Exhibit 4.2 - Form of Non-Qualified Stock Option Agreement

**MDWERKS, INC.
NON-QUALIFIED STOCK OPTION AGREEMENT
FOR**

Agreement

Grant of Option. MDwerks, Inc. (the "Company") hereby grants, as of _____, 200_ ("Date of Grant"), to _____ (the "Optionee") an option (the "Option") to purchase up to _____ shares of the Company's Common Stock, par value \$.001 per share (the "Shares"), at an exercise price per share equal to \$_____ (the "Exercise Price"). The Option shall be subject to the terms and conditions set forth herein. The Option was issued pursuant to the Company's 2005 Incentive Compensation Plan (the "Plan"), which is incorporated herein for all purposes. The Option is a Non-Qualified Stock Option, and not an Incentive Stock Option. The Optionee hereby acknowledges receipt of a copy of the Plan and agrees to be bound by all of the terms and conditions hereof and thereof and all applicable laws and regulations.

Definitions. Unless otherwise provided herein, terms used herein that are defined in the Plan and not defined herein shall have the meanings attributed thereto in the Plan.

Exercise Schedule. Except as otherwise provided in Sections 6 or 9 of this Agreement, or in the Plan, the Option is exercisable in installments as provided below, which shall be cumulative. To the extent that the Option has become exercisable with respect to a percentage of Shares as provided below, the Option may thereafter be exercised by the Optionee, in whole or in part, at any time or from time to time prior to the expiration of the Option as provided herein. The following table indicates each date (the "Vesting Date") upon which the Optionee shall be entitled to exercise the Option with respect to the percentage of Shares granted as indicated beside the date, provided that the Continuous Service of the Optionee continues through and on the applicable Vesting Date:

Percentage of Shares

Vesting Date

Except as otherwise specifically provided herein, there shall be no proportionate or partial vesting in the periods prior to each Vesting Date, and all vesting shall occur only on the appropriate Vesting Date. Upon the termination of the Optionee's Continuous Service with the Company and its Related Entities, any unvested portion of the Option shall terminate and be null and void.

Method of Exercise. The vested portion of this Option shall be exercisable in whole or in part in accordance with the exercise schedule set forth in Section 3 hereof by written notice which shall state the election to exercise the Option, the number of Shares in respect of which the Option is being exercised, and such other representations and agreements as to the holder's investment intent with respect to such Shares as may be required by the Company pursuant to the provisions of the Plan. Such written notice shall be signed by the Optionee and shall be delivered in person or by certified mail to the Secretary of the Company. The written notice shall be accompanied by payment of the Exercise Price. This Option shall be deemed to be exercised after both (a) receipt by the Company of such written notice accompanied by the Exercise Price and (b) arrangements that are satisfactory to the Committee in its sole discretion have been made for Optionee's payment to the Company of the amount, if any, that is necessary to be withheld in accordance with applicable Federal or state withholding requirements. No Shares will be issued pursuant to the Option unless and until such issuance and such exercise shall comply with all relevant provisions of applicable law, including the requirements of any stock exchange upon which the Shares then may be traded.

Method of Payment. Payment of the Exercise Price shall be by any of the following, or a combination thereof, at the election of the Optionee: (a) cash; (b) check; (c) with Shares that have been held by the Optionee for at least 6 months (or such other Shares as the Company determines will not cause the Company to recognize for financial accounting purposes a charge for compensation expense); (d) pursuant to a “cashless exercise” procedure, by delivery of a properly executed exercise notice together with such other documentation, and subject to such guidelines, as the Committee shall require to effect an exercise of the Option and delivery to the Company by a licensed broker acceptable to the Company of proceeds from the sale of Shares or a margin loan sufficient to pay the Exercise Price and any applicable income or employment taxes; or (e) such other consideration or in such other manner as may be determined by the Committee in its absolute discretion.

Termination of Option.

(a) Any unexercised portion of the Option shall automatically and without notice terminate and become null and void at the time of the earliest to occur of the following:

(i) unless the Committee otherwise determines in writing in its sole discretion, three months after the date on which the Optionee’s Continuous Service with the Company and its Related Entities is terminated for any reason other than by reason of (A) termination of the Optionee’s Continuous Service by the Company or a Related Entity for Cause, (B) a Disability of the Optionee as determined by a medical doctor satisfactory to the Committee, or (C) the Optionee’s death;

(ii) immediately upon the termination of the Optionee’s Continuous Service with the Company and its Related Entities for Cause;

(iii) twelve months after the date on which the Optionee’s Continuous Service with the Company and its Related Entities is terminated by reason of a Disability as determined by a medical doctor satisfactory to the Committee;

(iv) twelve months after the date of termination of the Optionee’s Continuous Service with the Company and its Related Entities by reason of the death of the Optionee (or, if later, three months after the date on which the Optionee shall die if such death shall occur during the one year period specified in paragraph (iii) of this Section 0);

(v) the tenth anniversary of the date as of which the Option is granted; or

(vi) immediately in the event that the Optionee, if he or she had been an outside Director, shall file any lawsuit or arbitration claim against the Company or any Subsidiary, or any of their respective officers, directors or shareholders.

(b) To the extent not previously exercised, (i) the Option shall terminate immediately in the event of (1) the liquidation or dissolution of the Company, or (2) any reorganization, merger, consolidation or other form of corporate transaction in which the Company does not survive or the Shares are converted into or exchanged for securities issued by another entity, or an affiliate of such successor or acquiring entity, unless the successor or acquiring entity, or an affiliate of such successor or acquiring entity, assumes the Option or substitutes an equivalent option or right pursuant to Section 10(c) of the Plan, and (ii) the Committee in its sole discretion may by written notice (“cancellation notice”) cancel, effective upon the consummation of any corporate transaction described in Subsection 9(b)(i) of the Plan in which the Company does survive, the Option (or portion thereof) that remains unexercised on such date. The Committee shall give written notice of any proposed transaction referred to in this Section 6(b) a reasonable period of time prior to the closing date for such transaction (which notice may be given either before or after approval of such transaction), in order that the Optionee may have a reasonable period of time prior to the closing date of such transaction within which to exercise the Option if and to the extent that it then is exercisable (including any portion of the Option that may become exercisable upon the closing date of such transaction). The Optionee may condition his exercise of the Option upon the consummation of a transaction referred to in this Section 6(b).

Transferability. Unless otherwise determined by the Committee, the Option granted hereby is not transferable otherwise than by will or under the applicable laws of descent and distribution, and during the lifetime of the Optionee the Option shall be exercisable only by the Optionee, or the Optionee’s guardian or legal representative. In addition, the Option shall not be assigned, negotiated, pledged or hypothecated in any way (whether by operation of law or otherwise), and the Option shall not be subject to execution, attachment or similar process. Upon any attempt to transfer, assign, negotiate, pledge or hypothecate the Option, or in the event of any levy upon the Option by reason of any execution, attachment or similar process contrary to the provisions hereof, the Option shall immediately become null and void. The terms of this Option shall be binding upon the executors, administrators, heirs, successors and assigns of the Optionee.

No Rights of Stockholders. Neither the Optionee nor any personal representative (or beneficiary) shall be, or shall have any of the rights and privileges of, a stockholder of the Company with respect to any shares of Stock purchasable or issuable upon the exercise of the Option, in whole or in part, prior to the date of exercise of the Option.

Acceleration of Exercisability of Option.

(a) This Option shall become immediately fully exercisable in the event that, prior to the termination of the Option pursuant to Section 6 hereof, (i) the Company exercises its discretion to provide a cancellation notice with respect to the Option pursuant to Section 6(b)(ii) hereof, or (ii) the Option is terminated pursuant to Section 6(b)(i) hereof.

(b) This Option shall become immediately fully exercisable in the event that, prior to the termination of the Option pursuant to Section 6 hereof, and during the Optionee's Continuous Service, there is a "Change in Control," as defined in Section 9(b) of the Plan.

(c) Notwithstanding the foregoing, if in the event of a Change in Control the successor company assumes or substitutes for the Option, the vesting of the Option shall not be accelerated as described in Section 9(b). For the purposes of this paragraph, the Option shall be considered assumed or substituted for it following the Change in Control the Option or substituted option confers the right to purchase, for each Share subject to the Option immediately prior to the Change in Control, the consideration (whether stock, cash or other securities or property) received in the transaction constituting a Change in Control by holders of Shares for each Share held on the effective date of such transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares); provided, however, that if such consideration received in the transaction constituting a Change in Control is not solely common stock of the successor company or its parent or subsidiary, the Committee may, with the consent of the successor company, or its parent or subsidiary, provide that the consideration to be received upon the exercise or vesting of the Option will be solely common stock of the successor company or its parent or subsidiary substantially equal in fair market value to the per share consideration received by holders of Shares in the transaction constituting a Change in Control. The determination of such substantial equality of value of consideration shall be made by the Committee in its sole discretion and its determination shall be conclusive and binding. Notwithstanding the foregoing, on such terms and conditions as may be set forth in an Award Agreement, in the event of a termination of the Optionee's employment in such successor company (other than for Cause) within 24 months following such Change in Control, the option held by the Optionee at the time of the Change in Control shall be accelerated as described in paragraph (b) of this Section 9.

No Right to Continued Employment. Neither the Option nor this Agreement shall confer upon the Optionee any right to continued employment or service with the Company.

Law Governing. This Agreement shall be construed in accordance with and governed by the internal laws of the State of Florida.

Interpretation / Provisions of Plan Control. This Agreement is subject to all the terms, conditions and provisions of the Plan, including, without limitation, the amendment provisions thereof, and to such rules, regulations and interpretations relating to the Plan adopted by the Committee as may be in effect from time to time. If and to the extent that this Agreement conflicts or is inconsistent with the terms, conditions and provisions of the Plan, the Plan shall control, and this Agreement shall be deemed to be modified accordingly. The Optionee accepts the Option subject to all of the terms and provisions of the Plan and this Agreement. The undersigned Optionee hereby accepts as binding, conclusive and final all decisions or interpretations of the Committee upon any questions arising under the Plan and this Agreement, unless shown to have been made in an arbitrary and capricious manner.

Notices. Any notice under this Agreement shall be in writing and shall be deemed to have been duly given when delivered personally or when deposited in the United States mail, registered, postage prepaid, and addressed, in the case of the Company, to the Company's Chief Financial Officer at 1020 N.W. 6th Street, Suite I, Deerfield Beach, Florida 33442, or if the Company should move its principal office, to such principal office, and, in the case of the Optionee, to the Optionee's last permanent address as shown on the Company's records, subject to the right of either party to designate some other address at any time hereafter in a notice satisfying the requirements of this Section.

Tax Consequences. Set forth below is a brief summary as of the date of this Option Agreement of some of the federal tax consequences of exercise of this Option and disposition of the Shares. THIS SUMMARY IS NECESSARILY INCOMPLETE, AND THE TAX LAWS AND REGULATIONS ARE SUBJECT TO CHANGE. THE OPTIONEE SHOULD CONSULT A TAX ADVISER BEFORE EXERCISING THIS OPTION OR DISPOSING OF THE SHARES.

(a) The Optionee will not recognize any income on receipt of the Option.

(b) The Optionee will recognize ordinary income at the time he exercises the Option equal to the amount by which the Fair Market Value of the Shares on the date of exercise exceeds the Exercise Price paid for the Shares. The amount so recognized is subject to income tax withholding and employment taxes if the Optionee is an employee of the Company or a Related Entity.

(c) The Optionee's tax basis for the Shares received as a result of the exercise of the Option will be equal to the Fair Market Value of those Shares on the date the Option is exercised.

(d) Upon the sale of the Shares, the Optionee will recognize a capital gain or loss on the difference between the amount realized from the sale of the Shares and the Fair Market Value on the date the Option is exercised. The gain or loss would be short- or long-term depending upon whether the Shares were held for at least one year after the date of exercise of the Option.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the ____ day of _____, 200_.

