To All Shareholders:

During this difficult economic environment your Company has maintained a strong balance sheet and to date has generated a profitable year, as well as, making a strategic acquisition of Bowman Beauty & Barber Supply. We will continue to review opportunities that we believe will protect Shareholder value during these volatile economic times.

Your Board of Directors has been evaluating other ways to enhance Shareholder value; for that reason, we are exploring the possible benefits and disadvantages of withdrawing our common stock from listing on the American Stock Exchange. For example, the costs of legal and accounting fees on an annual basis to comply with the AMEX and SEC Rules regularly exceed \$300,000 and it has become increasingly obvious that, with our size and capitalization, the cost to maintain our listing on a national exchange may not justify its benefits.

Your Board of Directors will continue to pursue and evaluate this avenue to insure we maximize shareholder value. We will keep you updated on our progress.

Thank you for your continued support.

Sincerely,

/s/ Frank F. Ferola
President & Chairman of the Board

THE STEPHAN CO.

Annual Meeting of Stockholders
To Be Held on October 29, 2008

GENERAL INFORMATION

This proxy statement is being furnished in connection with the solicitation of proxies by the Board of Directors of The Stephan Co. (the “Company”), a Florida corporation, for use at its Annual Meeting of Stockholders to be held on October 29, 2008 and at any adjournment(s) thereof (the “Meeting”), for the purposes set forth herein. The Meeting is to be held at the Courtyard Marriott Hotel, 2440 W. Cypress Creek Rd., Ft. Lauderdale, FL 33309 at 10:00 A.M., local time.

The principal executive offices of the Company are located at 1850 West McNab Road, Fort Lauderdale, Florida 33309 (telephone no. (954) 971-0600). The enclosed proxy card and this proxy statement are being first sent to stockholders of the Company on or about October 14, 2008. You should review this information in conjunction with our Annual Report to Shareholders on Form 10-K which accompanies this proxy statement.

Quorum; Required Votes; Solicitation and Revocation

Proxies in the form enclosed are being solicited by, and on behalf of, the Company’s Board of Directors. The persons named in the accompanying proxy card have been designated as proxies by the Board of Directors. If a quorum, consisting of the presence (in person or by proxy) of holders of a majority of the outstanding shares of common stock, \$.01 par value, of the Company (the “Common Stock”), exists at the Meeting, (i) the two (2) Class III directors shall be elected by the plurality vote of the shares of Common Stock cast at the Meeting and (ii) any other matters that may properly come before the Meeting shall, subject to applicable Florida law, be approved if the number of votes cast in favor of the matter at the Meeting exceeds the number of votes cast opposing such matter at the Meeting. With regard to the election of the Class III directors, votes may be cast in favor of, or withheld from, each or both nominees. Votes that are withheld with respect to this matter will be excluded entirely from, and will have no effect on the outcome of, the vote.

If less than a majority of outstanding shares entitled to vote are represented at the Meeting, a vote of a majority of the shares present at the meeting may adjourn the meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the Meeting before an adjournment is taken.

If you hold your shares in “street name” through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such “broker non-votes” will, however, be counted in determining whether there is a quorum.

Shares represented by properly executed proxies received by the Company will be voted at the Meeting in the manner specified thereon or, if no specification is so made, will be voted "FOR" the election of the two (2) Class III nominees for director named herein. Proxies solicited by the Board of Directors will be voted for the election of the two (2) Class III nominees named herein, to serve until the expiration of their terms, or until their successors have been duly elected and qualified. Abstentions and broker shares that are voted on any matter will be included in determining the existence of a quorum. Neither abstentions nor non-voted broker shares will have any effect on the election of nominees for director.

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our Board of Directors. The recommendation of the Board of Directors is set forth with the description of each proposal in this proxy statement. In summary, the Board of Directors recommends a vote "FOR" the election of the nominated slate of directors. In the event that any other matters are properly presented for action at the Meeting, the persons named in the enclosed proxy will vote the proxies (which confer authority upon them to vote on any such matters) in accordance with the recommendations of our Board of Directors. Any proxy given pursuant to this solicitation may be revoked by the record stockholder at any time before it is exercised by written notification delivered to the Secretary of the Company, by voting in person at the Meeting, or by duly executing and delivering another proxy bearing a later date. Attendance by a stockholder at the Meeting does not alone serve to revoke his or her proxy.

The solicitation of proxies will be made primarily by mail but, in addition, may be made by directors, officers and employees of the Company personally or by telephone or telegraph, without extra compensation therefore. Brokers, nominees and fiduciaries will be reimbursed for their out-of-pocket and clerical expenses in transmitting proxies and any related material to beneficial owners. The costs of soliciting proxies will be borne by the Company. It is estimated that these costs will be nominal.

The Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2007, which contains audited financial statements, is being mailed with this proxy statement to all stockholders of record as of the close of business on October 9, 2008. Additional copies of the Annual Report will be provided, free of charge, upon written request to the Company, at 1850 West McNab Road, Fort Lauderdale, Florida 33309, Attn.: Secretary.

