3. the Stock is being purchased for the sole account of the undersigned and no other understanding exists with regard to the disposition, sale, transfer or assignment of the Stock other than that set forth herein.

The undersigned has been advised and understands that it is the view of the SEC that the foregoing investment representation would be inaccurate if it merely meant that the present intention of the undersigned was to hold the Stock for the long term capital gains period of the tax statutes, or for a deferred sale, or for a market rise, or for sale if the market declines, or for sale after a fixed period in the future or for sale only if the Company fails to operate profitably. The undersigned further understands that, in the view of the SEC, a change in the market value of the Stock, a change in the condition of the Company, a change in the conditions within the industry in which the Company is engaged or, should the Stock be pledged as security for a loan, foreclosure or threatened foreclosure of such a loan, would not be such a change in the circumstances as to justify sale for the Stock. The undersigned understands that it is the view of the SEC that if there is an intention, at the time the Stock is acquired, to resell it to the public after the passing of some more or less definitive time period, the Stock were not truly acquired for investment. The undersigned further understands that the foregoing is not intended to be a complete listing of the views held by the SEC relating to the foregoing investment representation.

The undersigned acknowledges that the undersigned has been advised that the Stock has not been registered under the Securities Act, and that no portion of the Stock may be sold, transferred, assigned or disposed of, except in accordance with the Securities Act and the Rules and Regulations of the SEC promulgated thereunder.