To the extent that the Option has become exercisable with respect to a percentage of Shares as provided below, the Option may thereafter be exercised by the Optionee, in whole or in part, at any time or from time to time prior to the expiration of the Option as provided herein. The following table indicates each date (the "Vesting Date") upon which the Optionee shall be entitled to exercise the Option with respect to the percentage of Shares granted as indicated beside the date, provided that the Continuous Service of the Optionee continues through and on the applicable Vesting Date:

Except as otherwise specifically provided herein, there shall be no proportionate or partial vesting in the periods prior to each Vesting Date, and all vesting shall occur only on the appropriate Vesting Date. Upon the termination of the Optionee's Continuous Service with the Company and its Related Entities, any unvested portion of the Option shall terminate and be null and void.

4. Method of Exercise. The vested portion of this Option shall be exercisable in whole or in part in accordance with the exercise schedule set forth in Section 3 hereof by written notice which shall state the election to exercise the Option, the number of Shares in respect of which the Option is being exercised, and such other representations and agreements as to the holder's investment intent with respect to such Shares as may be required by the Company pursuant to the provisions of the Plan. Such written notice shall be signed by the Optionee and shall be delivered in person or by certified mail to the Secretary of the Company. The written notice shall be accompanied by payment of the Exercise Price. This Option shall be deemed to be exercised after both (a) receipt by the Company of such written notice accompanied by the Exercise Price and (b) arrangements that are satisfactory to the Committee in its sole discretion have been made for Optionee's payment to the Company of the amount, if any, that is necessary to be withheld in accordance with applicable Federal or state withholding requirements. No Shares will be issued pursuant to the Option unless and until such issuance and such exercise shall comply with all relevant provisions of applicable law, including the requirements of any stock exchange upon which the Shares then may be traded.

5. Method of Payment. Payment of the Exercise Price shall be by any of the following, or a combination thereof, at the election of the Optionee: (a) cash; (b) check; (c) with Shares that have been held by the Optionee for at least 6 months (or such other Shares as the Company determines will not cause the Company to recognize for financial accounting purposes a charge for compensation expense); (d) pursuant to a "cashless exercise" procedure, by delivery of a properly executed exercise notice together with such other documentation, and subject to such guidelines, as the Committee shall require to effect an exercise of the Option and delivery to the Company by a licensed broker acceptable to the Company of proceeds from the sale of Shares or a margin loan sufficient to pay the Exercise Price and any applicable income or employment taxes; or (e) such other consideration or in such other manner as may be determined by the Committee in its absolute discretion.

6. Termination of Option.

(a) Any unexercised portion of the Option shall automatically and without notice terminate and become null and void at the time of the earliest to occur of the following:

(i) unless the Committee otherwise determines in writing in its sole discretion, three months after the date on which the Optionee's Continuous Service with the Company and its Related Entities is terminated for any reason other than by reason of (A) termination of the Optionee's Continuous Service by the Company or a Related Entity for Cause, (B) a Disability of the Optionee as determined by a medical doctor satisfactory to the Committee, or (C) the Optionee's death;

(ii) immediately upon the termination of the Optionee's Continuous Service with the Company and its Related Entities for Cause;

(iii) twelve months after the date on which the Optionee's Continuous Service with the Company and its Related Entities is terminated by reason of a Disability as determined by a medical doctor satisfactory to the Committee;

(iv) twelve months after the date of termination of the Optionee's Continuous Service with the Company and its Related Entities by reason of the death of the Optionee (or, if later, three months after the date on which the Optionee shall die if such death shall occur during the one year period specified in paragraph (iii) of this Section 6);

(v) the tenth anniversary of the date as of which the Option is granted; or

(vi) immediately in the event that the Optionee, if he or she had been an outside Director, shall file any lawsuit or arbitration claim against the Company or any Subsidiary, or any of their respective officers, directors or shareholders.

(b) To the extent not previously exercised, (i) the Option shall terminate immediately in the event of (1) the liquidation or dissolution of the Company, or (2) any reorganization, merger, consolidation or other form of corporate transaction in which the Company does not survive or the Shares are converted into or exchanged for securities issued by another entity, or an affiliate of such successor or acquiring entity, unless the successor or acquiring entity, or an affiliate of such successor or acquiring entity, assumes the Option or substitutes an equivalent option or right pursuant to Section 10(c) of the Plan, and (ii) the Committee in its sole discretion may by written notice ("cancellation notice") cancel, effective upon the consummation of any corporate transaction described in Subsection 9(b)(i) of the Plan in which the Company does survive, the Option (or portion thereof) that remains unexercised on such date. The Committee shall give written notice of any proposed transaction referred to in this Section 6(b) a reasonable period of time prior to the closing date for such transaction (which notice may be given either before or after approval of such transaction), in order that the Optionee may have a reasonable period of time prior to the closing date of such transaction within which to exercise the Option if and to the extent that it then is exercisable (including any portion of the Option that may become exercisable upon the closing date of such transaction). The Optionee may condition his exercise of the Option upon the consummation of a transaction referred to in this Section 6(b).

7. Transferability. Unless otherwise determined by the Committee, the Option granted hereby is not transferable otherwise than by will or under the applicable laws of descent and distribution, and during the lifetime of the Optionee the Option shall be exercisable only by the Optionee, or the Optionee's guardian or legal representative. In addition, the Option shall not be assigned, negotiated, pledged or hypothecated in any way (whether by operation of law or otherwise), and the Option shall not be subject to execution, attachment or similar process. Upon any attempt to transfer, assign, negotiate, pledge or hypothecate the Option, or in the event of any levy upon the Option by reason of any execution, attachment or similar process contrary to the provisions hereof, the Option shall immediately become null and void. The terms of this Option shall be binding upon the executors, administrators, heirs, successors and assigns of the Optionee.

8. No Rights of Stockholders. Neither the Optionee nor any personal representative (or beneficiary) shall be, or shall have any of the rights and privileges of, a stockholder of the Company with respect to any shares of Stock purchasable or issuable upon the exercise of the Option, in whole or in part, prior to the date of exercise of the Option.

9. Acceleration of Exercisability of Option.

(a) This Option shall become immediately fully exercisable in the event that, prior to the termination of the Option pursuant to Section 6 hereof, (i) the Company exercises its discretion to provide a cancellation notice with respect to the Option pursuant to Section 6(b)(ii) hereof, or (ii) the Option is terminated pursuant to Section 6(b)(i) hereof

(b) This Option shall become immediately fully exercisable in the event that, prior to the termination of the Option pursuant to Section 6 hereof, and during the Optionee's Continuous Service, there is a "Change in Control," as defined in Section 9(b) of the Plan.

(c) Notwithstanding the foregoing, if in the event of a Change in Control the successor company assumes or substitutes for the Option, the vesting of the Option shall not be accelerated as described in Section 9(b). For the purposes of this paragraph, the Option shall be considered assumed or substituted for if following the Change in Control the Option or substituted option confers the right to purchase, for each Share subject to the Option immediately prior to the Change in Control, the consideration (whether stock, cash or other securities or property) received in the transaction constituting a Change in Control by holders of Shares for each Share held on the effective date of such transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares); provided, however, that if such consideration received in the transaction constituting a Change in Control is not solely common stock of the successor company or its parent or subsidiary, the Committee may with the consent of the successor company or its parent or subsidiary, provide that the consideration to be received upon the exercise or vesting of the Option will be solely common stock of the successor company or its parent or subsidiary substantially equal in fair market value to the per share consideration received by holders of Shares in the transaction constituting a Change in Control. The determination of such substantial equality of value of consideration shall be made by the Committee in its sole discretion and its determination shall be conclusive and binding. Notwithstanding the foregoing, on such terms and conditions as may be set forth in an Award Agreement, in the event of a termination of the Optionee's employment in such successor company (other than for Cause) within 24 months following such Change in Control, the option held by the Optionee at the time of the Change in Control shall be accelerated as described in paragraph (b) of this Section 9.

10. No Right to Continued Employment. Neither the Option nor this Agreement shall confer upon the Optionee any right to continued employment or service with the Company.

11. Law Governing. This Agreement shall be construed in accordance with and governed by the internal laws of the State of Florida.