PROPOSAL I: ELECTION OF DIRECTORS

Directors are elected on a staggered basis, with each class generally standing for election for a three-year term. As a result of the Company's failure to hold an annual meeting of stockholders for an extended period of time, Class I, Class II and Class III directors were all elected at the meeting held on September 29, 2005. The Class I director elected at that meeting had a term that expired in 2006, Class II directors elected at that meeting had terms that expired in 2007 and Class III directors elected at that meeting have terms that expire in 2008. Messrs. Frank Ferola, Shouky Shaheen, William Gross, Elliott Ross, Curtis Carlson and Richard Barone were elected at the Company's 2005 annual meeting. The Company's By-Laws provide that the number of directors shall be set from time to time by resolution of the Board of Directors and must be a minimum of one. The Board of Directors has set the size of the Board at six members.

The nominees listed below have consented to being named in this proxy statement and to serving as directors, if elected. In the event that they become unable to or will not serve, it is intended that proxies will be voted for substitute Class III nominees designated by the current Board of Directors. The Company has no reason to believe that the named nominees will be unable or unwilling to stand for election.

At the Meeting (assuming a quorum exists), shares of Common Stock represented by proxies will, unless otherwise specified thereon, be voted FOR the election of the Class III nominees listed herein. Proxies may not be voted for a greater number of persons than the two (2) Class III nominees named herein. Directors will be elected by a plurality of the votes cast, in person or by proxy, by the holders of shares of Common Stock at the Meeting.

Employment and Termination Arrangements

On January 1, 1997, the Company entered into an employment agreement with Mr. Frank F. Ferola. The agreement provides for a three-year term, which may be renewed for successive terms of three years if, at least thirty days prior to the end of each term, Mr. Ferola gives notice of his election to renew. Mr. Ferola renewed the agreement at the end of 1999, 2002 and 2005, and on May 15, 2008, terminating December 31, 2011.

Under the agreement, Mr. Ferola receives an annual base salary which is increased annually by an amount equal to 10% of the previous year's base salary. For the year ending December 31, 2007, Mr. Ferola's contractual annual base salary would have been \$1,102,253; however, by letter dated July 6, 2005, to the Company, Mr. Ferola unilaterally reduced his salary to \$540,000 per annum, subject to 10% annual increases. (See discussion under Certain Relationships and Related Transactions.)

Additionally, Mr. Ferola is entitled to receive an annual performance bonus if the Company's earnings per share increase at least 10% calculated by comparison to a base year (currently 2007) and pursuant to a formula set forth in his employment agreement. By letter dated April 14, 2008, Mr. Ferola unilaterally gave up his 2007 bonus of \$2.9 million and his 2005 bonus of \$2.0 million with the stipulation that, in the event of a "change of control" in the Company (as defined in the April 14, 2008 letter), Mr. Ferola's 2007 and 2005 bonuses shall, among other things, automatically become payable.

Further, Mr. Ferola's employment agreement provides that, under the 1990 Key Employee Stock Incentive Plan or a substitute plan, he will receive stock options from the Company of not less than 50,000 shares with ten-year terms, on each anniversary date of the agreement based upon the closing price of the stock on the last business day before the anniversary date.

Moreover, in the event of a "change in control" (as defined in the employment agreement) of the Company, Mr. Ferola is entitled to receive an amount equal to his base salary for the remaining term of his employment agreement plus an additional 24 months' salary, plus a lump-sum payment in an amount equal to the most recent annual bonus paid, multiplied by the sum of the number of years (including any fraction thereof), plus two, remaining in the term of his agreement. If a change in control were deemed to have taken place on December 31, 2007, under the terms of his contract, Mr. Ferola would have been entitled to receive a lump-sum payment of approximately \$11,600,000. Under current Internal Revenue Service regulations, a significant portion of this payment would not be tax-deductible.

Tyler Kiester

Mr. Kiester has an arrangement whereby the Company pays him a severance payment upon a "change in control" (as defined in a letter agreement dated May 19, 2003, by and between Mr. Kiester and the Company) in an amount equal to his then-current monthly base salary multiplied by twelve. If a change in control were deemed to have taken place on December 31, 2007, under the terms of his termination agreement, Mr. Kiester would have been entitled to receive a lump-sum payment of approximately \$95,000.

Potential Payments Upon Termination or Change of Control

Please refer to the above Employment and Termination Arrangements for a discussion of potential payments upon termination or change in control.

Compensation of Directors

All directors of the Company are compensated for their services by payment of \$300 for each Board meeting attended. During fiscal year 2007, options to purchase shares of Common Stock were granted by the Company to the four directors of the Company who were not employees or regularly retained consultants of the Company (each, an "Outside Director") pursuant to the Company's 1990 Outside Directors' Stock Option Plan.

Under the Plan, each Outside Director is automatically granted, upon such person's election or re-election to serve as a director of the Company, an option exercisable over five years to purchase shares of Common Stock.

Upon initial election to the Board of Directors, an Outside Director is granted an option to purchase 5,062 shares of Common Stock at an exercise price equal to the fair market value of the Common Stock on the date of grant. An option to purchase an additional 5,062 shares of Common Stock (at an exercise price equal to the fair market value of the Common Stock on the date of such grant) is granted to each incumbent Outside Director during each fiscal year of the Company thereafter on the earlier of (i) June 30 or (ii) the date on which the stockholders of the Company elect directors at an annual meeting of such stockholders or any adjournment thereof. The aggregate number of shares of Common Stock reserved for grant under the Outside Directors' Stock Option Plan is 202,500, of which options covering 96,178 shares are outstanding.
