**Item 5.03. Amendments to Articles of Incorporation or Bylaws: Change in Fiscal Year.**

On November 27, 2007, the Board of Directors of 21st Century Holding Company (the "Company") amended Article V, Sections 1 and 2 of the Company's Bylaws to allow the shares of the Company's capital stock to be either certificated or uncertificated, or a combination thereof. This change in the Bylaws was required in order for the Company to be eligible to participate in the Direct Registration System ("DRS"). Under a new NASDAQ rule approved by the Securities and Exchange Commission in late 2006, the Company is required to be "DRS eligible" no later than January 1, 2008. Participation in the DRS would allow the Company's shareholders to establish, either through the Company's transfer agent or a broker dealer, a book entry position on the stock record books of the Company and to electronically transfer shares of the Company's stock without the delivery of physical certificates, should the Company elect to be entered into the DTCC's DRS.

The Bylaws, as amended on November 27, 2007, are filed as an exhibit to this Current Report on Form 8-K.