12. Incentive Stock Option Treatment. The terms of this Option shall be interpreted in a manner consistent with the intent of the Company and the Optionee that the Option qualify as an Incentive Stock Option under Section 422 of the Code. If any provision of the Plan or this Agreement shall be impermissible in order for the Option to qualify as an Incentive Stock Option, then the Option shall be construed and enforced as if such provision had never been included in the Plan or the Option. If and to the extent that the number of Options granted pursuant to this Agreement exceeds the limitations contained in Section 422 of the Code on the value of Shares with respect to which this Option may qualify as an Incentive Stock Option, this Option shall be a Non-Qualified Stock Option.

13. Interpretation / Provisions of Plan Control. This Agreement is subject to all the terms, conditions and provisions of the Plan, including, without limitation, the amendment provisions thereof, and to such rules, regulations and interpretations relating to the Plan adopted by the Committee as may be in effect from time to time. If and to the extent that this Agreement conflicts or is inconsistent with the terms, conditions and provisions of the Plan, the Plan shall control, and this Agreement shall be deemed to be modified accordingly. The Optionee accepts the Option subject to all the terms and provisions of the Plan and this Agreement. The undersigned Optionee hereby accepts as binding, conclusive and final all decisions or interpretations of the Committee upon any questions arising under the Plan and this Agreement, unless shown to have been made in an arbitrary and capricious manner.

14. Notices. Any notice under this Agreement shall be in writing and shall be deemed to have been duly given when delivered personally or when deposited in the United States mail, registered, postage prepaid, and addressed, in the case of the Company, to the Company's Chief Financial Officer at 1020 N.W. 6th Street, Suite I, Deerfield Beach, Florida 33442, or if the Company should move its principal office, to such principal office, and, in the case of the Optionee, to the Optionee's last permanent address as shown on the Company's records, subject to the right of either party to designate some other address at any time hereafter in a notice satisfying the requirements of this Section.

15. Tax Consequences. Set forth below is a brief summary as of the date of this Option Agreement of some of the federal tax consequences of exercise of this Option and disposition of the Shares, that are applicable if and to the extent that the Option qualifies as an Incentive Stock Option. **THIS SUMMARY IS NECESSARILY INCOMPLETE, AND THE TAX LAWS AND REGULATIONS ARE SUBJECT TO CHANGE. THE OPTIONEE SHOULD CONSULT A TAX ADVISER BEFORE EXERCISING THIS OPTION OR DISPOSING OF THE SHARES.**

(a) The Optionee will not recognize any income as a result of the grant of the Option or his exercise of the Option. The amount by which the Fair Market Value of the Shares on the date of exercise exceeds the Exercise Price is, however, an item of adjustment for purposes of determining the Optionee's alternative minimum tax, if any, for the year in which the Option is exercised.

(b) Upon the Optionee's exercise of the Option, his tax basis in the Shares received will be equal to the Exercise Price paid.

(c) Upon a sale of the Shares acquired upon exercise of the Option, provided the holding period requirements described below are met, the difference between the amount realized from the sale and the Exercise Price is treated as a long-term capital gain or loss. The foregoing rules differ, however, if the Optionee disposes of the Shares acquired pursuant to the exercise of the Incentive Stock Option prior to the later of (i) two years from the date the Option was granted, and (ii) one year from the date the Option was exercised. In the event of such a disposition (referred to as a "disqualifying disposition"), the tax consequences relating to the Option would be as follows:

(d) The Optionee would not recognize any income as a result of the grant or exercise of the Option.

(e) Upon the disqualifying disposition, the Optionee would recognize ordinary income equal to the lesser of (i) the amount by which the Fair Market Value of the Shares on the date of exercise exceeds the Exercise Price paid, and (ii) the actual gain on the sale of the Shares. Under current law, the amount so recognized is not subject to federal tax withholding or employment taxes.

(f) The amount by which the amount realized from the sale of the Shares differs from the Fair Market Value of the Shares on the date of exercise would be taxable to the Optionee as a capital gain or loss.

(g) The amount of the Optionee's capital gain or loss would be long-term or short-term depending upon whether the Optionee held the Shares for more than one year from the date of his exercise of the Option.
