This Amendment No. 7 to Schedule 13D is being filed by Julian C. Baker and Felix J. Baker (the "Reporting Persons") to amend and supplement the statement on Schedule 13D previously filed by them, as heretofore amended, with respect to the common stock, no par value (the "Common Stock"), of AnorMED, Inc. (the "Company"). Except as amended and supplemented hereby, that statement remains in full force and effect.

Item 4. Purpose of Transaction.

At the shareholders' meeting of the Company on April 21, 2006, the slate of directors nominated by the Reporting Persons was elected by the shareholders, and immediately after the shareholders' meeting the Board of Directors elected two additional directors. The Board of Directors now consists of the following persons:

- o Klaus Veitinger, M.D., Ph.D., Member of the Executive Board and Chief Executive Officer, U.S. & Asian Operations, Schwarz Pharma AG

As a result of these events, the Reporting Persons no longer have any disagreements with the Board of Directors of the Company. At this time the entities named in Item 5 are holding the shares of Common Stock solely for investment. The Reporting Persons expect to review from time to time the investment positions of these entities and may, depending on market and other conditions, increase or decrease their holdings.

Whether the entities purchase any additional shares of Common Stock or dispose of any shares of Common Stock, and the amount and timing of any such transactions, will depend upon the Reporting Persons' continuing assessments of pertinent factors, including the availability of shares of Common Stock for purchase at particular price levels, the Company's business and prospects, other business investment opportunities, economic conditions, stock market conditions, money market conditions, the attitudes and actions of the Board of Directors and management of the Company, the availability and nature of opportunities to dispose of shares in the Company and other plans and requirements of the particular entities. Depending upon their assessments of these factors from time to time, the Reporting Persons may change their present intentions as stated above, including determining to acquire additional shares of Common Stock (by

Edgar Filing: AnorMED Inc. - Form SC 13D/A

means of open market or privately negotiated purchases) or to dispose of some or all of the shares of Common Stock under their control. The Reporting Persons do not have any plans or proposals with respect to any extraordinary corporate transaction involving the Company or any sale of its assets or any change in its Board of Directors, management, capitalization, dividend strategy, charter or by-laws, or any other change in its business or corporate structure or with respect to the delisting or deregistration of any of its securities including, without limitation, those matters described in subparagraphs (a) through (j) of Item 4 of Schedule 13D. Felix J. Baker, one of the Reporting Persons, is a director of the Company.

Item 5. Interest in Securities of the Issuer.

Set forth in the table below is the aggregate number of shares of Common Stock owned, including shares that may be acquired upon the exercise of options by each of the following on December 8, 2005, together with the percentage of outstanding shares of Common Stock that such ownership represents based upon 41,222,039 shares outstanding as reported on the Company's March 22, 2006 proxy circular.
