Item 4.01 Changes in Registrant's Certifying Accountants.

As previously reported, on July 28, 2006, Kevane Soto Pasarell Grant Thornton LLP ("Kevane") advised us that it is resigning as our independent registered accounting firm as of the completion of the third quarter interim review. On September 20, 2006, Kevane notified us that the auditor-client relationship between Kevane and us terminated on September 20, 2006.

Kevane was the independent accountant for Plaza Consulting Group, Inc. ("Plaza") for the fiscal years ended October 31, 2005 and 2004. Kevane's report for these periods did not contain an adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles. Plaza was acquired by Pharma-Bio Serv, Inc. (the "Registrant") on

January 25, 2006. During the two most recent fiscal years (for Plaza) and any subsequent interim period (for the Registrant) through the date of resignation, there were no disagreements with Kevane on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Kevane, would have caused it to make reference to the subject matter of the disagreements in connection with its reports.

On September 25, 2005, the Company engaged Horwath Velez & Co. PSC ("Horwath") as its registered independent accounting firm. The appointment of Horwath was approved by our audit committee. As part of Horwath's engagement, Horwath will also audit the financial statements of our pension plan. At no time since its engagement has Horwath had any direct or indirect financial interest in or any connection with us or any of our subsidiaries other than as independent accountant.

Neither we, nor anyone on our behalf, consulted Horwath regarding the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on our financial statements or either written or oral advice that was an important factor considered by us in reaching our decision as to any accounting, auditing or financial reporting issue.
