Item 2.02 Results of Operations and Financial Condition.

On August 7, 2009, DCP Midstream Partners, LP (the Partnership) reissued its earnings release announcing its financial results for the second quarter of 2009 to correct the “adjusted net income per unit” calculation for the three and six months ended June 30, 2009. No other amounts in the earnings release were affected. The Partnership reissued the earnings release in its entirety to avoid confusion. A copy of the corrected press release is furnished as Exhibit 99.1 to this current report on Form 8-K, and is incorporated herein by reference.

The press release contains financial measures that are not presented in accordance with accounting principles generally accepted in the United States of America, or GAAP, for the applicable periods presented, including Adjusted EBITDA and adjusted segment EBITDA for each of our three business segments. The most directly comparable GAAP financial measures to Adjusted EBITDA are net income or loss attributable to partners, which is presented prominently in the attached press release for the applicable periods presented, and net cash provided by operating activities, which is presented in the attached press release and prominently below for the applicable periods presented. The most directly comparable segment GAAP financial measure for each business segment is the applicable segment net income or loss attributable to partners, which GAAP financial measures are set forth in the release and below for the applicable periods presented:
