or by filing another duly executed proxy bearing a later date with the Secretary of the Corporation. A proxy is not revoked by the death or incapacity of the maker unless, before the vote is counted, written notice of such death

or incapacity is received by the Corporation.

Section 2.11 Notice of Stockholder Business and Nominations.

(a) *Annual Meeting.* (i) Nominations of persons for election to the Board of Directors of the Corporation and the proposal of business to be considered by the stockholders may be made at an annual meeting of stockholders only (A) pursuant to the Corporation's notice of meeting (or any supplement thereto), (B) by or at the direction of the Board of Directors or (C) by any stockholder of the Corporation who is a stockholder of record at the time the notice provided for in this Section 2.11(a) is delivered to the Secretary of the Corporation, who is entitled to vote at the meeting and who complies with the notice procedures set forth in this Section 2.11(a).

(ii) For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (C) of the foregoing paragraph, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation and such business must be a proper subject for stockholder action under the DGCL. To be timely, a stockholder's notice must be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting; *provided, however*, that in the event that the date of the annual meeting is more than thirty (30) days before or more than thirty (30) days after such anniversary date, notice by the stockholder to be timely must be so delivered not later than the close of business on the tenth (10th) day following the date on which public announcement of the date of such meeting is first made by the Corporation. In no event shall the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above. Such stockholder's notice shall set forth: (A) as to each person whom the stockholder proposes to nominate for election as a director (x) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to and in accordance with Regulation 14A under the Exchange Act and Rule 14a-11 thereunder, or as such rules may be amended or superseded and (y) such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected; (B) as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and in the event that such business includes a proposal to amend the Bylaws of the Corporation, the language of the proposed amendment), the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (C) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (1) the name and address of such stockholder, as they appear on the Corporation's books, and of such beneficial owner, (2) the class and number of shares of capital stock of the Corporation which are owned beneficially and of record by such stockholder and such beneficial owner, (3) a representation that the stockholder is a holder of record of stock of the Corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such business or nomination and (4) a representation whether the stockholder or the beneficial owner, if any, intends or is part of a group which intends (a) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Corporation's outstanding capital stock required to approve or adopt the proposal or elect the nominee and/or (b) otherwise to solicit proxies from stockholders in support of such proposal or nomination. The foregoing notice requirements of this Section 2.11(a) shall be deemed satisfied by a stockholder if the stockholder has notified the Corporation of his or her intention to present a proposal or nomination at an annual meeting in compliance with applicable rules and regulations promulgated under the Exchange Act and such stockholder's proposal or nomination has been included in a proxy statement that has been prepared by the Corporation to solicit proxies for such annual meeting. The Corporation may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as a director of the Corporation.

(b) *Special Meeting*. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected pursuant to the Corporation's notice of meeting (A) by or at the direction of the Board of Directors or (B) by any stockholder of the Corporation who is a stockholder of record at the time the notice provided for in this Section 2.11(b) is delivered to the Secretary of the Corporation, who is entitled to vote at the meeting and upon such election and who complies with the notice procedures set forth in this Section 2.11. In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any such stockholder entitled to vote in such election of directors may nominate a person or persons (as the case may be) for election to such

position(s) as specified in the Corporation's notice of meeting, if the stockholder's notice required by paragraph (a)(ii) of this Section 2.11 shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the tenth (10<sup>th</sup>) day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. In no event shall the public

announcement of an adjournment or postponement of a special meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above.

(c) *General.* (i) Only such persons who are nominated in accordance with the procedures set forth in this Section 2.11 shall be eligible to be elected at an annual or special meeting of stockholders of the Corporation to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 2.11. Except as otherwise provided by law, the Chairman of the meeting shall have the power and duty (a) to determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in this Section 2.11 (including whether the stockholder or beneficial owner, if any, on whose behalf the nomination or proposal is made solicited (or is part of a group which solicited) or did not so solicit, as the case may be, proxies in support of such stockholder's nominee or proposal in compliance with such stockholder's representation as required by clause (a)(ii)(C)(4) of this Section 2.11) and (b) if any proposed nomination or business was not made or proposed in compliance with this Section 2.11, to declare that such nomination shall be disregarded or that such proposed business shall not be transacted. Notwithstanding the foregoing provisions of this Section 2.11, unless otherwise required by law, if the stockholder (or a qualified representative of the stockholder) does not appear at the annual or special meeting of stockholders of the Corporation to present a nomination or proposed business, such nomination shall be disregarded and such proposed business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the Corporation. For purposes of this Section 2.11, to be considered a qualified representative of the stockholder, a person must be authorized by a writing executed by such stockholder or an electronic transmission delivered by such stockholder to act for such stockholder as proxy at the meeting of stockholders and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting of stockholders.

(ii) For purposes of this Section 2.11, a public announcement shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or a comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Sections 13, 14 or 15(d) of the Exchange Act.

(iii) Notwithstanding the foregoing provisions of this Section 2.11, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations promulgated thereunder with respect to the matters set forth in this Section 2.11. Nothing in this Section 2.11 shall be deemed to affect any rights of stockholders to request inclusion of proposals or nominations in the Corporation's proxy statement pursuant to applicable rules and regulations promulgated under the Exchange Act or any rights of the holders of any series of preferred stock to elect directors pursuant to any applicable provisions of the Certificate of Incorporation.

#### Section 2.12 *Action by Written Consent Without a Meeting.*

No action shall be taken by the shareholders of the Corporation other than at an annual or special meeting of the shareholders, upon due notice and in accordance with the other provisions of these Bylaws.

#### Section 2.13 *Inspectors of Election.*

(a) Before any meeting of stockholders, the Board of Directors shall appoint one or more inspectors of election to act at the meeting and may designate one or more persons as alternate inspectors to replace any inspector who fails to act. If no inspector or alternate is able to act at the meeting, the Chairman of the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of the duties of inspector, shall

take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of such inspector's ability. Inspectors need not be stockholders. No director or nominee for the office of director shall be appointed an inspector.

(b) Such inspectors shall

- (i) ascertain the number of shares outstanding and the voting power of each;
- (ii) determine the shares represented at the meeting and the validity of proxies and ballots;
- (iii) count all votes and ballots and consents;

(iv) determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors; and

(v) certify their determination of the number of shares represented at the meeting, and their count of all votes and ballots.

*Section 2.14 Meetings by Remote Communications.* The Board of Directors may, in its sole discretion, determine that a meeting of stockholders shall not be held at any place, but may instead be held solely by means of remote communication in accordance with Section 211(a)(2) of the DGCL. If authorized by the Board of Directors in its sole discretion, and subject to such guidelines and procedures as the Board of Directors may adopt, stockholders and proxyholders not physically present at a meeting of stockholders may, by means of remote communication (a) participate in a meeting of stockholders and (b) be deemed present in person and vote at a meeting of stockholders whether such meeting is to be held at a designated place or solely by means of remote communication, provided that (i) the Corporation shall implement reasonable measures to verify that each person deemed present and permitted to vote at the meeting by means of remote communication is a stockholder or proxyholder; (ii) the Corporation shall implement reasonable measures to provide such stockholders and proxyholders a reasonable opportunity to participate in the meeting and to vote on matters submitted to the stockholders, including an opportunity to read or hear the proceedings of the meeting substantially concurrently with such proceedings; and (iii) if any stockholder or proxyholder votes or takes other action at the meeting by means of remote communication, a record of such vote or other action shall be maintained by the Corporation.

*Section 2.15 Record Date for Determining Stockholders.*

(a) For purposes of determining the stockholders entitled to notice of any meeting of stockholders or to vote thereat, the Board of Directors may fix, in advance, a record date, which shall not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If the Board of Directors does not so fix a record date, the record date for such determination shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of any meeting of stockholders or to vote thereat shall apply to any adjournment of the meeting unless the Board of Directors fixes a new record date for the adjourned meeting, but the Board of Directors shall fix a new record date if the meeting is adjourned for more than thirty (30) days from the date set for the original meeting.

(b) For purposes of determining the stockholders entitled to give consent to corporate action in writing without a meeting, the Board of Directors may fix, in advance, a record date, which shall not be more than ten (10) days after the date upon which the resolution fixing such record date is adopted by the Board of Directors. If the Board of Directors does not so fix a record date, the record date for such determination, (i) when no prior action by the Board of Directors is required by the DGCL, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation and (ii) when prior action by the Board of Directors is required by the DGCL, shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

(c) For purposes of determining the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board of Directors may fix, in advance, a record date, which shall be not more than sixty (60) days prior to the time for such action. If the Board of Directors does not so fix a record date, the record date for such determination shall be at the close of business on the day on which the

Board of Directors adopts the resolution relating thereto.

(d) Only stockholders of record at the close of business on a date determined in accordance with this Section 2.15 shall be entitled to notice and to vote, or to give consents, or to receive the dividend, distribution or allotment of rights, or to exercise the rights in respect of any change, conversion or exchange of stock, as the case may be, notwithstanding any transfer of any shares on the books of the Corporation after the record date so determined, except as otherwise required by law, the Certificate of Incorporation or these Bylaws.

## ARTICLE III

### DIRECTORS

Section 3.1 *Powers*. Subject to the provisions of the DGCL and to any limitations in the Certificate of Incorporation or these Bylaws relating to action required to be approved by the stockholders, the business and affairs of the Corporation shall be managed and shall be exercised by or under the direction of the Board of Directors. In addition to the powers and authorities these Bylaws expressly confer upon them, the Board of Directors may exercise all such powers of the Corporation and do all such lawful acts and things as are not by law, the Certificate of Incorporation or these Bylaws required to be exercised or done by the stockholders.

Section 3.2 *Number*. The number of directors of the Corporation shall not be less than five (5) nor more than nine (9). The exact number of directors is to be fixed from time to time exclusively by the Board of Directors pursuant to a resolution adopted by a majority of the Board of Directors. The exact number of directors shall be eight (8) until changed, within the limits specified above. With the exception of the first Board of Directors, which shall be elected by the incorporator, and except as provided in Section 3.3, directors shall be elected at the stockholders' annual meeting in each year. Each director shall hold office until the next annual meeting and until such director's successor is elected and qualified or until such director's earlier death, disqualification, resignation or removal. No reduction of the authorized number of directors shall have the effect of removing any director before that director's term of office expires.

Section 3.3 *Vacancies*.

(a) Unless otherwise provided in the Certificate of Incorporation or these Bylaws, vacancies may be filled by a majority of the remaining directors, even if less than a quorum, or by a sole remaining director. Each director so elected shall hold office until the next annual meeting of stockholders and until such director's successor is elected and qualified, or until such director's earlier death, disqualification, resignation or removal.

(b) The stockholders may elect a director or directors at any time to fill any vacancy or vacancies not filled by the directors.

Section 3.4 *Resignations and Removal*.

(a) Any director may resign at any time by delivering his or her written resignation to the Corporation. Such resignation shall take effect at the time specified in such notice or, if the time be not specified, upon receipt thereof by the Corporation. Unless otherwise specified therein, acceptance of such resignation shall not be necessary to make it effective.

(b) Unless otherwise restricted by law, the Certificate of Incorporation or these Bylaws, any director or the entire Board of Directors may be removed, with or without cause, by the holders of a majority in voting power of all issued and outstanding stock entitled to vote at an election of directors.

Section 3.5 *Regular Meetings*. Regular meetings of the Board of Directors shall be held at such place or places, on such date or dates and at such time or times, as shall have been established by the Board of Directors and publicized among all directors; provided that no fewer than one regular meeting per year shall be held. A notice of each regular meeting shall not be required.

Section 3.6 *Special Meetings*. Special meetings of the Board of Directors for any purpose or purposes may be called at any time by the Chairman of the Board of Directors, the Chief Executive Officer, the President, any Vice President, the Secretary or any two directors. The person or persons authorized to call special meetings of the Board of Directors may fix the place and time of such meetings. Notice of each such meeting shall be given to each director, if by mail, addressed to such director at his or her residence or usual place of business, at least four (4) days before the day on which such meeting is to be held, or shall be sent to such director at such place by telecopy, telegraph, electronic transmission or other form of recorded communication, or be delivered personally or by telephone, in each case at least forty-eight (48) hours prior to the time set for such meeting. Any oral notice given personally or by telephone may be communicated either to the director or to a person at the office of the director who the person giving the notice has reason to believe will promptly communicate it to the director. Notice of any meeting need not be given to a director who shall, either before or after the meeting, submit a waiver of such notice or who shall attend such meeting without protesting, prior to or at its commencement, the lack of notice to such director. A notice of special meeting need not state the purpose of such meeting, and, unless indicated in the notice thereof, any and all business may be transacted at a special meeting.

Section 3.7 *Participation in Meetings by Conference Telephone.* Members of the Board of Directors may participate in a meeting of the Board of Directors by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and such participation shall constitute presence in person at such meeting.

Section 3.8 *Quorum.* Except as otherwise provided by law, the Certificate of Incorporation or these Bylaws, a majority of the authorized number of directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, and the vote of a majority of the directors present at a duly held meeting at which a quorum is present shall be regarded as the act of the Board of Directors. The Chairman of the meeting or a majority of the directors present may adjourn the meeting to another time and place whether or not a quorum is present. At any adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the meeting as originally called. If a quorum initially is present at any meeting of directors, the directors may continue to transact business, notwithstanding the withdrawal of enough directors to leave less than a quorum, upon resolution of at least a majority of the required quorum for that meeting prior to the loss of such quorum.

Section 3.9 *Action by Written Consent Without A Meeting.* Any action required or permitted to be taken by the Board of Directors may be taken without a meeting, provided that all members of the Board of Directors consent in writing or by electronic transmission to such action, and the writing or writings or electronic transmission or transmissions are filed with the minutes or proceedings of the Board of Directors. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form. Such action by written consent shall have the same force and effect as a unanimous vote of the Board of Directors.

Section 3.10 *Rules and Regulations.* The Board of Directors shall adopt such rules and regulations not inconsistent with the provisions of law, the Certificate of Incorporation or these Bylaws for the conduct of its meetings and management of the affairs of the Corporation as the Board of Directors shall deem proper.

Section 3.11 *Fees and Compensation of Directors.* Directors and members of committees may receive such compensation, if any, for their services and such reimbursement of expenses as may be fixed or determined by resolution of the Board of Directors. ## RIGHTS AGREEMENT

THIS RIGHTS AGREEMENT (this *Agreement* ) is dated as of \_\_\_\_\_, 2006, between FIBERSTARS, INC., a Delaware corporation (the *Company* ), and MELLON INVESTOR SERVICES LLC, a New Jersey limited liability company (the *Rights Agent* ).

### WITNESSETH:

WHEREAS, on September 12, 2001, the Board of Directors of Fiberstars, Inc., a California corporation ( *Fiberstars California* ) authorized and declared a dividend distribution of one California Right (as hereinafter defined) for each share of Common Stock outstanding as of the Close of Business on September 26, 2001 (the *Record Date* ), and provided for the issuance of one California Right for each share of common stock of Fiberstars-California issued between the Record Date and the earlier of the Distribution Date and the Expiration Date, as such terms are hereinafter defined (with California Rights also to be issued in connection with certain issuances of such common stock after the Distribution Date, each California Right representing the right to purchase one one-thousandth of a share of Series A Participating Preferred Stock of Fiberstars California having the rights, powers and preferences set forth in the form of Certificate of Determination attached as Exhibit A to the Rights Agreement between Fiberstars California and the Rights Agent dated as of September 21, 2001, upon the terms and subject to the conditions hereinafter set forth (the *California Rights* ).

WHEREAS, upon the merger of Fiberstars California into the Company, the California Rights will be automatically converted into Rights to purchase one-thousandths of a share of Series A Participating Preferred Stock of the Company ( *Preferred Stock* ) having the rights, powers and preferences set forth in the form of Certificate of Designation attached hereto as Exhibit A (the *Certificate of Designation* ) upon the terms and subject to the conditions hereinafter set forth (the *Rights* ).

NOW, THEREFORE, in consideration of the premises and the mutual agreements herein set forth, the parties hereto hereby agree as follows:

1. *Certain Definitions.* For purposes of this Agreement, the following terms have the meanings indicated:

(a) *Acquiring Person* shall mean any Person (as such term is hereinafter defined) who or which, together with all Affiliates (as such term is hereinafter defined) and Associates (as such term is hereinafter defined) of such Person, shall be the Beneficial Owner (as such term is hereinafter defined) of fifteen percent (15%) or more of the shares of Common Stock then outstanding or who was such a Beneficial Owner at any time on or after the date hereof, whether or not such Person continues to be the Beneficial Owner of fifteen percent (15%) or more of the outstanding shares of Common Stock. Notwithstanding the foregoing:

(i) in no event shall a Person who or which, together with all Affiliates and Associates of such Person, is the Beneficial Owner of less than fifteen percent (15%) of the outstanding shares of Common Stock become an Acquiring Person solely as a result of a reduction of the number of shares of outstanding Common Stock, including repurchases of outstanding shares of Common Stock by the Company, which reduction increases the percentage of outstanding shares of Common Stock Beneficially Owned (as such term is hereinafter defined) by such Person; *provided, however,* that any subsequent increase in the amount of Common Stock Beneficially Owned by such Person, together with all Affiliates and Associates of such Person, without the prior written approval of the Board shall cause such Person to be an Acquiring Person (unless, measured at such time, such Person would not be an Acquiring Person);

(ii) the term Acquiring Person shall not mean: (A) the Company; (B) any Subsidiary (as such term is hereinafter defined) of the Company; (C) any employee benefit plan of the Company or any of its Subsidiaries; (D) any entity holding securities of the Company organized, appointed or established by the Company or any of its Subsidiaries for or pursuant to the terms of any such plan; or (E) any underwriter acting in good faith in a firm commitment underwriting of an offering of the Company's securities pursuant to arrangements with the Company that have been approved by the Board (*however*, the exception provided by this *clause (E)* shall no longer be available in the event that any such underwriter is otherwise an Acquiring Person on or after the date which is forty (40) days after

the date of initial acquisition of the Company's securities by such underwriter in connection with such offering); and

(iii) no Person shall be deemed to be an Acquiring Person if: (A)(1) any Schedule 13D under the Exchange Act (as hereinafter defined), or any comparable or successor report, filed (or required to be filed) by such Person does not (or would not) state any intention to or reserve the right to control or influence the management or policies of the Company or engage in any of the actions specified in Item 4 (or any comparable or successor Item) of such Schedule 13D (other than the disposition of Common Stock), (2) either (x) within two (2) Business Days of being requested by the Company to advise the Company regarding the same, such Person certifies in writing to the Company that such Person acquired Beneficial Ownership of fifteen percent (15%) or more of the outstanding shares of Common Stock inadvertently or without knowledge of the terms of the Rights, or (y) the Board determines in good faith that such Person has become an Acquiring Person inadvertently, (3) such Person divests as promptly as practicable (as determined in good faith by the Board) a sufficient number of securities so that such Person would not be deemed to be an Acquiring Person pursuant to the first sentence of this *Section 1(a)*, (or such other provisions of this Section 1(a) as may be applicable) and (4) promptly following such Person's divestiture of such securities, such Person certifies to the Board that such Person would no longer be deemed an Acquiring Person as defined pursuant to the first sentence of this *Section 1(a)* (or such other provisions of this *Section 1(a)* as may be applicable); or (B) by reason of such Person's Beneficial Ownership of fifteen percent (15%) or more of the outstanding shares of Common Stock on the date hereof if prior to the Record Date such Person notifies the Board that such Person is no longer the Beneficial Owner of fifteen percent (15%) or more of the then outstanding shares of Common Stock.

(b) *Affiliate* and *Associate* shall have the respective meanings ascribed to such terms in Rule 12b-2 of the General Rules and Regulations under the Exchange Act as in effect on the date of this Agreement.

(c) A Person shall be deemed the *Beneficial Owner*, and shall be deemed to *Beneficially Own* or have *Beneficial Ownership*, of any securities:

(i) which such Person or any of such Person's Affiliates or Associates is deemed to beneficially own (within the meaning of Rule 13d-3 of the General Rules and Regulations under the Exchange Act as in effect on the date hereof);

(ii) which such Person or any of such Person's Affiliates or Associates has (A) the right or obligation to acquire (whether such right or obligation is exercisable or effective immediately or only after the passage of time) pursuant to any agreement, arrangement or understanding (whether or not in writing) or upon the exercise of conversion rights, exchange rights, rights (other than the Rights), warrants or options, or otherwise; *provided, however*, that a Person shall not be deemed (under this *clause (A)*) the *Beneficial Owner*, and shall not be deemed (under this *clause (A)*) to *Beneficially Own* or have *Beneficial Ownership*, of securities tendered pursuant to a tender or exchange offer made by or on behalf of such Person or any of such Person's Affiliates or Associates until such tendered securities are accepted for payment or exchange; or (B) the right to vote or dispose of pursuant to any agreement, arrangement or understanding (whether or not in writing); *provided, however*, that a Person shall not be deemed the *Beneficial Owner*, and shall not be deemed to *Beneficially Own* or have *Beneficial Ownership*, of any security under this *clause (B)* if the agreement, arrangement or understanding to vote such security (1) arises solely from a revocable proxy given in response to a public proxy or consent solicitation made pursuant to, and in accordance with, the applicable rules and regulations of the Exchange Act and (2) is not also then reportable by such Person on Schedule 13D under the Exchange Act (or any comparable or successor report); or

(iii) which are Beneficially Owned, directly or indirectly, by any other Person (or any Affiliate or Associate thereof) with which such Person or any of such Person's Affiliates or Associates has any agreement, arrangement or understanding (whether or not in writing) (other than customary agreements with and between underwriters and

selling group members with respect to a bona fide public offering of securities), or with which such Person or any of such Person's Affiliates or Associates have otherwise formed a group, for the purpose of acquiring, holding, voting (except

pursuant to a revocable proxy as described in *clause (B)* of *subparagraph (ii)* of this *paragraph (c)*) or disposing of any securities of the Company.

(d) *Business Day* shall mean any day other than a Saturday, Sunday, or a day on which banking institutions in the State of California or the State of New Jersey are authorized or obligated by law or executive order to close.

(e) *Close of Business* on any given date shall mean 5:00 p.m., San Francisco time, on such date; *provided, however*, that if such date is not a Business Day it shall mean 5:00 p.m., San Francisco time, on the next succeeding Business Day.

(f) *Common Stock* shall mean the Common Stock of the Company or any other shares of capital stock of the Company into which such Common Stock may be reclassified or exchanged, except that *Common Stock* when used with reference to stock issued by any Person other than the Company shall mean the capital stock with the greatest Voting Power, or the equity securities or other equity interest having power to control or direct the management, of such Person or, if such Person is a Subsidiary of another Person, of the Person which ultimately controls such first-mentioned Person and which has issued and outstanding such capital stock, equity securities or equity interests.

(i) *Permitted Offer* shall mean a tender or exchange offer for all outstanding shares of Common Stock at a price and on terms determined, prior to the date of the first acceptance of payment for any of such shares, to be fair to and in the best interests of the Company and its shareholders (other than the offeror or any Affiliate or Associate thereof) by at least a majority of the members of the Board who are not (i) officers of the Company, (ii) the offeror, (iii) Acquiring Persons or (iv) Affiliates or Associates of the offeror or any Acquiring Person.

(o) *Voting Power* shall mean the voting power of all securities of the Company then outstanding and generally entitled to vote for the election of directors of the Company.

*2. Appointment of Rights Agent.* The Company hereby appoints the Rights Agent to act as agent for the Company in accordance with the terms and conditions hereof, and the Rights Agent hereby accepts such appointment. The

Company may from time to time appoint such co-Rights Agents as it may deem necessary or desirable upon written notice to the Rights Agent. The Rights Agent shall have no duty to supervise, and shall in no event be liable for, the acts or omissions of any such co-Rights Agent. In the event the Company appoints one or more co-Rights Agents, the respective duties of the Rights Agents and any co-Rights Agents shall be as the Company shall determine.

### 3. Issue of Rights Certificates.

(a) Until the earlier of (i) the Stock Acquisition Date or (ii) the Close of Business on the tenth (10<sup>th</sup>) Business Day (or such later date as may be determined by action of the Board) after the date of the commencement (determined in accordance with Rule 14d-2 of the General Rules and Regulations under the Exchange Act as in effect as the date hereof or, if no longer applicable, the intent of such Rule 14d-2 as in effect on the date hereof as determined in good faith by the Board) by any Person (other than the Company, any Subsidiary of the Company, any employee benefit plan of the Company or any of its Subsidiaries, or any entity organized, appointed or established by the Company or any of its Subsidiaries for or pursuant to the terms of any such plan) of a tender or exchange offer (other than a Permitted Offer) the consummation of which would result in such Person becoming an Acquiring Person (including any such date which is on or after the date of this Agreement and prior to the issuance of the Rights) (the earlier of such dates being herein referred to as the *Distribution Date* ), (x) the Rights shall be evidenced by the certificates for Common Stock registered in the names of the holders of the Common Stock (which certificates for Common Stock shall be deemed also to be certificates for Rights) and not by separate certificates and (y) the Rights (and the right to receive certificates therefor) shall be transferable only in connection with the transfer of the underlying shares of Common Stock. As soon as practicable after the Distribution Date, the Company shall provide the Rights Agent with a list of holders of Common Stock and the Rights Agent shall send, by first-class, insured, postage prepaid mail, to each record holder of the Common Stock as of the Close of Business on the Distribution Date, at the address of such holder shown on the records of the Company, a certificate for Rights, in substantially the form of *Exhibit B* hereto (the *Rights Certificates* ), evidencing one Right for each share of Common Stock so held (subject to adjustment as provided herein). As of and after the Distribution Date, the Rights shall be evidenced solely by such Rights Certificates.

The Company shall promptly notify the Rights Agent in writing upon the occurrence of the Distribution Date and, if such notification is given orally, the Company shall confirm same in writing on or prior to the Business Day next following. Until such notice is received by the Rights Agent, the Rights Agent may presume conclusively for all purposes that the Distribution Date has not occurred.

Promptly following the Record Date, the Company shall send a copy of a Summary of Rights, in substantially the form attached hereto as *Exhibit C* (the *Summary of Rights* ), by first-class, postage prepaid mail, to each record holder of the Common Stock as of the Close of Business on the Record Date, at the address of such holder shown on the records of the Company. With respect to certificates for the Common Stock outstanding as of the Record Date, until the Distribution Date (or earlier redemption, expiration or termination of the Rights), the Rights shall be evidenced by such certificates for the Common Stock and the registered holders of the Common Stock shall also be the registered holders of the associated Rights. Until the Distribution Date (or earlier redemption, expiration or termination of the Rights), the surrender for transfer of any of the certificates for the Common Stock outstanding on the Record Date shall also constitute the transfer of the Rights associated with the Common Stock represented by such certificate.

(b) Certificates issued for Common Stock (including, without limitation, certificates issued upon transfer or exchange of Common Stock) after the Record Date, but prior to the earlier of the Distribution Date or the Expiration Date (as such term is hereinafter defined), shall be deemed also to be certificates for Rights, and shall have impressed, printed, stamped, written or otherwise affixed onto them the following legend:

This certificate also evidences and entitles the holder hereof to certain Rights as set forth in a Rights Agreement between Fiberstars, Inc. (the Company ) and Mellon Investor Services LLC (the Rights Agent ) dated as of 2006 (the Rights Agreement ), the terms of which are hereby incorporated herein by reference and a copy of which is on file at the principal offices of the Company. Under certain circumstances, as set forth in the Rights Agreement, such Rights may be redeemed, may expire or may be evidenced by separate certificates and will no longer be

evidenced by this certificate. The Company will mail to the holder of this certificate a copy of the Rights Agreement without charge after receipt of a written request therefor. Under certain circumstances, Rights Beneficially Owned by Acquiring Persons (as such terms are defined in the Rights Agreement) or certain related parties, as well as subsequent holders of such Rights, may become null and void.

With respect to such certificates containing the foregoing legend, until the Distribution Date (or earlier redemption, expiration or termination of the Rights), the Rights associated with the Common Stock represented by such certificates shall be evidenced by such certificates alone, and the surrender for transfer of any of such certificates shall also constitute the transfer of the Rights associated with the Common Stock represented by such certificate.

#### 4. *Form of Rights Certificates.*

(a) The Rights Certificates (and the forms of election to purchase shares and of assignment and certificates to be printed on the reverse thereof) shall each be substantially in the form set forth in *Exhibit B* hereto and may have such marks of identification or designation and such legends, summaries or endorsements printed thereon as the Company may deem appropriate and as are not inconsistent with the provisions of this Agreement, and do not affect the rights, duties or responsibilities of the Rights Agent or as may be required to comply with any applicable law or with any rule or regulation made pursuant thereto or with any rule or regulation of any stock exchange or interdealer quotation system on which the Rights may from time to time be listed or traded, or to conform to usage. Subject to the provisions of *Section 11* and *Section 23* hereof, the Rights Certificates, whenever distributed, shall be dated as of the Record Date, and on their face shall entitle the holders thereof to purchase such number of one one-thousandths of a share of Preferred Stock as shall be set forth therein at the price per one one-thousandth of a share set forth therein (the *Purchase Price* ), such Purchase Price to be initially equal to the amount set forth in *Section 7(b)* below but the number of one one-thousandths of a share and the Purchase Price shall be subject to adjustment as provided herein.

(b) Any Rights Certificate issued pursuant to *Section 3(a)* hereof that represents Rights Beneficially Owned by an Acquiring Person or any Associate or Affiliate thereof, any Rights Certificate issued at any time upon the transfer of any Rights to such an Acquiring Person or any Associate or Affiliate thereof or to any nominee of such Acquiring Person, Associate or Affiliate, and any Rights Certificate issued pursuant to *Section 6*, *Section 11* or *Section 23* hereof upon transfer, exchange, replacement or adjustment of any other Rights Certificate referred to in this sentence, shall contain the following legend:

The Rights represented by this Rights Certificate were issued to a Person who was an Acquiring Person or an Affiliate or an Associate of an Acquiring Person (as such terms are defined in the Rights Agreement). This Rights Certificate and the Rights represented hereby may become null and void under the circumstances specified in *Section 7(e)* of the Rights Agreement.

The provisions of *Section 7(e)* hereof shall be operative whether or not the foregoing legend is contained on any such Rights Certificate.

#### 5. *Countersignature and Registration.*

(a) The Rights Certificates shall be executed on behalf of the Company by its Chief Executive Officer, its President, its Chief Financial Officer or any Vice President, either manually or by facsimile signature, and shall have affixed thereto the Company's seal or a facsimile thereof which shall be attested by the Secretary or an Assistant Secretary of the Company, either manually or by facsimile signature. The Rights Certificates shall be countersigned by the Rights Agent, either manually or by facsimile signature, and shall not be valid for any purpose unless so countersigned. In case any officer of the Company who shall have signed any of the Rights Certificates shall cease to be such officer of the Company before countersignature by the Rights Agent and issuance and delivery by the Company, such Rights Certificates, nevertheless, may be countersigned by the Rights Agent, and issued and delivered by the Company with the same force and effect as though the Person who signed such Rights Certificates had not ceased to be such officer of the Company; and any Rights Certificates may be signed on behalf of the Company by any Person who, at the

actual date of the execution of such Rights Certificate, shall be a proper officer of the Company to sign such Rights Certificate, although at the date of the execution of this Agreement any such Person was not such an officer.

(b) Following the Distribution Date and receipt by the Rights Agent of notice to that effect and any necessary information, the Rights Agent will keep or cause to be kept, at its office designated for such purpose, books for registration and transfer of the Rights Certificates issued hereunder. Such books shall

show the names and addresses of the respective holders of the Rights Certificates, the number of Rights evidenced on its face by each of the Rights Certificates and the date of each of the Rights Certificates.

*6. Transfer, Split Up, Combination and Exchange of Rights Certificates; Mutilated, Destroyed, Lost or Stolen Rights Certificates.*

(a) Subject to the provisions of *Sections 7(e), 7(f) and 15* hereof, at any time after the Close of Business on the Distribution Date, and at or prior to the Close of Business on the Expiration Date, any Rights Certificate or Certificates may be transferred, split up, combined or exchanged for another Rights Certificate or Rights Certificates, entitling the registered holder to purchase a like number of one one-thousandths of a share of Preferred Stock (or, after the occurrence of a Triggering Event, shares of Common Stock or other securities and property, as the case may be) as the Rights Certificate or Rights Certificates surrendered then entitled such holder (or former holder in the case of a transfer) to purchase. Any registered holder desiring to transfer, split up, combine or exchange any Rights Certificate shall make such request in writing delivered to the Rights Agent, and shall surrender the Rights Certificate or Rights Certificates to be transferred, split up, combined or exchanged at the office of the Rights Agent designated for such purpose. Subject to receipt by the Company and the Rights Agent of evidence reasonably satisfactory to them (as the Company may reasonably request) of the identity of the Beneficial Owner (or former Beneficial Owner) of the Rights Certificate or the Affiliates or Associates thereof, the Rights Agent shall (subject to *Section 7(e)* hereof) thereupon countersign and deliver to the Person entitled thereto a Rights Certificate or Rights Certificates, as the case may be, as so requested. The Company may require payment of a sum sufficient to cover any tax or charge that may be imposed in connection with any transfer, split up, combination or exchange of Rights Certificates. The Rights Agent shall have no duty or obligation under this Section 6 unless and until it is satisfied that all applicable taxes and charges have been paid in full.

(b) Subject to the provisions of *Sections 7(e), 7(f) and 15* hereof, upon receipt by the Company and the Rights Agent of evidence reasonably satisfactory to them of the loss, theft, destruction or mutilation of a Rights Certificate and such additional evidence of the identity of the Beneficial Owner (or former Beneficial Owner) or Affiliates or Associates thereof as the Company or the Rights Agent shall reasonably request, and, in case of loss, theft or destruction, of indemnity or security satisfactory to them, and reimbursement to the Company and the Rights Agent of all reasonable expenses incidental thereto, and upon surrender to the Rights Agent and cancellation of the Rights Certificate if mutilated, the Company shall execute and deliver a new Rights Certificate of like tenor to the Rights Agent for countersignature and delivery to the registered owner in lieu of the Rights Certificate so lost, stolen, destroyed or mutilated.

*7. Exercise of Rights; Purchase Price; Expiration Date of Rights.*

(a) Subject to the provisions of *Sections 7(e) and 7(f)* hereof, the registered holder of any Rights Certificate may exercise the Rights evidenced thereby (except as otherwise provided herein) in whole or in part at any time after the Distribution Date upon presentation of the Rights Certificate, with the appropriate form of election to purchase on the reverse side thereof duly executed, to the Rights Agent at the office of the Rights Agent set forth in *Section 26* hereof, together with payment of the Purchase Price for each one one-thousandth of a share of Preferred Stock (or such other securities or property as the case may be) as to which the Rights are exercised, at or prior to the earliest of (i) the Close of Business on September 20, 2011 (the *Final Expiration Date* ), (ii) the time at which the Rights are redeemed as provided in *Section 24* hereof, (iii) the consummation of a transaction contemplated by *Section 13(d)* hereof or (iv) the time at which the Rights are exchanged as provided in *Section 24(c)* hereof (such earliest time being herein referred to as the *Expiration Date* ). Notwithstanding any other provision of this Agreement, any Person who prior to the Distribution Date becomes a record holder of shares of Common Stock may exercise all of the rights of a

registered holder of a Rights Certificate with respect to the Rights associated with such shares of Common Stock in accordance with and subject to the provisions of this Agreement, including the provisions of *Section 7(e)* hereof, as of the date such Person becomes a record holder of shares of Common Stock.

(b) The Purchase Price for each one one-thousandth of a share of Preferred Stock pursuant to the exercise of a Right shall initially be *Thirty Dollars (\$30.00)*, shall be subject to adjustment from time to

time as provided in *Sections 11 and 13* hereof and shall be payable in lawful money of the United States of America in accordance with *paragraph (c)* of this *Section 7* below.

(c) Upon receipt of a Rights Certificate representing exercisable Rights, with the appropriate form of election to purchase duly executed, accompanied by payment of the Purchase Price for the fractional interests in shares of Preferred Stock (or other securities or property) to be purchased and an amount equal to any applicable tax or charge in cash, or by certified check or bank draft payable to the order of the Company, the Rights Agent shall, subject to *Section 21(k)* hereof, thereupon promptly (i)(A) requisition from any transfer agent of the shares of Preferred Stock (or make available, if the Rights Agent is the transfer agent) certificates for the number of one one-thousandths of a share of Preferred Stock to be purchased, and the Company hereby irrevocably authorizes its transfer agent to comply with all such requests, or (B) if the Company, in its sole discretion, shall have elected to deposit the fractional interests in shares of Preferred Stock issuable upon exercise of the Rights hereunder into a depository, requisition from the depository agent depository receipts representing such number of one one-thousandths of a share of Preferred Stock as are to be purchased (in which case certificates for the one one-thousandths of a share of Preferred Stock represented by such receipts shall be deposited by the transfer agent with the depository agent) and the Company shall direct the depository agent to comply with such request, (ii) when appropriate, requisition from the Company the amount of cash, if any, to be paid in lieu of issuance of fractional shares in accordance with *Section 15*, (iii) promptly after receipt of such certificates or depository receipts, cause the same to be delivered to or upon the order of the registered holder of such Rights Certificate, registered in such name or names as may be designated by such holder and, (iv) when appropriate, after receipt promptly deliver such cash to or upon the order of the registered holder of such Rights Certificate. In the event that the Company is obligated to issue other securities of the Company, and/or distribute other property pursuant to *Section 11(a)*, the Company shall make all arrangements necessary so that such other securities and/or property are available for distribution by the Rights Agent, if and when appropriate. In addition, in the case of an exercise of the Rights by a holder pursuant to *Section 11(a)(ii)*, the Rights Agent shall return such Rights Certificate to the registered holder thereof after imprinting, stamping or otherwise indicating thereon that the rights represented by such Rights Certificate no longer include the rights provided by *Section 11(a)(ii)* hereof; *provided, however*, that if less than all the Rights represented by such Rights Certificate were so exercised, the Rights Agent shall indicate on the Rights Certificate the number of Rights represented thereby which continue to include the rights provided by *Section 11(a)(ii)*.

(d) In case the registered holder of any Rights Certificate shall exercise (except pursuant to *Section 11(a)(ii)*) less than all the Rights evidenced thereby, a new Rights Certificate evidencing Rights equivalent to the Rights remaining unexercised shall be issued by the Rights Agent and delivered to the registered holder of such Rights Certificate or to such registered holder's duly authorized assigns, subject to the provisions of *Section 6* and *Section 15* hereof.

(e) Notwithstanding anything in this Agreement to the contrary, if there occurs any Triggering Event, then any Rights that are or were on or after the Distribution Date Beneficially Owned by an Acquiring Person or any Associate or Affiliate of an Acquiring Person shall become null and void, without any further action, and any holder of such Rights shall thereafter have no rights whatsoever with respect to such Rights, whether under any provision of this Agreement or otherwise. Without limiting the foregoing sentence, Rights held by the following Persons shall be null and void without any further action: (i) any direct or indirect transferee of any Rights that are or were on or after the Distribution Date Beneficially Owned by an Acquiring Person or any Associate or Affiliate of an Acquiring Person; (ii) any direct or indirect transferee of any Rights that were on or before the Distribution Date Beneficially Owned by an Acquiring Person or any Associate or Affiliate of an Acquiring Person if the transferee received such Rights, directly or indirectly, (A) from an Acquiring Person or any Associate or Affiliate of an Acquiring Person (x) as a result of a distribution by such Acquiring Person or any Associate or Affiliate of an Acquiring Person to holders of its equity securities or similar interests (including, without limitation, partnership interests) or (y) pursuant to any

continuing agreement, arrangement or understanding with respect to the Rights or (B) in a transfer (or series of transfers) which the Board determines is part of a plan, agreement, arrangement or understanding which has the purpose or effect of avoiding the provisions of this *Section 7(e)*; and (iii) subsequent transferees of Persons referred to in the foregoing clauses (i) and (ii) as well as this clause (iii). The Company shall notify the Rights Agent when this *Section 7(e)* applies and shall use all

reasonable efforts to ensure that the provisions of this *Section 7(e)* are complied with, but neither the Company nor the Rights Agent shall have any liability to any holder of Rights or any Rights Certificate or to any other Person as a result of the Company's failure to make any determination with respect to an Acquiring Person or its Affiliates, Associates or transferees hereunder.

(f) Notwithstanding anything in this Agreement to the contrary, neither the Rights Agent nor the Company shall be obligated to undertake any action with respect to a registered holder upon the occurrence of any purported exercise as set forth in this *Section 7* unless the Certificate contained in the appropriate form of Election to Purchase set forth on the reverse side of the Rights Certificate surrendered for such exercise shall have been properly completed and duly executed by the registered holder thereof and the Company shall have been provided with such additional evidence of the identity of the Beneficial Owner (or former Beneficial Owner) or Affiliates or Associates thereof as the Company or the Rights Agent shall reasonably request.

8. *Cancellation and Destruction of Rights Certificates.* All Rights Certificates surrendered for the purpose of exercise, transfer, split up, combination or exchange shall, if surrendered to the Company or any of its agents, be delivered to the Rights Agent for cancellation or in canceled form, or, if surrendered to the Rights Agent, shall be canceled by it, and no Rights Certificates shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Agreement. The Company shall deliver to the Rights Agent for cancellation and retirement, and the Rights Agent shall so cancel and retire, any other Rights Certificate purchased or acquired by the Company otherwise than upon the exercise thereof. The Rights Agent shall deliver all canceled Rights Certificates to the Company, or shall, at the written request of the Company, destroy such canceled Rights Certificates, and in such case shall deliver a certificate of destruction thereof to the Company.

9. *Reservation and Availability of Preferred Stock.*

(a) The Company covenants and agrees that it shall cause to be reserved and kept available out of its authorized and unissued shares of Preferred Stock, or any authorized and issued shares of Preferred Stock (and, following the occurrence of a Triggering Event, shares of Common Stock and other securities) held in its treasury, the number of shares of Preferred Stock (and, following the occurrence of a Triggering Event, shares of Common Stock and other securities) that will be sufficient (in accordance with the provisions of this Agreement, including *Section 11(a)(iii)* hereof) to permit the exercise in full of all outstanding Rights.

(b) So long as the shares of Preferred Stock (and, following the occurrence of a Triggering Event, shares of Common Stock and other securities) issuable upon the exercise of the Rights may be listed on any national securities exchange or quoted on any national quotation system, the Company shall use its best efforts to cause, from and after such time as the Rights become exercisable, all shares (or other securities) reserved for such issuance to be listed on such exchange or quoted on such system upon official notice of issuance upon such exercise.

(c) If then required by applicable law, the Company shall use its best efforts to (i) file, as soon as practicable following the earliest date after the occurrence of a Triggering Event as to which the consideration to be delivered by the Company upon exercise of the Rights has been determined pursuant to this Agreement, or as soon as is required by law following the Distribution Date, as the case may be, a registration statement under the Securities Act of 1933, as amended (the *Act*), with respect to the securities purchasable upon exercise of the Rights on an appropriate form, (ii) cause such registration statement to become effective as soon as practicable after such filing and (iii) cause such registration statement to remain effective (with a prospectus at all times meeting the requirements of the Act) until the earlier of (A) the date as of which the Rights are no longer exercisable for such securities, (B) the Expiration Date or (C) the date the Company receives an opinion of counsel to the effect that the maintenance of such registration

statement in effect is no longer necessary. If then required by applicable law, the Company will also take such action as may be appropriate under the securities or blue sky laws of the various states. The Company may temporarily suspend, for a period of time not to exceed ninety (90) days after the date set forth in clause (i) of this *Section 9(c)*, the exercisability of the Rights in order to prepare and file such registration statement or to comply with such blue sky laws. Upon any such suspension, the Company shall promptly notify the Rights Agent thereof and issue a public announcement stating that the exercisability of the Rights has been temporarily suspended. Notwithstanding any provision

of this Agreement to the contrary, the Rights shall not be exercisable in any jurisdiction unless the requisite qualification in such jurisdiction shall have been obtained.

(d) The Company covenants and agrees that it shall take all such action as may be necessary to ensure that all one one-thousandths of a share of Preferred Stock and/or other securities delivered upon exercise of Rights shall, at the time of delivery of the certificates for such shares or other securities (subject to payment of the Purchase Price), be duly and validly authorized and issued and fully paid and nonassessable shares or securities.

(e) The Company further covenants and agrees that it shall pay when due and payable any and all taxes and charges which may be payable in respect of the issuance or delivery of the Rights Certificates or of any certificates for one one-thousandths of a share of Preferred Stock and/or other securities upon the exercise of Rights. The Company shall not, however, be required to (i) pay any tax or charge which may be payable in respect of any transfer or delivery of Rights Certificates to a Person other than, or in respect of the issuance or delivery of the shares of Preferred Stock and/or other securities in a name other than that of, the registered holder of the Rights Certificates evidencing Rights surrendered for exercise or (ii) issue or deliver any certificates for shares of Preferred Stock and/or other securities in a name other than that of the registered holder upon the exercise of any Rights until such tax or charge shall have been paid (any such tax or charge being payable by the holder of such Rights Certificate at the time of surrender) or until it has been established to the Company's or Rights Agent's satisfaction that no such tax or charge is due.

10. *Preferred Stock Record Date.* Each Person in whose name any certificate for one one-thousandths of a share of Preferred Stock (or other securities) is issued upon the exercise of Rights shall for all purposes be deemed to have become the holder of record of the fractional shares of Preferred Stock (or other securities) represented thereby on, and such certificate shall be dated, the date upon which the Rights Certificate evidencing such Rights was duly presented and payment of the Purchase Price (and any applicable taxes or charges) was made; *provided, however*, that if the date of such presentation and payment is a date upon which the Preferred Stock (or other securities) transfer books of the Company are closed, such Person shall be deemed to have become the record holder of such shares on, and such certificate shall be dated, the next succeeding Business Day on which the Preferred Stock (or other securities) transfer books of the Company are open. Prior to the exercise of the Rights evidenced thereby, the holder of a Rights Certificate, as such, shall not be entitled to any rights of a shareholder of the Company with respect to shares for which the Rights shall be exercisable, including, without limitation, the right to vote, to receive dividends or other distributions or to exercise any preemptive rights, and shall not be entitled to receive any notice of any proceedings of the Company, except as provided herein.

11. *Adjustment of Purchase Price, Number and Kind of Shares or Number of Rights.* The Purchase Price, the number of shares covered by each Right and the number of Rights outstanding are subject to adjustment from time to time as provided in this *Section 11*.

(a) (i) In the event the Company shall at any time after the date of this Agreement (A) declare a dividend on the Preferred Stock payable in shares of Preferred Stock, (B) subdivide the outstanding Preferred Stock, (C) combine the outstanding Preferred Stock into a smaller number of shares or (D) issue any shares of its capital stock in a reclassification of the Preferred Stock (including any such reclassification in connection with a consolidation or merger in which the Company is the continuing or surviving corporation), except as otherwise provided in this *Section 11(a)* and in *Section 7(e)* hereof, the Purchase Price in effect at the time of the record date for such dividend or of the effective date of such subdivision, combination or reclassification, and the number and kind of shares of capital stock issuable on such date, shall be proportionately adjusted so that the holder of any Right exercised after such time shall be entitled to receive the aggregate number and kind of shares of capital stock and other securities which, if such Right had been exercised immediately prior to such date and at a time when the Preferred Stock transfer books of the

Company were open, such holder would have owned upon such exercise and been entitled to receive by virtue of such dividend, subdivision, combination or reclassification. If an event occurs which would require an adjustment under both this *Section 11(a)(i)* and *Section 11(a)(ii)* hereof the adjustment provided for in this *Section 11(a)(i)* shall be in addition to, and shall be made prior to, any adjustment required pursuant to *Section 11(a)(ii)* hereof.

(ii) Subject to *Section 24(c)* hereof, in the event any Person, alone or together with its Affiliates and Associates, shall become an Acquiring Person other than pursuant to a Permitted Offer (such an event being a *Section 11 Event* ), then, promptly following the first occurrence of such a Section 11 Event, proper provision shall be made so that each holder of a Right, except as provided in *Section 7(e)* hereof, shall, for a period of sixty (60) days after the later of the occurrence of any such Section 11 Event and the effective date of an appropriate registration statement pursuant to *Section 9* hereof, have a right to receive, upon exercise thereof at the then current Purchase Price in accordance with the terms of this Agreement, in lieu of fractional interests in shares of Preferred Stock, such number of shares of Common Stock of the Company as shall equal the result obtained by (x) multiplying the then current Purchase Price by the number of one one-thousandths of a share of Preferred Stock for which a Right was exercisable immediately prior to the Section 11 Event at issue and (y) dividing that product by fifty percent (50%) of the current market price per one share of Common Stock (determined pursuant to *Section 11(d)* hereof) on the date of the occurrence of the Section 11 Event at issue (such number of shares being referred to as the *number of Adjustment Shares* ); *provided, however,* that if the transaction that would otherwise give rise to the foregoing adjustment is also subject to the provisions of *Section 13* hereof, then only the provisions of *Section 13* hereof shall apply and no adjustment shall be made pursuant to this *Section 11(a)(ii)*; and *provided, further,* that such sixty (60) day period shall not be deemed to run during any period in which the exercise of the Rights or the fulfillment by the Company or the Rights Agent of its or their obligations under this Agreement shall be enjoined or otherwise prohibited in full or in part by any court or other governmental agency or body.

(iii) In lieu of issuing shares of Common Stock in accordance with *Section 11(a)(ii)* hereof, the Company may, if a majority of the Board then in office determines that such action is necessary or appropriate and not contrary to the interests of holders of Rights, elect to (and, in the event that the Board has not exercised the exchange right contained in *Section 24(c)* hereof and there are not sufficient treasury shares and authorized but unissued shares of Common Stock to permit the exercise in full of the Rights in accordance with *Section 11(a)(ii)* hereof, the Company shall) take all such action as may be necessary to authorize, issue or pay, upon the exercise of the Rights, cash (including by way of a reduction of the Purchase Price), property, shares of Common Stock, other securities (whether equity or debt securities of the Company, any Subsidiary of the Company, or otherwise) or any combination thereof having an aggregate value equal to the value of the shares of Common Stock which otherwise would have been issuable pursuant to *Section 11(a)(ii)* hereof, which aggregate value shall be determined by a nationally recognized investment banking firm selected by a majority of the Board. For purposes of the preceding sentence, the value of the Common Stock shall be determined pursuant to *Section 11(d)* hereof and the value of any fractional interests in preferred stock or preference stock which a majority of the Board determines to be a *common stock equivalent* shall be deemed to have the same value as the Common Stock. Any such election by the Board must be made and publicly announced within sixty (60) days following the date on which the Section 11 Event at issue shall have occurred with prompt notice thereof to the Rights Agent. Following the occurrence of such Section 11 Event, a majority of the Board then in office may suspend the exercisability of the Rights for a period of up to sixty (60) days following the date on which such Section 11 Event shall have occurred to the extent that such Directors have not determined whether to exercise their rights of election under this *Section 11(a)(iii)*. If the Board shall determine in good faith that it is likely that sufficient additional shares of Common Stock or common stock equivalents could be authorized for issuance upon exercise in full of the Rights, the sixty (60) day period set forth above may be extended to the extent necessary, but not more than ninety (90) days following the occurrence of the Section 11 Event at issue, in order that the Company may seek shareholder approval for the authorization of such additional shares. In the event of any such suspension, the Company shall issue a public announcement stating that the exercisability of the Rights has been temporarily suspended with prompt notice thereof to the Rights Agent.

(b) If the Company shall fix a record date for the issuance of rights, options or warrants to all holders of any interests in Preferred Stock entitling them (for a period expiring within forty-five (45) calendar days after such record date) to

subscribe for or purchase any interests in Preferred Stock (or securities having the same or more favorable rights, privileges and preferences as the Preferred Stock ( *equivalent preferred stock* )) or securities convertible into Preferred Stock or equivalent preferred stock at a price per share of

Preferred Stock or per share of equivalent preferred stock (or having a conversion price per share, if a security convertible into Preferred Stock or equivalent preferred stock) less than the current market price (as defined in *Section 11(d)*) per share of Preferred Stock on such record date, the Purchase Price to be in effect after such record date shall be determined by multiplying the Purchase Price in effect immediately prior to such record date by a fraction, the numerator of which shall be the number of shares of Preferred Stock outstanding on such record date, plus the number of shares of Preferred Stock which the aggregate offering price of the total number of shares of Preferred Stock and/or equivalent preferred stock to be offered (and/or the aggregate initial conversion price of the convertible securities so to be offered) would purchase at such current market price and the denominator of which shall be the number of shares of Preferred Stock outstanding on such record date, plus the number of additional shares of Preferred Stock and/or equivalent preferred stock to be offered for subscription or purchase (or into which the convertible securities so to be offered are initially convertible). In case such subscription price may be paid in a consideration part or all of which shall be in a form other than cash, the value of such consideration shall be as determined reasonably and with good faith to the holders of Rights by the Board, whose determination shall be described in a statement filed with the Rights Agent and shall be binding on the Rights Agent and conclusive for all purposes. Shares of Preferred Stock owned by or held for the account of the Company shall not be deemed outstanding for the purpose of any such computation. Such adjustment shall be made successively whenever such a record date is fixed; and in the event that such rights, options or warrants are not so issued, the Purchase Price shall be adjusted to be the Purchase Price which would then be in effect if such record date had not been fixed.

(c) If the Company shall fix a record date for the making of a distribution to all holders of interests in Preferred Stock (including any such distribution made in connection with a consolidation or merger in which the Company is the continuing corporation) of evidences of indebtedness, cash (other than a regular quarterly cash dividend out of the earnings or retained earnings of the Company), assets (other than a dividend payable in Preferred Stock, but including any dividend payable in stock other than Preferred Stock) or subscription rights, options or warrants (excluding those referred to in *Section 11(b)* hereof), the Purchase Price to be in effect after such record date shall be determined by multiplying the Purchase Price in effect immediately prior to such record date by a fraction, the numerator of which shall be the then current market price (as defined in *Section 11(d)* hereof) per share of Preferred Stock on such record date, less the fair market value (as determined reasonably and with good faith to the holders of Rights by the Board, whose determination shall be described in a statement filed with the Rights Agent and shall be binding on the Rights Agent and conclusive for all purposes) of the portion of the cash, assets or evidences of indebtedness so to be distributed or of such subscription rights, options or warrants distributable in respect of one share of Preferred Stock and the denominator of which shall be the then current market price (as defined in *Section 11(d)* hereof) per share of the Preferred Stock. Such adjustments shall be made successively whenever such a record date is fixed; and in the event that such distribution is not so made, the Purchase Price shall again be adjusted to be the Purchase Price which would be in effect if such record date had not been fixed.

(d) (i) For the purpose of any computation hereunder, other than as provided in *Section 11(a)(iii)*, the *current market price* per share of Common Stock on any date shall be deemed to be the average of the daily closing prices per share of such Common Stock for the thirty (30) consecutive Trading Days (as such term is hereinafter defined) immediately prior to such date; *provided, however*, that in the event that the current per share market price of the Common Stock is determined in whole or in part during a period following the announcement by the issuer of such Common Stock of (A) a dividend or distribution on such Common Stock payable in shares of such Common Stock or securities convertible into shares of such Common Stock or (B) any subdivision, combination or reclassification of such Common Stock, and prior to the expiration of thirty (30) Trading Days after the ex-dividend date for such dividend or distribution, or the record date for such subdivision, combination or reclassification, then, and in each such case, the *current market price* shall be properly adjusted to take into account ex-dividend trading. The closing price for each day shall be the last sale price, regular way, or, in case no such sale takes place on such day, the average of the closing

bid and asked prices, regular way, in either case as reported in the principal consolidated transaction reporting system with respect to securities listed or admitted to trading on the New York Stock Exchange or, if the shares of Common Stock are not listed or admitted to trading on the New York Stock Exchange, as reported in the principal consolidated transaction reporting system with respect to

securities listed on the principal national securities exchange on which the shares of Common Stock are listed or admitted to trading or, if the shares of Common Stock are not listed or admitted to trading on any national securities exchange but are listed or quoted on The Nasdaq Stock Market, the last reported sale price, or, in case no such sale takes place on such day, the average of the closing bid and asked prices as reported by Nasdaq, or, if the shares of Common Stock are not listed or quoted on The Nasdaq Stock Market, the last quoted price or, if not so quoted, the average of the high bid and low asked prices in the over-the-counter market, as reported by the OTC Bulletin Board or such other system then in use, or, if on any such date the shares of Common Stock are not quoted by any such organization, the average of the closing bid and asked prices as furnished by a professional market maker making a market in the Common Stock selected by the Board. If on any such date no market maker is making a market in the Common Stock, the fair value of such shares on such date as determined reasonably and with good faith by the Board shall be used and shall be binding on the Rights Agent and conclusive for all purposes. The term *Trading Day* shall mean a day on which the principal national securities exchange or The Nasdaq Stock Market, as the case may be, on which the shares of Common Stock are principally listed or admitted to trading or quoted is open for the transaction of business or, if the shares of Common Stock are not listed or admitted to trading or quoted on any national securities exchange or The Nasdaq Stock Market, a Business Day. If the Common Stock is not publicly held or not so listed or traded, *current market price* per share shall mean the fair value per share determined reasonably and with good faith to the holders of Rights by the Board, whose determination shall be described in a statement filed with the Rights Agent and shall be binding on the Rights Agent and conclusive for all purposes.

(ii) For the purpose of any computation hereunder, the *current market price* per share (or one one-thousandth of a share) of Preferred Stock shall be determined in the same manner as set forth above for the Common Stock in *Section 11(d)(i)* (other than the last sentence thereof). If the current market price per share (or one one-thousandth of a share) of Preferred Stock cannot be determined in the manner provided above or if the Preferred Stock is not publicly held or listed or traded in a manner described in *Section 11(d)(i)*, the *current market price* per share of Preferred Stock shall be conclusively deemed to be an amount equal to 1,000 (as such number may be appropriately adjusted for such events as stock splits, stock dividends and recapitalization with respect to the Common Stock occurring after the date of this Agreement) multiplied by the current market price per share of the Common Stock and the *current market price* per one one-thousandth of a share of Preferred Stock shall be equal to the current market price per share of the Common Stock (as appropriately adjusted). If neither the Common Stock nor the Preferred Stock is publicly held or so listed or traded, *current market price* per share shall mean the fair value per share as determined in good faith by the Board, whose determination shall be described in a statement filed with the Rights Agent and shall be conclusive for all purposes.

(e) Anything herein to the contrary notwithstanding, no adjustment in the Purchase Price shall be required unless such adjustment would require an increase or decrease of at least one percent (1%) in the Purchase Price; *provided, however*, that any adjustments which by reason of this *Section 11(e)* are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this *Section 11* shall be made to the nearest cent or to the nearest thousandth of a share of Common Stock or other share or one-millionth of a share of Preferred Stock, as the case may be. Notwithstanding the first sentence of this *Section 11(e)*, any adjustment required by this *Section 11* shall be made no later than the earlier of (i) three (3) years from the date of the transaction which mandates such adjustment or (ii) the Expiration Date.

(f) If as a result of any provision of this *Section 11*, the holder of any Right shall become entitled to receive any shares of capital stock of the Company other than Preferred Stock, thereafter the number of such other shares so receivable upon exercise of any Right shall be subject to adjustment from time to time in a manner and on terms as nearly equivalent as practicable to the provisions with respect to the shares (and the related Purchase Price) contained in this *Section 11*, and the provisions of *Sections 7, 9, 10, 13 and 15* hereof with respect to the Preferred Stock shall

apply on like terms to any such other shares.

(g) All Rights originally issued by the Company subsequent to any adjustment made to the Purchase Price hereunder shall evidence the right to purchase, at the adjusted Purchase Price, the number of one one-

thousandths of a share of Preferred Stock purchasable from time to time hereunder upon exercise of the Rights, all subject to further adjustment as provided herein.

(h) Unless the Company shall have exercised its election as provided in *Section 11(i)* hereof, upon each adjustment of the Purchase Price as a result of the calculations made in *Section 11(b)* and *(c)* hereof, each Right outstanding immediately prior to the making of such adjustment shall thereafter evidence the right to purchase, at the adjusted Purchase Price, that number of one one-thousandths of a share of Preferred Stock (calculated to the nearest one-millionth) obtained by (i) multiplying (x) the number of one one-thousandths of a share of Preferred Stock covered by a Right immediately prior to this adjustment by (y) the Purchase Price in effect immediately prior to such adjustment of the Purchase Price and (ii) dividing the product so obtained by the Purchase Price in effect immediately after such adjustment of the Purchase Price.

(i) The Company may elect on or after the date of any adjustment of the Purchase Price to adjust the number of Rights, in substitution for any adjustment in the number of one one-thousandths of a share of Preferred Stock purchasable upon the exercise of a Right. Each of the Rights outstanding after the adjustment in the number of Rights shall be exercisable for the number of one one-thousandths of a share of Preferred Stock for which a Right was exercisable immediately prior to such adjustment. Each Right held of record prior to such adjustment of the number of Rights shall become that number of Rights (calculated to the nearest one millionth) obtained by dividing the Purchase Price in effect immediately prior to adjustment of the Purchase Price by the Purchase Price in effect immediately after adjustment of the Purchase Price. The Company shall make a public announcement and promptly notify the Rights Agent of its election to adjust the number of Rights, indicating the record date for the adjustment, and, if known at the time, the amount of the adjustment to be made. This record date may be the date on which the Purchase Price is adjusted or any day thereafter, but, if the Rights Certificates have been issued, shall be at least ten (10) days later than the date of the public announcement. If Rights Certificates have been issued, upon each adjustment of the number of Rights pursuant to this *Section 11(i)*, the Company shall, as promptly as practicable, cause to be distributed to holders of record of Rights Certificates on such record date Rights Certificates evidencing, subject to *Section 15* hereof, the additional Rights to which such holders shall be entitled as a result of such adjustment, or, at the option of the Company, shall cause to be distributed to such holders of record in substitution and replacement for the Rights Certificates held by such holders prior to the date of adjustment, and upon surrender thereof, if required by the Company, new Rights Certificates evidencing all the Rights to which such holders shall be entitled after such adjustment. Rights Certificates so to be distributed shall be issued, executed and countersigned in the manner provided for herein (and may bear, at the option of the Company, the adjusted Purchase Price) and shall be registered in the names of the holders of record of Rights Certificates on the record date specified in the public announcement.

(j) Irrespective of any adjustment or change in the Purchase Price or the number of one one-thousandths of a share of Preferred Stock issuable upon the exercise of the Rights, the Rights Certificates theretofore and thereafter issued may continue to express the Purchase Price per one one-thousandths of a share and the number of one one-thousandths of a share which were expressed in the initial Rights Certificates issued hereunder.

(k) Before taking any action that would cause an adjustment reducing the Purchase Price below the then par value, if any, of the number of one one-thousandths of a share of Preferred Stock or shares of Common Stock or other securities issuable upon exercise of the Rights (aggregating, for this purpose, an appropriate amount of the Purchase Price for fractional shares to compare such aggregated amount to the par value for a whole share), the Company shall take any corporate action which may, in the opinion of its counsel, be necessary in order that the Company may validly and legally issue fully paid and nonassessable one one-thousandths of a share of Preferred Stock or shares of Common Stock or other securities at such adjusted Purchase Price. If upon any exercise of the Rights, a holder is to receive a combination of Common Stock and common stock equivalents, or Preferred Stock and preferred stock

equivalents, a portion of the consideration paid upon such exercise, equal to at least the then par value, if any, of a share of Common Stock or Preferred Stock of the Company, as the case may be, shall be allocated as the payment for each share of Common Stock or Preferred Stock of the Company, as the case may be, so received.

(l) In any case in which this *Section 11* shall require that an adjustment in the Purchase Price be made effective as of a record date for a specified event, the Company may elect to defer (and shall promptly notify the Rights Agent of any such election) until the occurrence of such event the issuing to the holder of any Right exercised after such record date the shares of Preferred Stock and other capital stock or securities of the Company, if any, issuable upon such exercise over and above the shares of Preferred Stock and other capital stock or securities of the Company, if any, issuable upon such exercise on the basis of the Purchase Price in effect prior to such adjustment; *provided, however*, that the Company shall deliver to such holder a due bill or other appropriate instrument evidencing such holder's right to receive such additional shares upon the occurrence of the event requiring such adjustment.

(m) Anything to the contrary in this *Section 11* notwithstanding, the Company shall be entitled to make such reductions in the Purchase Price, in addition to those adjustments expressly required by this *Section 11*, as and to the extent that it in its sole discretion shall determine to be advisable in order that any consolidation or subdivision of the Preferred Stock, issuance wholly for cash of any shares of Preferred Stock at less than the current market price, issuance wholly for cash of shares of Preferred Stock or securities which by their terms are convertible into or exchangeable for shares of Preferred Stock, stock dividends or issuance of rights, options or warrants referred to hereinabove in this *Section 11*, hereafter made by the Company to holders of Preferred Stock shall not be taxable to such shareholders.

(n) Anything in this Agreement to the contrary notwithstanding, in the event that the Company shall at any time after the date of this Agreement and prior to the Distribution Date (i) declare a dividend on the outstanding shares of Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock, (iii) combine the outstanding Common Stock into a smaller number of shares, or (iv) issue any shares of its capital stock in a reclassification of the outstanding Common Stock, the number of Rights associated with each share of Common Stock then outstanding, or issued or delivered thereafter but prior to the Distribution Date, shall be proportionately adjusted so that the number of Rights thereafter associated with each share of Common Stock following any such event shall equal the result obtained by multiplying the number of Rights associated with each share of Common Stock immediately prior to such event by a fraction the numerator of which shall be the total number of shares of Common Stock outstanding immediately prior to the occurrence of the event and the denominator of which shall be the total number of shares of Common Stock outstanding immediately following the occurrence of such event.

(o) The exercise of Rights under *Section 11(a)(ii)* hereof shall only result in the loss of rights under *Section 11(a)(ii)* hereof to the extent so exercised and shall not otherwise affect the rights represented by the Rights under this Agreement, including the rights represented by *Section 13* hereof.

*12. Certificate of Adjusted Purchase Price or Number of Shares.* Whenever an adjustment or any event affecting the Rights or their exercisability (including without limitation an event which causes Rights to become null and void) occurs as provided in *Sections 11* or *13* hereof, the Company shall (a) promptly prepare a certificate setting forth such adjustment or describing such event and a brief, reasonably detailed statement of the facts, computations and methodology accounting for such adjustment, (b) promptly file with the Rights Agent and with each transfer agent for the Preferred Stock and the Common Stock a copy of such certificate and (c) mail a brief summary thereof to each holder of a Rights Certificate in accordance with *Section 26* hereof. The Rights Agent shall be fully protected in relying on any such certificate and on any adjustment therein contained and shall have no duty with respect to and shall not be deemed to have knowledge of any adjustment or event unless and until it shall have received such certificate. Notwithstanding the foregoing provisions of this *Section 12*, the failure of the Company to make such certification or give such notice shall not affect the validity, or the force or effect, of the requirement for such adjustment or event.

13. *Consolidation, Merger or Sale or Transfer of Assets or Earning Power.*

(a) In the event that, following the Stock Acquisition Date, directly or indirectly, (x) the Company shall consolidate with, or merge with and into, any other Person, (y) any Person shall consolidate with the Company, or merge with and into the Company and the Company shall be the continuing or surviving corporation of such merger (other than, in the case of any transaction described in (x) or (y), a merger or consolidation which would result in all of the Voting Power represented by the securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into securities of the surviving entity) all of the Voting Power represented by the securities of the

Company or such surviving entity outstanding immediately after such merger or consolidation and the holders of such securities not having changed as a result of such merger or consolidation), or (z) the Company shall sell, mortgage or otherwise transfer (or one or more of its Subsidiaries shall sell, mortgage or otherwise transfer), in one or more transactions, assets or earning power aggregating more than fifty percent (50%) of the assets or earning power of the Company and its Subsidiaries (taken as a whole) to any other Person (any of the events described in the foregoing clauses (x), (y) or (z) being herein referred to as a *Section 13 Event* ), then, and in each such case, proper provision shall be made so that (i) each holder of a Right (other than as provided in *Section 7(e)* hereof) shall have the right to receive, upon the exercise thereof at the then current Purchase Price in accordance with the terms of this Agreement, such number of shares of freely tradable Common Stock of the Principal Party (as hereinafter defined), free and clear of liens, rights of call or first refusal, encumbrances or other adverse claims, as shall be equal to the result obtained by (x) multiplying the then current Purchase Price by the number of one one-thousandths of a share of Preferred Stock for which a Right is then exercisable (without taking into account any adjustment previously made pursuant to *Section 11(a)(ii)* hereof) and (y) dividing that product by fifty percent (50%) of the current market price per share of the Common Stock of such Principal Party (determined pursuant to *Section 11(d)* hereof) on the date of consummation of such consolidation, merger, sale or transfer; (ii) such Principal Party shall thereafter be liable for, and shall assume, by virtue of such consolidation, merger, sale or transfer, all the obligations and duties of the Company pursuant to this Agreement; (iii) the term *Company* shall thereafter be deemed to refer to such Principal Party, it being specifically intended that the provisions of *Section 11* hereof shall apply to such Principal Party; and (iv) such Principal Party shall take such steps (including, but not limited to, the reservation of a sufficient number of shares of its Common Stock in accordance with *Section 9* hereof) in connection with such consummation as may be necessary to ensure that the provisions hereof shall thereafter be applicable, as nearly as reasonably may be, in relation to its shares of Common Stock thereafter deliverable upon the exercise of the Rights.

(b) *Principal Party* shall mean:

(i) in the case of any transaction described in clauses (x) or (y) of the first sentence of this *Section 13*, the Person that is the issuer of any securities into which shares of Common Stock of the Company are converted in such merger or consolidation, and if no securities are so issued, the Person that is the other party to the merger or consolidation (including, if applicable, the Company, if it is the surviving corporation); and

(ii) in the case of any transaction described in clause (z) of the first sentence in this *Section 13*, the Person that is the party receiving the greatest portion of the assets or earning power transferred pursuant to such transaction or transactions;

*provided, however*, that in any such case, (A) if the Common Stock of such Person is not at such time and has not been continuously over the preceding twelve (12) month period registered under Section 12 of the Exchange Act, and such Person is a direct or indirect Subsidiary or Affiliate of another Person the Common Stock of which is and has been so registered, *Principal Party* shall refer to such other Person; (B) in case such Person is a Subsidiary, directly or indirectly, or Affiliate of more than one Person, the Common Stock of two or more of which are and have been so registered, *Principal Party* shall refer to whichever of such Persons is the issuer of the Common Stock having the greatest aggregate market value; and (C) in case such Person is owned, directly or indirectly, by a joint venture formed by two or more Persons that are not owned, directly or indirectly, by the same Person, the rules set forth in clauses (A) and (B) above shall apply to each of the chains of ownership having an interest in such joint venture as if such joint venture were a Subsidiary of each such joint venturer and the Principal Parties in each such chain shall bear the obligations set forth in this *Section 13* in the same ratio as their direct or indirect interests in such Person bear to the total of such interests.

(c) The Company shall not consummate any Section 13 Event unless the Principal Party shall have a sufficient number of authorized shares of its Common Stock that have not been issued or reserved for issuance to permit the exercise in full of the Rights in accordance with this *Section 13* and unless prior thereto the Company and each Principal Party and each other Person who may become a Principal Party as a result of such Section 13 Event shall have executed and delivered to the Rights Agent a supplemental

agreement providing for the terms set forth in *paragraphs (a) and (b)* of this *Section 13* and further providing that, as soon as practicable after the date of such Section 13 Event, the Principal Party at its own expense shall:

(i) prepare and file a registration statement under the Act with respect to the Rights and the securities purchasable upon exercise of the Rights on an appropriate form, will use its best efforts to cause such registration statement to become effective as soon as practicable after such filing and will use its best efforts to cause such registration statement to remain effective (with a prospectus at all times meeting the requirements of the Act) until the Expiration Date;

(ii) use its best efforts to (x) qualify or register the Rights and the securities purchasable upon exercise of the Rights under the blue sky laws of such jurisdictions as may be necessary or appropriate and (y) cause the Rights and the securities purchasable upon exercise of the Rights to be listed on any national securities exchange or national quotation system upon which its Common Stock is listed, traded or quoted; and

(iii) deliver to holders of the Rights historical financial statements for the Principal Party and each of its Affiliates that comply in all material respects with the requirements for registration on Form 10 under the Exchange Act.

The provisions of this *Section 13* shall similarly apply to successive mergers or consolidations or sales or other transfers. The rights under this *Section 13* shall be in addition to the rights to exercise Rights and adjustments under *Section 11(a)(ii)* hereof and shall survive any exercise thereunder.

(d) Notwithstanding anything in this Agreement to the contrary, this *Section 13* shall not be applicable to a transaction described in clauses (x) or (y) of *Section 13(a)* hereof if (i) such transaction is (x) consummated with a Person or Persons who acquired shares of Common Stock pursuant to a Permitted Offer (or a wholly owned Subsidiary of any such Person or Persons) and (y) related to such Permitted Offer, (ii) the price per share of Common Stock offered in such transaction is not less than the price per share of Common Stock paid to all holders of Common Stock whose shares were purchased pursuant to such Permitted Offer and (iii) the form of consideration being offered to the remaining holders of Common Stock pursuant to such transaction is the same as the form of consideration paid pursuant to such Permitted Offer. Upon consummation of any such transaction contemplated by this *subsection (d)*, all Rights hereunder shall expire.

#### 14. *Additional Covenants.*

(a) The Company covenants and agrees that after the Stock Acquisition Date it shall not (i) consolidate with, (ii) merge with or into or (iii) sell or transfer to any other Person, in one or more transactions, assets or earning power aggregating more than fifty percent (50%) of the assets or earning power of the Company and its Subsidiaries taken as a whole, if at the time of or after such consolidation, merger or sale there are any charter or by-law provisions or any rights, warrants or other instruments outstanding or any other action taken which would diminish or otherwise eliminate the benefits intended to be afforded by the Rights. The Company shall not consummate any such consolidation, merger or sale unless prior thereto the Company and such other Person shall have executed and delivered to the Rights Agent a supplemental agreement evidencing compliance with this subsection.

(b) The Company covenants and agrees that, after the Stock Acquisition Date, it will not, except as permitted by *Section 24* hereof, take any action the purpose or effect of which is to diminish or otherwise eliminate the benefits intended to be afforded by the Rights.

#### 15. *Fractional Rights and Fractional Shares.*

(a) The Company shall not be required to issue fractions of Rights, except prior to the Distribution Date as provided in *Section 11(n)* hereof, or to distribute Rights Certificates which evidence fractional Rights. In lieu of such fractional Rights, there shall be paid to the registered holders of the Rights Certificates with regard to which such fractional Rights would otherwise be issuable, an amount in cash equal to the same fraction of the current market value of a whole Right. For the purposes of this *Section 15(a)*, the current market value of a whole Right shall be (except as otherwise provided in the last

sentence of this *Section 15(a)*) the closing price of the Rights for the Trading Day immediately prior to the date on which such fractional Rights would have been otherwise issuable. The closing price of the Rights for any day shall be the last sale price, the last quoted price or, if not so quoted, the average of the high bid and low asked prices in the over-the-counter market, as reported by The Nasdaq Stock Market or such other system then in use or, if on any such date the Rights are not quoted by any such organization, the average of the closing bid and asked prices as furnished by a professional market maker making a market in the Rights selected by the Board. If on any such date no such market maker is making a market in the Rights, the fair value of the Rights on such date as determined reasonably and with good faith to the holders of Rights by the Board shall be used and shall be binding on the Rights Agent and conclusive for all purposes.

(b) The Company shall not be required to issue fractions of shares of Preferred Stock (other than fractions which are integral multiples of one one-thousandth of a share of Preferred Stock) upon exercise of the Rights or to distribute certificates which evidence fractional shares of Preferred Stock (other than fractions which are integral multiples of one one-thousandth of a share of Preferred Stock). Fractions of shares of Preferred Stock in integral multiples of one one-thousandth of a share of Preferred Stock may, at the election of the Company, be evidenced by depositary receipts, pursuant to an appropriate agreement between the Company and a depositary selected by it, provided that such agreement shall provide that the holders of such depositary receipts shall have all the rights, privileges and preferences to which they are entitled as beneficial owners of the fractional interests in shares of Preferred Stock represented by such depositary receipts. In lieu of fractional shares of Preferred Stock that are not integral multiples of one one-thousandth of a share of Preferred Stock, the Company may pay to the registered holders of Rights Certificates at the time such Rights are exercised as herein provided an amount in cash equal to the same fraction of the current market value of one one-thousandth of a share of Preferred Stock. For purposes of this *Section 15(b)*, the current market value of one one-thousandth of a share of Preferred Stock shall be determined in the manner set forth in *Section 11(d)* hereof for the Trading Day immediately prior to the date of such exercise.

(c) Following the occurrence of a Triggering Event, the Company shall not be required to issue fractions of shares of Common Stock upon exercise of the Rights or to distribute certificates which evidence fractional shares of Common Stock. In lieu of fractional shares of Common Stock, the Company may pay to the registered holders of Rights Certificates at the time such Rights are exercised as herein provided an amount in cash equal to the same fraction of the current market value of a share of Common Stock. For purposes of this *Section 15(c)*, the current market value shall be determined in the manner set forth in *Section 11(d)* hereof for the Trading Day immediately prior to the date of such exercise.

(d) Except as otherwise expressly provided herein, the holder of a Right by the acceptance of the Right expressly waives such holder's right to receive any fractional Rights or any fractional shares (other than, in the case of Preferred Stock, fractions which are integral multiples of one one-thousandth of a share of Preferred Stock) upon exercise of a Right. The Rights Agent shall have no duty or obligation with respect to this *Section 15* and *Section 24* below unless and until it has received specific instructions (and sufficient cash, if required) from the Company with respect to its duties or obligations under such Sections.

16. *Rights of Action.* All rights of action in respect of this Agreement, except those rights of action expressly vested in the Rights Agent under this Agreement, are vested in the respective registered holders of the Rights Certificates (and, prior to the Distribution Date, the registered holders of the Common Stock); and any registered holder of any Rights Certificate (or, prior to the Distribution Date, of the Common Stock), without the consent of the Rights Agent or of the holder of any other Rights Certificate (or, prior to the Distribution Date, of the Common Stock), may, in such holder's own behalf and for such holder's own benefit, enforce, and may institute and maintain any suit, action or proceeding against the Company to enforce, or otherwise act in respect of, such holder's right to exercise the Rights evidenced by

such Rights Certificate in the manner provided in such Rights Certificate and in this Agreement. Without limiting the foregoing or any remedies available to the holders of Rights, it is specifically acknowledged that the holders of Rights would not have an adequate remedy at law for any breach by the Company of this Agreement and shall be entitled to specific performance of the obligations hereunder and injunctive relief against actual or threatened violations by the Company of the obligations hereunder of any Person subject to this Agreement. Holders of Rights shall be entitled to recover the reasonable costs and expenses, including attorneys' fees, incurred by them in any action to enforce the provisions of this Agreement.

17. *Agreement of Rights Holders.* Every holder of a Right by accepting the same consents and agrees with the Company and the Rights Agent and with every other holder of a Right that:

(a) prior to the Distribution Date, the Rights will be transferable only in connection with the transfer of Common Stock;

(b) after the Distribution Date, the Rights Certificates are transferable only on the registry books of the Rights Agent and only if surrendered at the office of the Rights Agent set forth in *Section 26* hereof, duly endorsed or accompanied by a proper instrument of transfer and with the appropriate forms and certificates attached;

(c) the Company and the Rights Agent shall deem and treat the Person in whose name a Rights Certificate (or, prior to the Distribution Date, the associated Common Stock certificate) is registered as the absolute owner thereof and of the Rights evidenced thereby (notwithstanding any notations of ownership or writing on the Rights Certificates or the associated Common Stock certificate made by anyone other than the Company or the Rights Agent) for all purposes whatsoever, and neither the Company nor the Rights Agent shall be affected by any notice to the contrary; and

(d) notwithstanding anything in this Agreement to the contrary, neither the Company nor the Rights Agent shall have any liability to any holder of a Right or other Person as a result of the inability of the Company or the Rights Agent to perform any of its or their obligations under this Agreement by reason of any preliminary or permanent injunction or other order, decree, judgment or ruling (whether interlocutory or final) issued by a court of competent jurisdiction or by a governmental, regulatory or administrative agency or commission, or any statute, rule, regulation or executive order promulgated or enacted by any governmental authority prohibiting or otherwise restraining performance of such obligation; *provided, however*, that the Company must use its best efforts to have any such order, decree, judgment or ruling lifted or otherwise overturned as soon as possible.

18. *Rights Certificate Holder Not Deemed a Shareholder.* No holder, as such, of any Rights Certificate shall be entitled to vote, receive dividends or be deemed for any purpose the holder of the shares of Preferred Stock, Common Stock or any other securities of the Company which may at any time be issuable upon exercise of the Rights represented thereby, nor shall anything contained herein or in any Rights Certificate be construed to confer upon the holder of any Rights Certificate, as such, any of the rights of a shareholder of the Company or any right to vote for the election of directors or upon any matter submitted to shareholders at any meeting thereof, or to give or withhold consent to any corporate action, or to receive notice of meetings or other actions affecting shareholders (except as provided in *Section 25* hereof), or to receive dividends or subscription rights, or otherwise, until the Right or Rights evidenced by such Rights Certificate shall have been exercised in accordance with the provisions thereof.

19. *Concerning the Rights Agent.*

(a) The Company agrees to pay to the Rights Agent reasonable compensation for all services rendered by it hereunder and, from time to time, on demand of the Rights Agent, its reasonable expenses and counsel fees and disbursements and other disbursements incurred in the preparation, delivery, administration, amendment and execution of this Agreement and the exercise and performance of its duties hereunder. The Company also agrees to indemnify the Rights Agent for, and to hold it harmless against, any loss, liability, damage, judgment, fine, penalty, claim, demand, settlement, cost, or expense (including, without limitation, the reasonable fees and expenses of legal counsel), incurred without gross negligence, bad faith or willful misconduct on the part of the Rights Agent (which gross negligence, bad faith or willful misconduct must be determined by a final, non-appealable order, judgment, decree or ruling of a court of competent jurisdiction), for any action taken, suffered or omitted by the Rights Agent in connection with the acceptance, administration, exercise and performance of this Agreement, including the costs and expenses of

defending against any claim of liability arising therefrom, directly or indirectly. The costs and expenses incurred in enforcing this right of indemnification shall be paid by the Company. The provisions of this *Section 19* and *Section 21* below shall survive the termination of this Agreement, the exercise or expiration of the Rights and the resignation or removal of the Rights Agent.

(b) The Rights Agent shall be authorized to rely on, shall be protected and shall incur no liability for or in respect of any action taken, suffered or omitted by it in connection with its acceptance and administration of this Agreement or the exercise or performance of its duties hereunder in reliance upon any Rights Certificate or certificate for Common Stock or for other securities of the Company, instrument of assignment or transfer, power of attorney, endorsement, affidavit, letter, notice, direction, consent, certificate, statement or other paper or document believed by it to be genuine and to be signed, executed and, where necessary, verified or acknowledged by the proper Person or Persons, or otherwise upon the advice of counsel as set forth in *Section 21* hereof.

*20. Merger or Consolidation or Change of Name of Rights Agent.*

(a) Any Person into which the Rights Agent or any successor Rights Agent may be merged or with which it may be consolidated, or any Person resulting from any merger or consolidation to which the Rights Agent or any successor Rights Agent shall be a party, or any Person succeeding to the shareholder services business of the Rights Agent or any successor Rights Agent, shall be the successor to the Rights Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto, provided that such Person would be eligible for appointment as a successor Rights Agent under the provisions of *Section 22* hereof. In case at the time such successor Rights Agent shall succeed to the agency created by this Agreement, any of the Rights Certificates shall have been countersigned but not delivered, any such successor Rights Agent may adopt the countersignature of the predecessor Rights Agent and deliver such Rights Certificates so countersigned; and in case at that time any of the Rights Certificates shall not have been countersigned, any successor Rights Agent may countersign such Rights Certificates either in the name of the predecessor or in the name of the successor Rights Agent; and in all such cases such Rights Certificates shall have the full force provided in the Rights Certificates and in this Agreement.

(b) In case at any time the name of the Rights Agent shall be changed and at such time any of the Rights Certificates shall have been countersigned but not delivered, the Rights Agent may adopt the countersignature under its prior name and deliver Rights Certificates so countersigned; and in case at that time any of the Rights Certificates shall not have been countersigned, the Rights Agent may countersign such Rights Certificates either in its prior name or in its changed name; and in all such cases such Rights Certificates shall have the full force provided in the Rights Certificates and in this Agreement.

*21. Rights and Duties of Rights Agent.* The Rights Agent undertakes the duties and obligations expressly imposed by this Agreement (and not implied duties or obligations) upon the following terms and conditions, by all of which the Company and the holders of Rights Certificates, by their acceptance thereof, shall be bound:

(a) The Rights Agent may consult with legal counsel selected by it (who may be legal counsel for the Company), and the advice or opinion of such counsel shall be full and complete authorization and protection to the Rights Agent and, in the absence of bad faith, the Rights Agent shall incur no liability for or in respect of any action taken, suffered or omitted by it in accordance with such advice or opinion.

(b) Whenever in the performance of its duties under this Agreement the Rights Agent shall deem it necessary or desirable that any fact or matter (including, without limitation, the identity of any Acquiring Person and the determination of current market price) be proved or established by the Company prior to taking, suffering or omitting any action hereunder, such fact or matter (unless other evidence in respect thereof shall be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate signed by the Chief Executive Officer, the President, any Vice President, the Chief Financial Officer, the Treasurer, any Assistant Treasurer, the Secretary or any Assistant Secretary of the Company and delivered to the Rights Agent; and such certificate shall be full authorization to the Rights Agent and, in the absence of bad faith, the Rights Agent shall incur no liability for or

in respect of any action taken, suffered or omitted by it under the provisions of this Agreement in reliance upon such certificate.

(c) The Rights Agent shall be liable hereunder only for its own gross negligence, bad faith or willful misconduct (which gross negligence, bad faith or willful misconduct must be determined by a final, non-appealable order, judgment, decree or ruling of a court of competent jurisdiction). Anything in this Agreement to the contrary notwithstanding, in no case will the Rights Agent be liable for special, indirect,

punitive, incidental or consequential loss or damages of any kind whatsoever (including but not limited to lost profits), even if the Rights Agent has been advised of the possibility of such damages. Notwithstanding anything to the contrary herein, the liability of the Rights Agent hereunder will be limited to the amount of fees paid by the Company to the Rights Agent hereunder.

(d) The Rights Agent shall not be liable for or by reason of any of the statements of fact or recitals contained in this Agreement or in the Rights Certificates (except as to the fact that it has countersigned the Rights Certificates) or be required to verify the same, but all such statements and recitals are and shall be deemed to have been made by the Company only.

(e) The Rights Agent shall not have any liability for or be under any responsibility in respect of the validity of this Agreement or the execution and delivery hereof (except the due execution hereof by the Rights Agent) or in respect of the validity or execution of any Rights Certificate (except its countersignature thereof); nor shall it be responsible or liable for any breach by the Company of any covenant or condition contained in this Agreement or in any Rights Certificate; nor shall it be responsible or liable for any adjustment required under the provisions of *Section 11* or *13* hereof or responsible or liable for the manner, method or amount of any such adjustment or the ascertaining of the existence of facts that would require any such adjustment (except with respect to the exercise of Rights evidenced by Rights Certificates after receipt of a certificate pursuant to *Section 12* describing any such adjustment); nor shall it be responsible or liable for any determination by the Board of the current market value of the Rights or Preferred Stock or Common Stock pursuant to the provisions of *Section 15* hereof; nor shall it by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of any shares of Preferred Stock or other securities to be issued pursuant to this Agreement or any Rights Certificate or as to whether any shares of Preferred Stock or other securities will, when so issued, be validly authorized and issued, fully paid and nonassessable.

(f) The Company agrees that it will perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered all such further and other acts, instruments and assurances as may reasonably be required by the Rights Agent for the carrying out or performance by the Rights Agent of the provisions of this Agreement.

(g) The Rights Agent is hereby authorized and directed to accept instructions with respect to the performance of its duties hereunder and certificates delivered pursuant to any provision hereof from the Chief Executive Officer, the President, any Vice President, the Chief Financial Officer, the Secretary, any Assistant Secretary, the Treasurer or any Assistant Treasurer of the Company, and is authorized to apply to such officers for advice or instructions in connection with its duties, and such advice or instructions shall be full authorization and protection to the Rights Agent and, in the absence of bad faith, the Rights Agent shall incur no liability for or in respect of any action taken, suffered or omitted to be taken by it in accordance with the advice or written instructions of any such officer. Any application by the Rights Agent for written instructions from the Company may, at the option of the Rights Agent, set forth in writing any action proposed to be taken, suffered or omitted by the Rights Agent with respect to its duties or obligations under this Agreement and the date on and/or after which such action shall be taken, suffered or omitted and the Rights Agent shall not be liable for any action taken, suffered or omitted in accordance with a proposal included in any such application on or after the date specified therein (which date shall not be less than three (3) Business Days after the date any such officer actually receives such application, unless any such officer shall have consented in writing to an earlier date) unless, prior to taking, suffering or omitting any such action, the Rights Agent has received written instructions in response to such application specifying the action to be taken, suffered or omitted.

(h) The Rights Agent and any Affiliate, shareholder, director, officer or employee of the Rights Agent may buy, sell or deal in any of the Rights or other securities of the Company or become pecuniarily interested in any transaction in which the Company may be interested, or contract with or lend money to the Company or otherwise act as fully and

freely as though the Rights Agent were not the Rights Agent under this Agreement. Nothing herein shall preclude the Rights Agent or any such Affiliate, shareholder, director, officer or employee from acting in any other capacity for the Company or for any other Person.

(i) The Rights Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself (through its directors, officers and employees) or by or through its

attorneys or agents, and the Rights Agent shall not be answerable or accountable for any act, omission, default, neglect or misconduct of any such attorneys or agents or for any loss to the Company or to the holders of the Rights or any other Person resulting from any such act, omission, default, neglect or misconduct, absent gross negligence, bad faith or willful misconduct in the selection and continued employment thereof (which gross negligence, bad faith or willful misconduct must be determined by a final, non-appealable order, judgment, decree or ruling of a court of competent jurisdiction).

(j) No provision of this Agreement shall require the Rights Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of its rights if the Rights Agent believes that repayment of such funds or adequate indemnification against such risk or liability is not reasonably assured to it.

(k) If, with respect to any Rights Certificate surrendered to the Rights Agent for exercise or transfer, the certificate attached to the form of assignment or form of election to purchase, as the case may be, has either not been properly completed or indicates an affirmative response to clause 1 and/or 2 thereof, the Rights Agent shall not take any further action with respect to such requested exercise or transfer without first consulting with the Company.

*22. Change of Rights Agent.* The Rights Agent or any successor Rights Agent may resign and be discharged from its duties under this Agreement upon thirty (30) days notice in writing mailed to the Company and to each transfer agent of the Common Stock and Preferred Stock by registered or certified mail, and to the holders of the Rights Certificates by first-class mail. The Company may remove the Rights Agent or any successor Rights Agent upon thirty (30) days notice in writing, mailed to the Rights Agent or successor Rights Agent, as the case may be, and to each transfer agent of the Common Stock and Preferred Stock by registered or certified mail, and to the holders of the Rights Certificates by first-class mail. If the Rights Agent shall resign or be removed or shall otherwise become incapable of acting, the Company shall appoint a successor to the Rights Agent. If the Company shall fail to make such appointment within a period of thirty (30) days after giving notice of such removal or after it has been notified in writing of such resignation or incapacity by the resigning or incapacitated Rights Agent or by the holder of a Rights Certificate (who shall, with such notice, submit such holder's Rights Certificate for inspection by the Company), then the registered holder of any Rights Certificate may apply to any court of competent jurisdiction for the appointment of a new Rights Agent. Any successor Rights Agent, whether appointed by the Company or by such a court, shall be (a) a Person organized and doing business under the laws of the United States or of the State of New York or the State of California (or of any other state of the United States so long as such Person is authorized to do business in the State of New York or the State of California), in good standing, which is authorized under such laws to exercise shareholder services powers and is subject to supervision or examination by federal or state authority and which has at the time of its appointment as Rights Agent a combined capital and surplus of at least \$50,000,000.00 or (b) an Affiliate of a Person described in clause (a) of this sentence. After appointment, the successor Rights Agent shall be vested with the same powers, rights, duties and responsibilities as if it had been originally named as Rights Agent without further act or deed; but the predecessor Rights Agent shall deliver and transfer to the successor Rights Agent any property at the time held by it hereunder, and execute and deliver any further assurance, conveyance, act or deed necessary for the purpose. Not later than the effective date of any such appointment the Company shall mail notice thereof in writing to the predecessor Rights Agent and each transfer agent of the Common Stock and Preferred Stock, and mail a notice thereof in writing to the registered holders of the Rights Certificates. Failure to give any notice provided for in this *Section 22*, however, or any defect therein, shall not affect the legality or validity of the resignation or removal of the Rights Agent or the appointment of the successor Rights Agent, as the case may be.

*23. Issuance of New Rights Certificates.* Notwithstanding any of the provisions of this Agreement or of the Rights to the contrary, the Company may, at its option, issue new Rights Certificates evidencing Rights in such form as may be

approved by the Board to reflect any adjustment or change in the Purchase Price per share and the number or kind or class of shares or other securities or property purchasable under the Rights Certificates made in accordance with the provisions of this Agreement. In addition, in connection with the issuance or sale of shares of Common Stock following the Distribution Date and prior to the redemption or expiration of the Rights, the Company (a) shall, with respect to shares of Common Stock so issued or sold pursuant to the exercise of stock options or otherwise under any employee plan or arrangement, which plan or arrangement is existing as of the Distribution Date, or upon the exercise, conversion or exchange of any other securities issued

by the Company on or prior to the Distribution Date, and (b) may, in any other case, if deemed necessary or appropriate by the Board, issue Rights Certificates representing the appropriate number of Rights in connection with such issuance or sale; *provided, however*, that (i) no such Rights Certificates shall be issued if, and to the extent that, the Company shall be advised by counsel that such issuance would create a significant risk of material adverse tax consequences to the Company or the Person to whom such Rights Certificates would be issued, and (ii) no such Rights Certificates shall be issued if, and to the extent that, appropriate adjustment shall otherwise have been made in lieu of the issuance thereof.

*24. Redemption, Termination and Exchange.*

(a) (i) The Board may, at its option, at any time prior to the earlier of (x) the Stock Acquisition Date or (y) the Close of Business on the Final Expiration Date, redeem all but not less than all of the then outstanding Rights at a redemption price of \$0.001 per Right, appropriately adjusted to reflect any stock split, stock dividend or similar transaction occurring after the date hereof (such redemption price being hereinafter referred to as the *Redemption Price* ). The Company may, at its option, pay the Redemption Price in any form of consideration deemed appropriate by the Board.

(ii) In addition, and notwithstanding the provisions of *Section 24(a)(i)* hereof, the Board may redeem all but not less than all of the then outstanding Rights at the Redemption Price on or after the Stock Acquisition Date but prior to any Section 13 Event either (x) in connection with any Section 13 Event in which all holders of Common Stock are treated alike and not involving (other than as a holder of Common Stock being treated like all other such holders) an Acquiring Person or an Affiliate or Associate thereof or any other Person in which such Acquiring Person or Affiliate or Associate thereof has any interest, or any other Person acting directly or indirectly on behalf of or in association with any such Acquiring Person or Affiliate or Associate thereof, or (y) following the occurrence of a Section 11 Event, and the expiration of any period during which the holder of Rights may exercise the rights under *Section 11(a)(ii)* hereof as a result thereof, if and for as long as any Acquiring Person having triggered the Section 11 Event at issue is not thereafter the Beneficial Owner of fifteen percent (15%) or more of the outstanding shares of Common Stock, and at the time of redemption there are no other Persons who are Acquiring Persons.

(b) (i) In the case of a redemption permitted under *Section 24(a)(i)* hereof, immediately upon the action of the Board ordering the redemption of the Rights, evidence of which shall have been filed with the Rights Agent and without any further action and without any notice, the right to exercise the Rights will terminate and the only right thereafter of the holders of Rights shall be to receive the Redemption Price. In the case of a redemption permitted only under *Section 24(a)(ii)* hereof, evidence of which shall have been filed with the Rights Agent, the right to exercise the Rights will terminate and represent only the right to receive the Redemption Price only after ten (10) Business Days following the giving of notice of such redemption to the holders of such Rights if no Section 11 Event shall have occurred, and, if a Section 11 Event shall have occurred, upon the later of ten (10) Business Days following the giving of such notice or the expiration of any period during which the rights under *Section 11(a)(ii)* hereof may be exercised as a result thereof. Within ten (10) days after the action of the Board ordering any such redemption of the Rights, the Company shall give notice of such redemption to the Rights Agent and the holders of the then outstanding Rights by mailing such notice to the Rights Agent and to all such holders at their last addresses as they appear upon the registry books of the Rights Agent or, prior to the Distribution Date, on the registry books of the transfer agent for the Common Stock. Any notice that is mailed in the manner herein provided shall be deemed given, whether or not the holder receives the notice. Each such notice of redemption will state the method by which the payment of the Redemption Price will be made.

(ii) In the case of a redemption permitted under *Section 24(a)(i)* or *(ii)*, the Company may, at its option, discharge all of its obligations with respect to the Rights by (i) issuing a press release announcing the manner of redemption of the Rights and (ii) mailing payment of the Redemption Price to the registered holders of the Rights at their last addresses as they appear on the registry books of the Rights Agent or, prior to the Distribution Date, on the registry books of the transfer agent of the Common Stock, and upon such action, all outstanding Rights Certificates shall be null and void without any further action by the Company.

(c) (i) Subject to the limitations of applicable laws, the Board may, at its option and at any time after any Person becomes an Acquiring Person, exchange all or part of the then outstanding and exercisable Rights (which shall not include Rights that have become null and void pursuant to the provisions of *Section 7(e)* hereof) for (A) shares of Common Stock at an exchange ratio of one share of Common Stock per Right, appropriately adjusted to reflect any stock split, stock dividend or similar transaction occurring after the date hereof (the *Exchange Shares* ), or (B) Substitute Consideration (as that term is defined below). The Board may determine, in its sole discretion, whether to deliver Exchange Shares or Substitute Consideration. Notwithstanding the foregoing, the Board shall not be empowered to effect such exchange at any time after any Person (other than the Company, any Subsidiary of the Company, any employee benefit plan of the Company or any such Subsidiary, or any entity holding Common Stock for or pursuant to the terms of any such plan), together with all Affiliates and Associates of such Person, becomes the Beneficial Owner of fifty percent (50%) or more of the Common Stock then outstanding.

(ii) In the event the Board shall determine to deliver Substitute Consideration in exchange for Rights, the Company shall (1) determine the value of the Exchange Shares (the *Exchange Value* ), and (2) with respect to each Right to be exchanged, make adequate provision to substitute for Exchange Shares the following (the *Substitute Consideration* ): (v) cash, (w) Common Stock or common stock equivalents (as that term is defined in *Section 11(a)(iii)* hereof) or Preferred Stock or equivalent preferred stock (as that term is defined in *Section 11(b)* hereof), (x) debt securities of the Company, (y) other assets, or (z) any combination of the foregoing, having an aggregate value equal to the Exchange Value, where such aggregate value has been determined by the Board based upon the advice of a nationally recognized investment banking firm selected by the Board. For purposes of this *Section 24(c)*, the value of a share of Common Stock shall be the current market price (as determined pursuant to *Section 11(d)* hereof) per share of Common Stock on the day that is the later of (x) the first occurrence of a Section 11 Event or (y) the date on which the Company's right of redemption pursuant to *Section 24(a)(i)* hereof expires; and the value of any common stock equivalent shall be deemed to have the same value as the Common Stock on such date.

(iii) Immediately upon the action of the Board ordering the exchange of any Rights pursuant to this *Section 24(c)*, and without any further action and without any notice, the right to exercise such Rights shall terminate and the only right thereafter of a holder of such Rights shall be to receive Exchange Shares or Substitute Consideration for each Right exchanged by such holder. The Company shall promptly give public notice and notice to the Rights Agent of any such exchange; *provided, however*, that the failure to give, or any defect in, such notice shall not affect the validity of such exchange. The Company promptly shall mail a notice of any such exchange to all of the holders of such Rights at their last addresses as they appear upon the registry books of the Rights Agent. Any notice that is mailed in the manner herein provided shall be deemed given, whether or not the holder receives the notice. Each such notice of exchange will state the method by which the exchange of Common Stock (or Substitute Consideration) for Rights will be effected and, in the event of any partial exchange, the number of Rights which will be exchanged. Any partial exchange shall be effected pro rata based on the number of Rights (other than Rights which have become void pursuant to the provisions of *Section 7(e)* hereof) held by each holder of Rights.

(iv) In the event that there shall not be sufficient shares of Common Stock or Preferred Stock issued but not outstanding or authorized but unissued to permit any exchange of Rights as contemplated in accordance with this *Section 24(c)*, the Company shall take all such action as may be necessary to authorize additional shares of Common Stock or Preferred Stock for issuance upon exchange of the Rights.

(v) The Company shall not be required to issue fractions of shares of Common Stock or to distribute certificates which evidence fractional shares of Common Stock. In lieu of such fractional shares of Common Stock, the Company shall pay to the registered holders of the Rights Certificates with regard to which such fractional shares of Common Stock would otherwise be issuable an amount in cash equal to the same fraction of the current market value of a whole share

of Common Stock. For the purposes of this *Section 24(c)(v)*, the current market value of a whole share of Common Stock shall be determined in the manner set forth in *Section 11(d)* hereof for the Trading Day immediately prior to the date of exchange pursuant to this *Section 24(c)*.

*25. Notice of Certain Events.*

(a) In case the Company shall propose (i) to pay any dividend payable in stock of any class to the holders of Preferred Stock or to make any other distribution to the holders of Preferred Stock (other than a regular quarterly cash dividend out of earnings or retained earnings of the Company), (ii) to offer to the holders of Preferred Stock rights or warrants to subscribe for or to purchase any additional shares of Preferred Stock or shares of stock of any class or any other securities, rights or options, (iii) to effect any reclassification of Preferred Stock (other than a reclassification involving only the subdivision of outstanding shares of Preferred Stock), (iv) to effect any consolidation or merger into or with, or to effect any sale or other transfer (or to permit one or more of its Subsidiaries to effect any sale or other transfer), in one or more transactions, of more than fifty percent (50%) of the assets or earning power of the Company and its Subsidiaries (taken as a whole) to, any other Person or (v) to effect the liquidation, dissolution or winding up of the Company, then, in each such case, the Company shall give to each holder of a Rights Certificate, in accordance with *Section 26* hereof, a notice of such proposed action, which shall specify the record date for the purposes of such stock dividend, distribution of rights or warrants, or the date on which such reclassification, consolidation, merger, sale, transfer, liquidation, dissolution or winding up is to take place and the date of participation therein by the holders of the shares of Preferred Stock, if any such date is to be fixed, and such notice shall be so given in the case of any action covered by clause (i) or (ii) above at least twenty (20) days prior to the record date for determining holders of the shares of Preferred Stock for purposes of such action, and in the case of any such other action, at least twenty (20) days prior to the date of the taking of such proposed action or the date of participation therein by the holders of the shares of Preferred Stock, whichever shall be the earlier.

(b) In case any Triggering Event shall occur, then, in any such case, the Company or the Principal Party, as the case may be, shall as soon as practicable thereafter give to each holder of a Rights Certificate and the Rights Agent, in accordance with *Section 26* hereof, a notice of the occurrence of such Triggering Event, which shall specify the event and the consequences of the Triggering Event to holders of Rights under Section 11(a)(ii) or 13(a) hereof, as the case may be.

(c) The failure to give notice required by this *Section 25* or any defect therein shall not affect the legality or validity of the action taken by the Company or the vote upon any such action.

*26. *27. Supplements and Amendments.* The Company and the Rights Agent may from time to time supplement or amend this Agreement without approval of any holders of Rights or Rights Certificates in order (i) to cure any ambiguity, (ii) to correct or supplement any provision contained herein which may be defective or inconsistent with any other provisions herein, (iii) prior to the Distribution Date, to change or supplement any provision hereunder in any manner which the Company may deem necessary or desirable or (iv) on or following the Distribution Date, to change or supplement any provision hereunder in any manner which the Company may deem necessary or desirable and which shall not adversely affect the interests of the holders of Rights Certificates. All such actions, calculations, interpretations and determinations (including, for purposes of clause (y) below, all omissions with respect to the foregoing) which are done or made by the Board in good faith, shall (x) be final, conclusive and binding on the Company, the Rights Agent, the holders of the Rights Certificates and all other parties and (y) not subject the Board to any liability to the holders of the Rights Certificates. The Rights Agent may hereby assume without any need to investigate that the Board has acted in good faith and shall be fully protected and incur no liability in reliance thereon.

*29. Successors.* All the covenants and provisions of this Agreement by or for the benefit of the Company or the Rights Agent shall bind and inure to the benefit of their respective successors and assigns hereunder.

*30. Benefits of This Agreement.* Nothing in this Agreement shall be construed to give to any Person other than the Company, the Rights Agent and the registered holders of the Rights Certificates (and, prior to the Distribution Date, the Common Stock) any legal or equitable right, remedy or claim under this Agreement; but this Agreement shall be for the sole and exclusive benefit of the Company, the Rights Agent and the registered holders of the Rights Certificates (and, prior to the Distribution Date, the Common Stock).

*31. Severability.* If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or

invalidated.

**FIBERSTARS, INC.**

Fiberstars, Inc., a corporation organized and existing under the Delaware General Corporation Law (the *Corporation* ), DOES HEREBY CERTIFY:

That pursuant to the authority conferred upon the Board of Directors by the Certificate of Incorporation of the Corporation, and pursuant to Section 151 of the Delaware Corporation Law, the Board of Directors on \_\_\_\_\_, 2006, by unanimous consent in lieu of a meeting, duly determined that the Corporation shall designate One Hundred Thousand (100,000) shares of Preferred Stock as Series A Participating Preferred Stock and to that end, the Board of Directors adopted the following resolution providing for the terms, designations, powers, preferences and relative participating, optional and other special rights, and the qualifications, limitations, and restrictions, of the Series A Participating Preferred Stock:

RESOLVED, that pursuant to the authority vested in the Board of Directors of the Corporation in accordance with the provisions of its Certificate of Incorporation, and pursuant to Section 151 of the Delaware Corporation Law, a series of Preferred Stock of the Corporation be and it hereby is created, and that the designation and amount thereof and the powers, preferences and relative, participating, optional and other special rights of the shares of such series, and the qualifications, limitations or restrictions thereof are as follows:

1. *Designation and Amount.* The shares of such series shall be designated as Series A Participating Preferred Stock, and the number of shares constituting such series shall be One Hundred Thousand (100,000). Such number of shares may be increased or decreased by resolution of the Board of Directors; provided, that no decrease shall reduce the number of shares of Series A Participating Preferred Stock to a number less than that of the shares then outstanding plus the number of shares issuable upon exercise of outstanding rights, options or warrants or upon conversion of outstanding securities issued by the Corporation.

2. *Dividends and Distributions.*

(A) Subject to the prior and superior rights of the holders of any shares of any series of Preferred Stock ranking prior and superior to the shares of Series A Participating Preferred Stock with respect to dividends, the holders of shares of Series A Participating Preferred Stock in preference to the holders of shares of Common Stock (the *Common Stock* ), of the Corporation and any other junior stock, shall be entitled to receive, when, as and if declared by the Board of Directors out of funds legally available for the purpose, quarterly dividends payable in cash on the first day of March, June, September and December in each year (each such date being referred to herein as a *Quarterly Dividend Payment Date* ), commencing on the first *Quarterly Dividend Payment Date* after the first issuance of a share or fraction of a share of Series A Participating Preferred Stock in an amount per share (rounded to the nearest cent) equal to the greater of (a) \$25.00 or, (b) subject to the provision for adjustment hereinafter set forth, 1,000 times the aggregate per share amount of all cash dividends, and 1,000 times the aggregate per share amount (payable in kind) of all non-cash dividends or other distributions other than a dividend payable in shares of Common Stock or a subdivision

of the outstanding shares of Common Stock (by reclassification or otherwise), declared on the Common Stock, since the immediately preceding Quarterly Dividend Payment Date, or, with respect to the first Quarterly Dividend Payment Date, since the first issuance of any share or fraction of a share of Series A Participating Preferred Stock. In the event the Corporation shall at any time after the close of business on the Effective Date, as defined in the Merger Agreement between Fiberstars California and the Corporation (the Rights Declaration Date ) (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock or (iii) combine the outstanding Common Stock into a smaller number of shares, by reclassification or otherwise, then in each such case the amount to which holders of shares of Series A Participating Preferred Stock were entitled immediately prior to such event under clause (b) of the preceding sentence shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such

A-1

---

event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(B) The Corporation shall declare a dividend or distribution on the Series A Participating Preferred Stock as provided in paragraph (A) above immediately after it declares a dividend or distribution on the Common Stock (other than a dividend payable in shares of Common Stock); provided that, in the event no dividend or distribution shall have been declared on the Common Stock during the period between any Quarterly Dividend Payment Date and the next subsequent Quarterly Dividend Payment Date, a dividend of \$25.00 per share on the Series A Participating Preferred Stock shall nevertheless be payable on such subsequent Quarterly Dividend Payment Date.

(C) Dividends shall begin to accrue and be cumulative on outstanding shares of Series A Participating Preferred Stock from the Quarterly Dividend Payment Date next preceding the date of issue of such shares of Series A Participating Preferred Stock unless the date of issue of such shares is prior to the record date for the first Quarterly Dividend Payment Date, in which case dividends on such shares shall begin to accrue from the date of issue of such shares, or unless the date of issue is a Quarterly Dividend Payment Date or is a date after the record date for the determination of holders of shares of Series A Participating Preferred Stock entitled to receive a quarterly dividend and before such Quarterly Dividend Payment Date, in either of which events such dividends shall begin to accrue and be cumulative from such Quarterly Dividend Payment Date. Accrued but unpaid dividends shall not bear interest. Dividends paid on the shares of Series A Participating Preferred Stock in an amount less than the total amount of such dividends at the time accrued and payable on such shares shall be allocated pro rata on a share-by-share basis among all such shares at the time outstanding. The Board of Directors may fix a record date for the determination of holders of shares of Series A Participating Preferred Stock entitled to receive payment of a dividend or distribution declared thereon, which record date shall be no more than 30 days prior to the date fixed for the payment thereof.

3. *Voting Rights.* The holders of shares of Series A Participating Preferred Stock shall have the following voting rights:

(A) Subject to the provision for adjustment hereinafter set forth, each share of Series A Participating Preferred Stock shall entitle the holder thereof to 1,000 votes on all matters submitted to a vote of the shareholders of the Corporation. In the event the Corporation shall at any time after the Rights Declaration Date (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock into a greater number of shares or (iii) combine the outstanding Common Stock into a smaller number of shares, by reclassification or otherwise, then in each such case the number of votes per share to which holders of shares of Series A Participating Preferred Stock were entitled immediately prior to such event shall be adjusted by multiplying such number by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock outstanding immediately prior to such event.

(B) Except as otherwise provided herein, in the Certificate of Incorporation or by law, the holders of shares of Series A Participating Preferred Stock and the holders of shares of Common Stock and any other capital stock of the Corporation having general voting rights shall vote together as one class on all matters submitted to a vote of shareholders of the Corporation.

(C)(i) If at any time dividends on any Series A Participating Preferred Stock shall be in arrears in an amount equal to six quarterly dividends thereon, the holders of the Series A Participating Preferred Stock, voting as a separate series from all other series of Preferred Stock and classes of capital stock, shall be entitled to elect two members of the Board of Directors in addition to any Directors elected by any other series, class or classes of securities and the authorized number of Directors will automatically be increased by two. Promptly thereafter, the Board of Directors of

this Corporation shall, as soon as may be practicable, call a special meeting of holders of Series A Participating Preferred Stock for the purpose of electing such members of the Board of Directors. Said special meeting shall in any event be held within 45 days of the occurrence of such arrearage.

A-2

---

(ii) During any period when the holders of Series A Participating Preferred Stock, voting as a separate series, shall be entitled and shall have exercised their right to elect two Directors, then and during such time as such right continues (a) the then authorized number of Directors shall remain increased by two, and the holders of Series A Participating Preferred Stock, voting as a separate series, shall remain entitled to elect the additional Directors so provided for, and (b) each such additional Director shall not be a member of any existing class of the Board of Directors, but shall serve until the next annual meeting of shareholders for the election of Directors, or until his or her successor shall be elected and shall qualify, or until his or her right to hold such office terminates pursuant to the provisions of this Section 3(C).

(iii) A Director elected pursuant to the terms hereof may be removed with or without cause by the holders of Series A Participating Preferred Stock entitled to vote in an election of such Director.

(iv) If, during any interval between annual meetings of shareholders for the election of Directors and while the holders of Series A Participating Preferred Stock shall be entitled to elect two Directors, there are fewer than two such Directors in office by reason of resignation, death or removal, then, promptly thereafter, the Board of Directors shall call a special meeting of the holders of Series A Participating Preferred Stock for the purpose of filling such vacancy(ies) and such vacancy(ies) shall be filled at such special meeting. Such special meeting shall in any event be held within 45 days of the occurrence of any such vacancy(ies).

(v) At such time as the arrearage is fully cured, and all dividends accumulated and unpaid on any shares of Series A Participating Preferred Stock outstanding are paid, and, in addition thereto, at least one regular dividend has been paid subsequent to curing such arrearage, the term of office of any Director elected pursuant to this Section 3(C), or his or her successor, shall automatically terminate, and the authorized number of Directors shall automatically decrease by two, and the rights of the holders of the shares of the Series A Participating Preferred Stock to vote as provided in this Section 3(C) shall cease, subject to renewal from time to time upon the same terms and conditions.

(D) Except as set forth herein or as otherwise provided by law, holders of Series A Participating Preferred Stock shall have no special voting rights and their consent shall not be required (except to the extent they are entitled to vote with holders of Common Stock and any other capital stock of the Corporation having general voting rights as set forth herein) for taking any corporate action.

#### 4. *Certain Restrictions.*

(A) Whenever quarterly dividends or other dividends or distributions payable on the Series A Participating Preferred Stock as provided in Section 2 are in arrears, thereafter and until all accrued and unpaid dividends and distributions, whether or not declared, on shares of Series A Participating Preferred Stock outstanding shall have been paid in full, the Corporation shall not:

(i) declare or pay dividends on, make any other distributions on, or redeem or purchase or otherwise acquire for consideration any shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series A Participating Preferred Stock;

(ii) declare or pay dividends on or make any other distributions on any shares of stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series A Participating Preferred Stock except dividends paid ratably on the Series A Participating Preferred Stock and all such parity stock on which dividends are payable or in arrears in proportion to the total amounts to which the holders of all such shares are then entitled;

(iii) redeem or purchase or otherwise acquire for consideration shares of any stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series A Participating Preferred Stock provided that the Corporation may at any time redeem, purchase or otherwise acquire shares of any such parity stock in exchange for shares of any stock of the Corporation ranking junior (either as to dividends or upon dissolution, liquidation or winding up) to the Series A Participating Preferred Stock; or

A-3

---

(iv) purchase or otherwise acquire for consideration any shares of Series A Participating Preferred Stock or any shares of stock ranking on a parity with the Series A Participating Preferred Stock except in accordance with a purchase offer made in writing or by publication (as determined by the Board of Directors) to all holders of such shares upon such terms as the Board of Directors, after consideration of the respective annual dividend rates and other relative rights and preferences of the respective series and classes, shall determine in good faith will result in fair and equitable treatment among the respective series or classes.

(B) The Corporation shall not permit any subsidiary of the Corporation to purchase or otherwise acquire for consideration any shares of stock of the Corporation unless the Corporation could, under paragraph (A) of this Section 4, purchase or otherwise acquire such shares at such time and in such manner.

5. *Reacquired Shares.* Any shares of Series A Participating Preferred Stock purchased or otherwise acquired by the Corporation in any manner whatsoever shall be retired and canceled promptly after the acquisition thereof. All such shares shall upon their cancellation become authorized but unissued shares of Preferred Stock and may be reissued as part of a new series of Preferred Stock to be created by resolution or resolutions of the Board of Directors, subject to the conditions and restrictions on issuance set forth herein.

6. *Liquidation, Dissolution or Winding Up.*

(A) Upon any liquidation (voluntary or otherwise), dissolution or winding up of the Corporation, no distribution shall be made to the holders of shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series A Participating Preferred Stock unless, prior thereto, the holders of shares of Series A Participating Preferred Stock shall have received per share, the greater of \$1,000.00 or 1,000 times the payment made per share of Common Stock, plus an amount equal to accrued and unpaid dividends and distributions thereon, whether or not declared, to the date of such payment (the *Series A Liquidation Preference* ). Following the payment of the full amount of the Series A Liquidation Preference, no additional distributions shall be made to the holders of shares of Series A Participating Preferred Stock unless, prior thereto, the holders of shares of Common Stock shall have received an amount per share (the *Common Adjustment* ) equal to the quotient obtained by dividing (i) the Series A Liquidation Preference by (ii) 1,000 (as appropriately adjusted as set forth in subparagraph (C) below to reflect such events as stock splits, stock dividends and recapitalization with respect to the Common Stock) (such number in clause (ii), the *Adjustment Number* ). Following the payment of the full amount of the Series A Liquidation Preference and the Common Adjustment in respect of all outstanding shares of Series A Participating Preferred Stock and Common Stock, respectively, holders of Series A Participating Preferred Stock and holders of shares of Common Stock shall receive their ratable and proportionate share of the remaining assets to be distributed in the ratio of the Adjustment Number to 1 with respect to such Preferred Stock and Common Stock, on a per share basis, respectively.

(B) In the event there are not sufficient assets available to permit payment in full of the Series A Liquidation Preference and the liquidation preferences of all other series of Preferred Stock, if any, which rank on a parity with the Series A Participating Preferred Stock, then such remaining assets shall be distributed ratably to the holders of such parity shares in proportion to their respective liquidation preferences. In the event, following payment in full of all liquidation preferences of all shares senior to Common Stock (including the Series A Participating Preferred Stock), there are not sufficient assets available to permit payment in full of the Common Adjustment, then the remaining assets shall be distributed ratably to the holders of Common Stock.

(C) In the event the Corporation shall at any time after the Rights Declaration Date (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock, or (iii) combine the outstanding Common Stock into a smaller number of shares, by reclassification or otherwise, then in each such

case the Adjustment Number in effect immediately prior to such event shall be adjusted by multiplying such Adjustment Number by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

7. *Consolidation, Merger, etc.* In case the Corporation shall enter into any consolidation, merger, combination or other transaction in which the shares of Common Stock are exchanged for or changed into other

A-4

---

stock or securities, cash and/or any other property, then in any such case the shares of Series A Participating Preferred Stock shall at the same time be similarly exchanged or changed in an amount per share (subject to the provision for adjustment hereinafter set forth) equal to 1,000 times the aggregate amount of stock, securities, cash and/or any other property (payable in kind), as the case may be, into which or for which each share of Common Stock is changed or exchanged. In the event the Corporation shall at any time after the Rights Declaration Date (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock, or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the amount set forth in the preceding sentence with respect to the exchange or change of shares of Series A Participating Preferred Stock shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that are outstanding immediately prior to such event.

8. *Redemption.* The shares of Series A Participating Preferred Stock shall not be redeemable.

9. *Ranking.* The Series A Participating Preferred Stock shall rank junior to all other series of the Corporation's Preferred Stock as to the payment of dividends and the distribution of assets, unless the terms of any such series shall provide otherwise.

10. *Amendment.* The Certificate of Incorporation and the By-Laws of the Corporation shall not be further amended in any manner which would materially alter or change the powers, preferences or special rights of the Series A Participating Preferred Stock so as to affect them adversely without the affirmative vote of the holders of at least 66 2/3% of the outstanding shares of Series A Participating Preferred Stock voting separately as a class.

11. *Fractional Shares.* Series A Participating Preferred Stock may be issued in fractions of a share which shall entitle the holder, in proportion to such holder's fractional shares, to exercise voting rights, receive dividends, participate in distributions and to have the benefit of all other rights of holders of Series A Participating Preferred Stock.

**IN WITNESS WHEREOF**, in accordance with Subsections (a)(1)(b) and (b)(2) of Section 103 and Section 151(g) of the Delaware General Corporation Law, the undersigned Chief Executive Officer of Fiberstars, Inc. has hereunto set his hand on this \_\_\_\_ day of June, 2006, and affirms under penalties of perjury that this instrument is his act and deed and the act and deed of the Corporation and that the facts stated herein are true.

**Rights Certificate**

**FIBERSTARS, INC.**

This certifies that \_\_\_\_\_, or registered assigns, is the registered owner of the number of Rights set forth above, each of which entitles the owner thereof, subject to the terms, provisions and conditions of the Rights Agreement dated as of June \_\_\_\_, 2006(the *Rights Agreement* ) between Fiberstars, Inc., a Delaware corporation (the *Company* ), and Mellon Investor Services LLC, a New Jersey limited liability company (the *Rights Agent* ), to purchase from the Company at any time after the Distribution Date (as such term is defined in the Rights Agreement) and prior to 5:00 p.m. (San Francisco time) on September 20, 2011, unless earlier redeemed or exchanged by the Company as set forth in the Rights Agreement, at the office of the Rights Agent designated for such purpose, one one-thousandth of a fully paid, nonassessable share of Series A Participating Preferred Stock (the *Preferred Stock* ), of the Company, at a purchase price of *Thirty Dollars* (\$30.00) per one one-thousandth of a share (the *Purchase Price* ), upon presentation and surrender of this Rights Certificate with the appropriate Form of Election to Purchase and Certificate duly executed.

The number of Rights evidenced by this Rights Certificate (and the number of one one-thousandths of a share which may be purchased upon exercise thereof) set forth above, and the Purchase Price set forth above, are the number and Purchase Price as of the close of business on the record date relating to the initial distribution of the Rights, based on the Preferred Stock as constituted at such date.

Upon the occurrence of a Triggering Event (as such term is defined in the Rights Agreement), if the Rights evidenced by this Rights Certificate are Beneficially Owned (as such term is defined in the Rights Agreement) by (i) an Acquiring Person (as such term is defined in the Rights Agreement) or an Associate or Affiliate thereof (as such terms are defined in the Rights Agreement) or, (iii) under certain circumstances specified in the Rights Agreement, a transferee of an Acquiring Person, or an Affiliate or Associate of an Acquiring Person, such Rights shall become null and void and no holder hereof shall have any rights with respect to such Rights from and after the occurrence of any such Triggering Event.

As provided in the Rights Agreement, the Purchase Price and the number of one one-thousandths of a share of Preferred Stock or other securities which may be purchased upon the exercise of the Rights evidenced by this Rights Certificate are subject to modification and adjustment upon the happening of certain events.

This Rights Certificate is subject to all of the terms, provisions and conditions of the Rights Agreement, which terms, provisions and conditions are hereby incorporated herein by reference and made a part hereof and to which Rights Agreement reference is hereby made for a full description of the rights, limitations of rights, obligations, duties and immunities hereunder of the Rights Agent, the Company and the holders of the Rights Certificates. Copies of the Rights Agreement are on file at the principal office of the Company and are also available upon written request to the Company.

This Rights Certificate, with or without other Rights Certificates, upon surrender at the office of the Rights Agent designated for such purpose, may be exchanged for another Rights Certificate or Rights Certificates of like tenor and date evidencing Rights entitling the holder to purchase a like aggregate number of one one-thousandths of a share of Preferred Stock as the Rights evidenced by the Rights Certificate or Rights Certificates surrendered shall have entitled such holder to purchase. If this Rights Certificate shall be exercised (other than pursuant to *Section 11(a)(ii)* of the Rights Agreement) in part, the holder shall be entitled to receive upon surrender hereof another Rights Certificate or Rights Certificates for the number of whole Rights not exercised. If this Rights Certificate shall be exercised in whole or in part pursuant to *Section 11(a)(ii)* of the Rights Agreement, the holder shall be entitled to receive this Rights Certificate duly marked to indicate that such exercise has occurred as set forth in the Rights Agreement.

Subject to the provisions of the Rights Agreement, the Rights evidenced by this Certificate may, in certain instances, be (i) redeemed by the Company at its option at a redemption price of \$0.001 per Right or (ii) exchanged in whole or in part for shares of the Company's Common Stock or substitute consideration. Subject to the provisions of the Rights Agreement, the Company, at its option, may elect to mail payment of the redemption price to the registered holder of the Rights at the time of redemption, in which event this Certificate may become void without any further action by the Company.

The Company may elect not to issue fractional shares of Preferred Stock upon the exercise of any Right or Rights evidenced hereby (other than fractions which are integral multiples of one one-thousandth of a share of Preferred Stock, which may, at the election of the Company, be evidenced by depositary receipts), in which event a cash payment will be made, in lieu thereof, as provided in the Rights Agreement.

No holder of this Rights Certificate, as such, shall be entitled to vote or receive dividends or be deemed for any purpose the holder of one one-thousandths of a share of Preferred Stock or of any other securities of the Company which may at any time be issuable on the exercise hereof, nor shall anything contained in the Rights Agreement or herein be construed to confer upon the holder hereof, as such, any of the rights of a shareholder of the Company or any right to vote for the election of directors or upon any matter submitted to shareholders at any meeting thereof, or to give or withhold consent to any corporate action, or to receive notice of meetings or other actions affecting shareholders (except as provided in the Rights Agreement), or to receive dividends or subscription rights, or otherwise, until the Right or Rights evidenced by this Rights Certificate shall have been exercised as provided in the Rights Agreement.

This Rights Certificate shall not be valid or obligatory for any purpose until it shall have been countersigned by the Rights Agent.

## EXHIBIT C

### SUMMARY OF RIGHTS

On September 12, 2001, the Board of Directors of Fiberstars, Inc. a California corporation, declared a dividend distribution of one Right for each outstanding share of common stock of such company to shareholders of record at the close of business on September 26, 2001). Upon the merger of such corporation into Fiberstars, Inc., a Delaware corporation ( *Fiberstars Delaware* ) each outstanding right was automatically converted into a Right of like Tenor of Fiberstars Delaware. Except as set forth below, each Right, when exercisable, entitles the registered holder to purchase from Fiberstars Delaware one one-thousandth of a share of a new series of preferred stock, designated as Series A Participating Preferred Stock (the *Preferred Stock* ), at a price of *Thirty Dollars* (\$30.00) per one one-thousandth of a share (the *Purchase Price* ), subject to adjustment. The description and terms of the Rights are set forth in a Rights Agreement (the *Rights Agreement* ) between Fiberstars Delaware and Mellon Investor Services LLC, as *Rights Agent*.

Initially, the Rights will be attached to all Common Stock certificates representing shares then outstanding, and no separate Rights certificates will be distributed. The Rights will separate from the Common Stock and a *Distribution Date* will occur upon the earliest of the following: (i) a public announcement that a person, entity or group of affiliated or associated persons and/or entities (an *Acquiring Person* ) has acquired, or obtained the right to acquire, beneficial ownership of fifteen percent (15%) or more of the outstanding shares of Common Stock (other than (A) as a result of repurchases of stock by Fiberstars Delaware or certain inadvertent actions by institutional or certain other shareholders, (B) Fiberstars Delaware, any subsidiary of Fiberstars Delaware or any employee benefit plan of Fiberstars Delaware or any subsidiary, and (C) certain other instances set forth in the Rights Agreement); or (ii) ten (10) business days (unless such date is extended by the Board of Directors) following the commencement of a tender offer or exchange offer which would result in any person, entity or group of affiliated or associated persons and/or entities becoming an Acquiring Person (unless such tender offer or exchange offer is a Permitted Offer (defined below)).

Until the Distribution Date (or earlier redemption or expiration of the Rights, if applicable), (i) the Rights will be evidenced by certificates for Common Stock and will be transferred only with such Common Stock certificates, (ii) new Common Stock certificates issued after the Record Date upon transfers or new issuances of the Common Stock will contain a notation incorporating the Rights Agreement by reference and (iii) the surrender for transfer of any certificates for outstanding Common Stock will also constitute the transfer of the Rights associated with such Common Stock. As soon as practicable following the Distribution Date, separate certificates evidencing the Rights ( *Rights Certificates* ) will be mailed to holders of record of the Common Stock as of the close of business on the Distribution Date, and the separate Rights Certificates alone will evidence the Rights.

The Rights are not exercisable until the Distribution Date. The Rights will expire on the earliest of (i) September 20, 2011, (ii) consummation of a merger transaction with a person, entity or group who (x) acquired Common Stock pursuant to a Permitted Offer (as defined below) and (y) is offering in the merger the same price per share and form of consideration paid in the Permitted Offer or (iii) redemption or exchange of the Rights by Fiberstars Delaware as described below.

The number of Rights associated with each share of Common Stock shall be proportionately adjusted to prevent dilution in the event of a stock dividend on, or a subdivision, combination or reclassification of, the Common Stock. The Purchase Price payable, and the number of one one-thousandths of a share of Preferred Stock or other securities or property issuable, upon exercise of the Rights are subject to adjustment from time to time to prevent dilution (i) in the event of a stock dividend on, or a subdivision, combination or reclassification of the Preferred Stock, (ii) upon the

grant to holders of the Preferred Stock of certain rights, options or warrants to subscribe for Preferred Stock, certain convertible securities or securities having the same or more favorable rights, privileges and preferences as the Preferred Stock at less than the current market price of the Preferred Stock or (iii) upon the distribution to holders of the Preferred Stock of evidences of indebtedness or assets (excluding regular quarterly cash dividends out of earnings or retained earnings) or of subscription rights, options or warrants (other than those referred to above). With certain exceptions, no adjustments in the Purchase Price will be required until cumulative adjustments require an adjustment of at least one percent (1%) in such Purchase Price.

C-1

---

In the event that, after the first date of public announcement by Fiberstars Delaware or an Acquiring Person that an Acquiring Person has become such, Fiberstars Delaware is involved in a merger or other business combination transaction (whether or not Fiberstars Delaware is the surviving corporation) or fifty percent (50%) or more of Fiberstars Delaware's assets or earning power are sold (in one transaction or a series of transactions), proper provision shall be made so that each holder of a Right (other than an Acquiring Person) shall thereafter have the right to receive, upon the exercise thereof at the then current Purchase Price, that number of shares of common stock of either Fiberstars Delaware, in the event that it is the surviving corporation of a merger or consolidation, or the acquiring company (or, in the event there is more than one acquiring company, the acquiring company receiving the greatest portion of the assets or earning power transferred) which at the time of such transaction would have a market value of two (2) times the Purchase Price (such right being called the *Merger Right*). In the event that a person, entity or group becomes an Acquiring Person (unless pursuant to a tender offer or exchange offer for all outstanding shares of Common Stock at a price and on terms determined prior to the date of the first acceptance of payment for any of such shares by at least a majority of the members of the Board of Directors who are not officers of Fiberstars Delaware and are not Acquiring Persons (or affiliated or associated persons and/or entities thereof) to be fair to and in the best interests of Fiberstars Delaware and its shareholders (a *Permitted Offer*)), then proper provision shall be made so that each holder of a Right will, for a sixty (60) day period (subject to extension under certain circumstances) thereafter, have the right to receive upon exercise that number of shares of Common Stock (or, at the election of Fiberstars Delaware, which election may be obligatory if sufficient authorized shares of Common Stock are not available, a combination of Common Stock, property, other securities (e.g., Preferred Stock) and/or cash (including by way of a reduction in the Purchase Price)) having a market value of two (2) times the Purchase Price (such right being called the *Subscription Right*). The holder of a Right will continue to have the Merger Right whether or not such holder exercises the Subscription Right. Notwithstanding the foregoing, upon the occurrence of any of the events giving rise to the exercisability of the Merger Right or the Subscription Right, any Rights that are or were at any time after the Distribution Date owned by an Acquiring Person (or affiliated or associated persons and/or entities thereof) shall immediately become null and void.

At any time prior to the earlier to occur of (i) a person, entity or group becoming an Acquiring Person or (ii) the expiration of the Rights, Fiberstars Delaware may redeem the Rights in whole, but not in part, at a price of \$0.001 per Right (the *Redemption Price*), which redemption shall be effective upon the action of the Board of Directors. Additionally, Fiberstars Delaware may, following a person, entity or group becoming an Acquiring Person, redeem the then outstanding Rights in whole, but not in part, at the Redemption Price (i) if such redemption is incidental to a merger or other business combination transaction or series of transactions involving Fiberstars Delaware but not involving an Acquiring Person (or certain related persons and/or entities) or (ii) following an event giving rise to, and the expiration of the exercise period for, the Subscription Right if and for as long as the Acquiring Person triggering the Subscription Right beneficially owns securities representing less than fifteen percent (15%) of the outstanding shares of Common Stock and at the time of redemption there are no other Acquiring Persons. The redemption of Rights described in the preceding sentence shall be effective only as of such time when the Subscription Right is not exercisable. Upon the effective date of the redemption of the Rights, the right to exercise the Rights will terminate and the only right of the holders of Rights will be to receive the Redemption Price.

Subject to applicable law, the Board of Directors, at its option, may at any time after a person, group or entity becomes an Acquiring Person (but not after the acquisition by such Acquiring Person of fifty percent (50%) or more of the outstanding shares of Common Stock), exchange all or part of the then outstanding and exercisable Rights (except for Rights which have become void) for shares of Common Stock at a rate of one share of Common Stock per Right (subject to adjustment) or, alternatively, for substitute consideration consisting of cash, securities of Fiberstars Delaware or other assets (or any combination thereof).

The Preferred Stock purchasable upon exercise of the Rights will be nonredeemable and junior to any other series of preferred stock Fiberstars Delaware may issue (unless otherwise provided in the terms of such stock). Each share of Preferred Stock will have a preferential quarterly dividend in an amount equal to 1,000 times the dividend declared on each share of Common Stock, but in no event less than \$25.00. In the event of liquidation, the holders of shares of Preferred Stock will receive a preferred liquidation payment equal, per share, to the greater of \$1,000.00 or 1,000 times the payment made per share of Common Stock. Each share of Preferred Stock will have 1,000 votes, voting together with the shares of Common Stock. In the event of any merger, consolidation or other transaction in which shares of Common Stock are exchanged, each share of Preferred Stock will be entitled to receive 1,000 times the amount and type of consideration received per share of Common Stock. The rights of the Preferred Stock as to dividends, liquidation and voting, and in the event of mergers and consolidations, are protected by customary

C-2

---

antidilution provisions. Fractional shares of Preferred Stock will be issuable; *however*, Fiberstars Delaware may elect to (i) distribute depositary receipts in lieu of such fractional shares and (ii) make an adjustment in cash, in lieu of fractional shares other than fractions that are multiples of one one-thousandth of a share, based on the market price of the Preferred Stock prior to the date of exercise.

Until a Right is exercised, the holder thereof, as such, will have no rights as a shareholder of Fiberstars Delaware, including, without limitation, the right to vote or to receive Fiberstars Delaware dividends. Holders of Rights may, depending upon the circumstances, recognize taxable income in the event (i) that the Rights become exercisable for (x) Common Stock or Preferred Stock (or other consideration) or (y) common stock of an acquiring company in the instance of the Merger Right as set forth above or (ii) of any redemption or exchange of the Rights as set forth above.

Fiberstars Delaware and the Rights Agent retain broad authority to amend the Rights Agreement; *however*, following any Distribution Date any amendment may not adversely affect the interests of holders of Rights.

A copy of the Rights Agreement and the Certificate of Designation of the Series A Participating Preferred Stock of Fiberstars Delaware are attached as appendices D and E to the Proxy Statement regarding the Merger. THIS SUMMARY DESCRIPTION OF THE RIGHTS AND SERIES A PARTICIPATING PREFERRED STOCK DOES NOT PURPORT TO BE COMPLETE AND IS QUALIFIED IN ITS ENTIRETY BY REFERENCE TO THE RIGHTS AGREEMENT CERTIFICATE OF DESIGNATION, WHICH IS INCORPORATED HEREIN BY REFERENCE.

**FIBERSTARS, INC.**

Fiberstars, Inc., a corporation organized and existing under the Delaware General Corporation Law (the *Corporation* ), DOES HEREBY CERTIFY:

That pursuant to the authority conferred upon the Board of Directors by the Certificate of Incorporation of the Corporation, and pursuant to Section 151 of the Delaware Corporation Law, the Board of Directors on \_\_\_\_\_, 2006, by unanimous consent in lieu of a meeting, duly determined that the Corporation shall designate One Hundred Thousand (100,000) shares of Preferred Stock as Series A Participating Preferred Stock and to that end, the Board of Directors adopted the following resolution providing for the terms, designations, powers, preferences and relative participating, optional and other special rights, and the qualifications, limitations, and restrictions, of the Series A Participating Preferred Stock:

RESOLVED, that pursuant to the authority vested in the Board of Directors of the Corporation in accordance with the provisions of its Certificate of Incorporation, and pursuant to Section 151 of the Delaware Corporation Law, a series of Preferred Stock of the Corporation be and it hereby is created, and that the designation and amount thereof and the powers, preferences and relative, participating, optional and other special rights of the shares of such series, and the qualifications, limitations or restrictions thereof are as follows:

1. *Designation and Amount.* The shares of such series shall be designated as *Series A Participating Preferred Stock*, and the number of shares constituting such series shall be One Hundred Thousand (100,000). Such number of shares may be increased or decreased by resolution of the Board of Directors; *provided*, that no decrease shall reduce the number of shares of Series A Participating Preferred Stock to a number less than that of the shares then outstanding plus the number of shares issuable upon exercise of outstanding rights, options or warrants or upon conversion of outstanding securities issued by the Corporation.

2. *Dividends and Distributions.*

(A) Subject to the prior and superior rights of the holders of any shares of any series of Preferred Stock ranking prior and superior to the shares of Series A Participating Preferred Stock with respect to dividends, the holders of shares of Series A Participating Preferred Stock in preference to the holders of shares of Common Stock (the *Common Stock* ), of the Corporation and any other junior stock, shall be entitled to receive, when, as and if declared by the Board of Directors out of funds legally available for the purpose, quarterly dividends payable in cash on the first day of March, June, September and December in each year (each such date being referred to herein as a *Quarterly Dividend Payment Date* ), commencing on the first Quarterly Dividend Payment Date after the first issuance of a share or fraction of a share of Series A Participating Preferred Stock in an amount per share (rounded to the nearest cent) equal to the greater of (a) \$25.00 or, (b) subject to the provision for adjustment hereinafter set forth, 1,000 times the aggregate per share amount of all cash dividends, and 1,000 times the aggregate per share amount (payable in kind) of all non-cash dividends or other distributions other than a dividend payable in shares of Common Stock or a

subdivision of the outstanding shares of Common Stock (by reclassification or otherwise), declared on the Common Stock, since the immediately preceding Quarterly Dividend Payment Date, or, with respect to the first Quarterly Dividend Payment Date, since the first issuance of any share or fraction of a share of Series A Participating Preferred Stock. In the event the Corporation shall at any time after the close of business on the Effective Date, as defined in the Merger Agreement between the Corporation and Fiberstars, Inc., a California corporation, (the *Rights Declaration Date* ) (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock or (iii) combine the outstanding Common Stock into a smaller number of shares, by reclassification or otherwise, then in each such case the amount to which holders of shares of Series A Participating Preferred Stock were entitled immediately prior to such event under clause (b) of the preceding sentence shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(B) The Corporation shall declare a dividend or distribution on the Series A Participating Preferred Stock as provided in paragraph (A) above immediately after it declares a dividend or distribution on the Common Stock (other than a dividend payable in shares of Common Stock); provided that, in the event no dividend or distribution shall have been declared on the Common Stock during the period between any Quarterly Dividend Payment Date and the next subsequent Quarterly Dividend Payment Date, a dividend of \$25.00 per share on the Series A Participating Preferred Stock shall nevertheless be payable on such subsequent Quarterly Dividend Payment Date.

(C) Dividends shall begin to accrue and be cumulative on outstanding shares of Series A Participating Preferred Stock from the Quarterly Dividend Payment Date next preceding the date of issue of such shares of Series A Participating Preferred Stock unless the date of issue of such shares is prior to the record date for the first Quarterly Dividend Payment Date, in which case dividends on such shares shall begin to accrue from the date of issue of such shares, or unless the date of issue is a Quarterly Dividend Payment Date or is a date after the record date for the determination of holders of shares of Series A Participating Preferred Stock entitled to receive a quarterly dividend and before such Quarterly Dividend Payment Date, in either of which events such dividends shall begin to accrue and be cumulative from such Quarterly Dividend Payment Date. Accrued but unpaid dividends shall not bear interest. Dividends paid on the shares of Series A Participating Preferred Stock in an amount less than the total amount of such dividends at the time accrued and payable on such shares shall be allocated pro rata on a share-by-share basis among all such shares at the time outstanding. The Board of Directors may fix a record date for the determination of holders of shares of Series A Participating Preferred Stock entitled to receive payment of a dividend or distribution declared thereon, which record date shall be no more than 30 days prior to the date fixed for the payment thereof.

3. *Voting Rights.* The holders of shares of Series A Participating Preferred Stock shall have the following voting rights:

(A) Subject to the provision for adjustment hereinafter set forth, each share of Series A Participating Preferred Stock shall entitle the holder thereof to 1,000 votes on all matters submitted to a vote of the shareholders of the Corporation. In the event the Corporation shall at any time after the Rights Declaration Date (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock into a greater number of shares or (iii) combine the outstanding Common Stock into a smaller number of shares, by reclassification or otherwise, then in each such case the number of votes per share to which holders of shares of Series A Participating Preferred Stock were entitled immediately prior to such event shall be adjusted by multiplying such number by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock outstanding immediately prior to such event.

(B) Except as otherwise provided herein, in the Certificate of Incorporation or by law, the holders of shares of Series A Participating Preferred Stock and the holders of shares of Common Stock and any other capital stock of the Corporation having general voting rights shall vote together as one class on all matters submitted to a vote of shareholders of the Corporation.

(C) (i) If at any time dividends on any Series A Participating Preferred Stock shall be in arrears in an amount equal to six quarterly dividends thereon, the holders of the Series A Participating Preferred Stock, voting as a separate series from all other series of Preferred Stock and classes of capital stock, shall be entitled to elect two members of the Board of Directors in addition to any Directors elected by any other series, class or classes of securities and the authorized number of Directors will automatically be increased by two. Promptly thereafter, the Board of Directors of this Corporation shall, as soon as may be practicable, call a special meeting of holders of Series A Participating Preferred Stock for the purpose of electing such members of the Board of Directors. Said special meeting shall in any event be held within 45 days of the occurrence of such arrearage.

(ii) During any period when the holders of Series A Participating Preferred Stock, voting as a separate series, shall be entitled and shall have exercised their right to elect two Directors, then and during such time as such right continues (a) the then authorized number of Directors shall remain increased by two, and the holders of Series A Participating Preferred Stock, voting as a separate series, shall remain entitled to elect the additional Directors so provided for, and (b) each such additional Director shall not be a member of any existing class of the Board of Directors, but shall serve until the next annual meeting of shareholders for the

E-2

---

election of Directors, or until his or her successor shall be elected and shall qualify, or until his or her right to hold such office terminates pursuant to the provisions of this Section 3(C).

(iii) A Director elected pursuant to the terms hereof may be removed with or without cause by the holders of Series A Participating Preferred Stock entitled to vote in an election of such Director.

(iv) If, during any interval between annual meetings of shareholders for the election of Directors and while the holders of Series A Participating Preferred Stock shall be entitled to elect two Directors, there are fewer than two such Directors in office by reason of resignation, death or removal, then, promptly thereafter, the Board of Directors shall call a special meeting of the holders of Series A Participating Preferred Stock for the purpose of filling such vacancy(ies) and such vacancy(ies) shall be filled at such special meeting. Such special meeting shall in any event be held within 45 days of the occurrence of any such vacancy(ies).

(v) At such time as the arrearage is fully cured, and all dividends accumulated and unpaid on any shares of Series A Participating Preferred Stock outstanding are paid, and, in addition thereto, at least one regular dividend has been paid subsequent to curing such arrearage, the term of office of any Director elected pursuant to this *Section 3(C)*, or his or her successor, shall automatically terminate, and the authorized number of Directors shall automatically decrease by two, and the rights of the holders of the shares of the Series A Participating Preferred Stock to vote as provided in this *Section 3(C)* shall cease, subject to renewal from time to time upon the same terms and conditions.

(D) Except as set forth herein or as otherwise provided by law, holders of Series A Participating Preferred Stock shall have no special voting rights and their consent shall not be required (except to the extent they are entitled to vote with holders of Common Stock and any other capital stock of the Corporation having general voting rights as set forth herein) for taking any corporate action.

#### 4. *Certain Restrictions.*

(A) Whenever quarterly dividends or other dividends or distributions payable on the Series A Participating Preferred Stock as provided in Section 2 are in arrears, thereafter and until all accrued and unpaid dividends and distributions, whether or not declared, on shares of Series A Participating Preferred Stock outstanding shall have been paid in full, the Corporation shall not:

(i) declare or pay dividends on, make any other distributions on, or redeem or purchase or otherwise acquire for consideration any shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series A Participating Preferred Stock;

(ii) declare or pay dividends on or make any other distributions on any shares of stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series A Participating Preferred Stock except dividends paid ratably on the Series A Participating Preferred Stock and all such parity stock on which dividends are payable or in arrears in proportion to the total amounts to which the holders of all such shares are then entitled;

(iii) redeem or purchase or otherwise acquire for consideration shares of any stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series A Participating Preferred Stock provided that the Corporation may at any time redeem, purchase or otherwise acquire shares of any such parity stock in exchange for shares of any stock of the Corporation ranking junior (either as to dividends or upon dissolution, liquidation or winding up) to the Series A Participating Preferred Stock; or

(iv) purchase or otherwise acquire for consideration any shares of Series A Participating Preferred Stock or any shares of stock ranking on a parity with the Series A Participating Preferred Stock except in accordance with a purchase offer made in writing or by publication (as determined by the Board of Directors) to all holders of such shares upon such terms as the Board of Directors, after consideration of the respective annual dividend rates and other relative rights and preferences of the respective series and classes, shall determine in good faith will result in fair and equitable treatment among the respective series or classes.

(B) The Corporation shall not permit any subsidiary of the Corporation to purchase or otherwise acquire for consideration any shares of stock of the Corporation unless the Corporation could, under paragraph (A) of this *Section 4*, purchase or otherwise acquire such shares at such time and in such manner.

*5. Reacquired Shares.* Any shares of Series A Participating Preferred Stock purchased or otherwise acquired by the Corporation in any manner whatsoever shall be retired and canceled promptly after the acquisition thereof. All such shares shall upon their cancellation become authorized but unissued shares of Preferred Stock and may be reissued as part of a new series of Preferred Stock to be created by resolution or resolutions of the Board of Directors, subject to the conditions and restrictions on issuance set forth herein.

*6. Liquidation, Dissolution or Winding Up.*

(A) Upon any liquidation (voluntary or otherwise), dissolution or winding up of the Corporation, no distribution shall be made to the holders of shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series A Participating Preferred Stock unless, prior thereto, the holders of shares of Series A Participating Preferred Stock shall have received per share, the greater of \$1,000.00 or 1,000 times the payment made per share of Common Stock, plus an amount equal to accrued and unpaid dividends and distributions thereon, whether or not declared, to the date of such payment (the *Series A Liquidation Preference* ). Following the payment of the full amount of the Series A Liquidation Preference, no additional distributions shall be made to the holders of shares of Series A Participating Preferred Stock unless, prior thereto, the holders of shares of Common Stock shall have received an amount per share (the *Common Adjustment* ) equal to the quotient obtained by dividing (i) the Series A Liquidation Preference by (ii) 1,000 (as appropriately adjusted as set forth in subparagraph (C) below to reflect such events as stock splits, stock dividends and recapitalization with respect to the Common Stock) (such number in clause (ii), the *Adjustment Number* ). Following the payment of the full amount of the Series A Liquidation Preference and the Common Adjustment in respect of all outstanding shares of Series A Participating Preferred Stock and Common Stock, respectively, holders of Series A Participating Preferred Stock and holders of shares of Common Stock shall receive their ratable and proportionate share of the remaining assets to be distributed in the ratio of the Adjustment Number to 1 with respect to such Preferred Stock and Common Stock, on a per share basis, respectively.

(B) In the event there are not sufficient assets available to permit payment in full of the Series A Liquidation Preference and the liquidation preferences of all other series of Preferred Stock, if any, which rank on a parity with the Series A Participating Preferred Stock, then such remaining assets shall be distributed ratably to the holders of such parity shares in proportion to their respective liquidation preferences. In the event, following payment in full of all liquidation preferences of all shares senior to Common Stock (including the Series A Participating Preferred Stock), there are not sufficient assets available to permit payment in full of the Common Adjustment, then the remaining assets shall be distributed ratably to the holders of Common Stock.

(C) In the event the Corporation shall at any time after the Rights Declaration Date (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock, or (iii) combine the outstanding Common Stock into a smaller number of shares, by reclassification or otherwise, then in each such case the Adjustment Number in effect immediately prior to such event shall be adjusted by multiplying such Adjustment Number by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

*7. Consolidation, Merger, etc.* In case the Corporation shall enter into any consolidation, merger, combination or other transaction in which the shares of Common Stock are exchanged for or changed into other stock or securities, cash

and/or any other property, then in any such case the shares of Series A Participating Preferred Stock shall at the same time be similarly exchanged or changed in an amount per share (subject to the provision for adjustment hereinafter set forth) equal to 1,000 times the aggregate amount of stock, securities, cash and/or any other property (payable in kind), as the case may be, into which or for which each share of Common Stock is changed or exchanged. In the event the Corporation shall at any time after the Rights Declaration Date (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock, or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the amount set forth in the preceding sentence with respect to the exchange or change of shares of Series A Participating Preferred Stock shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of

shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that are outstanding immediately prior to such event.

8. *Redemption.* The shares of Series A Participating Preferred Stock shall not be redeemable.

9. *Ranking.* The Series A Participating Preferred Stock shall rank junior to all other series of the Corporation's Preferred Stock as to the payment of dividends and the distribution of assets, unless the terms of any such series shall provide otherwise.

10. *Amendment.* The Certificate of Incorporation and the By-Laws of the Corporation shall not be further amended in any manner which would materially alter or change the powers, preferences or special rights of the Series A Participating Preferred Stock so as to affect them adversely without the affirmative vote of the holders of at least 66 2/3% of the outstanding shares of Series A Participating Preferred Stock voting separately as a class.

11. *Fractional Shares.* Series A Participating Preferred Stock may be issued in fractions of a share which shall entitle the holder, in proportion to such holder's fractional shares, to exercise voting rights, receive dividends, participate in distributions and to have the benefit of all other rights of holders of Series A Participating Preferred Stock.
